California Beach

Meet our sleek new camper

The ultra-versatile new California Beach means you can go exploring in comfort and style

The new California Beach is the easiest way for you to join the Volkswagen camper set. Fusing the style and rugged practicality of the California with the versatile seating of the Caravelle passenger carrier, the California Beach is a camper that can seat up to seven people, and sleep four in comfort overnight.

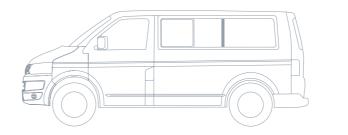

There's space for your gear – perfect for you, your friends *and* their luggage. Then, simply pop up the manual elevating roof, fold down the rear bench and you've got sleeping space for four.

A wealth of options and accessories means you can customise your California Beach, your way. Plus, you get the option of a 140PS engine or a more economical 114PS version of the 2.0TDI engine, with BlueMotion Technology for better fuel economy and reduced CO_2 emissions.

All of which means you can make sure your camper is perfectly suited to you.

More reasons to buy a California Beach

Warranties for peace of mind

It's great to know that if the worst should happen (and that's pretty rare), it'll get sorted without a fuss.

3-year warranty

All Volkswagen California Beach campers come with a three-year unlimited mileage warranty, which protects your vehicle against the failure of most mechanical and electrical components due to manufacturing defects.

This period consists of a two-year manufacturer's warranty with unlimited mileage, plus a further one-year unlimited mileage Van Centre warranty.

Should the mileage exceed 100,000 within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or a higher mileage is required, it may be purchased from an authorised Volkswagen Van Centre or Van Service Centre. However, this additional warranty must be purchased before the mileage reaches 100,000.

3-year Paint warranty

The paintwork is covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions found in your owner's handbook.¹

12-year Body Protection warranty

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions.¹

Accessories warranty

At Volkswagen Commercial Vehicles, we take just as much pride in our accessories range as we do in our vehicles. They're developed and tested to ensure they're fit for purpose and meet the standards you would expect of a Volkswagen accessory. Therefore, we're pleased to offer a two-year warranty on all our accessories.²

In addition, if you order your accessories at the same time as you order your new vehicle, we will increase this warranty period to three years, in line with your vehicle warranty.

We can help with vehicle finance

Volkswagen Commercial Vehicle Finance offers a dedicated service to ensure we

can meet your exact needs. Your local Van Centre can help you choose the right type of finance package to meet your specific requirements. Please ask them for full details.³

3.

Volkswagen servicing

It's called the LongLife Service regime because there are no set intervals between services.

Service intervals for Diesel Engines

Intervals between services will vary depending on how you drive your vehicle and the conditions of use. Maximum time/distance parameters are set, and the service light will only come on when either the maximum mileage or time limit is met.⁴

The maximum mileage/time parameters vary from model to model; for more detailed information on LongLife Service regimes and their suitability for your requirements please contact your local Van Centre.

If you'd like a more traditional service regime, the vehicle can be adapted by your Volkswagen Van Centre or Van Service Centre to the Time/Distance regime. This can be done at the point of vehicle sale or when an inspection service is carried out. An oil change is due every 10,000 miles for California.

High quality parts

When you fit replacement parts to your vehicle, you need to know that they'll stand the test of time. Volkswagen Original Parts® are constructed to the highest standards, are cheaper than you might think, and are widely available from Volkswagen Group's massive national distribution centre.

Volkswagen Roadside Assistance

Every new Volkswagen comes with a comprehensive unlimited mileage recovery and assistance package that's available across the UK and Europe for a full three years, operating 24 hours a day, 365 days a year. Fully trained technicians will diagnose and repair most problems at the roadside, using Volkswagen equipment and parts.

For more information ask your nearest Van Centre for a Volkswagen Roadside Assistance handbook.

Vehicle insurance gets you covered

We want you to enjoy your new California Beach from day one, and thanks to the complimentary seven-day cover from Volkswagen Commercial Vehicle Insurance, you can.

Call free on 0800 316 7896 (lines are open Monday to Friday 8am-9pm and Saturday 9am-5pm), provide a few details, and a cover note will be sent to your Van Centre. They will then tax your vehicle and you can drive it away.

Visit insurewithvwcv.co.uk for details to see all our insurance products, get a quote or buy online. All of our insurance products are designed to ease the pain of making a claim.
