

RENAULT KANGOO

DRIVE THE CHANGE

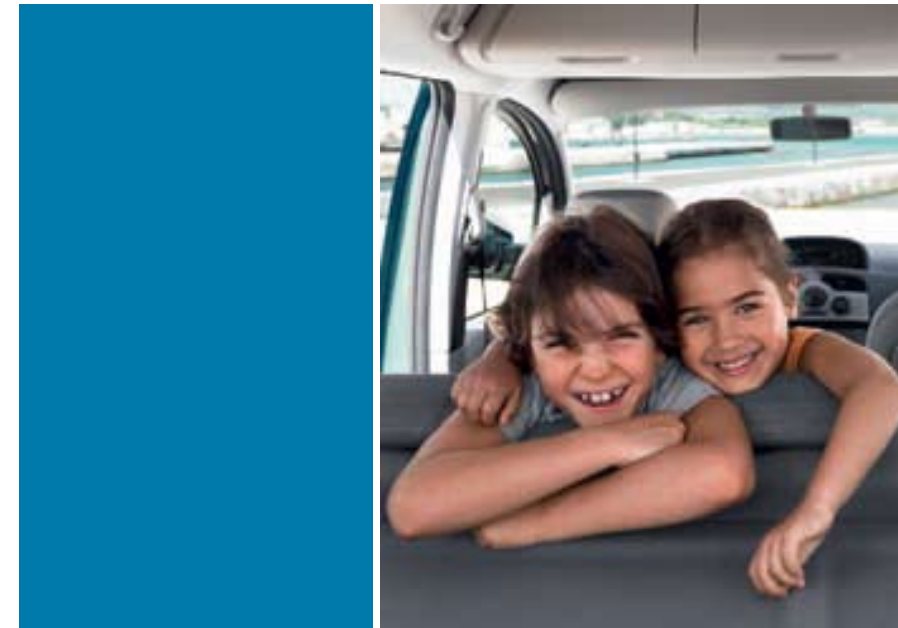

WHY RENAULT? WE'RE DRIVEN BY A PASSION TO MEET AND EXCEED PEOPLE'S NEEDS, AND THAT'S WHAT DRIVES THE INDUSTRY FORWARD. IT'S BEEN THAT WAY WITH US FOR OVER A HUNDRED YEARS. BUT IN TODAY'S RAPIDLY-CHANGING ENVIRONMENT, IT'S MORE IMPORTANT THAN EVER THAT WE SOURCE NEW SOLUTIONS THAT WILL SAFEGUARD ALL OUR FUTURES.

We know that the car is at a turning point, it has to evolve whether you believe in global warming or not; to emit less in cities, to make less noise and to use increasingly scarce energy more efficiently.

At Renault we are working to create more affordable cars, with radically lower CO₂ emissions. For the widest possible audience. Today that's our collection of 35 'eco²' models. Starting next year there will be a groundbreaking range of zero emission electric vehicles, from a nippy town car to a comfortable family saloon and a small van. Silent, clean vehicles which will emit no CO₂ in use, and none at generation where energy comes from hydro, wind, solar or nuclear (2g/100km). They will also be affordable to run. Around £1.30 worth of electricity will take you over 100 miles. All from a battery that can be recharged in as little as twenty minutes at one of a network of charging points, currently being developed. And parking and congestion charges should all be lower, too.

We believe it's time to make the car a driver of progress once more. We are determined to drive that change. Soon you will be able to join us.

RENAULT. DRIVE THE CHANGE.

LIFE IN THE GREAT OUTDOORS

LIVE YOUR LIFE WITH THE NEW KANGOO.

Hungry for adventure, yearning for the beach or the countryside, or just want to nip round town? The New Kangoo is ready to go wherever your free time takes you. The interior space and versatile storage mean there is plenty of room for five people and all your luggage, shopping, and sports or outdoor equipment. The easy-going New Kangoo will fit in whatever your plans, thanks to its versatility and a myriad of practical storage ideas.

CHOOSE FREEDOM

THE NEW KANGOO OFFERS A VARIETY OF CONFIGURATIONS:
FROM FIVE FULL SEATS TO A COMPLETELY FLAT FLOOR. IT'S UP TO YOU.

With the New Kangoo, adapting the layout is child's play. In two simple movements, the rear seat and the passenger seat fold away to create a flat floor that is 2.5 m long on the passenger side*. Combined with masses of storage, the innovative roof rails and a large boot, the New Kangoo's flat floor makes it the ideal companion for all your leisure and practical needs.

* Depending on version

ORGANISING YOUR SPACE

A MADE-TO-MEASURE BOOT AND ROOF RACK - QUITE SIMPLY, PRACTICAL.

The spacious boot has an adjustable shelf to hide your luggage. Positioned at mid-height, the space can be split in half to separate dry and wet things, for example, or to protect fragile items.

If you are transporting tall objects, it can be moved onto the back of the rear seat. And for even more options, when the roof rails are positioned lengthwise they can be transformed into a mini roof rack in a single movement without the use of tools.*

DRIVE THE CHANGE

DRIVING THE NEW KANGOO; A NEW EXPERIENCE TO ENJOY.

With the New Kangoo, taking to the road is always enjoyable, due to the comfort of your driver's seat and the improved road-handling provided by the new chassis. With its stability when cornering and high-performance brakes, driving the New Kangoo gives you complete peace of mind... and acoustic comfort you will definitely appreciate. The diesel engines have been selected for their excellent ratio of performance/fuel economy and low CO₂ emissions. Last but not least, for extra safety, the New Kangoo is equipped with the latest technological innovations: a 4-disc braking system and ABS combined with Brake Assist, ESP (Electronic Stability Programme)* and ASR Traction Control* are also available as options for your peace of mind.

* Depending on version

SEE LIFE ON A GRAND SCALE

A SPACIOUS INTERIOR, A SPACE TO SHARE.

Built from an MPV platform, the Renault Kangoo has generous elbow and leg room and a superb driving position, making for comfortable journeys.

TRAVEL WITH PEACE OF MIND

GET WHERE YOU NEED TO BE.

To help you relax and enjoy every journey in your New Kangoo, it now comes equipped with integrated TomTom® satellite navigation. Thanks to its intuitive integrated remote control - fitted to the armrest console – you don't even have to reach far to control the system. The TomTom screen fits perfectly with the interior, and unlike a portable system, you don't have to remove the screen and take it away with you. Other features to help make your life easier are the side loading door, incorporating electric windows. And the panoramic windscreen allows you to see more and travel more safely.

Note: some equipment mentioned may be optional depending on version

OPEN UP NEW HORIZONS

INNOVATIVE INTERIOR STORAGE FOR YOUR EVERYDAY NEEDS.

The New Kangoo offers many innovative solutions to make full use of the enormous space available in the passenger compartment. Not one passenger is forgotten. Two hatches give access to the under-floor storage. At the rear, the triple aviation-style locker* gives each passenger their own storage space. With the New Kangoo, your leisure time is at the forefront of our thoughts.

* Depending on version

ADAPTABILITY

1. INNOVATIVE ROOF BARS

The exclusive, innovative roof rails can be converted into a mini roof rack without the need for tools.

2. FLAT FLOOR SETUP

Simply and without effort, the seats fold back to form a flat floor which offers up to 2.5 metres load length.

3. NEW UNIQUE BOOT

The parcel shelf can be stored along the back of the rear seat or, if required, can be positioned at mid-height to divide the boot space.

4. RUBBER BOOT MAT

The easy-care rubber mat protects the floor of the boot area.

5. CHILD MINDER MIRROR

Directional and concealable.

6. 12V SOCKET

In the front and back.

COMFORT AND SAFETY

1. TRIP COMPUTER

Displays information about your journey.

2. CRUISE CONTROL / SPEED LIMITER

Allows you to select a constant speed (control function) or set a maximum speed (limiter function).

3. ELECTRIC REAR WINDOWS

Allows the passengers in the rear to control their windows simply and easily.

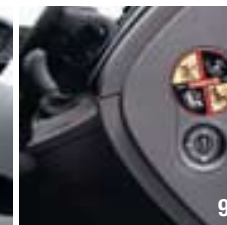

4. REAR PARKING SENSORS

When manoeuvring your vehicle, the system detects possible stationary obstacles and warns you with a sequence of beeps, which get faster as you approach the object.

5. AUTOMATIC HEADLIGHTS AND WIPERS

Located on the windscreen at the level of the rear view mirror, these sensors switch the headlights on automatically if the level of light drops and activate the windscreen wipers if it is raining.

9. AIRBAG DEACTIVATION

With an indicator on the instrument panel, it allows you to fit a child seat in complete safety.

10. FULL AIRBAG SYSTEM

Two programmed retention frontal airbags, two lateral airbags and two curtain airbags.

STORAGE

1. REAR OVERHEAD STORAGE COMPARTMENT

Located overhead, rear passengers have their own aviation style storage compartment.

2. OVERHEAD PARCEL SHELF

Wide and deep storage space above the windscreen.

3. CENTRAL STORAGE CONSOLE AND ARMREST

Both driver and passenger can rely on this practical storage space for cups, bottles, CDs, etc.

4. A4 STORAGE IN DASHBOARD

Easily accessible, it's the perfect size for keeping notepads, papers, books and magazines to hand.

5. LIDDED GLOVE BOX

The spacious glove box provides plenty of room and is even big enough for your laptop.

6. DOOR STORAGE COMPARTMENT

This is a practical, easily accessible storage space designed in particular to hold a 1.5-litre water bottle.

7. MAP POCKET AND AVIATION TRAY

Mounted on the back of the front seats, they provide a space to keep documents, books, maps and magazines.

8. UNDERFLOOR STORAGE

Located at the rear, allows you to keep small objects out of sight.

9. BOOT FLOOR NET (AVAILABLE AS AN ACCESSORY)

The boot floor net prevents objects in the boot from shifting while the car is moving.

ACCESSORIES

1. SEAT COVER

To protect the passenger seat and maintain the interior of your New Kangoo, these tailor-made Renault covers are an ingenious solution.

2. FRONT PARKING SENSORS

To make parking easier, the parking sensors alert you to any obstacles in front of you through a sequence of beeps that get faster as you approach the object.

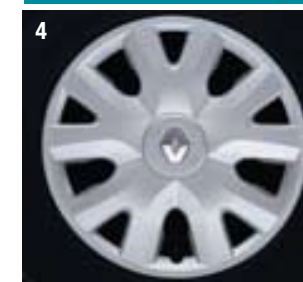

3. EXPRESSION MATS

Made to measure for your New Kangoo, the Expression is a textile mat combining classic style and a top-of-the-range velour finish.

4. LOCKING WHEEL TRIMS

To prevent them being lost or stolen, Renault offers wheel trims with a secure fastening system.

5. TOWBAR

This towbar preserves the aesthetic lines of your New Kangoo thanks to its towball that can be removed without tools in a matter of seconds.

6. POST-IT BOX

This practical, nifty accessory means you've always got something to write on when you need to jot down an appointment, a phone number or an important message.

8. ENVELOPE NET

The envelope net provides extra storage space in the boot and helps keep objects upright.

9. CHILD SEAT

Parents can relax knowing that their children are comfortable and safe in their Renault approved child seats, watching the world pass them by. Designed for children of all ages.

7. TINTED WINDOWS

Perfectly customised for the New Kangoo, tinted windows protect your privacy and add to your comfort (reducing heat and dazzle, etc.).

TRIMS

EXTREME

New Kangoo vehicles with **eco2** engines meet three criteria:

- the vehicles produce CO₂ emissions lower than 140 g/km or operate on biofuels,
- they are manufactured in an ISO 14001 certified factory, minimising their environmental impact,
- they include at least 5% recycled plastic in their plastic mass.

With **eco2**, Renault displays its environmental commitment at every stage of the life cycle of the vehicle. The vehicle has been designed in such a way that 85% of the materials used could have a second life (recyclable for other use or as a source of energy), and that pollution control at the end of the vehicle's life (in particular extraction of fluids) is made easier. Furthermore, this vehicle has parts made of recycled plastic and renewable materials.

RENAULT MOBILITY

As the market leader in safety, with ten vehicles in the range scoring the maximum five stars in the Euro NCAP safety tests, Renault offers an extensive range of models through the Motability scheme.

With our advanced design technology, all of our models can be cost effectively adapted by Motability Accredited Specialists to meet the particular needs of a disabled driver or user.

At your nearest Motability Accredited Renault Dealer, you will find a commitment to personal service, facilities for easy access including ramps and wide doors, plus expert assistance from Motability specialists.

If you'd like more information about these special services or about a specific vehicle adaptation, put us to the test right now by calling Renault Corporate on 0800 387 626, contacting motability@renault.co.uk or visiting www.motability.renault.co.uk.

**RENAULT
TECH**

WHO BETTER THAN RENAULT TO SERVICE YOUR RENAULT?

Your new Renault is covered by a 3-year warranty package – the first 2 years of unlimited mileage Renault manufacturer warranty, followed by a further year of cover up to 60,000† miles. This requires full servicing history according to Renault UK approved current standards. Paintwork is also guaranteed for 3 years while the anti-corrosion warranty runs for 12 years (Master anti-corrosion warranty runs for 6 years). In addition, the Renault Assistance plan ensures prompt help in the UK and Northern Ireland for manufacturer defects for 24 months (36 months for light commercial vehicles, or cars registered before 1st September 2006).

FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

ENGINES WITH OIL CONTROL SYSTEM (OCS)

- 1.2 TCe 100 / 1.4 TCe 130 / 2.0 TCe 180

- 1.6 VVT 128 / Renaultsport 133 and 250

- All diesel engines (except Koleos)

OCS monitors driving conditions that directly affect the quality of your engine oil, protecting your engine from excessive wear and possible bearing failure.

Under certain conditions; low speeds, traffic jams, door-to-door deliveries (engine turning with little distance travelled) or in high gear for long periods e.g. sport driving, towing a caravan/trailer over 500kg (engine turning at higher revolutions) the vehicle's service interval may be shortened and you will be alerted, via the instrument panel service indicator, that a Renault Service is required earlier (refer to driver's handbook for details).

EXTENDING YOUR WARRANTIES AND COVER

Renault Extended Warranty allows you to extend your Renault Warranty up to 5 years or 80,000 miles.

Renault Assistance Added Cover provides you with additional cover for incidents not covered by Renault Assistance: punctures, incorrect (or lack of) fuel, keys lost, stolen or locked inside the vehicle and incidents involving caravans or trailers.
