PEUGEOT **2008** CROSSOVER

ALL THE EXTRAS YOU COULD WISH FOR

The new 2008 Crossover gives you the great drive and compactness of a hatchback, plus the attitude, strength and robust styling of a modern SUV – all in one vehicle.

It's a fantastic choice that will make all those adventures you've planned with family and friends a reality.

But maybe now you'd like to personalise your new 2008, by adding high-quality accessories that reflect your lifestyle. Great – we've made it easy for you.

Be bold and vibrant with colourful body styling decals and matching accessories from our Downtown range. Or add a sporty look with alloy wheels and chrome door mirror covers. You might choose practical equipment like roof bars, boot mats and child seats. Or perhaps you fancy upgrading your multi-media options with Wi-Fi and satellite navigation. Every element is designed to fit perfectly with your 2008. So take a look, decide what accessories you need and then get ready to enjoy your driving adventures wherever you go.

For more information on our accessories range including retail fitted prices, contact your local Peugeot dealer or visit us at peugeot.co.uk/accessories.

COMFORT AND CONVENIENCE

Add to your driving pleasure with our range of accessories to enhance the comfort of your journey, and provide convenience for everyday driving.

Wind deflectors

Increase ventilation into the cabin area whilst minimising wind noise and buffeting.

Coat hanger

This chrome effect coat hanger attaches to the rear of a front seat head restraint. It provides a convenient hanging space for jackets and coats low down where they can't restrict your rear view vision.

Air freshener diffuser

Create an atmosphere with this portable diffuser that can be used with a range of delightful fragrance refills.

Rear screen sun blind
Retractable sun blind for added safety whilst driving in bright driving conditions.

Side window sun blinds
Set of two rear side window sun blinds.

12 Volt hot/cool box
Available in a range of litre capacities, this thermal storage unit will cool 15°C below ambient temperature. In heating mode contents are heated up to 55°C.

PROTECTION

Protect your investment with our range of protection accessories, all designed to keep the exterior and interior of your 2008 in showroom condition.

Bumper rubbing strips
Polyurethane strips to help protect both front and rear bumpers from car park knocks and scrapes.

Side rubbing strips
To help protect the bodywork of the 2008 against scratches and light knocks.

Styled mudflaps
Designed to complement the lines of the vehicle whilst protecting the vehicle's bodywork from damage that can be caused by road debris.

Styled mudflaps – front

Styled mudflaps – rear

Boot sill protector
Manufactured from stainless steel, this tailored boot sill protector offers effective protection from everyday scuffs and scratches.

Exterior protective cover
Protective cover manufactured from polyester cloth. For interior use only e.g. garages, underground parking etc.

PROTECTION

Floor mats

Available in a choice of materials to offer you the widest selection, these mats will provide lasting protection of the original carpet. Furthermore, to prevent interference with the vehicle's pedals, the driver's side mat clips into the existing fixings.

Velour carpet mat set

Standard carpet mat set

Rubber mat set

Door sill protectors

Available in a range of finishes these door sill protectors combine an attractive appearance with effective protection.

Illuminated sill protectors

Aluminium sill protectors – dark chrome effect finish

PROTECTION

- 1** Boot mat
Manufactured from hard wearing carpet, this mat allows the boot to be used intensively whilst conserving the original appearance of the carpet.
- 2** Boot retainer
For use with the accessory boot mat, the retainer offers a practical way to restrain loose items in the boot.

Boot tray
Manufactured from light expanded polyethylene, this high sided tray will not only protect against dirty items but will also help to contain small liquid spills in the boot.

Reversible boot tray
The reversible thermo-formed boot tray is dual purpose: a rubber side to transport objects that risk dirtying the interior and a carpeted side for everyday use.

Extended boot mat
This boot mat is both reversible and extended. Use the rubber side to transport objects that risk dirtying the interior and the carpeted side for everyday use. In addition, this mat will protect the backs of the rear seats, the original boot carpet area and the rear bumper.

Dog guard

Making the carriage of canine passengers safer with this easy to fit and remove tailored dog guard.

Pet security lead

Making the carriage of family pets safer with this easy to use restraining lead. Helps to keep animals in situ whilst travelling in the vehicle.

Pet carrier

For the safe and secure transportation of small animals.

TRAVEL AND TOURING

Increase your vehicle's luggage capacity with our range of carrying equipment.

Roof bars

A set of transverse roof bars provide an excellent foundation for carrying large items. All roof bars feature a locking mechanism for added security.

Aluminium roof rack

Increase your load capability with this aluminium roof rack, perfectly adapted to steel or aluminium roof bars. Also fitted with an air deflector to reduce wind noise.

Ski carrier

A choice of ski carriers allowing the carriage of up to 6 pairs of skis. Can also be used to secure snowboards (depending on model).

Luggage bag

A convenient alternative to the traditional rigid luggage box. The luggage bag is available in a 340 litre capacity and folds flat for easy storage when not in use.

Luggage boxes

A practical yet stylish way to increase your 2008's luggage capacity. Available in various capacity loads to suit your individual needs.

Roof mounted cycle carrier

This single cycle carrier affixes securely to all Peugeot roof bars. It attaches to the bike on each wheel and the frame, and is available in a choice of steel or lightweight aluminium construction.

De-mountable swan neck tow bar

For those customers wanting a neater installation, the lockable swan neck tow ball assembly can be quickly and easily removed when not in use.

SAFE AND SECURE

As a responsible driver you'll want to equip your 2008 to enable you to drive with complete peace of mind. So whether it's a Peugeot approved child seat to keep your little ones safe, or parking sensors to help you to avoid hidden obstacles we have a range of accessories designed for your safety and security.

- 1** Front or rear parking sensors
To help you to manoeuvre safely. The system emits an audible beep when the car approaches an obstacle. Please note: the rear system is automatically disabled when towing.

- 2** Anti-intrusion alarm
Protection of the boot, doors and bonnet, plus ultrasonic protection of the passenger compartment.

Child safety seats

A complete range of seats suitable for carrying children aged from birth to 10 years. All seats offer optimum levels of comfort and are tested and approved by Peugeot. They also comply with the most stringent of safety standards including European approval ECE R44/03.
