EXCLUSIVE PREVIEW

THE *3008* CROSSOVER | TAKING YOU INTO NEW TERRITORY

THE **3008**  
THE ULTIMATE CROSSOVER FROM PEUGEOT

The Peugeot 3008 blends different motoring concepts while adopting new and original technologies. With an increased interior space and a compact rugged exterior look, the 3008 offers customers an original, versatile and practical solution that opens up new motoring horizons.

#### Head Up Display

Access information about your speed, the cruise control/speed limiter and the Distance Alert, without having to take your eyes off the road.

#### Refined driving dynamics

Using its Dynamic Roll Control system the 3008 sets new standards in terms of ride comfort and body roll, and offers road holding capabilities worthy of the best hatchbacks around.

Then, when it comes to tackling tougher terrains or winter conditions, one twist of the Grip Control dial optimises the traction of both the front wheels – giving the driver the ability to overcome difficult situations where the wheels have little grip.

### The 308 – engineered as the complete family car

The first thing you'll realise once you get behind the wheel of the 308 is that driver pleasure is the central preoccupation. With its aircraft cockpit style cabin and innovative Head Up Display and Distance Alert systems, you'll just want to start the engine and drive.

And it's not just the driver who's been catered for. The 308 pays attention to every passenger (both front and rear) – including giving them more legroom

so that long journeys become a pleasure wherever you're sitting.

Then finally, when it comes to boot space, everything has been designed to offer an accessible and intelligent area. With its split 2-part tailgate and 3-position boot floor compartment, for additional storage plus Multiflex seating, the 308's boot is adaptable to all kinds of leisure activities.

The aircraft cockpit style cabin is a source of surprise and delight for the driver.

THE NEW *3008* CROSSOVER | AUTUMN '09

## About this brochure

The information contained in this brochure is based on the data and images available at the time of printing. All equipment shown is factory fitted, or available as an option at extra cost (depending on model). Some feature combinations may not be available in the UK. Also, some photography features vehicles which are left hand drive. As part of our policy of continuous specification improvement, Peugeot reserve the right to modify technical equipment, the options available, and colours at any time. For full specification ask your local Peugeot Dealer, or click on [www.peugeot.co.uk](http://www.peugeot.co.uk).

Please note that print and photographic processes used in the creation of this brochure may alter the depth and tone of the colours shown. This brochure is not a contractual document or offer of sale. The details in this book cannot be reproduced without the expressed authorisation of Peugeot.

For further information contact your local Peugeot Dealer; visit [www.peugeot.co.uk](http://www.peugeot.co.uk) or call **0845 200 1234** (calls charged at local rate and may be recorded for training or quality purposes).
