You can afford the Volkswagen you couldn't even afford to think you could afford.

Obviously, it's in our interests as well as yours to make our finance packages affordable. So affordable, in fact, you might be tempted to lower your repayment or shorten your agreement period or even go for a higher specification model. For more details, see your nearest retailer or visit www.volkswagen.co.uk. Volkswagen synonymous with affordability? Now there's a thought.

Finance

Indemnities may be required. Subject to status. Available to over 18s.
Volkswagen Finance is a trading name of Volkswagen Financial Services (UK) Limited, Freepost VWFS.

As individual as you are.

Personalise your Volkswagen with a range of retailer fitted accessories. Pick up an accessories brochure for full information on accessories such as Bluetooth telephone kits, iPod connectivity, roof bars, carpet mats and much more. Our brochures include fully fitted prices* and you can even include accessories within your finance deal to spread the cost. If a genuine accessory is fitted prior to collection (pdi), you will also benefit from a 3-year Volkswagen warranty.

* Where fitting costs are applicable, and unless stated otherwise.

Main items of standard specification.

Standard items of equipment S

Volkswagen service

- 3-year/60,000 miles warranty (whichever is soonest)
 - 3-year paintwork warranty
 - 12-year body protection warranty
 - Volkswagen Roadside Assistance
- Please see page 11 for more details

Exterior

- Black front air intake and radiator grille
- Body-coloured bumpers and door handles
- Body-coloured door mirrors with integrated indicators
- Body-coloured side bump strips
- ‘Cherry red’ rear light clusters
- Full size wheel trims
- Halogen clear headlights with integrated indicators, range adjustable and permanent daytime driving lights
- Heat insulating green tinted glass
- Roof spoiler, rear
- Visible twin exhaust tailpipe (not 85 PS, 90 PS or 105 PS engines)
- 6J x 15 steel wheels with 195/65 R15 tyres

Interior

- Chrome-ringed air vent surrounds
- Upholstery – ‘Zone’ cloth

Safety

- ABS (Anti-lock Braking System) with HBA (Hydraulic Brake Assist)
- Curtain airbag system, for front and rear seat occupants
- Disc brakes, front and rear (front ventilated)
- Driver’s and front passenger’s airbags with passenger’s airbag deactivation switch
- Driver’s and front passenger’s whiplash-optimised head restraints
- Electronic engine immobiliser
- ESP (Electronic Stabilisation Programme) including EDL (Electronic Differential Lock) and ASR (Traction Control)
- Front seat side impact airbags
- Front three-point seat belts with height adjustment and tensioners
- High level 3rd brake light
- Isofix child seat preparation (for 2 rear child seats)
- Reflectors in all doors
- Warning buzzer and light for front seat belts if unfastened
- 3 rear head restraints
- 3 rear three-point seat belts

Function

- Air conditioning, ‘Climatic’ semi-automatic control
- Bag hook in luggage compartment, x 1
- Cup holders, front x 2, rear x 1
- Driver’s seat height adjustment
- Dust and pollen filter
- Electric windows, front and rear
- Electrically heated and adjustable door mirrors
- Exterior temperature gauge
- Glovebox, illuminated, cooled and lockable
- Grab handles, front x 2, rear x 2 with integrated coat hooks
- Heated rear windscreen
- Height and reach adjustable steering wheel
- Hill hold function
- Instrument lighting, white adjustable panel illumination
- Interior light with delay
- Luggage compartment cover
- Luggage compartment light
- Luggage compartment load lashing points x 4
- Multifunction computer (Midline) includes visual gear change recommendation for optimum fuel consumption (1.4 litre TSI 122 PS manual only)
- Power-assisted steering, speed-sensitive
- RCD 210 radio/MP3 compatible CD player with 4 speakers, front
- Reading lights, front x 2, rear x 1
- Rear lights incorporating LED technology
- Rear centre armrest, with 2 cup holders, forms a table when folded down
- Rear screen wash/wipe with intermittent wipe
- Remote central locking with 2 remote folding keys
- Remote interior fuel flap opener
- Sliding and folding rear seat
- Smoking pack
- Space saving spare wheel
- Speedo and rev counter, electronic odometer, trip, service interval display and fuel gauge
- Split folding rear seats, split 60:40
- Storage compartments in doors (for 1.5 litre bottle in front doors)
- Storage compartment in roof console
- Storage tray on dashboard
- Sun visors
- Three-spoke steering wheel
- Two-tone horn
- Vanity mirrors
- Warning ‘lights on’ buzzer
- Windscreen wiper with intermittent wipe and 4 position delay

S BlueMotion Technology models only

- 6J x 15 lightweight steel wheels with 195/65 R15 low rolling resistance tyres
- Battery regeneration (recuperation – energy recovery during braking)
- Multifunction computer (Highline), includes visual gear change recommendation for optimum fuel consumption
- Start/Stop function
- Unique ‘BlueMotion Technology’ badging

Additional items of equipment SE (over S)

Exterior

- Alloy wheels, four 6½J x 16 ‘Atlanta’ with 205/55 R16 tyres and anti-theft wheel bolts
- Chrome trimmed radiator grille louvre inserts

Interior

- Upholstery – ‘Plaza’ cloth

Function

- Alarm with interior protection
- Automatic coming/leaving home lighting function
- Chrome-plated light switch surround
- Cover for storage area in roof console
- Cruise control
- Driver’s and front passenger’s under seat drawer
- Dusk sensor, automatic driving lights
- Front centre armrest, with storage compartment, 12V socket, two rear air vents and cup holders
- Front comfort seats with height and lumbar adjustment
- Front footwell illumination
- Illuminated vanity mirrors
- Leather trimmed three-spoke steering wheel, gear knob and handbrake grip
- Luggage compartment load lashing points x 4, chrome-plated
- Luggage compartment storage areas on left and right
- Luggage net, attached to underside of luggage compartment cover

Function (continued)

- Multifunction computer (Highline)
- Optical parking display via vehicle’s audio system
- Park Assist (Next Generation) and parking sensors, front and rear – automated steering assistant for parallel parking, manoeuvres into spaces only 1.1 m longer than the vehicle
- Rain sensor and automatic dimming interior rear-view mirror
- RCD 310 radio/MP3 compatible CD player with 8 speakers and AUX-in socket in glovebox (in lieu of light) for connection to an external multimedia source (e.g. iPod and MP3 player)
- Reading lights, front with chrome surround
- Storage pockets on the back of front seats
- Tables on the back of front seats
- Variable boot floor, height adjustable and removable
- 12V sockets in centre console, rear and luggage compartment

SE BlueMotion Technology models only

- Alloy wheels, four 6½J x 16 ‘Atlanta’ with 205/55 R16 low rolling resistance tyres and anti-theft wheel bolts
- Battery regeneration (recuperation – energy recovery during braking)
- Multifunction computer (Highline), includes visual gear change recommendation for optimum fuel consumption
- Start/Stop function
- Unique ‘BlueMotion Technology’ badging

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Factory-fitted options.

At Volkswagen, we work towards making sure that our cars are as close to perfection as we can make them. However, no matter how good our cars are, we know that they will never be exactly what you want in every detail.

Hence the exceptional range, style and quality of our factory-fitted options. So that if you find any particular part of your Volkswagen needs a little something to make it match your desires precisely, this is precisely where you will find it.

Alloy wheels

Add a touch of style and personality with this great choice of alloys. Alloys add a distinctively sporting look to your car, carefully chosen to enhance the exterior styling of every model, these options give you plenty of opportunity to express your individuality and transform the appearance of your Golf Plus.

01 'Seattle' 7J x 17 alloys wheels.

Comfort and convenience

The importance of comfort and convenience cannot be over-emphasised. Choose from this range of factory-fitted options to create an interior that meets your individual needs, and makes life just that little bit more comfortable and convenient. From 2Zone electronic climate control to a front centre armrest, from a sunroof to a Winter pack, these essential luxuries are designed to help you relax and take the stress out of driving, adding not only a touch of luxury, but also providing invaluable practical assistance.

Exterior

The exterior styling of a car is not only an expression of its personality, but makes a powerful statement about your own individuality and taste. These factory-fitted options provide an easy and effective way to create a striking visual appearance with great aesthetic appeal, while enjoying some important practical benefits. From Special paint to front fog lights, choose the options best suited to your needs and enhance not only your Golf Plus's exterior looks, but your driving experience too.

02 Front fog lights.

In-car entertainment and communications

When it comes to in-car entertainment systems and communications packages, those looking to install a technologically advanced or upgraded system are spoilt for choice. Whether you require the latest navigation system with integrated voice control or a digital radio receiver, these factory-fitted options provide state-of-the-art technology and connectivity. Choose the system that best meets your needs, then sit back and enjoy the benefits.

03 RNS 510 DVD touch-screen navigation/radio system.

Safety and security

Safety and security have to be a primary consideration, for only when you are feeling totally safe and protected can you completely relax. Whether you are looking to ensure the safety of your passengers, enhance rear safety or make life just that little easier, this range of safety and security features will help you protect passengers and make your Golf Plus more secure, enabling you to enjoy the driving experience so much more.

Steering wheels

A multifunction leather trimmed steering wheel not only adds a touch of elegance and style, but enables you to control a diverse range of functions with the greatest of ease. Everything is to hand and intuitively where you would expect it to be, allowing you to drive in a totally relaxed manner, while enjoying all the benefits of advanced technology.

04 Multifunction steering wheel.

Upholstery

The interior of your car is all about aesthetics and luxury, leather upholstery enables you to create a sumptuous interior that is tasteful, elegant and attractive, meeting your individual needs perfectly, and providing the highest levels of comfort and driving pleasure. Sit back, relax and enjoy your surroundings.

() Automatic figures.

A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming.

* Fuel consumption figures shown are mpg/ltr per 100 km for the Urban, Extra-urban and Combined fuel cycles in accordance with EU Directive 99/94.

Vehicle Excise Duty (VED).

On 1 May 2009, there was a change to the Vehicle Excise Duty (VED) tax bands. Cars are taxed according to their CO₂ emissions, in bands A to M.

All vehicles first registered on, or after, 23 March 2006 are subject to a new form of VED (Road Fund Licence). This new duty is based upon the type of fuel the vehicle uses and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). To help you identify the duty you will pay, the DVLA has created thirteen categories for petrol engines and thirteen categories for diesel engines.

Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO₂ emissions produced.

The CO₂ and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

VED band 'First year rate'

As of 1 April 2010, anyone buying a new car will pay a 'First year rate' of VED for the first Road Fund Licence. The chart below shows the VED bands and the charges which are levied:

VED band 'First year rate'

VED band	CO ₂ emissions (g/km)	Petrol VED £	Petrol total 'On the road' costs £	Diesel VED £	Diesel total 'On the road' costs £
A	Up to 100	0.00	586.00	0.00	586.00
B	101-110	0.00	586.00	0.00	586.00
C	111-120	0.00	586.00	0.00	586.00
D	121-130	0.00	586.00	0.00	586.00
E	131-140	115.00	701.00	115.00	701.00
F	141-150	130.00	716.00	130.00	716.00
G	151-165	165.00	751.00	165.00	751.00
H	166-175	265.00	851.00	265.00	851.00
I	176-185	315.00	901.00	315.00	901.00
J	186-200	445.00	1,031.00	445.00	1,031.00
K	201-225	580.00	1,166.00	580.00	1,166.00
L	226-255	790.00	1,376.00	790.00	1,376.00
M	Over 255	1,000.00	1,586.00	1,000.00	1,586.00

The total 'On the road' costs above include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed below:

Additional 'On the road' costs

Delivery to retailer £	422.50
Number plates £	20.00
VAT £	88.50
Vehicle first registration fee £	55.00
Total £	586.00

VED band 'Standard rate'

For the subsequent year's VED (Road Fund Licence), vehicle owners will then pay the 'Standard rate' of VED as shown in the table below:

VED band 'Standard rate'

VED band	CO ₂ emissions (g/km)	Petrol VED £	Diesel VED £
A	Up to 100	0.00	0.00
B	101-110	20.00	20.00
C	111-120	30.00	30.00

Six months' VED (Road Fund Licence)

As of 1 April 2010, six months' Road Fund Licence will not be available for some vehicles at first registration. VED rate for bands A-D is zero and will not be eligible for a six-month Road Fund Licence at first registration. VED rate for bands E-G will be eligible for a six-month Road Fund Licence at first registration. VED rate for bands H-M will not be eligible for a six-month Road Fund Licence at first registration.

Subsequent year's VED (Road Fund Licence)

Vehicles with a VED rate of £55 or above will be eligible for a six-month Road Fund Licence.

VED 'First year rate' refund

Refunds on a vehicle's Road Fund Licence in bands H-M will only be calculated on the basis of the 'First year rate' if the vehicle has been stolen, scrapped or moved into a tax class where no VED is payable (e.g. cars for the registered disabled).

If the refund is being applied for because the vehicle has been sold, exported or taken off the road, it will be calculated according to the 'Standard rate' of VED applicable to that vehicle.

The Volkswagen service, for your peace of mind.

The Volkswagen Warranty

Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised Volkswagen retailer or repairer; however, this additional warranty must be purchased before the mileage reaches 60,000*. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

*All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Body Protection Warranty

The internal body sections and panels of the Golf Plus are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty

This latest warranty, pioneered by Volkswagen, really provides you with the widest possible cover on a new car.

There are no special conditions attached and paintwork manufacturing defects will be rectified without charge. Naturally, during the warranty period the car must be cared for in compliance with the operating instructions.

Extended warranty

You may purchase additional protection from your authorised Volkswagen retailer or repairer, or contact 0870 9000 115.

Service Intervals

Volkswagen are pleased to offer you a choice on how your Golf Plus is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Time and Distance Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Time and Distance Service are as follows:

- Oil change service Every 10,000 miles/1 year (whichever is soonest).
- Interval service Every 20,000 miles/2 years (whichever is soonest).
- Inspection service Every 40,000 miles/3 years (whichever is soonest).

The LongLife Service is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

With the LongLife Service the vehicle can cover anywhere between 10,000[†] and a maximum of 18,000[†] miles or 24 months (whichever is soonest) between oil changes. Inspection service is typically in the third year of ownership and thereafter every second year, for vehicles with an approximate annual mileage of 10,000 miles.

[†] Please note that mileages are approximate as the service indicator system uses kilometres as the distance measurement.

Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Volkswagen Insurance[‡]

We want you to start enjoying your new car from day one and thanks to Volkswagen Insurance complimentary seven day cover, you can. Call free on 0800 316 7892 (lines are open Monday to Friday 8 am - 9 pm and Saturday 9 am - 5 pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

[±] Volkswagen Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions.

Available to people over 18 in the UK only.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg and Phaeton which are registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

Prices and specifications

The prices and specifications contained in this brochure are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

Effective from 1 April 2011.
