LifeShine **AUTO GLYM**

Protect your car and your investment

Volkswagen Approved

A three stage system designed to protect and enhance both the interior and exterior of your car, and if used properly will last for the lifetime of your ownership.

All exterior paintwork is treated with a unique protective coating to enhance its shine and ensure maximum resistance to environmental hazards and the severest winter weather.

The glossy water-repellent coating is easier to keep clean and maintains a superbly deep glossy shine. Upholstery and carpets are treated with a durable waterproof coating to seal out moisture and resist staining. Accidental spillages simply bead on the surface. All external side and rear windows are treated with a clear, easy to clean coating meaning that water runs straight off giving greater visibility and safety.

A complimentary care kit of Autoglym products is included to maintain the treatment.*

Our quotations regarding product information, appearance, performance, dimensions and weights in addition to illustrations and all information regarding fittings and technical data are based on the characteristics of the UK market and correspond to the knowledge available at the time of printing. We reserve the right to make changes to the product specification, design and colour without advance notification within the context of further development to our accessories. The price is correct at time of printing. Price is calculated to include VAT at 20% on all products except retailer supplied child safety seats where it is calculated at 5%.

Financing of accessories.

The inexpensive way to obtain Volkswagen Accessories.

You can include accessories in your Volkswagen finance deal, and benefit from spreading the cost across a timescale to suit you. If Genuine Accessories are fitted at the pre-delivery inspection, you'll get a full three-year Volkswagen warranty.

Volkswagen warranty covers parts and labour for replacement when there is a manufacturing defect found.

Volkswagen Genuine Accessories are protected by a three-year Volkswagen warranty if they're fitted at the pre-delivery inspection. If fitted after this time they are covered by a two-year warranty.

Volkswagen Approved Accessories are covered by a two-year Volkswagen warranty.

Volkswagen Commercial Accessories are covered by the manufacturers warranty only; this can range from 12 to 24 months depending on the manufacturer.
