All New Auris

Inspired

The All New Toyota Auris is designed to inspire you from every angle. Confident and contemporary, it has powerful presence on the road and lots of eye catching details.

Low and sporty, the whole shape has real visual impact. The new 'keen look' grille is bold and flanked by bright LED daytime running lights. The waistline rises in a sweeping curve that flows into the angular and distinctive rear light clusters. It's simply inspired.

Individual

Bright, spacious and beautifully made, every surface is tactile and pleasing. The satin silver highlights surrounding key forms and features contrast with the soft smooth finish of the interior.

Then there's Skyview. This elegant design is one of the longest panoramic roofs in the class and bathes the cabin in pure daylight. As well as bringing the outside in, it helps you admire the fine quality materials and fresh design.

Ingenious

Part of what makes the New Toyota Auris inspiring is its clever, cutting edge specification. It puts the latest navigation and communication ideas at your fingertips.

Touch & Go™ brings you Satellite Navigation*, Online Local Search, a range of excellent Apps and Google® 'Send To Car', which allows you to search locations on the Internet from the comfort of home and send them to your car, ready for each journey. Touch & Go™ means that you're always connected, informed and equipped to discover the best in every location. Meanwhile, Bluetooth® connectivity keeps your conversations hands-free, convenient and safe. When you arrive, squeezing into that last space is no hassle, thanks to the rear parking camera.

* If specified.

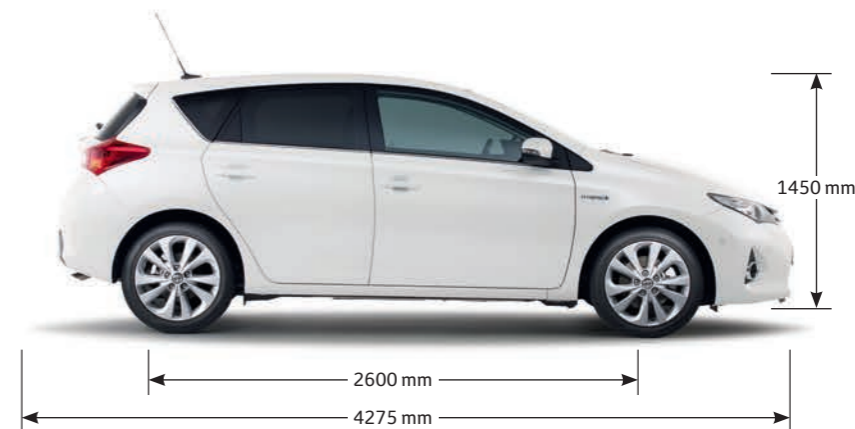

All New Auris

Hybrid, petrol or diesel? There's an All New Auris to suit you

Advanced technology should be intuitive and effortless. The sophisticated stuff should work seamlessly without you having to think about it, and in the New Toyota Auris, that's how it is. There's a choice of engines, from our world leading full hybrid to advanced petrol and diesel options. All are easy to drive and deliver a great balance of performance and fuel economy.

Aerodynamic and with a low centre of gravity, the New Toyota Auris is up to 40kg lighter and 10% stiffer than the previous model. Perfect for harnessing power and providing an exciting driving experience.

	Petrol		Diesel	Petrol hybrid
Engine size (cc)	1.33	1.6	1.4	1.8
Transmission	6M/T	6M/T	6M/T	Automatic ^{††}
Max power output (DINhp)	99	132	90	136
Combined fuel economy (mpg)	52.3	47.8	72.4	74.3
Combined CO ₂ emissions (g/km)	125	138	102 (99 ^{**})	87
BIK rate from	16%	18%	13%	10%

Eclipse Black* 209	Pure White 040	Aspen Grey* 1G6	White Pearl [^] 070 (exclusive for Hybrid)	Zenith Blue*

*Metallic paint [^]Pearlescent paint

In business

The New Auris delivers class leading whole life costs, great fuel economy and exceptionally low CO₂ emissions. Efficient ultra-clean hybrid technology means company car drivers can benefit from 10% BIK and companies from 100% capital write down allowance. Not to mention the New Auris is also exempt from the London Congestion Charge.

Stylish and sustainable, the new British built Toyota Auris makes a shrewd choice for business and is backed by a 5 year 100,000 mile warranty.
