M	over 255 g/km	1,030.00	475.00

1) Recommended on-the-road (OTR) price: these prices reflect the Road Fund Licence applicable to the standard model plus £330 additional costs necessary to put your car on the road. Included are a standard UK delivery charge (£215 incl. VAT), new vehicle registration fee (£55), number plates (£25 incl. VAT) and fuel (£35 incl. VAT). VAT is calculated at the standard rate of 20%.

2) A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. The table shows the relevant rate for the second and subsequent years.

3) Micro hybrid drive.

## >> Standard equipment.

### Safety

Anti-lock braking system (abs) with electronic brake force distribution (ebv)

Automatic hill start assist (on uphill slopes)

Crash elements at front and rear

Crash sensor (auto switch-on of hazard warning lights)

drive lock – automatic door locking when vehicle is in motion

esp® – electronic stability programme with hill start assist

Full-size driver and passenger airbag

Hydraulic brake assist

Hydraulic dual-circuit brake system with servo assistance

Safety seats with integral seat belts

Seat belts with belt tensioners and belt force limiters

tridion safety cell

### Functional/electrical equipment

Air conditioning with automatic temperature control incl. dust and pollen filter

Central locking with radio remote control and immobiliser

Comfort windscreen wipers with speed-sensitive interval wiping and automatic wipe/wash function

Electric windows

Exterior temperature indicator with frost warning

Headlamp range adjustment (manual)

Indicators with lane-changer function

Instrument cluster with multi-functional display (digital gear display, fuel gauge, reserve indicator, service interval indicator, trip recorder, clock)

Rear window wiper with interval wiping and automatic wipe/wash function (coupé)

softouch automatic gear programme with kickdown function

### Functional/electrical equipment (continued)

12 volt socket with cover

Electric tailgate release

Heated rear window

One-hand operation of tailgate, with electric rear window release (coupé)

Rear window release (coupé) or remote roof release (cabrio) via 3-button key

Tank cap integrated in central locking system

### Exterior

body panels in deep black, rally red or crystal white

Door mirror caps in tridion colour

Fuel filler cap finished in body panel colour

H7 projection headlights

Silver grille surround

Third brake light

White side indicators

### Interior

Coin holder (coupé)

Glove compartment with terminal strip (lockable)

Dashboard instruments (cockpit clock and rev counter)

Interior lighting

Net bags in doors and sides of seat backrests

Passenger seat backrest can be folded right down for through-loading

Storage compartment in tailgate

Storage compartments on passenger side and next to steering wheel

## >> Design and equipment lines.

### pulse

A 02

3-spoke leather sports steering wheel with steering wheel gear shift paddles (incl. leather gear shift knob)

1) In accordance with directive 80/1269/EEC in the currently applicable version.

2) The figures stated have been determined in accordance with the stipulated measurement method (directive 80/1268/EEC in the currently applicable version). The figures do not refer to an individual vehicle and do not constitute part of the offer, but serve solely as a comparison between the different vehicle types. The figures stated depend on the tyre dimensions.

3) Up to roof.

>> smart configurator.

## >> www.thesmart.co.uk Open around the clock.

Whatever you're looking for, at www.thesmart.co.uk you'll find the whole world of smart at a glance.

The smart configurator allows you to put together the smart that's best suited to you. You can also locate your nearest smart retailer and keep up to date on the latest developments and campaigns at smart.

At www.thesmart.co.uk you can always be sure you are right up to the minute with the latest news on smart.

## >> Warranty/servicing.

The new manufacturer's warranty without mileage restrictions from smart offers you a comprehensive scope of protection. We also offer smart Service Care, which is a service plan designed to take care of your servicing costs for the next two, three or four services. smart Service Care is a great way of keeping your smart in the best shape at an Official Workshop whilst keeping the costs as transparent as possible.

### Warranty

2-year warranty on new cars without mileage restrictions, plus 6-year rust perforation warranty.

### smartmove Assistance

**In good hands.** The international smartmove Assistance service provides free breakdown assistance in emergencies. Around the clock and for the whole duration of the 2-year manufacturer's warranty. Further information is to be found in the smart centres directory in your operating manual.

### smart Service Care

With smart **Service Care** it's easy to enjoy more flexible and affordable car servicing at your local smart Official Workshop.

Because **Service Care** guarantees the price of parts and labour for up to four services and cleverly protects you against any further inflationary rises, the price will never go up. It also includes regular service items like spark plugs, air filters and fuel filters.

**But that's not all.** You'll have a choice of easy ways to pay as well. You can either add your servicing costs to your monthly budget by paying a fixed amount, or pay all your servicing costs in one lump sum. Either way, you can relax knowing it's taken care of in the best way for you.

- **Service Care** guarantees the price you pay today is the price for the next two, three or four services, so what you pay won't go up even if inflation does.
- Fixed monthly costs make it easier for you to budget because you can spread the cost of servicing.
- You'll be adding an official stamp to your service history. So when it comes to selling your pride and joy on, future owners can look for the manufacturers' seal of approval when they buy.
- You'll have the satisfaction of knowing that your car will be serviced by specially trained technicians, using the latest diagnostic equipment and smart Genuine Parts.
- Fully transferable to a new owner if you sell your smart, providing the plan is paid for in one lump sum.
