

RENAULT MEGANE COUPÉ

DRIVE THE CHANGE

WHO BETTER THAN RENAULT TO SERVICE YOUR RENAULT?

Your new Renault is covered by a 3-year warranty package - the first 2 years of unlimited mileage Renault manufacturer warranty, followed by a further year of cover up to 100,000 miles. Paintwork is also guaranteed for 3 years while the anti-corrosion warranty runs for 12 years. In addition, the Renault Assistance plan ensures prompt help in the UK and Northern Ireland for manufacturer defects for 36 months for all vehicles. For full details please refer to the Renault warranty terms and conditions, available from your Renault Dealer or from www.renault.co.uk.

FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

SERVICE INTERVALS (EURO5)

All models 18,000 miles / 2 years

Except:

12,500 miles / 2 years: <ul style="list-style-type: none">• Twingo 1.2 TCe 100 & Renaultsport 133• Mégane Renaultsport 250	12,000 miles / 2 years: <ul style="list-style-type: none">• Wind Roadster, Modus, Grand Modus & Clio 1.2 TCe 100 & 1.6 VWT 133• Clio Renaultsport 200
18,000 miles / 1 year: <ul style="list-style-type: none">• Espace IV	
Service required at the mileage or time interval shown, whichever is sooner.	

ENGINES WITH OIL CONTROL SYSTEM (OCS)

- PETROL 1.2 TCe 100, 1.4 TCe 130, 16V 105 Auto, 2.0 TCe 180, 1.6 VWT 128, 1.6 VWT 133, Renaultsport 133 & 250
- All DIESEL engines

OCS monitors driving conditions that directly affect the quality of your engine oil, protecting your engine from excessive wear and possible bearing failure. Under certain conditions; low speeds, heavy traffic, door-to-door deliveries (engine turning with little distance travelled) or in high gear for long periods; sport driving, towing a caravan/trailer over 500kg (engine turning at higher revolutions), the vehicle's service interval may be shortened and you will be alerted, via the instrument panel service indicator, that a Renault Service is required earlier (refer to driver's handbook for details).

EXTENDING YOUR WARRANTIES AND COVER

Renault Extended Warranty allows you to extend your Renault Warranty for an additional year up to 4 years / 100,000 miles, whichever comes first.

Renault Assistance Added Cover provides you with additional cover for incidents not covered by Renault Assistance: such as incorrect (or lack of) fuel, keys lost, stolen or locked inside the vehicle and incidents involving caravans or trailers.

For full information on these products please ask your Renault Dealer or log on to www.renault.co.uk and click on 'Owner Services', where you can also buy securely online.

SERVICE PLANS

When you buy a new car, you can also purchase a Fixed Price Service Plan. Prices start from just £199 and the plan covers your recommended manufacturer servicing up to 3 years or 30,000 miles, whichever comes first.* For more details ask your dealer or log on to www.renault.co.uk and click on 'Owner Services'.

*Plan only available at the time of vehicle purchase.

RENAULT ACCIDENT SUPPORT LINE - 0800 085 8005

The Renault Accident Support Line (RASL) is a dedicated service from Renault for all Renault drivers and their families, no matter what car they drive. This service is available at no cost to you, regardless of fault. RASL will deal with every aspect of your claim, from ensuring you are recovered to a Renault Approved Accident Repair Centre to dealing with all insurance companies giving you total convenience and peace of mind.

0800 085 8005 is the only number you need so please programme it into your phone and make sure that in the event of an accident you call us first and we will take care of everything.

RASL will:

- Arrange recovery of your vehicle from the scene of the accident to a Renault Approved Accident Repair Centre
- Organise the repairs at a Renault Approved Accident Repair Centre using only Renault Original Parts
- Deal with all insurance companies, both yours and the other parties'
- Provide a like for like replacement vehicle if the accident is not your fault
- Pursue the at fault party for all associated costs if the accident is not your fault

- Use the same paint as during manufacture
- Provide a 5 year repair guarantee on paint and repairs
- Ensure you do not have to pay a policy excess if the accident is not your fault
- Provide the same service for your family free of charge regardless if their car is a Renault or not
- Ensure that yours and your passengers' safety are guaranteed and your five star NCAP rating will not be compromised

RENAULT NETWORK SERVICES

No-one is better placed than Renault to maintain, fit and repair your Renault, fast. The Renault Minute (maintenance and repair with no appointment necessary) and Renault Rapide Bodycare (bumper scuffs, dings and dents, windscreen, stone chips and interior repairs...) services deliver the highest level of repair and maintenance and offer a full year's guarantee on Original Renault Parts. And don't forget to have a look at our wide range of additional equipment and accessories!

RENAULT INSURANCE

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Renault Car Insurance:

0845 603 8256

www.renaultinsurance.co.uk

Renault Van Insurance:

0845 603 8258

www.renaultvaninsurance.co.uk

Lines open 8am – 8pm weekdays, 9am – 5pm Saturdays and 10am – 3pm Sundays. Calls may be recorded. All quotes are based on individual circumstance and subject to insurers underwriting criteria. Renault Insurance is arranged and administered by Equity Direct Broking Limited, which is authorised and regulated by the Financial Services Authority. Registered Office: Library House, New Road, Brentwood, Essex, CM14 4GD. Registered in England & Wales No. 6710272

CUSTOMER RELATIONS

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Department on **08000 72 33 72** (Mon-Fri 9.00am-5.30pm, except Weds 10.00am-5.30pm. Closed on Bank Holidays).

You can also visit our website www.renault.co.uk Or write to us at: **Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.**

Find out more about your vehicle at www.e-guide.renault.com

WHY RENAULT? WE'RE DRIVEN BY A PASSION TO MEET AND EXCEED PEOPLE'S NEEDS, AND THAT'S WHAT DRIVES THE INDUSTRY FORWARD. IT'S BEEN THAT WAY WITH US FOR OVER A HUNDRED YEARS. BUT IN TODAY'S RAPIDLY- CHANGING ENVIRONMENT, IT'S MORE IMPORTANT THAN EVER THAT WE SOURCE NEW SOLUTIONS THAT WILL SAFEGUARD ALL OUR FUTURES.

We know that the car is at a turning point, it has to evolve whether you believe in global warming or not; to emit less in cities, to make less noise and to use increasingly scarce energy more efficiently.

At Renault we are working to create more affordable cars, with radically lower CO₂ emissions. For the widest possible audience. Today that's our collection of 'eco²' models. Eco² indicates that the vehicle produces CO₂ emissions lower than 120g/km, it includes at least 7% recycled plastic in its plastic mass, and has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy). In addition, eco² means that our factories are ISO 14001 certified.

Starting this year there will be a groundbreaking range of electric vehicles, from a nippy town car to a comfortable family saloon and a small van. They will be affordable to run – you will be able to drive up to 100 miles using a battery that costs typically £3 to charge, and a lot less using cheaper tariffs. And parking and congestion charges should all be lower too.

We believe it's time to make the car a driver of progress once more. We are determined to drive that change. Soon you will be able to join us.

RENAULT. DRIVE THE CHANGE.

**MEGANE COUPE;
BREATHTAKING DESIGN.
DRIVING PRECISION.
PRACTICAL TECHNOLOGY.
INCOMPARABLE INTERIOR.
BRING PASSION TO
EVERYDAY LIFE.**

With its front end satin chrome finish and large intake grille, the Mégane Coupé has an inherently sporty style. Its profiled front headlights and the ribs on the bonnet add to its dynamic and forceful silhouette. The breathtaking sculptured rear end is enhanced by broad shoulders. It integrates the highly technical rear lights, with their innovative positioning making them look suspended. This whole design generates a feeling of supreme sportiness.

SPORT CHASSIS

BE IN CONTROL.

Secure and precise, the Mégane Coupé has a sport chassis that has been uniquely tuned to give maximum control, while still maintaining a high standard of comfort. Thanks to the specifically-calibrated shock absorbers, stiffer suspension and the low centre of gravity, the Mégane Coupé is an all-round dynamic performer. Its latest generation diesel (dCi), petrol and TCe engines combine performance, economy and respect for the environment. With generous torque and power at low speeds and right across the range, they're designed for a driving experience that's rich on sensations. Check everything out in the blink of an eye. The display panel in the Renault Mégane is a real innovation, for instant easy reading. Mixed display dials, (analogue for the rev counter and digital for the speedometer), are inspired by the world of motor sports. These instruments respond perfectly to the demands of driving.

INNOVATIVE TECHNOLOGY

PLEASURE AT YOUR FINGERTIPS.

Ergonomics, elegant lines and great driving comfort: you will immediately feel at one with the Renault Mégane Coupé. Its high-end technologies are both practical and simple to use, like the Automatic Dual Zone climate control, high-quality audio systems and the integrated Carminat TomTom® navigation system.

PRACTICAL

STYLE AND SPACE.

Style, space and adaptability - now you can have them all. Find your perfect driving position with the wide range of seat and steering wheel adjustments. Friends and family will be equally comfortable, with four full-size additional seats. Access to the rear seats is simple with the "easy entry" system. And you can bring all your kit with you - with a volume of 377 dm³, the Mégane Coupé has the largest boot in its class. Its 60:40 split folding rear seat allows you to increase the luggage space in order to carry more bulky items. The passenger compartment also has practical storage space, like under-floor lockers, door compartments suitable for storing a litre bottle, and space in the central armrest.

GT LINE TOMTOM

STYLE AND EXCITEMENT EVERY DAY.

Driving pleasure starts when the driver takes the wheel of a sporty and distinctive car.

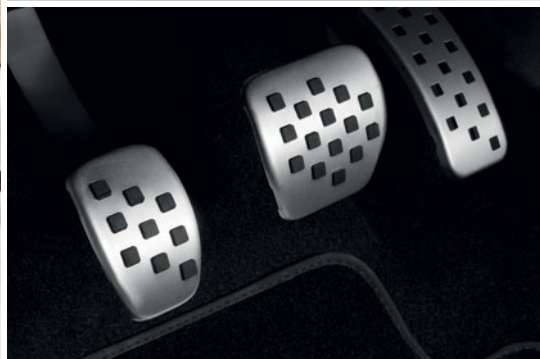

Being able to experience that pleasure every day is what the Mégane GT Line offers you. It combines a sports chassis, for extra driving excitement, with exclusive interior and exterior design elements such as a redesigned front bumper, rear diffuser, sport seats and aluminium pedals.

GT LINE TOMTOM

SPORTY LOOKS AND DRIVING PLEASURE.

The GT Line TomTom is available with a range of petrol, diesel and eco² engines, combining style and environmental friendliness. Two high-performance engines (TCe 180 or dCi 160) offer an even sportier tuning for an intense driving experience and performance, with exclusive 18" alloy wheels and a Renaultsport engineered chassis.

SAFETY

1. SRP (SYSTEM FOR RESTRAINT AND PROTECTION)

This consists of a comprehensive airbag system with dual chamber front airbags, curtain airbags, and front lateral airbags.

2. ESC (ELECTRONIC STABILITY CONTROL)

Works with the ASR (Anti-Skid Regulations) Traction Control and Understeer Control to maintain vehicle stability under difficult driving conditions.

3. BI-XENON HEADLIGHTS

They provide an intense light, closely resembling daylight, giving you greater opportunity to anticipate hazards and stay in complete control. The technology behind the exterior side lights makes it possible to light the insides of bends and take corners with greater precision and control.

4. ANTI-WHIPLASH FRONT HEADRESTS

Allow the height and tilt to be adjusted to reduce the risk of whiplash.

5. ISOFIX CHILD SEAT MOUNTING POINTS

The ISOFIX 3-point mounting points on the rear outer seats allow the safe and secure installation of child safety seats.

COMFORT

1. SUNROOF

The sunroof allows as much light as possible into the interior.

2. DUAL ZONE CLIMATE CONTROL

Allows driver and front passenger to select a temperature to suit them. The three modes available can be adjusted to individual needs: Auto mode provides balanced temperature control, Fast or Soft modes can be selected to adjust the temperature or noise level as required.

3. FRONT AND REAR PARKING SENSORS

Making parking manoeuvres easier: the parking sensors alert you to any obstacles in front or behind with a sequence of beeps that get faster as you approach the object.

4. AUTOMATIC LIGHTS AND WIPERS

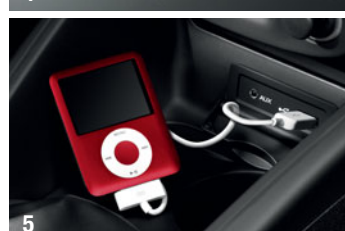

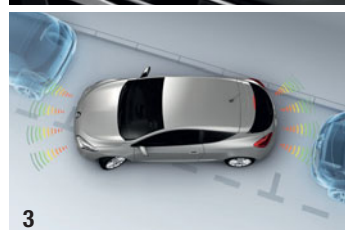

The front windscreen wipers, with automatic speed control, are activated and adjust their speed depending on how heavily it is raining. A light sensor automatically activates the headlights when the sun goes down or when the light fades.

5. MULTI-FUNCTIONAL TUNEPOINT

Connect your MP3 player using the USB and MP3 sockets and control the system through the steering wheel controls.

6. 3D SOUND BY ARKAMYS

The digital sound processing, customised by Arkamys for the Megane, allows the speakers to recreate great quality sound in three dimensions. Listening can be adapted with "driver only" or "silence when stopped" functions.

STORAGE

1. STORAGE IN CENTRE CONSOLE

Practical and easily accessible for front passengers.

2. GLOVE COMPARTMENT

This roomy glove compartment has its own built-in light.

3. UNDERFLOOR LOCKERS

Two 1.8 dm³ spaces have been discreetly built into the floor at the front.

4. STORAGE SPACE UNDER BOOT FLOOR

The boot floor hides a storage space that can be divided into compartments.

5. BOOT

Offers a storage capacity of 377 dm³ (including the spare wheel compartment of 33 dm³).

TRIMS

EXPRESSION

Comfort and well-being.

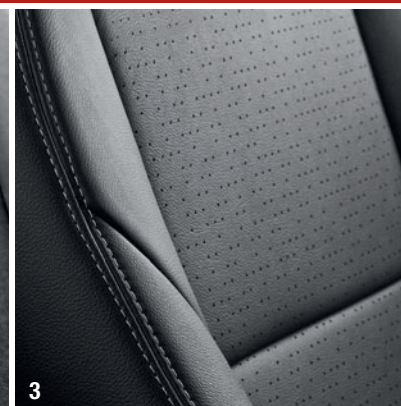

For 'made-to-measure' comfort, the driver's seat and headrest can be adjusted in a number of ways. Available in dark interior trim with dashboard and upholstery in dark charcoal (1).

DYNAMIQUE TOMTOM

Sporty and high-tech.

Dark interior with dashboard and upholstery in charcoal (2) or charcoal leather (3) as an option. The leather steering wheel, 16" alloy wheels and extra tinted side and rear windows confirm the sporty character of Mégane Dynamique TomTom.

TRIMS

GT LINE TOMTOM

The sleek interior with anthracite dashboard inserts and door handles, embroidered front headrests and Dual Zone Climate control makes this a luxurious driving experience. Add to this the Renaultsport seats to make this an exciting drive every time!

EQUIPMENT

COMFORT AND DRIVING

- Door mirrors - heated and with electric adjustment
- External temperature gauge
- Headlights - double optic with 'see me home' function
- Fuel cap - integrated in F1 style
- Keycard - remote locking and closing of windows
- Multi-functional trip computer
- Seats - driver's height adjustable
- Socket - front - 12V socket
- Steering wheel - height and reach adjustable
- Storage - front under floor
- Variable power-assisted steering
- Windows - front - electric with anti-pinch
- Windscreen wipers - front with variable speed adjustment
- Windscreen wipers - rear

SAFETY AND SECURITY

- ABS with EBD (Electronic Brake Distribution)
- Airbags - anti-submarining for front seats
- Airbags - curtain front and rear
- Airbags - driver and front passenger two stage auto-adaptive
- Airbags - front lateral
- Airbags - front passenger - deactivation
- ASR (Anti-Skid Regulation) and CSV Understeer Control
- Brake Assist
- ESC (Electronic Stability Control)
- Headrests - front - two height and forward/backwards adjustable headrests
- Headrests - rear - three height adjustable headrests
- ISOFIX child seat mounting points on outer rear seats

- R.A.I.D. (Renault Anti Intruder Device) - automatic locking of the doors and boot over 6mph
- Seatbelts - front 3-point seatbelts with double pretensioners
- Seatbelts - three rear 3-point seatbelts with load limiter
- Tyre inflation kit

CORE FEATURES

Expression additional equipment to core features above

- Air conditioning
- Alarm - Thatcham (category 1) alarm
- Alloys - 16" 'Spirale'
- Deadlocking and immobiliser
- Door mirrors - body coloured
- Front fog lights

- Radio - 4 x 15W radio CD with MP3 compatibility and AUX input
- Seats - rear 60:40 split folding
- Seats - driver's lumbar adjustable
- Sports chassis with lowered suspension
- Storage - covered centre console
- Upholstery - 'Papeete' dark carbon cloth

EXPRESSION

Dynamique TomTom additional equipment to Expression (includes core features above)

- Alloys - 16" 'Proteus'
- Automatic headlights and rain sensing front windscreen wipers
- Carminat TomTom® Live satellite navigation system with joystick control
- Cruise control with speed limiter
- Keycard - hands free - automatic opening upon approach

- Radio - 4 x 15W radio CD with MP3 compatibility and AUX input
- Radio - Bluetooth connectivity
- Seats - passenger's height adjustable
- Steering wheel - leather
- Upholstery - 'Sergio' cloth in dark charcoal
- Windows - extra tinted - rear and tailgate

DYNAMIQUE TOMTOM

Gt Line Tomtom additional equipment to Dynamique Tomtom (includes core features above)

- Alloys - 17" Dark Chrome 'Celsius'
- Automatic Dual Zone climate control
- Door handles - Dark Chrome
- Door mirrors - Dark Chrome - electrically operated and folding
- Headlights - with black surrounds (1)
- Interior - anthracite detailing on door pulls, air vents and dashboard
- Kick plates - 'GT Line'
- Parking sensors - rear

- Pedals - aluminium sport
- Radio - multi-functional TunePoint/USB input
- Seats - Renaultsport seats in dark charcoal
- Styling - front - body coloured GT bumper with gloss black grill
- Styling - rear - body coloured GT bumper with Dark Chrome diffuser
- Upholstery - two-tone seats in dark charcoal
- Windows - extra tinted rear and tailgate

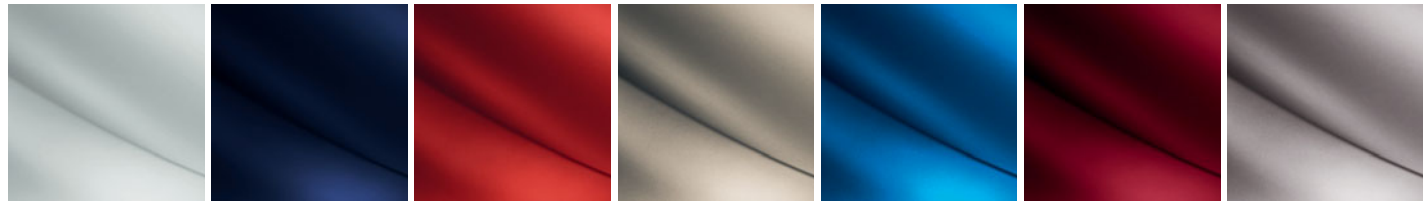

Additional equipment on TCe 180 and dCi 160 engines only

- Alloys - 18" Dark Chrome 'Jetow'
- Chassis - Renaultsport engineered
- Kick plates - 'Renaultsport'
- Steering wheel - Renaultsport styling with leather

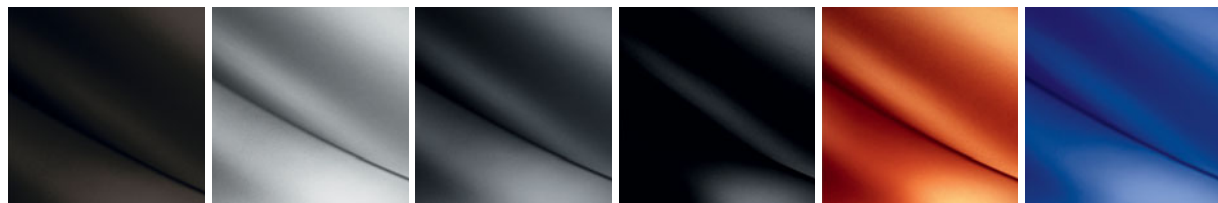

GT LINE TOMTOM

(1) On standard halogen headlights only - with option bi-Xenon headlights the surrounds are chrome

ACCESSORIES

SPORT AND DESIGN

Make your Renault undeniably yours

1-2. SPORT STYLING PACK

Enhance the natural design of the car by adding a Sport Styling Pack which emphasises the stunning appearance. Includes front, side and rear skirts, false central exhaust and rear spoiler.

3. LEATHER UPHOLSTERY

Transform your Mégane with our range of eye-catching leather interiors. This luxurious accessory is a great way to give your new Mégane a seductive blend of sporty elegance. Available in Biscotto, Rosso Red and Carbon Black.

TOURING

You, your Renault and the kitchen sink

4. QUICK RELEASE TOW BAR

Whether you need to pull a trailer or simply mount one of our bike racks, Renault has the tow bar for you. This tow bar preserves the aesthetic lines of your Mégane, thanks to a tow ball that can be removed in seconds without the use of tools.

PROTECTION AND COMFORT

Keep you and your Renault safe and sound

5. REAR BODY COLOURED PARKING SENSORS

This clever system detects objects behind your vehicle as well as making parking in the smallest spaces so much easier. Ultrasonic sensors in the bumper emit a beep and as objects get closer, the sound becomes louder and more frequent.

6. EXPRESSION MATS

Mats are an essential accessory to protect your car from everyday dirt and debris. Designed to fit perfectly into your Renault, the inbuilt stud fixings ensure they fit safely with no slipping.

7. BOOT LINER

This convenient boot liner protects your boot from day to day wear and tear. It is designed to fit perfectly into the boot of your Mégane and is made from semi-rigid plastic so it can be easily washed down.

Mégane Coupé ^{RENAULT}eco² meets three criteria: the vehicle produces CO₂ emissions lower than 120g/km or operates on biofuels.

It is manufactured in an ISO 14001 certified factory, minimising its environmental impact, and it includes at least 7% recycled plastic in its plastic mass. With ^{RENAULT}eco², Renault displays its environmental commitment at every stage of the life cycle of the vehicle. The vehicle has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy), and that pollution control at the end of the vehicle's life (in particular extraction of fluids) is made easier. Furthermore, this vehicle has parts made of recycled plastic (7%) and renewable materials.
