You can afford the Volkswagen you couldn't even afford to think you could afford.

Obviously, it's in our interest as well as yours to make our finance packages affordable. So affordable, in fact, you might be tempted to lower your repayment or shorten your agreement period or even go for a higher specification model. For more details, see your nearest retailer or visit www.volkswagen.co.uk. Volkswagen synonymous with affordability? Now there's a thought.

Indemnities may be required. Subject to status. Available to over 18s. Volkswagen Finance is a trading name of Volkswagen Financial Services (UK) Limited, Freepost VWFS.

A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming. * Fuel consumption figures shown are mpg/ltr per 100 km for the Urban, Extra-urban and Combined fuel cycles in accordance with EU Directive 99/94. † Please note these models are only available from stock and are not available to factory order.

VEHICLE EXCISE DUTY (VED)

On 1 May 2009, there was a change to the Vehicle Excise Duty (VED) tax bands. Cars are taxed according to their CO₂ emissions, in bands A to M.

All vehicles first registered on, or after, 23 March 2006 are subject to a new form of VED (Road Fund Licence). This new duty is based upon the type of fuel the vehicle uses and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). To help you identify the duty you will pay, the DVLA has created thirteen categories for petrol and diesel engines. Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO₂ emissions produced.

The CO₂ and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

VED band 'First year rate'

As of 1 April 2010, anyone buying a new car will pay a 'First year rate' of VED for the first Road Fund Licence. The chart below shows the VED bands and the charges which are levied:

VED band	CO ₂ emissions (g/km)	Petrol/Diesel VED £	Petrol/Diesel total 'On the road' costs £
A	Up to 100	0.00	598.50
B	101-110	0.00	598.50
C	111-120	0.00	598.50
D	121-130	0.00	598.50
E	131-140	120.00	718.50
F	141-150	135.00	733.50
G	151-165	170.00	768.50

K	201-225	600.00	1,198.50
L	226-255	815.00	1,413.50
M	Over 255	1,030.00	1,628.50

The total 'On the road' costs above include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed below:

Additional 'On the road' costs

	Costs £
Delivery to retailer	432.92
Number plates	20.00
VAT	90.58
Vehicle first registration fee	55.00
Total	598.50

VED band 'Standard rate'

For the subsequent year's VED (Road Fund Licence), vehicle owners will then pay the 'Standard rate' of VED as shown in the table below:

VED band	CO ₂ emissions (g/km)	Petrol/Diesel VED £
A	Up to 100	0.00
B	101-110	20.00
C	111-120	30.00
D	121-130	100.00
E	131-140	120.00
F	141-150	135.00
G	151-165	170.00
H	166-175	195.00
I	176-185	215.00
J	186-200	250.00
K*	201-225	270.00
L	226-255	460.00
M	Over 255	475.00

* Band K includes cars that have a CO₂ figure over 225 g/km, but were registered before 23 March 2006.

Six months' VED (Road Fund Licence)

As of 1 April 2010, six months' Road Fund Licence will not be available for some vehicles at first registration. VED rate for bands A-D is zero and will not be eligible for a six-month Road Fund Licence at first registration. VED rate for bands E-G will be eligible for a six-month Road Fund Licence at first registration. VED rate for bands H-M will not be eligible for a six-month Road Fund Licence at first registration.

Subsequent year's VED (Road Fund Licence)

Vehicles with a VED rate of £55 or above will be eligible for a six-month Road Fund Licence.

VED 'First year rate' refund

Refunds on a vehicle's Road Fund Licence in bands H-M will only be calculated on the basis of the 'First year rate' if the vehicle has been stolen, scrapped or moved into a tax class where no VED is payable (e.g. cars for the registered disabled).

If the refund is being applied for because the vehicle has been sold, exported or taken off the road, it will be calculated according to the 'Standard rate' of VED applicable to that vehicle.

THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

THE VOLKSWAGEN WARRANTY

THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty*. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels of the Golf are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest warranty, pioneered by Volkswagen, really provides you with the widest possible cover on a new car.

There are no special conditions attached and paintwork manufacturing defects will be rectified without charge. Naturally, during the warranty period the car must be cared for in compliance with the operating instructions.

EXTENDED WARRANTY

If you order the Volkswagen Extended Warranty as an option when buying your new Golf then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

SERVICE INTERVALS

Volkswagen are pleased to offer you a choice on how your Golf is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide. The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – Every 10,000 miles/1 year (whichever is soonest).
- Interval service – Every 20,000 miles/2 years (whichever is soonest).
- Inspection service – Every 40,000 miles/3 years (whichever is soonest).

The Flexible Service is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000[†] and a maximum of 18,000[†] miles or 24 months (whichever is soonest) between oil changes. Inspection service is typically in the third year of ownership and thereafter every second year, for vehicles with an approximate annual mileage of 10,000 miles. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg and Phaeton which are registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

* All warranty work must be completed by an authorised Volkswagen retailer or repairer.

† Please note that mileages are approximate as the service indicator system uses kilometres as the distance measurement.
