Publication date October 2011.

RENAULT = Economical + Ecological

The new Renault eco² symbol shows Renault's range of Economical and Ecological cars.

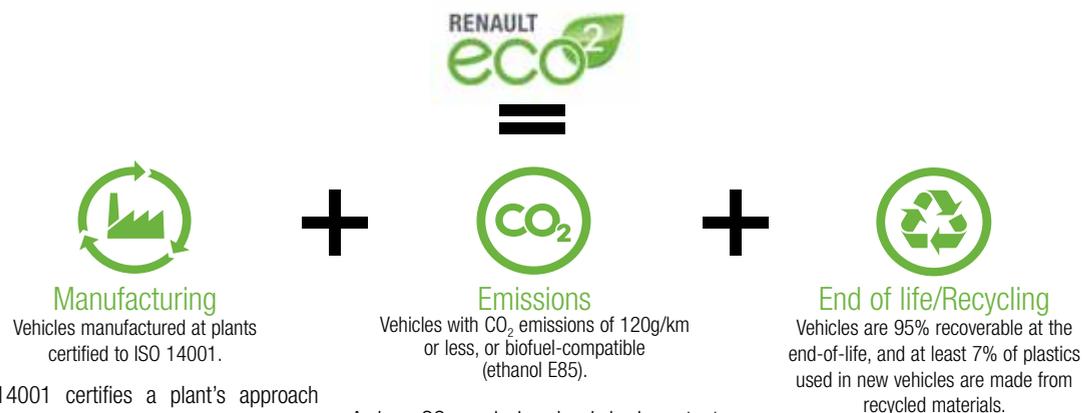

Economical in terms of low fuel consumption, affordable engine technologies and lower road tax costs due to better CO₂ emissions.

Ecological in terms of measurable results at every stage of the vehicle lifecycle.

Ecological in terms of the widespread impact of more environmentally-conscious car purchasing. As Renault eco² cars are more affordable, more people can choose them hence a bigger impact in total on the environment.

Today's environmental challenges call for technological progress, which is applicable to as many vehicles as possible, at a cost customers can afford.

A Renault eco² vehicle meets three environmental criteria covering the whole lifecycle:

ISO 14001 certifies a plant's approach to environmental progress. Since 1996, Renault has reduced its energy consumption by 25%, its water consumption by 57%, waste by 65%, volatile organic compound (VOC) emissions by 38%, and water-borne toxic discharge by 44%.

In 2006, 39 industrial sites, covering over 90% of Renault operations worldwide, were certified to ISO 14001. The certification process is underway for the remaining 10%, just recently acquired by Renault in Russia and Morocco.

A low CO₂ emission level is important because CO₂ (carbon dioxide) is the main greenhouse gas responsible for global warming.

A large number of vehicles in Renault's eco² range emit less than 120 g/km of CO₂, qualifying them for UK Road Tax Band C and meeting the eco² emissions criteria.

Like all Renault vehicles, a Renault eco² vehicle is designed so that 95% of its materials (by weight) will be reusable in one form or another. In addition, at least 7% of vehicle plastics on new eco² vehicles are made from recycled materials.

Clio contains close to 20kg (10%) of recycled plastics, and Laguna around 35kg (17%). The proportion will be even higher on forthcoming Renault vehicles, the target being 50kg by 2015.

In this price guide, each eco² vehicle is marked with the  symbol

Renault eco² criteria will be regularly updated to keep pace with new developments and ensure that the symbol denotes environmentally class-leading vehicles during their lifecycle.

Examples of Renault eco² cars, among dozens in the Renault range.

Twingo
Twingo 1.2 16V 75
• ISO 14001 since 2007 • CO₂: 119 g/km
• 12.4% recycled plastic

Clio
Clio dCi 88
• ISO 14001 since 2000 • CO₂: 106 g/km
• 13% recycled plastic

Modus
Modus dCi 88
• ISO 14001 since 1999 • CO₂: 107 g/km
• 10.5% recycled plastic

Mégane Coupé
Mégane dCi 90
• ISO 14001 since 2008 • CO₂: 104g/km
• 11.8% recycled plastic

Mégane dCi 110
• ISO 14001 since 2008 • CO₂: 106g/km
• 11.8% recycled plastic

Scénic
Scénic dCi 130 Stop & Start
• ISO 14001 • CO₂: 115 g/km
• 11.7% recycled plastic

Laguna Hatch and Sport Tourer
Laguna Hatch dCi 110
• ISO 14001 since 2007 • CO₂: 109 g/km
• 15.4% recycled plastic

Laguna Sport Tourer dCi 110
• ISO 14001 since 2007 • CO₂: 110 g/km
• 12.6% recycled plastic

CO₂ BANDING

The amount of Vehicle Excise Duty (Road Fund Licence) payable on new cars varies depending on the level of CO₂ (Carbon Dioxide) emissions produced by the vehicle and the type of fuel used. The table below illustrates the 'CO₂ banding' and, therefore, the amount of Vehicle Excise Duty payable. These bandings are effective from 1st April 2011 and supersede any previous bandings.

Bands	CO ₂ Emission Figure (g/km)	First Year Diesel Car (TC 49) and Petrol Car (TC 48) 12 Months Rate	Subsequent Years Diesel Car (TC 49) and Petrol Car (TC 48) 12 Months Rate
Band A	Up to 100	£0	£0
Band B	101 to 110	£0	£20
Band C	111 to 120	£0	£30
Band D	121 to 130	£0	£95
Band E	131 to 140	£115	£115
Band F	141 to 150	£130	£130
Band G	151 to 165	£165	£165
Band H	166 to 175	£265	£190
Band I	176 to 185	£315	£210
Band J	186 to 200	£445	£245
Band K	201 to 225	£580	£260
Band L	226 to 255	£790	£445
Band M	Over 255	£1,000	£460

These are the rates you will pay in the first year of ownership. In the second year, Vehicle Excise Duty rates will revert to the regular rate for that vehicle, as notified at the time of renewal.

GORDINI

How about driving a Renault with a genuine designer label attached? It's here, and it's called Gordini: the iconic name irrevocably linked with Renault's sporting heritage, rally success and fast road cars.

WIND ROADSTER

A true driver's car, this Wind Roadster proudly bears the Gordini colours. Shod with 17" black diamond alloy wheels, it features Malta Blue bodywork with trademark twin white stripes, Glacier white door mirrors, grille trim and cowls, and a gloss black roof. A badge marked with a "G" completes the Gordini look.

TWINGO

The Twingo Gordini showcases the ultimate specification for this car, with its supportive leather seats, plus the distinctive Gordini design wherever you look, from the steering wheel to the blue gearknob and rev counter.

CLIO

With 200hp on tap from its naturally-aspirated 2.0 litre engine, this is a stripy tiger, with a choice of two bespoke chassis. Referencing the classic Gordini style, this Clio boasts Gordini alloy wheels with polished face and black inner rim – as well as distinctive paint colours, with or without contrasting Gordini stripes, as you choose.

EXPRESSION DCI 88 ECO ***

Benefits over standard Expression dCi 88

- CO₂ emissions reduced to 94 g/km from 106 g/km on standard dCi 88
- Combined fuel consumption improved to 78.4 mpg vs 70.6 mpg on standard dCi 88
- Qualifies for London Congestion Charge exemption
- Qualifies for 100% Capital Write Down Allowance

Extra equipment vs standard Expression dCi 88:

- 15" 'Aero' wheel trims (with aerodynamic front wings)
- Body coloured 'Aero' rear spoiler
- Ultra-low resistance tyres
- Choice of five colours (1 solid: Glacier White; 4 metallic (at extra cost): Pearl Black, Mercury, Ruby Red, Oyster Grey)

CORE FEATURES (Available on all Versions)

COMFORT AND DRIVING

- Door mirrors - heated and with electric adjustment
- External temperature gauge
- Headlights - double optic with 'see me home' function
- Fingertip audio system remote control
- Fuel cap - integrated in F1 style
- Keycard - remote locking and closing of windows
- Multi-functional trip computer
- Seats - driver's height adjustable
- Socket - front - 12V socket

- Steering wheel - height and reach adjustable
- Storage - front under floor
- Variable power-assisted steering
- Windows - front - electric with anti-pinch
- Windscreen wipers - front with variable speed adjustment
- Windscreen wipers - rear

SAFETY AND SECURITY

- ABS with EBD (Electronic Brake Distribution)

- Airbags - curtain front and rear
- Airbags - de-activation for front passenger
- Airbags - driver and front passenger two stage auto-adaptive
- Airbags - front lateral
- ASR (Anti-Skid Regulation) and CSV Understeer Control
- Brake Assist
- ESC (Electronic Stability Control)
- Headrests - front - two height and forward/backwards adjustable headrests

- Headrests - rear - three height adjustable headrests
- ISOFIX points on outer rear seats
- R.A.I.D. (Renault Anti Intruder Device) - automatic locking of the doors and boot over 6mph
- Seatbelts - front - 3-point seatbelts with double pretensioners and load limiters
- Seatbelts - rear - three 3-point seatbelts with load limiters
- Tyre inflation kit with underfloor storage in the boot

STANDARD EQUIPMENT

EXPRESSION ADDITIONAL EQUIPMENT TO CORE FEATURES ABOVE

- Air conditioning
- Alarm - Thatcham (category 1) alarm
- Deadlocking and immobiliser
- Door mirrors - body coloured
- Front fog lights
- Radio - 4 x 15W radio CD with MP3 compatibility and AUX input
- Roof bars - chrome longitudinal
- Seats - front fold flat passenger's seat

- Seats - rear 60:40 split folding
- Seats - driver's lumbar adjustable
- Socket - boot - 12V socket
- Storage - covered centre console
- Storage - retractable luggage cover
- Upholstery - 'Papeete' dark carbon cloth
- Windows - rear - electric

DYNAMIQUE TOMTOM ADDITIONAL EQUIPMENT TO EXPRESSION (INCLUDES CORE FEATURES ABOVE)

- Alloys - 16" 'Proteus'
- Automatic headlights and rain sensing front windscreen wipers
- Baggage net
- Carminat TomTom® Live satellite navigation system with joystick control
- Cruise control with speed limiter
- Keycard - hands free - automatic opening upon approach

- Radio - 4 x 15W radio CD with MP3 compatibility and AUX input
- Radio - Bluetooth connectivity
- Seats - passenger's height adjustable
- Steering wheel - leather
- Upholstery - 'Sergio' cloth in dark charcoal

GT LINE TOMTOM ADDITIONAL EQUIPMENT TO DYNAMIQUE TOMTOM (INCLUDES CORE FEATURES ABOVE)

- Alloys - 17" Dark Chrome 'Celsium'
- Automatic Dual Zone climate control
- Door handles - Dark Chrome
- Door mirrors - Dark Chrome - electrically operated and folding
- Headlights - with black surrounds (1)
- Interior - anthracite detailing on door pulls, air vents and dashboard
- Kick plates - 'GT Line'
- Parking sensors - rear
- Pedals - aluminium sport
- Radio - multi-functional TunePoint/USB input
- Roof bars - Dark Chrome longitudinal

- Seats - Renaultsport seats in dark charcoal (2)
- Sport chassis with lowered suspension
- Styling - front - body coloured GT bumper with gloss black grill
- Styling - rear - body coloured GT bumper with Dark Chrome diffuser
- Upholstery - two-tone seats in dark charcoal
- Windows - extra tinted rear and tailgate

ADDITIONAL EQUIPMENT ON TCE 180 AND DCI 160 ENGINES ONLY

- Alloys - 18" Dark Chrome 'Jetow'
- Chassis - Renaultsport engineered
- Kick plates - 'Renaultsport'
- Steering wheel - Renaultsport styling with leather

RENAULT: 'MOST IMPROVED FLEET MANUFACTURER' AT FLEET NEWS AWARDS 2011

The award recognises the series of initiatives that Renault has launched to enhance our fleet offering, including cost reduction and continued improvements in our service quality through the Renault Business Promise.

CAR BENEFIT TABLE

CO₂ emissions in grams per kilometre

2011 - 2012 tax year

CO ₂	Petrol	Diesel	CO ₂	Petrol	Diesel
Up to 120	10%	13%	180 - 184	26%	29%
121 - 129	15%	18%	185 - 189	27%	30%
130 - 134	16%	19%	190 - 194	28%	31%
135 - 139	17%	20%	195 - 199	29%	32%
140 - 144	18%	21%	200 - 204	30%	33%
145 - 149	19%	22%	205 - 209	31%	34%
150 - 154	20%	23%	210 - 214	32%	35%
155 - 159	21%	24%	215 - 219	33%	35%
160 - 164	22%	25%	220 - 224	34%	35%
165 - 169	23%	26%	225 - 229	35%	35%
170 - 174	24%	27%	230 and above	35%	35%
175 - 179	25%	28%			

For more information please contact your local Renault Dealer or log on to the tax calculator on our website:

www.renault.co.uk/fleet/finance/fleetfinancecartaxcalculator.aspx

If you would like more detailed advice on Company Car Taxation please contact an Independent Financial Advisor.

COMPANY CAR TAX

Company car taxation has changed. Following the government's commitment to reducing global warming, company cars are now taxed on their CO₂ emissions. Using the latest in diesel technology, the Renault range has some of the lowest emissions amongst new cars on sale today. This easy guide will help you to calculate the amount of tax you will pay for any new Renault car by following 4 simple steps:

Step 1

Each model in the Renault Car Price Guide has a Benefit In Kind (BIK) percentage rating for tax purposes. (See Car Benefit Table above)

Example: New Mégane Hatch Dynamique TomTom dCi 110 ECO FAP = **13%**.

Step 2

The price of the vehicle used for taxation (the P11D value) will be the Total Retail Price, plus the delivery charge of £595.00, plus any costed options.

Example shown without costed options: New Mégane Hatch Dynamique TomTom dCi 110 ECO FAP = **£18,055.00 + £595.00 = £18,650.00**

Step 3

Using the BIK figure, calculate the percentage of the vehicle that is liable for taxation.

Example: New Mégane Hatch Dynamique TomTom dCi 110 ECO FAP = **13% x £18,650.00 = £2,424.50**

Step 4

Now calculate the amount of tax to be paid annually. This is based on the amount of income tax that you pay, either 20% or 40%.

Example: New Mégane Hatch Dynamique TomTom dCi 110 ECO FAP Car Benefit Charge = **£2,424.50 x Income Tax @ 20% = £484.90**

Tax Payable

For an income tax payer of 20% the amount of tax to be paid on the New Mégane Hatch Dynamique TomTom dCi 110 ECO FAP is therefore **£484.90** (for tax year 2011 to 2012).

Please note: this calculation is illustrative only and may not reflect current vehicle pricing.

RENAULT MOBILITY

As the market leader in safety, with ten vehicles in the range scoring the maximum five stars in the Euro NCAP safety tests, Renault offers an extensive range of models through the Motability scheme. With our advanced design technology, all of our models can be cost effectively adapted by Motability Accredited Specialists to meet the particular needs of a disabled driver or user.

At your nearest Motability Accredited Renault Dealer, you will find a commitment to personal service, facilities for easy access including ramps and wide doors, plus expert assistance from Motability specialists. If you'd like more information about these special services or about a specific vehicle adaptation, put us to the test right now by calling Renault Corporate on 0800 387 626, contacting motability@renault.co.uk or visiting www.motability.renault.co.uk.

WHO BETTER THAN RENAULT TO SERVICE YOUR RENAULT?

Your new Renault is covered by a 3-year warranty package - the first 2 years of unlimited mileage Renault manufacturer warranty, followed by a further year of cover up to 100,000 miles. Paintwork is also guaranteed for 3 years while the anti-corrosion warranty runs for 12 years. In addition, the Renault Assistance plan ensures prompt help in the UK and Northern Ireland for manufacturer defects for 36 months for all vehicles. For full details please refer to the Renault warranty terms and conditions, available from your Renault Dealer or from www.renault.co.uk.

FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

SERVICE INTERVALS (Euro5)

All models 18,000 miles / 2 years

Except:

12,500 miles / 2 years:

- Twingo 1.2 TCe 100 & Renaultsport 133
- Mégane Renaultsport 250

12,000 miles / 2 years:

- Wind Roadster, Modus, Grand Modus & Clio 1.2 TCe 100 & 1.6 VWT 133

- Clio Renaultsport 200

18,000 miles / 1 year:

- Espace IV

Service required at the mileage or time interval shown, whichever is sooner.

ENGINES WITH OIL CONTROL SYSTEM (OCS)

- PETROL 1.2 TCe 100, 1.4 TCe 130, 16V 105 Auto, 2.0 TCe 180, 1.6 VWT 128, 1.6 VWT 133, Renaultsport 133 & 250
- All DIESEL engines

OCS monitors driving conditions that directly affect the quality of your engine oil, protecting your engine from excessive wear and possible bearing failure. Under certain conditions; low speeds, heavy traffic, door-to-door deliveries (engine turning with little distance travelled) or in high gear for long periods; sport driving, towing a caravan/trailer over 500kg (engine turning at higher revolutions), the vehicle's service interval may be shortened and you will be alerted, via the instrument panel service indicator, that a Renault Service is required earlier (refer to driver's handbook for details).

EXTENDING YOUR WARRANTIES AND COVER

Renault Extended Warranty allows you to extend your Renault Warranty for an additional year up to 4 years / 100,000 miles, whichever comes first. Renault Assistance Added Cover provides you with

additional cover for incidents not covered by Renault Assistance: such as incorrect (or lack of) fuel, keys lost, stolen or locked inside the vehicle and incidents involving caravans or trailers.

For full information on these products please ask your Renault Dealer or log on to www.renault.co.uk and click on 'Owner Services', where you can also buy securely online.

SERVICE PLANS

When you buy a new car, you can also purchase a Fixed Price Service Plan. Prices start from just £199 and the plan covers your recommended manufacturer servicing up to 3 years or 30,000 miles, whichever comes first.* For more details ask your dealer or log on to www.renault.co.uk and click on 'Owner Services'.

*Plan only available at the time of vehicle purchase.

RENAULT ACCIDENT SUPPORT LINE- 0800 085 8005

The Renault Accident Support Line (RASL) is a dedicated service from Renault for all Renault drivers and their families, no matter what car they drive. This service is available at no cost to you, regardless of fault. RASL will deal with every aspect of your claim, from ensuring you are recovered to a Renault Approved Accident Repair Centre to dealing with all insurance companies giving you total convenience and peace of mind.

0800 085 8005 is the only number you need so please programme it into your phone and make sure that in the event of an accident you call us first and we will take care of everything.

RASL will:

- Arrange recovery of your vehicle from the scene of the accident to a Renault Approved Accident Repair Centre
- Organise the repairs at a Renault Approved Accident Repair Centre using only Renault Original Parts
- Deal with all insurance companies, both yours and the other parties'
- Provide a like for like replacement vehicle if the accident is not your fault
- Pursue the at fault party for all associated costs if the accident is not your fault
- Use the same paint as during manufacture
- Provide a 5 year repair guarantee on paint and repairs
- Ensure you do not have to pay a policy excess if the accident is not your fault
- Provide the same service for your family free of charge regardless if their car is a Renault or not
- Ensure that yours and your passengers' safety are guaranteed and your five star NCAP rating will not be compromised

RENAULT NETWORK SERVICES

No-one is better placed than Renault to maintain, fit and repair your Renault, fast. The Renault Minute (maintenance and repair with no appointment

necessary) and Renault Rapide Bodycare (bumper scuffs, dings and dents, windscreen, stone chips and interior repairs...) services deliver the highest level of repair and maintenance and offer a full year's guarantee on Original Renault Parts. And don't forget to have a look at our wide range of additional equipment and accessories!

RENAULT INSURANCE

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

RENAULT ELECTRIC VEHICLES

A COMPLETE RANGE COMING SOON

Starting now, we're launching a groundbreaking range of totally electric vehicles, from zippy town cars to a comfortable family saloon and the Kangoo Van Z.E. They're all going to be better for the environment and very affordable to run. So you'll be able to drive an

average of 100 miles on £3 worth of battery charge (and a lot less when using cheaper overnight tariffs). Plus you'll avoid other costs like the London congestion charge.

You can already book your Renault Fluence Z.E., Twizy, Renault Kangoo Van Z.E. and Renault Kangoo Van Maxi Z.E. right now, and ZOE will be available soon. The future's already here, so now's the right time to go electric with Renault.
