## Introduction

### BMW X3

When you value the freedom just to get up and go, it's good to have a close companion that shares your outlook. A car that looks great against any backdrop, be it a mountain pass or the baroque facade of an opera house. The road less travelled has never been more inviting, or accessible than with the BMW X3.

## Pricing

Price shown as 'on the road'

|                      |         |
|----------------------|---------|
| X3 xDrive30i SE      | £35,300 |
| X3 xDrive30i M Sport | £37,435 |

## Company car tax

Car benefit charges for cars with an approved CO2 emissions figure

| Model Description    | CO2 Taxband | CO2 Emission |
|----------------------|-------------|--------------|
| X3 xDrive30i SE      | 34%         | NA (233.0)   |
| X3 xDrive30i M Sport | 34%         | NA (233.0)   |

Company car tax information for automatic cars is shown in brackets.

BMW EfficientDynamics delivers impressive emissions reductions and better fuel consumption without sacrificing driving pleasure. This is achieved through a combination of intelligent engine management systems, innovative new technologies and the use of lightweight materials.

### Active Aerodynamics.

Actively controlled air flaps regulate air flow to the engine and braking systems. By opening and closing these flaps, the engine is able to reach its operating temperature quicker, whilst vehicle drag is also reduced – helping the car move through the air more easily and reducing fuel consumption and emissions.

### Lightweight Engineering.

The overall weight of the vehicle is reduced through the use of lightweight materials such as thermoplastic, aluminium and magnesium alloy. The results are enhanced driving dynamics and improvements in both fuel economy and weight distribution.

Top speed (mph) (130)  
Acceleration 0-62 mph (sec) (7.5)  
Acceleration 50-75 mph in 4th (sec) -

### Weight

Unladen (EU) (1840)  
Max permissible 2300  
Permitted load (535)  
Permitted axle load, front/rear 1150/1260

## Accessories - Introduction

Ready for action. The BMW X3 combines the balance, roadholding and performance you'd expect of a BMW with true go-anywhere sporting ability. The result is a sport activity vehicle that's ready for whatever comes its way, on or off-road. Already more than complete in its specification, it just needs that final touch of individuality to make it perfectly suited to your lifestyle and pastimes: and you'll find it here, in the wide range of Genuine BMW Accessories.

  - Trip computer records mileage, max speed, total time and more.
  - Built-in travel kit includes features such as picture viewer, world clock, currency and measurement converters and calculator.
  - SD memory card expansion slot. Weight: 173g

### Antenna compensator

(Image not shown)

### BMW 6 CD changer

Integrated in the armrest. For six CDs.

### Navigation Professional (DVD)

With 16:9 on-board monitor. Uses GPS to direct you swiftly and accurately to your destination. The split screen function allows you to display the route map – in different scales – and direction arrows simultaneously. Guidance by voice instruction is possible at all times. The dynamic route guidance system suggests an alternative route when the radio receives information on traffic congestion via TMC.

### TV Function for the on-board monitor

Enables you to watch analogue TV programmes. Can only be activated when the car is stationary.

### Rear seat Advanced DVD entertainment system

Allows you to play DVDs as well as audio CDs, also in MP3 format. A games console or video camera can also be easily connected via external sockets. Two foldable screens are integrated into the backrests of the front seats. The system is controlled via infrared remote control. The 7" LCD monitor is non-reflective from every angle and delivers a brilliant picture. Includes a 6 disc CD/DVD changer (which is mounted in the boot of the vehicle). Comes with infrared remote control and two cordless stereo headphone sets as standard.

## Accessories - Mobile communications

### Snap-in adaptors for vehicles equipped with Bluetooth

By using a phone-specific and easily interchangeable snap-in adapter, every driver can make calls on their mobile phone via the hands-free kit and simultaneously charge their phone.

## Accessories - Versatility

### Boot lid bicycle rack

Sturdy attachment for transporting two bicycles with a connector available for a third bicycle.

### Base support system, lockable

The support bars are made of high-strength aluminium tubing and are fastened to the roof railing. The BMW base support system is equipped with an anti-theft feature and complies with the most stringent safety requirements. (Image not shown)

### Bicycle holder for the trailer coupling, lockable

The bicycle holder can carry one or two bicycles. An extension set for a third bicycle is also available. Both the bicycle holder and the bicycles themselves are secured with an anti-theft system.

### Universal support

### Interior bicycle holder

Two bicycles can be fastened to the lashing rails in the luggage compartment with a special attachment kit and can be safely transported, thereby eliminating the risk of theft. Please consult your BMW Dealer for details of the maximum size of bicycle which can be transported.

### BMW roof boxes

With anti-theft five-part lock. Available in three sizes in silver (320, 350 and 450) and two sizes in black (320 and 450).  
Capacity: 320 litres approx.  
LxWxH: 2260 x 550 x 350mm.  
Capacity: 350 litres approx.  
LxWxH: 1400 x 900 x 390mm.  
Capacity: 450 litres approx.  
LxWxH: 2300 x 830 x 350mm.

## Accessories - Versatility

### BMW luggage box

Is a shorter but wider and higher version of the ski and luggage box.  
Capacity: 475 litres approx.  
LxWxH: 132 x 103 x 41cm.

### Snowboard holder

For up to two snowboards.

### Ski and snowboard set

A ski holder for up to three pairs of skis can also be fitted alongside one of the snowboard holders.  
(Image not shown)

### Surfboard carrier

With board supports made of impact-resistant plastic and integrated mast carrier, belt eyelets and tensioning straps.

### Racing cycle holder

Suitable for racing cycles with quick-release skewers on the front wheel. A holder to secure the front wheel to the base support is also available.  
(image not shown)

### Luggage compartment dividing net

Unrolls. Protects passengers from loose items of luggage when the car brakes. With integrated roller cover. Retrofitting roof holder and metal grid.

### Luggage compartment tray

Shatter-proof, acid-proof and impact-resistant. The tray seamlessly lines the luggage compartment.  
Height approximately 350mm.

### Boot floor net

Secures objects of varying sizes quickly and safely. Secured to existing eyelets.

### Anti slip mat

Prevents objects from sliding around. Dimensions: 1200 x 1000mm.

### Luggage compartment storage shelf

(Image not shown)

### Skibag

Simple stowage of the skis through the opening in the rear bench seat. Accessed via the luggage compartment. When the skibag is not required, it can be stowed and concealed behind the centre armrest in the rear compartment to save space.

### Universal lift and adapter for roof boxes

The simple way to fit and remove all BMW roof boxes. Can be used to save space by storing the roof box under the garage roof.

### Luggage racks

High load capacity. Corrosion-resistant tubular steel construction. A small luggage rack allows you to combine other attachments from the multifunctional roof rack system.  
(Image not shown)

### Ski holder

Easy-use ski holder and standard ski holder for up to four or six pairs of skis.  
(Image not shown)

### Touring cycle holder, lockable

Sturdy attachment for transporting a bicycle with frame tube diameter of up to 80mm. Also suitable for mountain bikes. Single locking set for fitting up to four touring cycle holders on the base support system.

### Bicycle lift

For all BMW roof rack systems. A bicycle can be lifted on the roof rack and taken down again effortlessly. Suitable for different-sized bikes.  
(Image not shown)

### Luggage compartment tensioning straps

Two tear-resistant nylon straps secure items in the luggage compartment easily, quickly and safely.

### Load compartment protective cover

Separable protective cover for the entire boot space or the luggage compartment.

### Fitted boot mat

Non-slip, precision-fit mat made of durable plastic. Resistant to oil and solvents. Height approximately 30mm.

### Luggage compartment rails

(Image not shown)

### Protective rear cover

Separable cover that is made from high quality textile fibres and attached by fitting over the front and rear headrests. Waterproof, dirt-repellent and washable.

### BMW ski and luggage box

Can carry up to five pairs of skis including accessories or more extensive luggage.  
Capacity: 450 litres approx.  
LxWxH: 228 x 81 x 31cm.

BMW UK

## Accessories - Versatility

### Luggage compartment folding box

Can be set up quickly and secured with Velcro-type fasteners. Can be stowed under the luggage compartment floor. For loads of up to 20kg. Black.

### Dog guard

Black anodised grill partition, easily removed if required. (Image not shown)

### Coolbag

CFC-free, electric cooler which cools its contents. Capacity: 12 litres.

### Umbrella bag

With matching BMW umbrella. Installed in the front passenger footwell for ease of use.

## Accessories - Safety and security

### Fog lights kit

Throw a wider beam onto the road and also reduce back glare.

### Headlight washer system

Ensures the best possible illumination of the road at all times.

### Outdoor car cover

The breathable, washable car cover is easy to handle. Heat-reflective, completely impermeable to water. Silver-coloured, dirt-repellent surface. With BMW logo.

### Net for seat back

Provides additional storage space in the rear.

### BMW Approved Stolen Vehicle Recovery products

Car thieves are becoming more sophisticated. Fortunately for you, so is BMW's additional security. BMW is a company of constant innovation. This on-going programme includes the advancement of anti-theft devices for your vehicle. If your vehicle already has security equipment, it is likely that BMW's additional security can enhance the factory-fitted system you presently rely on. This includes the availability of the ultimate BMW Approved, stolen vehicle recovery systems, which are now able to locate vehicles in Europe\* as well as mainland Great Britain. Once installed by BMW factory trained technicians, the products may entitle you to a reduction in your vehicle insurance premiums.

\*Please contact your BMW Dealer for further details.

### Dog safety harness

Suitable for securing dogs on the rear bench seat and thereby enhances passenger protection. A lead can also be secured to a metal ring. Available in three sizes.

### Park Distance Control (PDC) front and rear

Makes parking and manoeuvring the car easier. Obstacles closer than a distance of approximately 1.5m are detected and signalled by an acoustic warning.

### Halogen reading lamp

An anti-dazzle light for map reading. The bendy arm allows you to adjust the beam in any direction.

### Drinks holder module

When opened, this module can hold two drinks securely and offers two extra small storage options.

### Extendable mirror for towing

(Image not shown)

### Passenger airbag deactivation

The passenger airbag can be deactivated with the ignition key so that child seats can be fitted. A display in the centre console indicates when the passenger airbag is deactivated.

### Rear view mirrors, automatic anti-dazzle

Automatic anti-dazzle when light from cars travelling behind hits the mirror. Available with a digital compass, which indicates the direction in a 45° scale. Or with a universal remote control, which activates the garage door opener, alarm or door locking systems at the touch of a button. Your BMW Dealer will be happy to advise you on suitable accessories for your car.

## Accessories - Safety and security

### Powder-type fire extinguisher

Located under the driver's seat for easy access.

### Warning jackets

Neon-colour safety jackets.

### TRACKER Horizon

This system includes TRACKER Monitor with GPS/GSM technology. Combined with TRACKER Monitor technology this system allows the TRACKER Network Control Room to track your vehicle with GPS/GSM on a computer-based road map. This allows the Control Room to communicate this information to the police. In conjunction with the on-board homing device, the police are able to ensure a safer and faster recovery of your vehicle, thus reducing the damage risk to your vehicle. (Image not shown)

### Baby Seat 0+

The ideal seat for the smallest of children weighing up to 13-kg (approx. 18 months). The system consists of a frame installed in the vehicle and a portable baby shell.

The BMW Baby Seat 0+ is fitted in the opposite direction of travel. This significantly reduces the pressure exerted on the child's cervical spine in the event of a frontal collision. With the optionally available seat size reducer, the BMW Baby Seat 0+ can be ergonomically adapted to fit newborns.

### Junior Seat II

The BMW Junior Seat II is offered without restraint cushion for children over 15 kg and approx. 3.5 years.

The ISOFIX preparation may only legally be used for children up to 18 kg. Accordingly, the BMW Junior Seat II is not available with the ISOFIX option.

### First aid pouch

### TRACKER Response

This system is the leading tracking product in the UK. Driver Validation tags are used to confirm authorised vehicle movement. This means that in the unlucky event of the thief stealing the vehicle keys, TRACKER Response will monitor the vehicle movements. Once moved without the use of Driver Validation tags, the system will contact the TRACKER control room. Vehicle key theft is a rapidly growing crime and this feature will enable faster access to your vehicle's position. System features an innovative customer website so that your vehicles location can be identified day or night. (Image not shown)

### TRACKER Monitor

TRACKER Monitor is a small electronic homing device hidden in your vehicle. It has no tell-tale antennae or aerials to give its presence away and is also intelligent enough to detect the possible illegal movement of your vehicle. Therefore, either when you report a theft or the TRACKER Network Control Room contact you to advise you of a possible illegal movement, the unit is activated via a network of radio transmitters. Once activated, the unit emits a silent signal which allows computers fitted in Police cars and helicopters to track your vehicle - and anyone driving it - down to their exact location. (Image not shown)

### Junior Seat I-II

The BMW Junior Seat I-II with height and tilt adjustable backrest and restraint cushion is an ideal solution for children between 9 months and 7 years (9 to 25 kg body weight). The restraint cushion offers ideal protection to children from 9 months up to approx. 4 years: It reduces the impact of the forces acting on the cervical spine in the event of an accident. For children with a body weight in excess of 18 kg or approx. 3.5 years, the restraint cushion is no longer used. Your child is then secured in using the vehicle seat belt.

### Junior Seat II-III

The BMW Junior Seat II - III has a size scale for up to 150 cm which allows optimum setting of the headrest and upper belt guide. With side, height and seat back adjustments the Junior seat II-III has been designed with optimum safety and comfort in mind.

ISOFIX preparation may only legally be used for children up to 18 kg. Accordingly, the BMW Junior Seat II-III is not available with the ISOFIX option. The seat is secured by the vehicle's own three-point seat belt with belt guides for simple mounting.

## Accessories - Car care

### BMW Seal & Protect

BMW Seal & Protect is the only fully approved BMW paint, interior carpet /cloth upholstery protection system. It provides an outstanding long-lasting shield against the environment and safeguards your investment by preserving the high quality finish of your car's surfaces. Utilising high-performance sealants, your purchase involves a Dealership-applied BMW Hard Wax to the exterior paintwork. As a result, exterior surface resilience and water repellence is increased by over 300%. And the long-standing protection that BMW Seal & Protect provides simultaneously has a regenerating effect on the paintwork, for a lasting shine. The same scientific detail is also applied inside your car, with an impregnating agent for carpets and cloth upholstery to ensure that treated materials do not soak through when exposed to moisture. Please speak to your BMW Dealer for further details.

### Wheel rim cleaner, 500ml

For Genuine BMW alloy and steel wheels.

### Engine and cold-cleaner, 500ml
