The Volvo XC70 range at a glance.

ES

The ES aims to spoil. Beyond the innovative City Safety technology, the interior boasts supportive seats with Sundby Textile/T-Tec upholstery, electronic climate control and crossed aluminium trim. Then there's the 6 speaker performance audio system with 80W output, a 5 inch integrated colour display screen and features such as cruise control and DSTC (Dynamic Stability Traction Control). centre. On the outside, 16" Cecino alloy wheels, roof rails and tough XC body cladding and mouldings make sure your presence doesn't go unnoticed, on or off road

SE

The SE model brings added luxury with leather-faced upholstery and an 8 speaker high performance audio system with 160W output and features such as automatic rain sensor, autodimming rear view mirror and Bluetooth® handsfree system. On the outside, distinctive 17" Valder alloy wheels along with rear park assist and retractable rear view mirrors and a power operated tailgate enhance the exterior style.

SE LUX

The SE Lux model is the ultimate word in luxury, with a power driver seat and power folding rear headrests further enhancing the interior as well as the integrated satellite navigation system (including two free annual map updates). For the exterior, active bending xenon lights and headlight cleaning offer both style and protection, along with 18" Zephyrus wheels to complete the visual enhancements

DRIVE

The DRIVE badge is given to cars in the Volvo range that have the best environmental performance. This model is equipped with a conventional diesel engine and manual gearbox optimised for extra-low fuel consumption as well as being tailored specifically for low rolling resistance and reduced air drag. With CO₂ at just 144g/km and fuel consumption of up to 51.4mpg on a combined cycle, this makes the DRIVE an attractive choice without compromising on driving pleasure. (DRIVE is not currently available as a geartronic.)

On the road.

How much will it cost to get behind the wheel of your own Volvo XC70? Simply decide which model variant and engine type are right for you and then take a look at the full price list.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £550 and vehicle tax as of 1st April 2011 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government - excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

Standard features. The right equipment.

It's essential that your Volvo comes equipped with everything you need. Below you'll find the standard equipment lists for each model variant and as you'd expect, there is an array of industry-leading, cutting-edge safety innovations.

Max. total weight, kg	2410	2320	2330	2390	2400	2390	2400	2400
Max. roof load, kg	100	100	100	100	100	100	100	100
Max. payload, kg (dependent on spec.)	498	556	550	545	540	545	540	540

INSURANCE RATINGS	Insurance ratings may vary depending on model line and specification. For details, please refer to: www.thatcham.org/abigrouprating
-------------------	--

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.
- (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car.
- (iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- (v) All diesel models are fitted with a particulate filter.

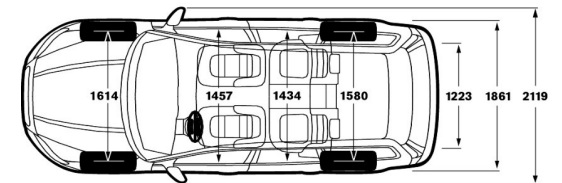

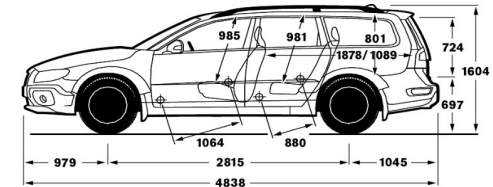

Notes
The weight of the vehicle will influence the level of CO₂ emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO₂. However, vehicle tax is paid according to the weight and CO₂ emissions of the standard vehicle, as published in this price list.

A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified.

Auto = Geartronic Automatic Transmission

The maximum power output figures are quoted in hp (Brake horsepower)

Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer.

LUGGAGE COMPARTMENT	
Volume to glass line - rear seats up, litres	575
Volume to roof - rear seats up, litres	815
Volume to roof - rear seats down, litres	1600

GROUND CLEARANCE	
Vehicle Ground Clearance, mm	210
With 2 Persons, mm	195
Wading Depth, mm	300
Approach Angle	19°
Departure Angle	24°
Breakover Angle	20°
