Financing of accessories.

The inexpensive way to obtain Volkswagen Accessories.

You can include accessories in your Volkswagen finance deal, and benefit from spreading the cost across a timescale to suit you. If Genuine Accessories are fitted at the pre-delivery inspection, you'll get a full three-year Volkswagen warranty.

Volkswagen warranty covers parts and labour for replacement when there is a manufacturing defect found.

Volkswagen Genuine Accessories are protected by a three-year Volkswagen warranty if they're fitted at the pre-delivery inspection. If fitted after this time they are covered by a two-year warranty.

Volkswagen Approved Accessories are covered by a two-year Volkswagen warranty.

Volkswagen Commercial Accessories are covered by the manufacturer's warranty only; this can range from 12 to 24 months depending on the manufacturer.
