

PEUGEOT **BOXER**

PEUGEOT

Designed with business in mind, the Peugeot Boxer range is built by professionals for professionals. Because we understand that no two businesses are the same, we've designed the Peugeot Boxer range to be flexible in all manner of useful ways – from different heights and lengths to different engines. And that's where our Boxer Accessories fit in too. Whatever role your Peugeot Boxer will play in your life our Boxer Accessories offer you a range of fantastic ways to make it as individual as you are.

PERSONALISED TO SUIT YOU THE PEUGEOT BOXER

Perhaps you want to extend your Boxer's carrying capacity with a towbar or roof rack? To make for a smoother journey, why not add satellite navigation or a parking aid? Or you could keep the contents of your Boxer more secure by adding security grilles or an anti-intrusion alarm.

Every item is designed to fit perfectly in your Peugeot. There's no compromise on quality – a philosophy that has been adhered to in every aspect of the Boxer's development. To make it easy to find the things you want this brochure is organised into categories: Touring, In-car Technology, Protection and Safety and Security. So take a look, decide on the accessories you want and get ready for a truly professional way to do business.

Contact your local Peugeot Dealer for more information on our accessories range or visit www.peugeot.co.uk/accessories

TOURING

1. Standard ISO towbar

Engineered and tested to the highest standards, this ISO towbar features a traditional two bolt ball coupling and is available with either 13 pin or twin (7n + 7s) electrics.

2. Roof bars

An excellent foundation for safely transporting large items. Max permitted load 100kg, evenly distributed.

3. Roof rack

Designed and engineered to fit securely to the roof structure enabling the carriage of bulky cargo without compromising on safety. Max permitted load 150kg, evenly distributed.

4. Load roller

Allows for easier loading of ladders and other longer items onto the roof rack.

5. Step plate

An essential item which makes tying down loads on the roof rack both safe and easy.

6. Ladder

Provides easier access to items carried on the vehicle roof rack.

IN-CAR TECHNOLOGY

1. Smartnav dynamic navigation system

An easy-to-use dynamic navigation system that takes into account live traffic information, directing the user around congestion and traffic hold-ups, all at the press of a button on the dashboard. Also available with optional 'Safe Speed', which alerts the driver to speed cameras, helping you to keep within the speed limit.

2. TomTom portable navigation

No set-up or subscription charges, simply plug in, switch on and go. These smart, easy to use, navigation units come pre-loaded with UK and Western European mapping* and include a screen mount and in-car power lead. Entering address details could not be easier thanks to their touch screen operation and postcode navigation.

3. 'Bluetooth' integrated hands-free kit

Designed to be used with 'Bluetooth' compatible phones, the hands-free kit offers full voice control for pick-up, hang-up and dialling by name. Just leave your phone in your pocket or a bag, turn the ignition key and you're ready to make, take or reject calls while driving.

4. Supertooth One hands-free kit

This hands-free kit simply clips on to the vehicle sun visor. It incorporates the latest 'Bluetooth' technology, providing a wireless connection to your mobile phone. It has a built-in speaker with exceptional sound clarity and ultra sensitive microphone with noise cancellation and an integrated rechargeable battery.

5. Parking assistance

The parking assistance system can be fitted to either or both the front and rear of the vehicle. The system emits audible bleeps when the vehicle approaches an obstacle helping you to manoeuvre more safely. Please note, the rear system is automatically disabled when towing.

PROTECTION

1. Rubber mat

One piece rubber mat, tailored to fit the vehicle, with the 'Boxer' name shown in the centre of the mat. Supplied with fittings.

2. Headlight protectors

Custom fit headlight protectors, supplied with self adhesive beam deflectors which are required when driving abroad (set of two).

SAFETY AND SECURITY

1. Warning triangle, first aid kit and high visibility jacket

Be prepared for those unexpected emergencies with our range of road safety accessories. All items are available individually.

2. Fire extinguisher

Available in 1kg and 2kg sizes.

3. Headlight beam converter

Peugeot headlight beam converters redirect the beam rather than blocking it. This patented technology allows almost 20% more light through, enabling you to drive safely and legally when abroad.

4. Anti-intrusion alarm

Protects against forced entry via bonnet, doors and boot plus ultrasonic protection of vehicle interior.

5. Snow chains

Essential for driving on fresh or compacted snow.

6. Security grilles

Further protect the contents of your vehicle by installing tailored window security grilles (set of two).

Please see price list for detailed model applications.

DEALER STAMP
