

RENAULT LAGUNA COUPÉ

DRIVE THE CHANGE

WHO BETTER THAN RENAULT TO SERVICE YOUR RENAULT?

Your new Renault Laguna Coupé is covered by a 3-year warranty package – the first 2 years of unlimited mileage Renault manufacturer warranty, followed by a further year of cover up to 60,000 miles. Paintwork is also guaranteed for 3 years while the anti-corrosion warranty runs for 12 years. In addition, the Renault Assistance plan ensures prompt help in the UK and Northern Ireland for manufacturer defects for 36 months. For full details please refer to the Renault warranty terms and conditions, available from your Renault Dealer or from www.renault.co.uk.

SERVICE INTERVALS (EURO5)

All models 18,000 miles / 2 years

Except:

12,500 miles / 2 years: <ul style="list-style-type: none">• Twingo 1.2 TCe 100 & Renaultsport 133• Mégane Renaultsport 250	12,000 miles / 2 years: <ul style="list-style-type: none">• Wind Roadster, Modus, Grand Modus & Clio 1.2 TCe 100 & 1.6 VVT 133• Clio Renaultsport 200

ENGINES WITH OIL CONTROL SYSTEM (OCS)

- PETROL 1.2 TCe 100, 1.4 TCe 130, 2.0 TCe 180, 1.6 VVT 128, 1.6 VVT 133, Renaultsport 133 & 250

- All DIESEL engines

OCS monitors driving conditions that directly affect the quality of your engine oil, protecting your engine from excessive wear and possible bearing failure. Under certain conditions; low speeds, heavy traffic, door-to-door deliveries (engine turning with little distance travelled) or in high gear for long periods; sport driving, towing a caravan/trailer over 500kg (engine turning at higher revolutions), the vehicle's service interval may be shortened and you will be alerted, via the instrument panel service indicator, that a Renault Service is required earlier (refer to driver's handbook for details).

EXTENDING YOUR WARRANTIES AND COVER

Renault Extended Warranty allows you to extend your Renault Warranty up to 5 years or 80,000 miles. Renault Assistance Added Cover provides you with additional cover for incidents not covered by Renault Assistance: punctures, incorrect (or lack of) fuel, keys lost, stolen or locked inside the vehicle and incidents involving caravans or trailers.

For full information on these products please ask your Renault Dealer or log on to www.renault.co.uk and click on 'Owner Services', where you can also buy securely online.

SERVICE PLANS

When you buy a new car, you can also purchase a Fixed Price Service Plan. Prices start from just £159 and the plan covers your recommended manufacturer servicing up to 3 years or 30,000 miles, whichever comes first.* For more details ask your dealer or log on to www.renault.co.uk and click on 'Owner Services'.

*Plan only available at the time of vehicle purchase.

RENAULT ACCIDENT SUPPORT LINE - 0800 085 8005

The Renault Accident Support Line (RASL) is a dedicated service from Renault for all Renault drivers and their families, no matter what car they drive. This service is available at no cost to you, regardless of fault. RASL will deal with every aspect of your claim, from ensuring you are recovered to a Renault Approved Accident Repair Centre to dealing with all insurance companies giving you total convenience and peace of mind.

0800 085 8005 is the only number you need so please programme it into your phone and make sure that in the event of an accident you call us first and we will take care of everything.

RASL will:

- Arrange recovery of your vehicle from the scene of the accident to a Renault Approved Accident Repair Centre
- Organise the repairs at a Renault Approved Accident Repair Centre using only Renault Original Parts
- Deal with all insurance companies, both yours and the other parties'
- Provide a like for like replacement vehicle if the accident is not your fault
- Pursue the at fault party for all associated costs if the accident is not your fault
- Use the same paint as during manufacture
- Provide a 5 year repair guarantee on paint and repairs
- Ensure you do not have to pay a policy excess if the accident is not your fault
- Provide the same service for your family free of charge regardless if their car is a Renault or not
- Ensure that yours and your passengers' safety are guaranteed and your five star NCAP rating will not be compromised

FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

RENAULT NETWORK SERVICES

No-one is better placed than Renault to maintain, fit and repair your Renault, fast. The Renault Minute (maintenance and repair with no appointment necessary) and Renault Rapide Bodycare (bumper scuffs, dings and dents, windscreen, stone chips and interior repairs...) services deliver the highest level of repair and maintenance and offer a full year's guarantee on Original Renault Parts. And don't forget to have a look at our wide range of additional equipment and accessories!

RENAULT INSURANCE

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car.*** In addition to a very competitive premium, Renault Insurance also includes:

Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs subject to availability when you use an approved repairer; payment by instalments - subject to status.

Lines open 8am – 8pm weekdays, 9am – 2pm Saturdays. Calls may be recorded.

All quotes are based on individual circumstance and subject to insurers underwriting criteria. Renault Insurance is arranged and administered by Equity Direct Broking Limited, which is authorised and regulated by the Financial Services Authority. WHY RENAULT? WE'RE DRIVEN BY A PASSION TO MEET AND EXCEED PEOPLE'S NEEDS, AND THAT'S WHAT DRIVES THE INDUSTRY FORWARD. IT'S BEEN THAT WAY WITH US FOR OVER A HUNDRED YEARS. BUT IN TODAY'S RAPIDLY-CHANGING ENVIRONMENT, IT'S MORE IMPORTANT THAN EVER THAT WE SOURCE NEW SOLUTIONS THAT WILL SAFEGUARD ALL OUR FUTURES.

We know that the car is at a turning point, it has to evolve whether you believe in global warming or not; to emit less in cities, to make less noise and to use increasingly scarce energy more efficiently.

At Renault we are working to create more affordable cars, with radically lower CO₂ emissions. For the widest possible audience. Today that's our collection of 35 'eco²' models. Eco² indicates that the vehicle produces CO₂ emissions lower than 140 g/km, it includes at least 5% recycled plastic in its plastic mass, and has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy). In addition eco² means that our factories are ISO 14001 certified.

Starting next year there will be a groundbreaking range of electric vehicles, from a nippy town car to a comfortable family saloon and a small van. They will be affordable to run – you will be able to drive up to 100 miles using a battery that costs typically £3 to charge, and a lot less using cheaper tariffs. And parking and congestion charges should all be lower, too.

We believe it's time to make the car a driver of progress once more. We are determined to drive that change. Soon you will be able to join us.

RENAULT. DRIVE THE CHANGE.

POWERFUL LINES

A STREAMLINED FORM WITH A UNIQUE PERSONALITY.

A wide grille hints at the presence of high-performance machinery, as does the twin exhaust at the rear. But let's not get ahead of ourselves... following this line you're struck by the elegance and balance of the Laguna Coupé's silhouette. The arc of the roof, height of the sides, wide set wheel positions; its whole design is that of a true sports coupé. Fluid and dynamic harmony, with a timeless elegance.

DIRECTION

4CONTROL: DELIVERING A NEW LEVEL OF DRIVING PLEASURE.

With its 4-wheel steering, the 4Control chassis gives you a unique sense of precision, responsiveness and handling. The 4Control system acts on the steering angle of the rear wheels relative to your speed. Below 37 mph (1) the rear wheels point in the opposite direction to those at the front. So, the turning circle is reduced, meaning easier manoeuvring, and improved handling on winding roads. Above 37 mph (2) the rear wheels point in the same direction as the front wheels. When cornering, this means the rear tyres are perfectly aligned for the direction in which you're turning, and steering wheel movement (3) is decreased. This makes the Laguna Coupé highly stable when driving round bends. For maximum safety, the 4Control computer is also linked to the ESC and ABS electronic systems. Because it can recognise emergency situations immediately, it adjusts the steering angle for the rear wheels instantaneously, so you can safely make quick avoidance manoeuvres.

COMFORT AND LUXURY

A TOP-OF-THE-RANGE DRIVING ENVIRONMENT

The interior of the Laguna Coupé gives pride of place to the finest materials. The sense of luxury stems both from the quality finish as well as the wealth of refinements. The leather steering wheel with stylish stitching, the chrome gear knob, the genuine aluminium trim on the dashboard and on the door panel all underline the exclusive nature of the vehicle.

The Carminat TomTom® – standard across the range – is the first truly accessible integrated navigation system. It calculates the best route, as well as giving real-time traffic updates (TMC) and speeding alerts. All the data is displayed clearly on a 5"8 colour screen. The joystick on the centre console allows you to access the various functions in an intuitive and safe manner. The Carminat TomTom® also comes with an SD card to easily update maps from the internet and with Bluetooth.

COMFORT

1. CLIMATE CONTROL

For maximum comfort, the high-performance climate control system offers several functions, including a "silence" mode (soft button).

2. DOOR MIRRORS

The door mirrors are adjusted electrically and fold in automatically when the engine stops, and are fitted with side indicators.

3. CRUISE CONTROL AND SPEED LIMITER

With the adjustable cruise control and speed limiter on the steering wheel, long journeys become much less tiresome. The speed limiter function helps you keep to speed limits. The clear and complete display gives you all the information you need, while controls under the steering wheel put all the main functions at your fingertips, without needing to take your hands off the wheel.

5. HANDS FREE KEYCARD

The door opening and ignition are controlled by a hands-free card. You approach, and the doors open, you step out, and they lock!

INTERIOR

1. STORAGE IN CENTRE CONSOLE

The central console provides useful storage space.

2. REAR BENCH SEAT

The rear seat provides two full passenger spaces fitted with adjustable headrests, so that tevo can travel in safety while enjoying a high level of comfort.

3. BOOT

The boot offers a generous 423 litres of storage space - big enough to carry two golf bags!

SAFETY

1. BI-XENON HEADLIGHTS

The bi-Xenon headlights give an intense beam, for a better view of road contours and verges.

2. REAR LED LIGHTS

Powerful rear lights with LED ensure that you're perfectly visible in traffic. Even in bad weather or with dazzle, each time you brake it will be immediately obvious to other drivers - an extra element of safety.

3. PARKING PROXIMITY SENSORS

To make parking manoeuvres easier, the parking sensors alert you to any obstacles in front or behind.

4. ISOFIX CHILD SEAT MOUNTING POINTS

A child seat can be fitted to either side of the back seat thanks to the ISOFIX child seat mounting points.

5. ESC (ELECTRONIC STABILITY CONTROL)

Works with the ASR Traction Control and CSV Understeer Control to maintain vehicle stability under difficult driving conditions.

ACCESSORIES

SPORT AND DESIGN

Make your Laguna Coupé stand out from the crowd by making your Renault undeniably yours.

1. LEATHER UPHOLSTERY

Transform your Laguna Coupé with our range of eye-catching leather interiors. This luxurious accessory is a great way to give your new Laguna Coupé a seductive blend of sporty elegance. Available in Biscotto, Carbon Black and Rosso Red.

2. & 3. SPORT KIT - FRONT AND REAR

Enhance the natural design of your car by adding a Sport Styling Kit which emphasises the already stunning appearance. Includes front and side skirts and rear diffuser.

TRIMS

DYNAMIQUE TOMTOM

The Dynamique TomTom version has a distinctive sporty elegance with its Dark Charcoal fabric upholstery. For maximum driving comfort, even the passenger seat is height adjustable, while the de-icing door mirrors are electrically adjustable. Dual-Zone climate control gives you personalised temperature control. The Laguna Dynamique TomTom is fitted with stylish 18" 'Interlagos' alloy wheels.

GT LINE TOMTOM

In combination with the 4Control chassis, the GT Line TomTom version shows its sports credentials by providing the same standard of equipment as the Dynamique TomTom version. Full black leather upholstery comes as standard. You also have the option of selecting from three other shades of leather. The matching steering wheel is finished in leather and embellished with oversteitching. The pedals and gearknob are aluminium, as are the 18" 'Celsius' alloy wheels.

Dark Carbon leather - standard on GTLine TomTom

Cool Grey leather - optional on GT Line TomTom

Beige leather - optional on GT Line TomTom

Camel leather - optional on GT Line TomTom

To achieve exceptional performance, the Laguna Coupé is equipped with exceptional engines. Because diesel engines are becoming synonymous with performance, economy and pleasure, the Laguna Coupé gives a taste of the future with its unparalleled V6 dCi engine. Delivering an astounding 235 hp, this engine is at the very top of its class. It sets itself apart, with a stunningly smooth, linear torque of 450 Nm that allows dynamic take-off, continuous acceleration and lightning responses. This is combined with an automatic 6-Speed gearbox that is both precise and convenient, giving you a choice between sequential mode and a fully automatic drive.
