PEUGEOT **RCZ**

PEUGEOT

A DREAM MADE REAL

A compact 2+2 sports coupé designed for maximum driving pleasure, the RCZ was first unveiled as a concept car at the Frankfurt Motor Show in 2007 – where it caused such a stir that Peugeot simply had to put it into production.

Now a daring idea has become an even bolder reality. The RCZ embodies the beginnings of a new style language and marks the next chapter in Peugeot's proud history.

THE PEUGEOT **RCZ** IT CHOOSES YOU. IT OWNS YOU.

Available from end of May 2010.

A FEELING OF **SPORTING** PRESTIGE

The curved 'double bubble' roof is the unique result of design vision fused with outstanding technical expertise; a feature that not only looks beautiful, it provides optimum aerodynamics as you drive. Polished aluminium roof arches further enhance a silhouette that is both athletic and graceful.

Ruby red LED lights illuminate the rear bumper, its bold curves softened by a central diffuser. A twin chrome exhaust adds to the sporty edge.

In the passenger compartment, echoes of the elite world of motor sport abound. The low, ergonomic driving position is perfect for gaining full enjoyment from the RCZ's supreme road-holding ability. Wrap-around sports seats with integral head restraints mould to your body.

Instrument panel dials are contained in metal cases, with photo-etched, back-lit markings. The stylish fascia panel is covered in a soft, hi-tech material, or can be personalised with a fine leather trim. You can choose to enhance the ambience of the interior with a range of in-car entertainment systems, for instance Peugeot Connect Media Navigation (NG4 3D) and JBL™ Hi-Fi system, whilst a Peugeot Connect USB box comes as standard.

PERFECT FOR MEMORABLE JOURNEYS

The **RCZ** is a car you'll want to spend time with. Weekend getaways are made easy by the spacious boot and the potential to further increase space by folding down the sculpted rear seats.

MAKE IT TRULY YOUR OWN

The RCZ allows you an unusually high level of personalisation. Choose your ideal colours and trims from an exclusive selection including soft Nappa leather. Take your pick of the elements to the right which add to the RCZ's already rich specification, and allow you to reflect your own personal style. Visit www.peugeot.co.uk/rcz to build your perfect RCZ using our 3D configurator and see it come to life in a short video.

About this brochure

The information contained in this brochure is based on the data and images available at the time of printing. All equipment shown is factory fitted, or available as an option at extra cost (depending on model). Some feature combinations may not be available in the UK. Also, some photography features vehicles which are left hand drive. As part of our policy of continuous specification improvement, Peugeot reserve the right to modify technical equipment, the options available, and colours at any time. For full specification ask your local Peugeot Dealer, or click on www.peugeot.co.uk/rcz

Please note that print and photographic processes used in the creation of this brochure may alter the depth and tone of the colours shown. This brochure is not a contractual document or offer of sale. The details in this book cannot be reproduced without the expressed authorisation of Peugeot.

For further information contact your local Peugeot Dealer, visit www.peugeot.co.uk/rcz or call 0845 200 1234 (calls charged at local rate and may be recorded for training or quality purposes).
