

THE NEW TOUAREG

Das Auto.

SPECIFICATION AND PRICE GUIDE

Model shown is Escape with optional 20" 'Metropolitan' alloy wheels and metallic paint.

The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO₂ emissions produced. The CO₂ and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

Please Note: We have tried to ensure that all price and product information is correct at the time of going to print. However, the specifications contained in this brochure are for information purposes only and are subject to change. VAT is calculated at 20%.

Function

- Air conditioning, 2Zone electronic climate control
- Automatic coming/leaving home lighting function
- Automatic dimming interior rear-view mirror
- Automatic headlight height adjustment
- Battery regeneration (recuperation – energy recovery during braking) (not Altitude V8)
- Bluetooth telephone preparation for HFP (Hands Free Profile) enabled telephones
- Central locking with remote control
- Coat hook on B pillar
- Cruise control
- Cup holders, front x 2 in centre console
- DAB digital receiver for RNS 850 navigation/radio system
- Driver’s and front passenger’s double sun visor
- Driver’s and front passenger’s illuminated vanity mirrors
- Dusk sensor
- Electric windows, front and rear
- Electrically heated, adjustable and foldable door mirrors
- Electronic parking brake – with auto hold function
- Front centre armrest, two-piece, with storage compartment
- Front fog lights with static cornering function
- Front seats with manual 6-way adjustment

Function (continued)

- Glovebox, cooled, illuminated and lockable
- Heated front seats
- Heated windscreen washer jets
- Height and reach adjustable steering column
- Hill descent assist
- Hill start assist
- Interior lighting: front and rear footwell lighting and front and rear reading lights
- Leather trimmed gear knob
- Load lashing points x 4 in luggage compartment
- Luggage compartment cover with convenience opening
- Luggage compartment lights x 2
- MDI (Multi Device Interface) with iPod connection cable
- Modular rear seat system with sliding and reclining function
- Multifunction computer with 7" colour screen in instrument cluster
- Multifunction steering wheel, leather trimmed with controls for multifunction computer and stereo options
- One-touch indicators with 3 repeat function
- Parking sensors, ultrasonic front and rear, optical and audible (not Escape)
- Power-assisted steering, speed-sensitive
- Rain sensor
- Rear centre armrest, folding with cup holders x 2
- Remote unlocking for tailgate on driver's side
- RNS 850 touch-screen satellite navigation/radio system with integrated voice control, 8" colour screen, 2 x SD card readers and 3D landmarks
- Shopping bag hooks in luggage compartment
- Start/Stop function (not Altitude V8)
- Storage compartment in dashboard centre with cover
- Storage compartment in driver's door for 1.5 litre bottle

Function (continued)

- Storage compartments in passengers' doors for 1.0 litre bottle
- Tyre mobility kit, 12V compressor and tyre sealant
- Warning buzzer and light for front seat belts if unfastened
- 4MOTION permanent four wheel drive with limited slip Torsen differential and electronic differential lock on all four wheels
- 12V sockets x 4 – located in centre console, front centre armrest compartment, rear centre console and luggage compartment

Safety

- ABSPlus (Anti-lock Braking System) with EBD (Electronic Brake-pressure Distribution) and HBA (Hydraulic Brake Assist)
- Alarm with interior protection
- Child security locks in the rear doors, electric
- Curtain airbag system
- Driver's and front passenger's airbags with passenger's airbag deactivation switch
- Driver's and front passenger's WOKS (whiplash-optimised head restraints)
- Electronic engine immobiliser
- ESP (Electronic Stabilisation Programme) including EDL (Electronic Differential Lock), ASR (Traction Control) and trailer stabilisation function
- First aid box and warning triangle
- Front seat side impact airbags
- Front three-point seat belts with height adjustment and seat belt tensioners
- Isofix child seat preparation, outer rear
- Rollover protection system
- Three rear head restraints
- Three rear three-point seat belts

* Some parts of leather interior will contain artificial leather.

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your authorised Volkswagen luxury car specialist retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

STANDARD ITEMS OF EQUIPMENT – ESCAPE (OVER SE).

Exterior

- Black load sill protector
- Black side window surrounds
- Chrome circular twin tailpipes
- Front and rear underbody protection in matt chrome
- Lower side underbody protection in matt chrome
- Roof rails, black

Interior

- ‘Silver metallic’ decorative inserts in dash, centre console and doors

Function

- Centre differential lock
- Headlight cleaning system
- Off-road suspension (raised 10 mm front, 15 mm rear)
- Rear axle mechanical differential lock including additional engine guard
- 4XMOTION, permanent four wheel drive with 50:50 torque split front and rear under normal driving conditions
- 100 litre fuel tank

STANDARD ITEMS OF EQUIPMENT – ALTITUDE (OVER SE).

Exterior

- Alloy wheels 8½J x 19 ‘Everest’ with 265/50 R19 tyres and anti-theft wheel bolts
- Black rear diffuser

- Front seats with electric 12-way adjustment including lumbar support and electro-pneumatically adjustable backrest side bolsters
- Keyless entry and keyless start
- Memory Pack (driver's seat and door mirrors)
- Remote unlocking of rear seat backrest from luggage compartment (split 60:40)

FACTORY-FITTED OPTIONS.

Alloy wheels

Add a touch of style and personality with this great choice of alloy wheels. Alloys add a distinctively sporting look to your car, giving all the appeal of a true sports performer and creating a look that is eye-catching. Carefully chosen to enhance the exterior styling of every model, these options give you plenty of opportunity to express your individuality and transform the appearance of your new Touareg.

Exterior

The exterior styling of a car is not only an expression of its personality, but makes a powerful statement about your own individuality and taste. These factory-fitted options provide an easy and effective way to create a striking visual appearance with great aesthetic appeal, while enjoying some important practical benefits. From a retractable towbar to Bi-Xenon headlights, choose the options best suited to your needs and enhance not only your new Touareg's exterior looks, but your driving experience too.

'Metropolitan' 9J x 20 alloy wheels.

Comfort and convenience

The importance of comfort and convenience cannot be over-emphasised. Choose from this range of factory-fitted options to create an interior that meets your individual needs, and makes life just that little bit more comfortable and convenient. From 4Zone electronic climate control to air suspension CDC (Continuous Damping Control), from a panoramic sunroof to keyless entry, these essential luxuries are designed to help you relax and take the stress out of driving, adding not only a touch of luxury, but also providing invaluable practical assistance.

Safety and security

Safety and security have to be a primary consideration, for only when you are feeling totally safe and protected can you completely relax. Whether you are looking to ensure the safety of your smallest passengers, enhance rear safety, monitor performance or make life just that little easier, this range of safety and security features will help you protect passengers and make your new Touareg more secure, enabling you to enjoy the driving experience so much more.

In-car entertainment and communications

When it comes to in-car entertainment systems and communications packages, those looking to install a technologically advanced or upgraded system are spoilt for choice. Whether you require concert hall acoustics or telephone preparation, these factory-fitted options provide the ultimate in advanced electronics, state-of-the-art technology and connectivity. Choose the system that best meets your needs, then sit back and enjoy the benefits.

Upholstery and trims

The interior of your car is all about aesthetics and luxury, which is why choice of finish, trim and upholstery is so important. A choice of the finest quality 'Vienna', 'Nappa' or Alcantara leather upholstery enables you to create a sumptuous interior that is tasteful, elegant and attractive, meeting your individual needs perfectly, and providing the highest levels of comfort and driving pleasure. Sit back, relax and enjoy your surroundings.

A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming.

* Fuel consumption figures shown are mpg/ltr per 100 km for the Urban, Extra-urban and Combined fuel cycles in accordance with EU Directive 99/94.

ACCESSORIES.

As individual as you are

Personalise your Volkswagen with a range of retailer fitted accessories. Pick up an accessories brochure for full information on accessories such as Bluetooth telephone kits, iPod connectivity, roof bars, carpet mats and much more. Our brochures include fully fitted prices* and you can even include accessories within your finance deal to spread the cost. If a genuine accessory is fitted prior to collection (pdi), you will also benefit from a 3-year Volkswagen warranty.

* Where fitting costs are applicable, and unless stated otherwise.

VEHICLE EXCISE DUTY (VED).

On 1 May 2009, there was a change to the Vehicle Excise Duty (VED) tax bands.

Cars are taxed according to their CO₂ emissions, in bands A to M.

All vehicles first registered on, or after, 23 March 2006 are subject to a new form of VED (Road Fund Licence). This new duty is based upon the type of fuel the vehicle uses and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). To help you identify the duty you will pay, the DVLA has created thirteen categories for petrol engines and thirteen categories for diesel engines. Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO₂ emissions produced.

The CO₂ and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

VED BAND – FIRST YEAR RATE

Manufacturer's Recommended 'On the road' Retail Price

Band 'J' – Petrol and Diesel

The 'On the road' recommended retail prices for engines with a CO₂ emission figure between 186 – 200 g/km include the following:-

Delivery to retailer	£422.50
Number plates	£20.00
VAT	£88.50
Vehicle Excise Duty	£425.00
Vehicle first registration fee	£55.00
Total	£1,011.00

VED BAND – FIRST YEAR RATE

Manufacturer's Recommended 'On the road' Retail Price

Band 'L' – Petrol and Diesel

The 'On the road' recommended retail prices for engines with a CO₂ emission figure between 226 – 255 g/km include the following:-

Delivery to retailer	£422.50
Number plates	£20.00
VAT	£88.50
Vehicle Excise Duty	£750.00
Vehicle first registration fee	£55.00
Total	£1,336.00

For the subsequent year's VED (Road Fund Licence), vehicle owners will then pay the 'Standard rate' of VED as shown in the tables below:

VED BAND – STANDARD RATES

Band 'J' – Petrol and Diesel

The VED (Road Fund Licence) for engines with a CO₂ emission figure between 186 – 200 g/km include the following:-

Vehicle Excise Duty	£235.00
---------------------	---------

VED BAND – STANDARD RATES

Band 'L' – Petrol and Diesel

The VED (Road Fund Licence) for engines with a CO₂ emission figure between 226 – 255 g/km include the following:-

Vehicle Excise Duty	£425.00
---------------------	---------

SIX MONTHS' VED (ROAD FUND LICENCE)

From 1 April 2010, six months' Road Fund Licence will not be available for some vehicles at first registration. VED rate for bands A-D is zero and will not be eligible for a six-month Road Fund Licence at first registration. VED rate for bands E-G will be eligible for a six-month Road Fund Licence at first registration. VED rate for bands H-M will not be eligible for a six-month Road Fund Licence at first registration.

SUBSEQUENT YEAR'S VED (ROAD FUND LICENCE)

Vehicles with a VED rate of £55 or above will be eligible for a six-month Road Fund Licence.

VED 'FIRST YEAR RATE' REFUND

Refunds on a vehicle's Road Fund Licence in bands H-M will only be calculated on the basis of the 'First year rate' if the vehicle has been stolen, scrapped or moved into a tax class where no VED is payable (e.g. cars for the registered disabled). If the refund is being applied for because the vehicle has been sold, exported or taken off the road, it will be calculated according to the 'Standard rate' of VED applicable to that vehicle.
