The BMW 6 Series 650i Coupé

BMW UK

Introduction

BMW 6 Series Coupé

Pricing

Price shown as 'on the road'

650i	£56,550
650i Sport	£58,400

Company car tax

Car benefit charges for cars with an approved CO2 emissions figure

Model Description	CO2 Taxband	CO2 Emission
650i	35% (35%)	279.0 (249.0)
650i Sport	35% (35%)	279.0 (249.0)

Company car tax information for automatic cars is shown in brackets.

BMW EfficientDynamics delivers impressive emissions reductions and better fuel consumption without sacrificing driving pleasure. This is achieved through a combination of intelligent engine management systems, innovative new technologies and the use of lightweight materials.

Brake Energy Regeneration.

Intelligent Alternator Control monitors battery condition, engaging the alternator only when the battery requires recharging. This reduces the demands on the engine, reducing fuel consumption and emissions. In addition, when the car's brakes are applied or when coasting downhill, this system automatically engages the alternator to charge the battery, recycling energy that would otherwise be wasted.

Lightweight Engineering.

The overall weight of the vehicle is reduced through the use of lightweight materials such as thermoplastic, aluminium and magnesium alloy. The results are enhanced driving dynamics and improvements in both fuel economy and weight distribution.

Low-friction Fluids.

Reducing fluid friction in an engine helps minimise wasted energy and, consequently, fuel consumption and emissions. BMW uses low-friction transmission fluid, engine oil and final drive fluid to help the vehicle run more smoothly and efficiently.

Optimum Shift Indicator.

A small visual display on the car's instrument cluster shows the optimum gear for any driving situation. This gives drivers the opportunity to adopt a more fuel-efficient driving style.

Accessories - Introduction

6 Series: Enhancing Performance. From sleek exterior to luxurious interior, the 6 Series leads the way in the relentless pursuit for optimal road handling and style. Put simply, a driver's dream come true. Taking classic styling cues from the iconic BMW Coupés of the past, the 2+2 Coupe of today introduces new levels of sophistication and unprecedented engine technology. With the top down on the 6 Series Convertible a whole new element opens up to the driving experience. Add a wind deflector and your comfort limit reaches the sky. Indeed, when you integrate any of the Genuine BMW Accessories to enhance your 6 Series, you're in control of a quite exceptional Gran Turismo.

Accessories - Exterior styling

20" M Cross composite styling 101

Complete wheel and tyre set with Runflat tyres.
8.5 x 20" 245/35 R20 91Y front
9.5 x 20" 275/30 R20 93Y rear

19" Star spoke styling 218

8.5 x 19" single front rim
9.0 x 19" single rear rim

19" V spoke styling 152

BMW Individual wheel.
8.5 x 19" single front rim*
9.0 x 19" single rear rim*
*Only in conjunction with runflat tyres.

17" Star spoke styling 117

7.5 x 17" *
*Only in conjunction with runflat tyres.

18" M Double spoke styling 184

Complete wheel and tyre set with Runflat tyres.
8.0 x 18" 245/45 R18 96W front
8.0 x 18" 245/45 R18 96W rear

19" Star spoke styling 92

Forged and polished.
8.5 x 19" single front rim*
9.0 x 19" single rear rim*
*Only in conjunction with runflat tyres.

18" Double spoke styling 120

Cast.
8.0 x 18" single front rim*
9.0 x 18" single rear rim*
*Only in conjunction with runflat tyres.

RUD-matic Disc snow chains

Provided ready to assemble. Quickly and easily attached.
*Only in conjunction with 18" wheels.

The BMW 6 Series 650i Coupé

BMW UK

Accessories - Exterior styling

Mudflaps

Protect the lower wheel arches against dirt and road chippings. Available for the front and rear wheels.
*Primed, will require painting.

Anti-theft wheel locking bolts

The bolts have a special inner tooth system and can only be undone with the special tool supplied.

Accessories - Interior styling

Aluminium sports pedals

Only available for cars with automatic transmission. (Image not shown)

CD/DVD holder

For easy attachment to the sun visor. Holds up to ten CDs or DVDs.

Fine wood interior trim strips in light variegated birch

Highly polished.

Leather-covered gear lever knob with dark variegated birch decorative strip

Highly polished, with 6-speed gear shift pattern

Leather-covered selector lever grip with dark variegated birch decorative strip

Velour floor mats

Dirt repellent and water resistant.

Rubber floor mat with textile insert

Sport seats

The height, angle and thigh support can be adjusted to suit drivers/front passengers of any height, while distinctive side sections keep you in your seat when cornering.
Your BMW Dealer will be pleased to advise you on suitable seats for your car.

Fine wood interior trim strips in dark variegated birch

Highly polished (Image not shown)

Dark variegated birch wood handbrake grip

Stainless steel pedal covers

Only available for cars with automatic transmission.

Accessories - Mobile communications

Garmin® nüvi® 205WT

- Full turn-by-turn prompts with voice guidance, unit will prompt you to "Turn right in 500 feet" • Pre-loaded with regional mapping (UK and Ireland) • 2 year warranty • Easy-to-use, 4.3" touchscreen display • Full UK postal code search • Vehicle suction cup mount • Detailed 3D or 2D birds-eye view mapping • GTM 25 integrated FM TMC traffic receiver with free lifetime subscription which notifies you of traffic and automatically suggests alternative routes* • Includes Garmin Lock™ anti-theft feature • Configurable car icons • Built-in lithium-ion battery: lasts up to four hours depending on usage • Safety camera alerts enabled by Cyclops™ data (30 days free trial subscription to download updates) • Sleek, ultra-slim design fits easily in pocket • Auto re-route (fast off-route and detour recalculation) • Custom POI's (ability to add additional points of interest) • Photo navigation (navigate to geotagged photos) • High-sensitivity GPS receiver for improved performance and reception • Trip computer records mileage, max speed, total time and more • Built-in travel kit includes features such as picture viewer, world clock, currency and measurement converters and calculator • SD memory card expansion slot • Unit dimensions: 4.8"W x 2.8"H x 0.8"D • Weight: 173g

Retrofit kit Navigation Professional

(For vehicles with Navigation Business)

Digital roadmap update discs for your integrated Navigation systems

Using the digital road maps, the computer can quickly work out the best route. DVDs containing updated information are released twice a year and contain RDS-TMC traffic information, directory of BMW Dealers and Falk travel guide with new points of interest.

Each release includes up to 15% of changes to the road network each year.
(Image not shown)

Snap-in adaptors for vehicles equipped with Bluetooth

By using a phone-specific and easily interchangeable snap-in adapter, every driver can make calls on their mobile phone via the hands-free kit and simultaneously charge their phone.

Retrofit kit Navigation Business

*Part number and price dependent on model and current specification. Navigation disc must be ordered separately.

Auxiliary connector

Enables connection to external devices such as an iPod or MP3 player. Volume can be controlled via radio or multi-function controls however it is not possible to select tracks via the car's controls.
(Image not shown).

Accessories - Mobile communications

Voice input

Enables operation of navigation, telephone and most iDrive commands via voice command. Only for cars with Professional Navigation System.

TV function for on-board monitor

Enables you to watch analogue TV programmes. Can only be activated when the vehicle is stationary.

Universal hands-free kit with Bluetooth interface integrated in centre console, with eject box.

Phone-specific snap-in adapters, which enable the mobile phones of various manufacturers to be used, are available for this hands-free kit. These snap-in adapters can be very easily switched, for example when there is a change of driver. Operation by voice control is possible at all times. The hands-free kit is supplied with an external aerial. This improves reception and ensures radiation dissipation outside of the car.

iPod Interface

The iPod interface allows the Apple iPod, iPod nano, iPod mini and iPod Photo to be connected to the car's electrical system. The music stored on the iPod is played by the audio system and the iPod is also charged at the same time. By selecting genres, artists, albums or playlists, it is possible to access your music collection at any time. Depending on the equipment in the car, operation is via the iDrive controller. All lists, tracks or artists are displayed on the on-board monitor or the radio display.

The iPod interface supports the following functions:

- Playback of all tracks stored in the iPod
- Operation of the iPod interface via iDrive controller
- Track search by artist, album, playlist or genre using the on-board monitor or radio display
- Podcast playback
- SC/SCAN: Play the tracks in the current list for 10 seconds each
- RND/RANDOM: Random playback of all tracks stored in the iPod
- RPT/REPEAT: Repeat the current track
- Track jump: Jump to the next or previous track
- Fast forward
- Display of detailed information about the current track (artist and time index)
- Charge the iPod battery

Interface

- iPod connection cable
- Fibre optic cable
- Multilingual owner's manual

More information about the iPod interface is available from your BMW Dealer. When iPod connector is fitted, CD player for disc change and disc tray can be used.

Garmin® nüvi® 300T Euro Pack

- Full turn-by-turn guidance with voice prompts

Accessories - Versatility

Coolbag

CFC-free, electric cooler which cools its contents. Capacity: 12 litres.

Fitted luggage compartment mat

(Image not shown)

Manual sunblind

Umbrella bag

With matching BMW umbrella. Installed in the front passenger footwell for ease of use.

Luggage compartment tensioning straps

Two tear-resistant nylon tensioning straps secure items in the luggage compartment easily, quickly and safely.

Luggage Compartment Box, Folding

Halogen reading light

Anti-dazzle light for map reading. The light beam can be pointed in any direction thanks to the flexible arm.

Protective rear cover

Separable cover that is made from high-quality textile fibres and attached by fitting over the front and rear headrests. Waterproof, dirt-repellent and washable.

Accessories - Versatility

Belt holder

Facilitates easy access to the belt from any seat height and position.

Drinks holder

Available for the centre console for rear passengers.

Multifix system

Special brackets with non-slip finish.

Luggage compartment floor net

Secures objects of varying sizes quickly and safely. Secured to existing eyelets.

Coat hanger

Attaches easily and securely to the head restraint.

Ski bag

For easy stowage through the opening in the rear seat bench. Accessed via the luggage compartment. When the skibag is not required, it can be stowed and concealed behind the centre armrest in the rear compartment to save space.

Anti-slip mat

Prevents objects from sliding around.

Accessories - Safety and security

BMW Approved Stolen Vehicle Recovery products

Car thieves are becoming more sophisticated. Fortunately for you, so is BMW's additional security. BMW is a company of constant innovation. This on-going programme includes the advancement of anti-theft devices for your vehicle. If your vehicle already has security equipment, it is likely that BMW's additional security can enhance the factory-fitted system you presently rely on. This includes the availability of the ultimate BMW Approved, stolen vehicle recovery systems, which are now able to locate vehicles in Europe* as well as mainland Great Britain. Once installed by BMW factory trained technicians, the products may entitle you to a reduction in your vehicle insurance premiums.

*Please contact your BMW Dealer for further details.

Jump leads in Genuine BMW pouch with protective circuit

Warning triangle with holder

Tow-bar

Powder-type fire extinguisher

Located under the driver's seat for easy access.

Car covers

These breathable, washable car covers are easy to handle. With BMW logo.

Tow-cable

First aid pouch

Accessories - Safety and security

Warning jackets

Neon-colour safety jackets.

Rear-view mirrors

Automatic anti-dazzle when light from vehicles travelling behind hits the mirrors. They are available with a digital compass which indicates the direction in a 45° scale or with a universal remote control which activates most garage doors. Fitting is dependent on the specification of your car. Your BMW Dealer will be pleased to advise you.

Junior Seat I-II

The BMW Junior Seat I-II with height and tilt adjustable backrest and restraint cushion is an ideal solution for children between 9 months and 7 years (9 to 25 kg body weight). The restraint cushion offers ideal protection to children from 9 months up to approx. 4 years: It reduces the impact of the forces acting on the cervical spine in the event of an accident. For children with a body weight in excess of 18 kg or approx. 3.5 years, the restraint cushion is no longer used. Your child is then secured in using the vehicle seat belt.

Junior Seat II-III

The BMW Junior Seat II - III has a size scale for up to 150 cm which allows optimum setting of the headrest and upper belt guide. With side, height and seat back adjustments the Junior seat II-III has been designed with optimum safety and comfort in mind.

ISOFIX preparation may only legally be used for children up to 18 kg. Accordingly, the BMW Junior Seat II-III is not available with the ISOFIX option. The seat is secured by the vehicle's own three-point seat belt with belt guides for simple mounting.

Torch with rechargeable battery

With magnifying glass. This small torch can be connected to the cigarette lighter and recharged.

Baby Seat 0+

The ideal seat for the smallest of children weighing up to 13-kg (approx. 18 months). The system consists of a frame installed in the vehicle and a portable baby shell.

The BMW Baby Seat 0+ is fitted in the opposite direction of travel. This significantly reduces the pressure exerted on the child's cervical spine in the event of a frontal collision. With the optionally available seat size reducer, the BMW Baby Seat 0+ can be ergonomically adapted to fit newborns.

Junior Seat II

The BMW Junior Seat II is offered without restraint cushion for children over 15 kg and approx. 3.5 years.

The ISOFIX preparation may only legally be used for children up to 18 kg. Accordingly, the BMW Junior Seat II is not available with the ISOFIX option.

Accessories - Car care

BMW Seal & Protect

BMW Seal & Protect is the only fully approved BMW paint, interior carpet/cloth upholstery protection system. It provides an outstanding long-lasting shield against the environment and safeguards your investment by preserving the high quality finish of your car's surfaces.

Utilising high-performance sealants, your purchase involves a Dealership-applied BMW Hard Wax to the exterior paintwork. As a result, exterior surface resilience and water repellence is increased by over 300%. And the long-standing protection that BMW Seal & Protect provides simultaneously has a regenerating effect on the paintwork, for a lasting shine.

The same scientific detail is also applied inside your car, with an impregnating agent for carpets and cloth upholstery to ensure that treated materials do not soak through when exposed to moisture.

Please speak to your BMW Dealer for further details.

Wheel rim cleaner, 500ml

For Genuine BMW alloy and steel wheels.

Insect sponge

(Image not shown)
