01 48.3 cm (19-inch)
10-spoke wheel

Captivating CLS

Thrilling exterior design. Sweeping contours.
The CLS is a car that captivates the senses.

Take those captivating looks and add a touch of individual elegance – with Mercedes-Benz light-alloy wheels, designed to reflect your own personal interpretation of the CLS.

At first glance. And second. And ...

01 | 48.3 cm | 19"

02 | 48.3 cm | 19"

Because of differences in national regulations, various different versions of each vehicle exist. Please also bear in mind that vehicle development is permanently ongoing. As a result, not all of the wheel/tyre combinations shown in this brochure will be approved for your particular Mercedes-Benz. Your Mercedes-Benz dealer has access to constantly updated information on every Mercedes-Benz wheel, including the relevant technical inspection findings and licensing conditions, and will be happy to advise you.

Mercedes-Benz light-alloy wheels are supplied without tyres, hub caps, valve caps or wheel bolts. To help prevent theft, we recommend the use of Mercedes-Benz rim locks

03 | 45.7 cm | 18"

The long road to perfection

Mercedes-Benz light-alloy wheels not only boost your vehicle's looks, they also offer the ultimate in safety.

All wheels are precision-tailored to your vehicle in terms of load profile and dimensions. Before your light-alloy wheels are allowed to accompany you safely on your travels, they are subjected to an extensive development and testing programme. Each wheel design has to pass a variety of endurance tests, based on exacting Mercedes-Benz guidelines, all of which exceed statutory requirements. These include special test routines which simulate real challenges on the road and material tests in cutting-edge x-ray facilities.

High-sheen wheels undergo additional tests such as exposure to highly corrosive salt spray or a 28-day variable climate programme. Only once all of the tests have been passed may the wheels be included in the range of genuine Mercedes-Benz light-alloy wheels. Add an individual touch to your vehicle with a tested and approved genuine Mercedes-Benz light-alloy wheel and head for the open road

Choose your favourite wheels online

Our Accessories Configurator shows you at a click of the mouse how the various Mercedes-Benz light-alloy wheels will look on your vehicle.

Visit our website at www.mercedes-benz-accessories.com

01 Snow chain system

High-performance chain for the toughest of conditions and excellent traction on snow and ice. A robust plastic ring prevents your valuable light-alloy wheels from being scratched by individual chain links. Easy to fit – fastens on outside.

02 Valve caps, black

Stylish highlights in a new design. Protect the valves from dirt. Set of 4.

03 Tyre pressure gauge

Allows you to carry out a quick tyre pressure check on the road or at home. Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Suitable for all motor vehicle tyre valves and for cycle valves. Supplied with leather pouch.

04 Rim locks

Protect your valuable light-alloy wheels from theft. Set consisting of coded key and one lock per wheel.

01 Drive Kit Plus for the iPhone®

Quick-change artist

Engrossed silence in the rear. A sense of calm relaxation in the front. The iPad® Docking Station Plus and the Rear Seat Entertainment System make long car journeys a joy, especially for those sitting in the back.

There are plenty of different telematics options to choose from in the CLS. The Mercedes-Benz InCar Hotspot, for example, turns your dream car into a work place with straightforward, fast wireless internet access.

Telephone exchange, traffic control centre, concert hall. What do you want your CLS to be?

01 iPad® Docking Station Plus for rear compartment

The ergonomic, crashproof Docking Station introduces the iPad® and all of its familiar functions to your Mercedes-Benz. All connections, e.g. for your headphones, remain accessible. The mount can be tilted and rotated around 90°. An integral USB port means you can also charge your iPad®'s battery using your charging cable. Suitable for iPad®, iPad® 2 and iPad® 3.

02 iPad® Docking Station for rear compartment

The mount for your iPad®, iPad® 2 or iPad® 3 is simple to attach to the head restraint posts and can be removed at any time. The mount tilts and can be rotated around 90°. Openings at the side ensure that all of your iPad®'s connection points are still accessible.

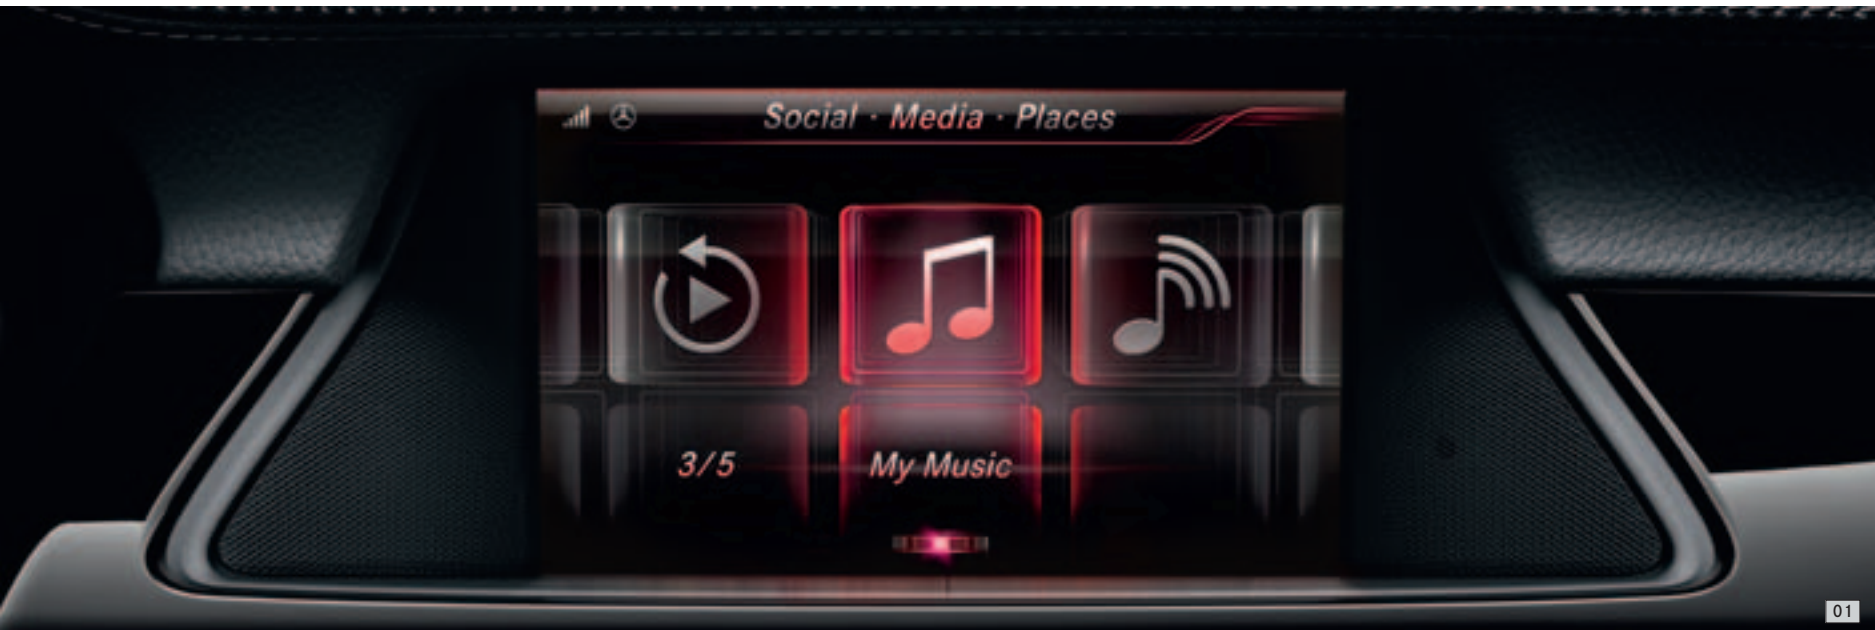

03 Rear Seat Entertainment System

This elegant DVD system allows the rear passengers to watch DVDs, look at their favourite pictures and even play video games on two superb 17.8 cm screens with TFT technology, without disturbing the driver or restricting the rear field of vision. Rear-seat passengers have the option of watching a different video source on each screen, allowing each to select their own individual entertainment. The AV-IN connection and USB and SD card interfaces allow other storage media to be used too.

Supplied with two sets of infrared headphones and remote control. A separately available video cable allows users to watch videos or view images from external sources.

With a range of multimedia connections [A and B], 2 sets of infrared headphones [C] and a remote control [D], the Rear Seat Entertainment System offers everything you need for in-car entertainment

01 Mercedes-Benz Drive Kit Plus for the iPhone®¹

The “Drive Kit Plus for the iPhone®” comprehensively integrates your iPhone® 4/4S into the CLS-Class. Integration is based on the combination of the Mercedes-Benz “Digital DriveStyle” app and the “Drive Kit Plus for the iPhone®” – the on-board interface to which the iPhone® is connected and via which it is charged.

The “Digital DriveStyle” app is available free of charge from the iTunes® App Store^{SM 2}. In the app an extensive range of functions are seamlessly integrated into the new, revolutionary user interface which appears on the vehicle display³. When an iPhone® is connected, the “Digital DriveStyle” app can be operated safely and conveniently using the ergonomic controller.

Some functions of the “Digital DriveStyle” app:

- Advanced navigation solution from Garmin®, with internet-based real-time traffic information, point of interest search and 3D map views
- Local search for points of interest powered by Google™ – with Street View™ and transfer of destination to navigation system
- AUPEO!™ Personal Radio for an individual music programme

- Internet radio from national and international broadcasters
- Access to songs saved on your iPhone®
- Facebook® feeds and Twitter® tweets from friends are read aloud⁴
- Socially interactive experience with option, for example, of sharing and posting current song choice or navigation destination via Facebook® and Twitter®
- Glympse™: share your location, vehicle speed and estimated time of arrival with your friends in real time
- Intuitive CarFinder – automatically stores vehicle’s location in iPhone®. Integral pedestrian navigation on the iPhone® makes it easy to find your vehicle again

1 Available from 1st quarter of 2013

2 “Digital DriveStyle” app available in iTunes® App StoreSM in Germany, France, Italy, the UK, Austria and Switzerland. iTunes® App StoreSM in other countries to follow

3 In conjunction with Audio 20 CD or COMAND Online

4 “Digital DriveStyle” app languages: German, English, Italian, French

02

02 Mercedes-Benz InCar Hotspot

Adds the internet to your CLS. All you need is a WLAN end device (laptop, mobile phone, MP3 player). The system provides a quick, stable connection to data networks such as HSDPA/UMTS or GSM/GPRS/EDGE via your car's roof aerial. Up to four devices can be connected at the same time.

System requirements: Convenience Telephony (Code 386); WLAN device with WLAN IEEE 802.11 b/g interface

Expected to be available from 2nd quarter of 2013

Experience a new dimension of web access, telephony and navigation in your CLS – with the combination of the Mercedes-Benz Bluetooth® (SAP) telephone module and COMAND Online multimedia system. The telephone module with integrated UMTS module and a direct connection to the vehicle aerial ensures that COMAND Online has a fast, stable and reliable internet connection. You can use the phone and simultaneously use Mercedes-Benz apps via COMAND Online and have the system read SMS messages to you

For more detailed information about COMAND Online, see page 20

01 Mercedes-Benz Bluetooth® (SAP*) telephone module**

The telephone module is designed to extend the mobile communication system in your Mercedes-Benz. Just connect it to your Convenience Telephony system (Code 386) in the centre armrest, and start using your mobile via the on-board hands-free system. Connection to the COMAND Online display makes operating your phone easy.

Other advantages:

- Optimised reception of voice and data signals as a result of using vehicle's external aerial
- Use as data modem and SIM card phone (e.g. Apple iPhone®)
- Read and receive text messages
- Charge mobile phone via USB interface
- Phone book automatically imported from mobile phone
- Module operated via head unit
- Compatible with a variety of phones with SAP profile (e.g. Nokia, BlackBerry)
- Supports new COMAND Online features (Mercedes-Benz Apps)

*SAP (SIM Access Profile) allows the module to read your mobile phone's SIM card

**Available from 4th quarter of 2012

For further information about using the phone while in your car, go to www.mercedes-benz.com/connect or contact your Mercedes-Benz partner

02 Mobile-phone holders

When it comes to selecting a mobile phone for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the mobile-phone holder. It takes a matter of seconds and is as straightforward as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. Top-class telephone technology for enhanced convenience on board.

Other advantages:

- Optimum reception quality as a result of using vehicle's external aerial
- Mobile's battery is charged
- Access to internal phone memory
- Convenient operation using multifunction steering wheel

Only in conjunction with Convenience Telephony (Code 386)

Holders are available for many current mobiles from:

Nokia: N8-00, 6303, 6303i classic, C5-00

Apple®: iPhone® 4S, iPhone® 4, iPhone® 3GS, iPhone® 3G

BlackBerry: 9900 Bold, 9700 Bold, 9780 Bold, 9105 Pearl 3G, 8300, 8310, 8320 Curve

Sony Ericsson: K850i

For further information about using the phone while in your car, go to www.mercedes-benz.com/connect or contact your Mercedes-Benz partner

01 COMAND Online with 6-DVD changer

High-performance multimedia system with 6-DVD changer, hard-drive navigation system, telephone keypad and internet browser, shown on high-resolution, 17.8 cm display with TFT technology.

- Navigation system with 2D/3D map views, Speed Limit Assist and automatic congestion avoidance (TMC Pro)
- Unrestricted internet access – when vehicle is stationary
- MUSIC REGISTER with 10 GB storage for diverse audio files (MP3, WMA, AAC), USB interface incl. CD cover display and AUX-IN connection (in centre armrest), Bluetooth® interface with hands-free function and audio streaming for music, slot for SD memory cards, DVD Video
- LINGUATRONIC voice-operated control system for audio, phone and navigation
- Use of new Mercedes-Benz Apps for COMAND Online

News: Access to news from around the world, in categories such as finance, politics and technology.

Parking Finder: Search for parking options near your current position or destination, with details of free parking, parking charges and opening hours.

Morningstar Finance: Receive details of indexes and share prices from funds rating agency Morningstar*.

Mercedes-Benz Apps will shortly be available at <http://apps.mercedes-benz.com> for the following markets: Germany, Austria, Switzerland, France, Italy and the UK

Please ask your Mercedes-Benz partner whether your mobile phone is suitable for use with COMAND Online

The Mercedes-Benz Bluetooth (SAP) telephone module with integral UMTS module and a direct connection to the vehicle aerial ensures that COMAND Online has a fast, stable and reliable internet connection (see page 18/19)

* Please note that the market details are not delivered in real time. App available from 4th quarter of 2012

02 Europe navigation DVD for COMAND Online

Did you know that up to 20% of the information on our navigation CDs and DVDs changes each year? Changes include new roads and junctions, altered priorities, new points of interest such as filling stations and restaurants and additional countries, above all in Eastern Europe.

For the latest navigation CDs/DVDs, visit our online shop at <http://shop.mercedes-benz.com>

Orders can only be placed and deliveries made within Germany

<http://apps.mercedes-benz.com>

03 Europe travel and restaurant guide SD card for COMAND Online Version 2012/2013

Here you will find information from Michelin's famous Red and Green Guides, detailing restaurants, hotels, sightseeing destinations and tourist routes throughout Europe. You can access audio files, images and text relating to the tips and routes included in the guide. The travel guide is available on an SD card from Mercedes-Benz retailers throughout Europe or via our online shop* at <http://apps.mercedes-benz.com> where you will also find further information and updates.

*Shortly available via our online shop for the following markets: Germany, Austria, Switzerland, France, Italy, Sweden, Spain, the Netherlands, Belgium and the UK. Expected to be available from 4th quarter of 2012

SD memory card | not pictured

The COMAND Online system in your vehicle features a slot for SD memory cards. Play music directly from the SD memory card or upload it to your COMAND system's hard drive.

04 Becker® MAP PILOT

Transforms your Audio 20 radio into a high-performance navigation system with 3D map views. Becker® MAP PILOT uses the standard-fit 14.7 cm display with TFT technology and is conveniently operated via the vehicle controller and the Audio 20 keypad.

The plug-in navigation module can be connected to your PC via USB to download the latest updates and additional services from the Becker® MAP PILOT website.

Available in Europe, Russia, Turkey and China

05 Reversing camera

The reversing camera is automatically activated when reverse gear is engaged. It assists the driver when reversing into a parking space. Static and dynamic guide lines show the driver the steering angle and the available clearance.

Product is available for Coupé only

Child safety

- 01 Wood/leather steering wheel
- 02 Sports pedals in stainless steel
- 03 CLASSIC velour floor mats
- 04 Illuminated door sill panel
- 05 Coat hanger

A measure of quality

Exclusive elegance and tangible quality. What is it that gives high-quality items their irresistible appeal?

A skilfully crafted wood/leather steering wheel or illuminated stainless steel door sill panel subtly yet instantly draws your attention.

And even Mercedes-Benz floor mats offer an exclusive look, befitting your CLS.

01 Sports pedals in stainless steel

A distinctive touch: elegant brushed stainless steel and non-slip studs signal sporting ambition.

Interior

Interior appointments

02 Illuminated door sill panels

A distinctive, eye-catching accessory, whether in daylight or at night – “Mercedes-Benz” lettering illuminated in brilliant white, set in an elegant ground stainless steel panel.

03 Wood/leather steering wheel

burr walnut/black

Wood/leather steering wheels are also available in other colours to match the interior.

Please contact your Mercedes-Benz dealer for details of compatibility with your car

04 CLASSIC velour floor mats

Elegant, high-quality, black tufted velour mats, featuring metal badge with Mercedes-Benz lettering. Available in black [A], alpaca grey [B] and almond beige [C].

05 CLASSIC rep floor mats

Durable, extremely hardwearing needle felt mats, featuring metal badge with Mercedes-Benz lettering. Available in black [A], alpaca grey [B] and almond beige [C].

06 CLASSIC all-season floor mats

Robust, washable synthetic mats, designed for heavy use. Curved line design.

With distinctive Mercedes-Benz star logo. Available in black [A] and almond beige [C].

Made to last

Floor mats from Mercedes-Benz offer quality you can rely on. Every floor mat has to earn its star logo before it is allowed to keep your vehicle clean and dry. The mats undergo the toughest endurance and scuffing tests and have to prove resistant to sunlight, dirt and weight loading, emerging with their outstanding quality undiminished.

Inside your vehicle you can check the quality of Mercedes-Benz floor mats for yourself. They are precision-tailored to the dimensions of the footwell and absolutely dimensionally stable, thanks to their special layered format. The mat on the driver's side is clip-fastened to the floor of the vehicle to prevent slipping. Your floor mats are made to cope with any demand you place on them

Mercedes-Benz child safety

Mercedes-Benz child seats are available with automatic child seat recognition as an option.

If your car also has automatic child seat recognition (Code U18), the front passenger airbag is automatically deactivated when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points.

Mercedes-Benz child seats are available in the “Limited Black” design. The covers are washable and very hardwearing. Optional replacement headrest covers are available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in flannel grey and chilli red [pictures 04 and 05].

01 “BABY-SAFE plus II” child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg). Equipped as standard with automatic child seat recognition.

02 “DUO plus” child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable shoulder belt, ventilation channels and ISOFIX attachment points. Available with automatic child seat recognition as an option. Adjustable tilt.

03 “KIDFIX” child seat

Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KIDFIX” seat is secured using the 3-point seat belt and ISOFIX attachment points. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (15 to 36 kg).

04–05 Headrest covers

Available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in flannel grey [picture 04] and chilli red [05].

06 Coat hanger

For uncreased clothes at the end of your journey – an elegant and practical chromed metal coat hanger. Easy to fit to the front head restraints.

07 Cup holder for the centre console

Black. Insert for the centre console. Holds up to two drink containers within easy reach. The insert simply slots into the standard stowage compartment in the centre console.

Cargo & Care

Carrier systems

Load compartment accessories

- 01 Alustyle basic carrier bars
- 02 New Alustyle ski and snowboard rack "Comfort"

CLS extended

The new Shooting Brake and the 4-door Coupé: vehicles that set new standards – with breathtaking elegance and impressive practicality.

In this section you will find a variety of mature products which combine the highest degree of functionality with unmistakable design.

For example elegant, aerodynamic roof boxes which conveniently open on both sides.

01 03

02

01 Alustyle basic carrier bars

The Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. Simply combine the Alustyle basic carrier bars with a variety of different roof-mounted carriers which you can see here and on the following pages. The basic carrier bars are precisely tailored to the body of your CLS, ensuring the highest degree of safety and optimum aerodynamics.

02 Transport and stowage bag

Robust bag, made from a high-quality nylon fabric. Provides protection for your basic carrier bars when stowing or transporting them.

Cargo & Care

Carrier systems

Mercedes-Benz roof boxes

Aerodynamic design, tailored to your Mercedes-Benz. Extremely durable material. Designed for quick, optimised attachment to your basic carrier bars. Boxes open on both sides for particularly easy loading and unloading. Lockable on both sides.

03 Mercedes-Benz roof box 330

Sports box. Capacity approx. 330 litres. Available in matt silver and titanium metallic. Maximum payload 50 kg. Please, however, bear in mind your vehicle's permissible roof load. Optional accessories: luggage set and ski rack insert.

04 Mercedes-Benz roof box 450

Family box. Capacity approx. 450 litres. Available in matt silver and black metallic. Maximum payload 75 kg. Please, however, bear in mind your vehicle's permissible roof load. Optional accessories: luggage set and ski rack insert.

05 Luggage set for Mercedes-Benz roof boxes

Hardwearing, water-repellent polyester bags, designed to make perfect use of the space available in your roof box. All bags supplied with comfortable shoulder strap.

Luggage set for Mercedes-Benz roof box 330

Set of four bags.

Luggage set for Mercedes-Benz roof box 450

Set of four bags plus two ski bags, each designed to hold max. two pairs of skis.* Ski bag also available separately.

06 Ski rack insert for Mercedes-Benz roof boxes

Insert for securing your skis – precision-tailored to the internal dimensions of the roof box.

Ski rack insert for Mercedes-Benz roof box 330

A secure hold for up to three pairs of skis*.

Ski rack insert for Mercedes-Benz roof box 450

A secure hold for up to five pairs of skis*.

*Subject to geometry of skis

01 New Alustyle ski and snowboard rack "Standard"

For up to 4 pairs of skis* or 2 snowboards. Lockable.

02 New Alustyle ski and snowboard rack "Comfort"

For up to 6 pairs of skis* or 4 snowboards. Lockable.

Practical pull-out function makes loading and unloading easier.

*Subject to geometry of skis

01

02

02

03 New Alustyle bicycle rack

Extremely lightweight bicycle rack, designed to be attached to the basic carrier bars. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted. Support frame folds down when not in use to reduce drag when travelling without cycles. Suitable for cycles with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). Up to 4 bicycle racks can be fitted to your basic carrier bars. Please, however, bear in mind your vehicle's permissible roof load.

04 Coil locks

Available as a separate accessory for the bicycle rack.

Cargo & Care

Carrier systems

01 Rear-mounted bicycle rack for trailer coupling, folding

Easy-to-use, lockable rear-mounted bicycle rack, designed to provide secure transport for 2 or 3 cycles. Rack is easy to attach to trailer coupling, and cycles are equally easy to fit to rack. Maximum payload of up to 30 kg per rail, making it suitable for most ebikes. An ingenious roller mechanism means that the load compartment can still be opened. The rack is easy to fold for space-saving stowage in the load compartment, at your holiday accommodation or at home.

Product is available for Shooting Brake only

02 Trailer coupling

Folding design. High-quality corrosion-protected finish. With integral socket in ball neck for the electrical systems of rear-mounted carriers or trailers. Max. drawbar load 84 kg.

Product is available for Shooting Brake only

03 Adapter

For trailer with 7-pin plug.

Product is available for Shooting Brake only

01 Reversible mat

The reversible mat has a high-quality velour side and a non-slip side. It helps keep the original floor of the load compartment clean. Available in black.

02 Luggage nets

Available for the load sill* and the floor of the load compartment. Prevent lightweight objects from sliding around during your journey. The load sill net is in pocket format.

*Product is available for Coupé only

03 Luggage-securing feature

Ingenious solution to the problem of luggage sliding around in the load compartment. Attaches securely around the object in question thanks to Velcro fastening.

04 Tie-down strap

Even heavy objects can be secured in place easily using this strap.

Cargo & Care

Load compartment accessories

05 Stowage crate

A secure hold for items which are prone to tip over or slide around, e.g. shopping bags. Adjustable partitioning elements allow crate to be divided into max. four sections. Optimum functionality only in conjunction with shallow boot tub.

06 "EASY-PACK" boot box

A practical option for storing objects in the boot. The rail system means that when it is not in use, it can be slid beneath the parcel shelf to save space.

Product is available for Coupé only

07 Shopping crate

Anthracite. Collapsible.

Cargo & Care

Load compartment
accessories

01 Shallow boot tub

Made from impact-resistant, non-slip polypropylene. Suitable for transporting foodstuffs. Structured surface holds separately available stowage crate in place.

02 Coolbox

Not only cools but warms too. Cools to up to 20°C below ambient temperature – to max. -2°C. Can be switched to warming function. Robust, highly insulated hard case with fabric cover, outside pockets and padded shoulder strap. Capacity: 24 litres. Can be connected to 12 V socket in vehicle or to 230 V power source via separately available rectifier.

03 Rectifier

Allows the coolbox to be connected to a 230 V socket at home.

04 Charger with trickle charge function

New life for your car's battery: checks, charges and revives your battery – even if it's totally flat. Tailored to your vehicle's complex electronic systems. Available in 3.6 A and 25 A version.

05 Vehicle tool kit

Everything you need to change a wheel – from the wheel wrench to a pair of gloves. All handily stored in compact bag.

06 Fluorescent jacket

Already compulsory in many countries: fluorescent jackets with high-visibility reflective stripes. Available individually or as a pack of two.

Mercedes through and through

When you drive a Mercedes-Benz, you do so for the best of reasons. Why should your choice of accessories be governed by different standards? Pioneering when it comes to design and technology, Mercedes-Benz Genuine Accessories deliver on the promises of a major brand.

I. Design & Development

Mercedes-Benz Genuine Accessories make your dream car a reality – while ensuring that it remains a Mercedes-Benz through and through:

- Individualisation options are developed in accordance with the Mercedes-Benz car design philosophy.
- The use of CAD data from Mercedes-Benz Vehicle Development ensures precision-fit accessories.

II. Quality & Safety

When it comes to Mercedes-Benz vehicles, quality and safety are paramount. You can feel equally safe with Mercedes-Benz Genuine Accessories as a result of:

- Stringent safety measures and extensive load testing, including the use of crash test facilities and the wind tunnel.
- Harmonised development of both vehicle and Mercedes-Benz Genuine Accessories.
- The highest of standards, far in excess of those prescribed by law.

III. Function & Operation

Mercedes-Benz Genuine Accessories form part of the vehicle concept from the outset. This results in impressive functional solutions:

- Fully integrated telematics products can be operated safely and conveniently using the multifunction steering wheel.
- Roof-mounted carrier systems can be fitted quickly and without the use of additional tools.
- Instructions and manuals are in standard format and easy to understand.

IV. Advice & Fitting

No one is as familiar with the ins and outs of your vehicle as our employees. And the same goes for Mercedes-Benz Genuine Accessories:

- Contact your Mercedes-Benz Service and Sales partners for expert advice.
- Trust our trained specialists when it comes to fitting Mercedes-Benz Genuine Accessories.

Genuine Accessories for the CLS-Class Shooting Brake and Coupé

Light-alloy wheels are supplied without tyres, wheel bolts, valve caps or hub caps

Further colour variants for individual products can be found in the separate price list for this brochure

Please note: changes may have been made to the product since this publication went to press (31.07.2012). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.
