

SLS AMG Roadster

Mercedes-Benz

The ultimate roadster

Experience one of the most exhilarating sports cars ever built: the new SLS AMG Roadster. With its exceptional agility and extraordinary performance, it's everything a driver could desire. What's more, it has the potential for even greater thrills: simply lower the roof, feel the wind in your hair and enjoy that unforgettable AMG V8 in full.

Perfection from start to finish

When you climb into a Mercedes-Benz sports car, you expect nothing but the best. In the SLS AMG Roadster, that means *designo* nappa leather upholstery, a centre console in solid metal or optional genuine carbon fibre, and a beautifully finished electric soft-top that folds away in just 11 seconds.

Instant thunder

Above you there's nothing but clear blue skies. Yet all around you a storm is breaking. Its source: the world's most powerful naturally aspirated production V8. Every flex of your right foot unleashes breathtaking forces, but thanks to the high-tech suspension, front mid-engine layout and ultra-rigid aluminium space-frame, it's you who remains firmly in control.

Black fabric soft-top

Beige fabric soft-top

Red fabric soft-top

Closes as quickly as the heavens open

No matter how suddenly the conditions change, the SLS AMG Roadster ensures you can react just as fast. Its fully electric soft-top opens and closes at the touch of a button – at speeds of up to approx. 30 mph. Made of three layers

of high-quality fabric, it comes in either Black, Beige or Red and, when closed, blends seamlessly with the lines of the body – for maximum elegance whatever the weather.

AMG Drive Unit with E-Select shift lever and Keyless-Go

AMG instrument panel with 7-LED upshift indicator

AMG high-performance composite braking system

Aircarf neck-level heating system

Standard equipment | Selection

The interior equipment for the SLS AMG Roadster includes a solid metal centre console with AMG Drive Unit, E-Select shift lever and Keyless-Go start button, plus luxury automatic climate control, COMAND multimedia system with Linguatronic voice control, and an AMG instrument panel with white-backlit dials.

The exterior boasts bi-xenon headlamps with integral LED daytime running lights, AMG 7-spoke alloy wheels and a solid metal screw-type fuel filler cap. Also fitted as standard are Aircarf neck-level heating, reversing camera, an AMG high-performance braking system and an AMG sports exhaust system with integral tailpipes.

AMG Ride Control sports suspension

AMG high-performance ceramic composite braking system

AMG carbon-fibre interior trim

AMG performance steering wheel in nappa leather/Alcantara®

Optional extras | Selection

The SLS AMG Roadster offers a range of luxurious upholstery options. Black *designo* leather upholstery comes as standard, with single- or two-tone *designo* Exclusive leather and a natural leather/woven leather combination available as options. For an even sportier look, add the AMG Performance steering wheel with Alcantara® inserts and choose between AMG carbon-fibre interior trim or the

AMG Interior Carbon-Fibre Package, which also includes carbon-fibre door sill panels and carbon-fibre seat backs. Further options include AMG Ride Control sports suspension with three-stage adaptive damping, an AMG high-performance ceramic composite braking system, an AMG carbon-fibre engine compartment cover and Blind Spot Assist.

Standard equipment
7-inch TFT colour screen for displaying high-resolution maps

AMG Performance Media: torque, output and accelerator position data

Optional extra
Bang & Olufsen BeoSound AMG with illuminated tweeter lenses

Audio, navigation and AMG Performance Media

Entertainment and navigation in the SLS AMG Roadster come courtesy of the standard COMAND multimedia system with 7-inch TFT colour screen. For an even more memorable listening experience, there's the optional 1,000-watt Bang & Olufsen BeoSound AMG system with 11 high-performance speakers and twin illuminated tweeter lenses. Also available is the AMG Performance Media

system. It gives you unlimited high-speed internet access for rapid browsing or searches and provides key performance data such as g-force, accelerator position and lap or interval times. What's more, it even stores the data for you to analyse and compare after the journey.

Standard equipment
AMG 7-spoke alloy wheels with burnished Titanium Grey finish

Optional extra
AMG 5-twin-spoke alloy wheels with burnished Titanium Grey finish

Optional extra
AMG 10-spoke forged alloy wheels with burnished Titanium Grey finish

Optional extra
AMG 10-spoke forged alloy wheels with Matt Black finish and burnished rim

AMG alloy wheels

The SLS AMG Roadster is fitted as standard with AMG 7-spoke alloy wheels. The options include muscular AMG 5-twin-spoke alloy wheels or lightweight AMG 10-spoke forged alloy wheels. All three feature a burnished Titanium Grey finish, while the 10-spoke wheels are also available in Matt Black with burnished rims.

Each wheel style is designed to further enhance the stunning exterior as well as to give a clear view of the AMG high-performance braking system. As an option, the brakes can also be fitted with red calipers – an eye-catcher even when travelling at speed.

¹ Figures according to Directive 80/1269/EEC in the currently applicable version

² The figures shown were obtained in accordance with the prescribed measuring process (Directive 80/1268/EEC in the currently applicable version). The figures are not based on an individual model and do not constitute part of the product offer; they are provided solely for purposes of comparison between different vehicle models

³ Data according to DIN 70020 (curb weight, fuel tank 90% full, with a passenger (75 kg)) for vehicles with standard equipment. Special equipment and accessories will generally increase this figure and thus the permissible load is reduced accordingly

Take-back of end-of-life vehicles. Coming full circle. At the end of its long life, you can return your SLS AMG to us for environment-friendly disposal in accordance with the EU End-of-Life Vehicle Directive.⁴ But that day lies a long way off.

⁴ Applies in accordance with national regulations to vehicles up to 3.5 t permissible gross weight. The SLS AMG has met the statutory regulations governing the suitability of the vehicles' design for reuse and recycling for a number of years now. A network of vehicle take-back depots and dismantlers has been established which will process your vehicle in an environment-friendly manner. The ways in which both vehicles and parts can be recovered are subject to ongoing development and improvement. Consequently, the SLS AMG will be able to comply with any future increases in the recycling quota within the stipulated time limits. For further information, please go to www.mercedes-benz.co.uk or call 0808 156 6606.

Please note: changes may have been made to the product since this brochure went to press (01.02.2011). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by Daimler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras, colours and/or services available in various countries. Some of the models, features, optional extras, colours and/or services shown may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras, colours and/or services may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras, colours and/or services available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Retailer.
