

PEUGEOT **PARTNER TEPEE**

PEUGEOT

Perfect for the busy family with a hectic life, the Partner Tepee offers fantastic practicality in a package that's brilliant value too. The innovative modular seating system includes a rear bench seat which can be tilted, folded down or removed completely, giving you from 675 to 3,000 litres of storage space. Plus the optional Zenith roof* combines four large glazed panels with nearly 80 litres of extra storage. Reaching all those essential family items is easy too, using the Partner Tepee's handy split tailgate*.

ACCESSORIES TO SUIT YOUR LIFESTYLE

Plus there's a range of efficient engines to choose from and a host of advanced safety features to look after your family on the move.

Partner Accessories give you the opportunity to stamp your personality on your Partner Tepee. Whether you go for MP3 player connectivity built-in to take your tunes on the road, or add roof bars and a roof-mounted cycle attachment – the choice is all yours.

Whatever you choose, you can be certain that every item is designed to fit perfectly in your Peugeot, so there's no compromise on quality. To make it easy to find the accessories you want, this brochure is organised into categories: Touring, In-car Technology, Protection and Safety and Security. So take a look, decide how best to stamp your style on your Partner Tepee and prepare to make driving around town better than ever.

Contact your local Peugeot Dealer for more information on our accessories range or visit www.peugeot.co.uk/accessories

*Options at extra cost.

TOURING

1. Luggage box

A practical and stylish way to increase your vehicle's carrying capacity. Available in a variety of sizes to suit your individual needs.

2. Inca 15" alloy wheels

Available in 6.0J x 15" CH4-23.

3. Tanaika 17" alloy wheels

Available in 7.0J x 17" CH4-26.

4. Longitudinal roof bars

These longitudinal roof rails not only add style but also the practicality of being able to carry loads. Max carrying capacity 75kg evenly distributed.

5. Roof rail cross bars

For vehicles equipped with longitudinal roof rails. Max permitted load 75kg evenly distributed.

6. Roof bars

An excellent foundation for safely transporting large items. Max permitted load 100kg, evenly distributed.

7. Set of two interior roof bars

Set of two interior mounted bars that are ideal for carrying valuable items securely inside the vehicle. Max permitted load 20kg evenly distributed.

8. Standard ISO towbar

Engineered and tested to the highest standards, this ISO towbar features a traditional two bolt ball coupling and is available with either 13 pin or twin (7n + 7s) electrics.

9. Blind for fixed rear screen

Retractable rear window sunblind that reduces the glare and helps to keep the interior cool.

10. Rear side window sunblinds

Set of two folding rear side window sunblinds that reduce glare and help to keep the interior cool. Fixed in seconds and easily removed when not required. Supplied in a nylon storage bag.

11. 12 volt hot/cool box

With a 15-litre capacity, this thermal storage unit will cool 15°C below ambient temperature in cooling mode and up to 55°C in heating mode. It is held in place by either a lap or 3-point seat belt.

IN-CAR TECHNOLOGY

1. iPod connectivity kit

Peugeot's range of iPod car dock kits enable you to play your music via the vehicle's audio system. All of the iPod music menus are displayed on the vehicle multi-function display allowing safe browsing through songs, albums, artists, playlists and podcasts. Navigation through these menus could not be simpler via the vehicle audio stalk control which also allows users to adjust volume and skip forwards and backwards through tracks. Once connected, the iPod can be safely stored in the glove box or other dashboard location plus its battery will also be charged.

2. Smartnav dynamic navigation system

An easy-to-use dynamic navigation system that takes into account live traffic information, directing the user around congestion and traffic hold-ups, all at the press of a button on the dashboard. Also available with optional 'Safe Speed', which alerts the driver to speed cameras, helping you to keep within the speed limit.

3. TomTom portable navigation

No set-up or subscription charges, simply plug in, switch on and go. These smart, easy to use, navigation units come pre-loaded with UK and Western European mapping* and include a screen mount and in-car power lead. Entering address details could not be easier thanks to their touch screen operation and postcode navigation.

4. 'Bluetooth' integrated hands-free kit.

Designed to be used with 'Bluetooth' compatible phones, the hands-free kit offers full voice control for pick-up, hang-up and dialling by name. Just leave your phone in your pocket or a bag, turn the ignition key and you're ready to make, take or reject calls while driving.

5. Supertooth One hands-free kit

This hands-free kit simply clips on to the vehicle sun visor and provides a wireless, Bluetooth connection to your mobile phone. It features a 'high clarity' speaker, ultra sensitive microphone with noise cancellation and an integrated rechargeable battery.

6. Parking assistance

The parking assistance system can be fitted to either or both the front and rear of the vehicle. The system emits audible beeps when the vehicle approaches an obstacle helping you to manoeuvre more safely. Please note, the rear system is automatically disabled when towing.

PROTECTION

1. Set of carpet mats

For effective protection of the original carpets. Embossed with the 'Partner' logo. Front and rear sets are available and sold separately.

2. Set of rubber mats

Manufactured from hard-wearing washable rubber. Front and rear sets are available and sold separately.

3. Carpet boot mat

Designed to complement the interior carpet mat set.

6. Styled mudflaps

Designed to complement the lines of the vehicle whilst protecting the bodywork from damage that can be caused by road debris. Supplied in matt black plastic ready for fitting. They can be painted body colour for that extra special look.

4. Folding boot tray

Manufactured from hard-wearing washable rubber, this high sided tray will not only protect against dirty items but will also help contain small liquid spills in the boot.

7. Dog guard

Make the carriage of more unusual passengers safer with this easy to fit and removable tailored dog guard.

5. Brushed aluminium effect door sill protectors

Protect against scuffs and scratches with these hard-wearing Polycarbonate door sill protectors.

SAFETY AND SECURITY

1. Warning triangle, first aid kit and high visibility jacket

Be prepared for those unexpected emergencies with our range of road safety accessories. All items are available individually.

2. Fire extinguisher

Available in 1kg and 2kg sizes.

4. Anti-intrusion alarm

Protects against forced entry via bonnet, doors and boot, plus ultrasonic protection of vehicle interior.

3. Headlight beam converter

Peugeot headlight beam converters redirect the beam rather than blocking it. This patented technology allows almost 20% more light through, enabling you to drive safely and legally when abroad.

5. Rear window security grilles

Further protect the contents of your vehicle by installing tailored window security grilles (set of two).

6. Romer Baby Safe Plus baby seat* – up to 12 months (0 to 13kg)

Rear facing child seat for babies up to 12 months.

9. Recaro Start child seat* Groups 1, 2 & 3

Fully adjustable forward facing child seat that can be fitted in the front or rear seats. A range of other accessories to complement the seat and increase child comfort is also available.

7. ISOFIX child seat* Groups 0 & 1

This child seat fixes directly to ISOFIX mounting on the vehicle and can be adapted to face rearwards for babies up to 9 months and forward facing for older children. Requires a reducer cushion for newborn babies.

10. Kiddy Life child seat* – 9 months to 12 years (9 to 36kg)

Forward facing child seat which uses the vehicle's original seat belts. This is fully adjustable for lateral, lumbar, leg and back support, making the seat adaptable for children up to 12 years of age.

8. Romer Duo Plus ISOFIX child seat* Group 1

This forward facing child seat can be fixed directly to ISOFIX mounting on the vehicle or use the vehicle's original seatbelts. The seat features tilt adjustment and washable covers.

11. Child's booster cushion*

For children between 4 and 11 years. Shown with optional backrest.

*Please refer to vehicle handbook for model suitability and approved seat position.
