THE ALL-NEW  
Jeep® Grand Cherokee

SCULPTED AND ATHLETIC. Meet the all-new heir to Grand Cherokee's nearly 20-year heritage of original, innovative design. Nearly every exterior surface has been redesigned to improve aerodynamics and reduce noise, vibration, and harshness.

Leave it to Jeep® Grand Cherokee to deliver this unique blend of character in a modern package that's altogether uncompromising. This is where new meets old and the most beautiful of adventures begin.

Jeep

AN ARTIST'S EYE FOR DETAIL. Interior designers took exceptional care and attention with Grand Cherokee's all-new cabin. Soft-touch accents, hands-free technology, and utterly luxurious amenities are crafted with an artisan's eye for detail.

The adventure of designing a masterpiece.

The challenge of merging all-new capability with appointments of effortless grace was formidable. The result? An evolutionary masterpiece culled from 70 years of rugged Jeep® brand expertise, a steady hand, and a palate for detailed finery. This is the all-new Jeep Grand Cherokee.

INGENUITY UNLEASHED. Some of the world's most talented designers were given free reign to create an all-new SUV that exceeds all expectations. After literally hundreds of handmade and computer-aided sketches and designs, the results revealed in the 2011 Jeep Grand Cherokee are simply stunning.

DETAIL OF ICONIC JEEP GRILLE WITHIN INNER LAMP

**TIMELESS DESIGN.** Jeep brand vehicles are among the most easily recognised in the world. With the all-new Grand Cherokee, you also see something more: it has taken a breathtaking step forward. A higher, wider stance reflects tremendous strength. The traditional seven-slot grille and trapezoidal wheel arches tell the world you're driving a modern masterpiece.

**INNOVATIVE ENGINEERING.** Redefine world-class capability and luxury. With this formidable task firmly in hand, Jeep brand engineers have infused Grand Cherokee with technical wonders, like the Quadra-Lift™, Selec-Terrain™, Adaptive Cruise Control<sup>1</sup>, and amenities, such as the available CommandView<sup>2</sup> dual pane panoramic sunroof.

**QUALITY ASSURED.** Jeep brand engineers and testers helped validate Grand Cherokee's solid durability and strength by devoting countless hours to wind, noise, and aerodynamic evaluations. Their tireless work helps ensure Grand Cherokee's weather-tight, quiet ride. Its capability was proven in the most extreme conditions, like those on the Rubicon Trail.

It's the small things that make it Grand.

**AN INTERIOR THAT LEAVES NOTHING TO THE IMAGINATION.** Leather-covered tilt/telescopic steering wheel with cruise control, electronic vehicle information centre, and remote audio control are standard. Overland models further add: Heated steering wheel and Uconnect navigation system.

**THE DIFFERENCE IS IN THE DETAIL.** Every surface within reach is soft to the touch. Real wood, chrome details, and stitching accents offer exceptional craftsmanship. With Keyless Enter-N-Go, your key can stay in your pocket — and your journey begins with the simple push of a button.

**ALL-INVITING SEATING.** All-new premium seats are designed for comfort and versatility and deliver with every stylish stitch. Standard: eight-way driver memory and passenger seats, power lumbar control, reclining rear seats, and detailed stitching. Standard additions to the Overland models include: premium Nappa leather-trimmed interior and ventilated front seats.

**PREMIUM RIDE AND HANDLING.** You're protected from the world and its worries, thanks to Grand Cherokee's smooth ride. A stronger UniFrame construction, manufacturing improvements that tighten fit and finish, additional sound dampening elements, and new steering and suspension designs come together to deliver a controlled and quietly luxurious ride.

**SMART UTILITY.** A larger rear boot capacity opens to reveal up to 1,554 litres of room for gear. Fittings are useful as well as stylish with attractive floor-protecting runners, a removable rechargeable flashlight, grocery hooks, and dual storage bins inside the spare tyre compartment, now conveniently placed under the cargo floor.

**EXPANSIVE REAR SEAT LEG ROOM.** Now more comfortable than ever, the 2011 Grand Cherokee adds 80-mm of leg room to the second row of reclining seats. Standard heated rear seats further complement passenger comfort.

**COMMANDVIEW® PANORAMIC SUNROOF.** This new feature delivers commanding views that might otherwise go unnoticed. Two large panes of glass provide a clear view to the sky, with power open/close control and a power sunshade to help keep things cool when needed.

## Quadra-Lift™ Air Suspension

Adding to Grand Cherokee's all-new roster of robust and finely tuned technologies is Overland's Quadra-Lift, engineered to take you to incredible new heights. This closed-type air suspension system lifts you up to master the road ahead, allowing you to electronically adjust the suspension, thus augmenting its capabilities. Rather than drawing exterior air, like more power- and time-consuming open-type systems, Grand Cherokee sends stored, pressurised air to the springs as needed. In turn, the system re-pressurises the reservoir, rather than releasing the air out of the vehicle. This gives you the ability to quickly adjust your vehicle height, no matter the altitude. It also raises the vehicle from back to front, keeping headlights focused downward at the road in front of you, supporting a safe and smoother transition. Quadra-Lift adds up to 105 mm of lift supported by four-corner air springs that help provide a cushioned, luxurious ride. Better yet: you control this ingenious system with the push of a button or turn of a dial. Welcome to a world that is far above and beyond the everyday.

### 105 MM OF LIFT SPAN

- OFF-ROAD 2 (+65 mm) 270-mm ground clearance
- OFF-ROAD 1 (+33 mm) Added height helps clear obstacles
- NORMAL RIDE HEIGHT A very capable 205 mm of clearance
- AERO MODE (-15 mm) Improved aerodynamics
- PARK MODE (-40 mm) Easier entry, exit, and loading

### ALL-NEW CAPABILITY CONTROL Selec-Terrain™ System

Optimal on- and off-road traction is instantly at hand with the standard Selec-Terrain. Five selectable settings electronically coordinate 12 different vehicle-management systems, including Hill Start Assist (HSA), Hill Descent Control (HDC), throttle control, transmission shifting, transfer case, traction control, and Electronic Stability Control (ESC).® Coupled with the all-new four-corner Quadra-Lift™ you'll have an adjustable suspension span that delivers legendary Jeep® brand Trail Rated® performance.

**SPORT** Improves on-road capability with enhanced torque-split and aerodynamics.

**SNOW** Adjusts for ultimate performance over snow- and ice-covered roads by maximising vehicle stability and minimising oversteer.

**AUTO** Intuitively adapts to any on- or off-road situation. It perfectly orchestrates 12 vehicle systems so you can simply enjoy the drive.

**SAND/MUD** Traction control operates with aggressive response to wheel spin. The suspension raises for optimal performance.

**ROCK** Raises vehicle to maximum height, the transfer case, differential, and throttle coordinate to provide low-speed control.

**SELEC-TERRAIN™ VEHICLE-MANAGEMENT SYSTEM.** Enhance Grand Cherokee's renowned 4WD capability: Selec-Terrain tailors traction performance to expertly tackle whatever the road sets before you, be it mud, sand, or snow. It automatically adjusts and coordinates 12 vehicle-management systems, all with a simple turn of a dial.

**QUADRA-LIFT™ AIR SUSPENSION SYSTEM.** Gain ultimate control of your suspension system and enhance off-road performance and capability. This revolutionary system allows you to easily raise your vehicle up to 105-additional millimetres, from Park mode to a maximum 270-mm of ground clearance.

**3.0 DIESEL 6-CYLINDER ENGINE.** The 3.0 litre CRD V6 offers exceptional fuel efficiency and reduces exhaust emissions. It accomplishes this with assistance from a highly pressurised fuel rail connected to piezo injectors.

**GRAND CHEROKEE OVERLAND®** Our premium specification Grand Cherokee is the epitome of the fully-loaded luxury 4x4. **STANDARD:** Exclusive Overland badge on liftgate, 3.0 CRD V6 Turbo Diesel, power liftgate, 20" alloy wheels, Quadra-Trac II® 4WD system, CommandView® panoramic sunroof, Selec-Terrain™ vehicle-management system, SmartBeam™ Bi-Xenon High-Intensity Discharge (HID) headlamps with auto-leveling and headlamp washers, Premium Nappa leather-trimmed seats, ventilated front seats, Olive burl wood steering wheel, leather-wrapped and stitched instrument panel, door trim and armrests, Keyless Enter-N-Go, Alpine® Premium Audio System, Infrared Dual Zone Climate Control, Front and Rear Park Assist System, Rear Back-Up Camera, Quadra-Lift™ air suspension system, Adaptive Cruise Control, Uconnect® navigation system, Blind Spot Monitoring and Rear Cross-Path Detection, Forward Collision Warning (FCW).®

Unparalleled on-road presence meets the original off-roader.

CommandView<sup>®</sup> sunroof. With the all-new panoramic sunroof, get the real feel of the outdoors whilst in the comfort of a safe, secure, luxury interior.

Here's to the well-connected.  
Here's to those who travel with a  
soundtrack and never need maps  
to know where they're headed.

STAY CONNECTED. Uconnect® is an intuitive hub for all your in-car media. Access your phone, radio, navigation system and MP3 player wherever you may roam using voice command or at the touch of a button.

**PHONE.** Uconnect Bluetooth® is an in-vehicle voice activated communication system that allows you to talk on your phone hands-free. This clever system is also smart enough to synchronise with up to 1000 entries in your phone's address book every time you get into your vehicle.

**VOICE COMMAND.** You can use Voice Command to select radio stations and record memos whilst keeping your eyes on the road and your hands on the wheel. This smart system technology can also be trained to better recognise your voice and can understand commands in multiple European languages.

**ENTERTAINMENT.** Grand Cherokee benefits from state of the art in car entertainment. Turn up the volume with the Alpine® Premium Sound System which features CD, a 30Gb hard drive, USB port, iPod® connector, 9 premium speakers, 506 watt amplifier and subwoofer. All accessed through a touchscreen control. The system also allows you to watch DVDs on the screen (whilst parked).

**NAVIGATION.** A turn-by-turn Satellite Navigation System, standard on Overland, featuring touchscreen and voice activated control, which can locate nearby restaurants, shopping centres, hospitals, or points of local interest. The system also provides updated traffic reports, road closures, and accident information.

**3.0 DIESEL 6-CYLINDER ENGINE.** The advanced technology of the 3.0 CRD V6 engine combines 237bhp and 550 Nm of torque with the latest common-rail technology that works in harmony to keep you going further between fill-ups. A Variable Geometry Turbocharger together with the integrated diesel particulate filter help reduce fuel consumption and exhaust emissions.

Jeep Grand Cherokee. Married to Selec-Terrain™ and Quadra-Lift™, Grand Cherokee's 3.0 CRD V6 becomes the complete article, overcoming any obstacle.

**CUSHIONED CRUISING.** The impeccable road manners of an all-new independent front and rear suspension system deliver an exceptional driving experience that's quiet and smooth.

**KEYLESS ENTER-N-GO.** Live, ride, and drive key-free. This new technology automatically unlocks doors when you pull the handle, letting you keep your focus on more important things, rather than fumbling for a key fob. Once inside, a simple press of the Start/Stop button and brake pedal brings Grand Cherokee's engine to life, and you're instantly prepared for departure.

## By any measure, there's nothing quite like the all-new Jeep® Grand Cherokee.

A MODERN CLASSIC FROM EVERY ANGLE. When your Grand Cherokee is equipped with Authentic Jeep® Accessories by Mopar, its impressive presence is further amplified. All Mopar products are specifically designed to enhance your vehicle. As the official parts and accessories division of Chrysler Group LLC, you should regard Mopar parts as original equipment, manufactured with the same uncompromising standards as your Jeep Grand Cherokee. Shown on vehicle at left: Chrome Fog Light Bezels, Chrome Tubular Side Steps, and Stainless Steel Mesh Grille Insert. For the full line of Authentic Jeep Accessories by Mopar, ask your dealer for details. Subject to availability

SMARTBEAM™ HIGH-INTENSITY HEADLAMPS WITH AUTO-LEVELLING AND HEADLAMP WASHERS. The right beam of light, right when and where you need it. Bi-Xenon High-Intensity Discharge (HID) headlamps automatically and quickly adjust high-beam brightness and intensity so you can keep your attention focused where it matters most. The auto-levelling feature is keen on keeping the headlights aimed safely down on the road.

AUTHENTIC ACCESSORIES 

Grand Cherokee Overland interior.

**EFFORTLESS ACCESS.** Designed for beauty as well as utility, the all-new power liftgate adds graceful accessibility to Grand Cherokee's rear boot space. Keyless Enter-N-Go is hands-free via the key fob, so you can keep hold of what's in your hands without fumbling to unlock the tailgate. Rear visibility is improved via a significantly larger glass panel with rear wiper.

**MORE CARGO ROOM.** With 782 litres of boot capacity behind the second-row seats, Grand Cherokee lets you take your adventure gear, along with five passengers, to places known and unknown. When it's time for moving the big things in life, fold down the rear seats to have access to 1,554 litres of free space.

DVD player optional on Limited models.

**GRAND CHEROKEE LIMITED.** The Jeep brand capability takes on a high level of technologically advanced systems and interior features. **STANDARD:** 3.0 CRD V6 Turbo Diesel Engine, Quadra-Trac II® 4WD system, Selec-Terrain™ vehicle-management system, Rain-Sensitive Wiper System, SmartBeam™ Bi-Xenon High-Intensity Discharge (HID) headlamps with auto-leveling and headlamp washers, Keyless Enter-N-Go, heated first- and second-row leather-trimmed seats, Uconnect® Media Centre with 6.5" touchscreen display and 30Gb hard drive, Uconnect Bluetooth voice command, Alpine® Premium Audio System, 18" alloy wheels, ParkView rear back-up camera, dual zone automatic temperature control and power 8-way driver memory and passenger.

Colour not available in the UK

**STYLE AND GRACE.** When it comes to on-road manners and interior comfort, a few short centimetres added to the all-new Grand Cherokee's wheelbase help deliver a ride that is miles above and beyond ordinary. By increasing the wheelbase by 134-mm, rear-seat passengers enjoy an extra 80-mm of leg room.

**DUAL ZONE CLIMATE CONTROL.** Make the air up there just right when you set it to AUTO mode. This self-adjusting temperature-control system dehumidifies incoming air for added comfort. This helps reduce condensation build-up on the windscreen and side windows.

**NOTABLE DETAILS.** Well within reach is Grand Cherokee's all-new finely crafted interior, made of premium soft-touch materials and leathers. The instrument panel and centre console feature detailed stitching for an upscale design.

**ADAPTIVE CRUISE CONTROL.** The evolution of automotive safety and convenience technology continues with Grand Cherokee's new Adaptive Cruise Control (ACC). When activated during motorway driving, the system constantly monitors the amount of space between your vehicle and those ahead, maintaining a preset distance between you. If traffic slows ahead or another vehicle moves in front of you, ACC slows the vehicle by coasting or engaging the brakes. Conversely, when the vehicle ahead speeds up or moves into another lane, the system accelerates to the preset speed. While no system can operate as quickly as a human, ACC is not affected by weather conditions and can be helpful during inclement weather, such as fog and rain, when visibility is reduced.

**ALPINE® SURROUND SOUND SYSTEM.** Step into your own personal sound stage for a realistic concert experience. Alpine's premium audio system utilises a high-powered 12-channel, 506-watt amplifier powering nine speakers and a subwoofer optimally placed throughout the cabin. Two 25-mm silk dome tweeters bookend a 3.5-inch centre-channel speaker at the front of your cabin. Two 6 x 9-inch premium cone speakers are within the front doors and two 6.5-inch premium speakers are within the rear doors, pushing sound toward the centre of the cabin. Two 2.5-inch imaging surround speakers and 8-inch dual voice coil subwoofer send clean sound from the rear.

**ALPINE.**

**REAR SEAT DVD.** Entertainment abounds with this optional console-mounted DVD player with overhead LCD display, wireless remote control, and two wireless headsets. It plays DVDs, CDs, and MP3 discs, as well as connects to video cameras, video games, and MP3 players. Reversely, vehicle speakers may play audio from the DVD player while headphones play the satellite/MW/FM radio or CD player.

Stand tall. Grand Cherokee's state-of-the-art safety and security systems keep you firmly grounded, safe and secure every step of the way.

Peace of mind takes you far. The all-new Jeep® Grand Cherokee is re-imagined and re-engineered to tackle all driving conditions. Packed with the very latest in Jeep® safety and security features, you can be sure that your Grand Cherokee is with you every mile.

## Safety and Security Features

**ELECTRONIC STABILITY CONTROL (ESC).<sup>®</sup>** A vehicle-wide network of safety sensors provide instant aid when they detect that you're veering off your intended path. ESC immediately goes into action when needed.

**SMARTBEAM™ HEADLAMPS WITH AUTO-LEVELING.** Brighter, better, safer. Bi-Xenon High-Intensity Discharge (HID) headlamps with headlamp washers shine up to three times brighter than regular headlamps. Auto-leveling keeps lamps focused down at the road ahead.

**A SAFE, SECURE AIR BAG SYSTEM.<sup>®</sup>** Always standard: full-length side-curtain, seat-mounted side, and advanced multistage front air bags all work in tandem to help provide protection.

**RAIN-SENSING WIPERS AND RAIN BRAKE SUPPORT.** Front wipers activate when raindrops are detected and a new smart brake system helps dry the brake discs on wet roads.

**FRONT AND REAR PARK ASSIST AND REAR BACK-UP CAMERA.<sup>®</sup>** These systems help bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react.

**ADAPTIVE CRUISE CONTROL (ACC).** The all-new ACC automatically adjusts cruising speed to maintain a preset distance between your Grand Cherokee and the crowd ahead.

**BLIND SPOT MONITORING AND REAR CROSS-PATH DETECTION SYSTEM.** These new sentry systems constantly monitor the personal space between you and other drivers. When a side or rear blind spot is encroached, you're notified via illuminated icons on side-view mirrors or an audible chime.

**ACTIVE HEAD RESTRAINTS.** A standard, simple, and effective safety feature that can help stave off neck injuries. Restraints automatically react and adjust to provide protection during rear-impact collisions.

**FORWARD COLLISION WARNING (FCW).** Even the most attentive drivers will appreciate the help of this new warning system. Approach another vehicle too rapidly and Grand Cherokee lets you know so you can take appropriate action.

**ELECTRONIC ROLL MITIGATION (ERM).<sup>®</sup>** If things get rough, Grand Cherokee's ERM takes immediate action to help you maintain stability and remain under control.

**TRAILER SWAY CONTROL (TSC).<sup>®</sup>** Crosswinds and traffic hold no sway over you and your payload. As part of ESC, TSC helps keep you, and the toys you are towing, safely on course and under control.

**HILL DESCENT CONTROL (HDC) and HILL START ASSIST (HSA).** These systems are always at your beck and call when you need to get safely around the corner or up and down the mountain.

**ANTILOCK BRAKE SYSTEM (ABS).** The benefits of ABS on slippery, wet roads are widely known. This advanced system knows when you're driving over rough terrain and adjusts accordingly to help keep you in optimum control.

**THATCHAM CATEGORY 1 ALARM AND IMMOBILISER.** A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee safely where it belongs.

Jeep<sup>®</sup> has always been associated with the thrill of adventure  
and living life to the full.

Jeep<sup>®</sup> helps people with a certain spirit, a zest for life, to get out  
there, grab life and have a damn good time.

Jeep<sup>®</sup> is for people who work hard and play even harder.  
Jeep<sup>®</sup> is for people like you.

That is what we call Jeep<sup>®</sup> LIFE.

It's much more than climbing a mountain or swimming the  
channel. It's about experiencing the things you love.

A weekend away with the girls.  
A fishing trip with the boys.  
Going for it at a festival.  
Or making the biggest snowman in the park.

Jeep<sup>®</sup> LIFE is about making the most of your adventures.  
Whatever they may be.

So what will you do today?
