Business class

A new Caravelle edition with outstanding levels of passenger luxury

INSIDE

The sky's the limit
Loads of options to bring you even more comfort

7 ways your Van Centre can help you

PLUS Tips for picking your ideal Caravelle • How our warranty works for you • Ways to finance your vehicle

Whatever you're after, we've got a Caravelle for you

TREAT YOUR PASSENGERS to the ultimate ride. The Volkswagen Caravelle is one of the most flexible people carriers on the market. With the ability to comfortably seat up to six passengers and their luggage, while still offering a driving experience similar to a luxury car, it's the perfect people mover.

The SE and Executive models feature flexible bench seating in the rear, which lets you modify the space to suit your passengers' needs, thanks to a clever rail-mounting system. The top-of-the-range Caravelle Business creates the ultimate mobile conference facility, with luxury passenger seating, onboard Wi-Fi and an integrated refrigerator.

Every Caravelle comes with a choice of efficient 2.0-litre turbo-diesel engines, and given that they're as economic as they are powerful and refined, you can look after your wallet as well as your passengers.

INTRODUCING THE CARAVELLE SE

- ✓ Choice of 2.0-litre TDI 140PS and 2.0-litre BiTDI 180PS engines
- ✓ Electric wing mirrors and windows
- ✓ Flexible rail-mounted seating
- ✓ RCD 310 Radio/CD player
- ✓ Long-wheelbase version for even more space
- ✓ Climatic manual air-con

Caravelle SE

>p16

INTRODUCING THE CARAVELLE EXECUTIVE

- ✓ Cruise control
- ✓ Climatronic automatic air-con
- ✓ Privacy glass in rear
- ✓ Electric side-sliding doors
- ✓ Power-latching tailgate

Caravelle Executive

Delivering the goods. It's what we've always done...

Today's much-loved, award-winning Volkswagen vans are only the latest step in a 60-year journey that started with one clever idea

In 1947, Dutch importer Ben Pon spotted workers at Volkswagen's Wolfsburg factory using a stripped-down Beetle to move parts around. Inspired, he sketched the platform for a versatile commercial vehicle that could be adapted to a multitude of uses. From this sketch, the Transporter was born, and the van world has never looked back.

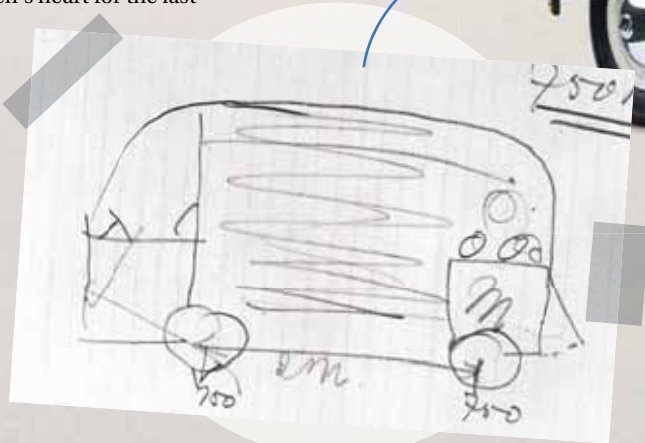

Brilliant then, even better now

Since 1950, millions of Transporters have been built and have proved to be reliable workhorses for delivery drivers and tradesmen all over the world. There's more to owning a Volkswagen than just work, though – Volkswagen vans have always stood out from the pack, which has helped them build a loyal following, from the original 'Splittie' to today's sleek, modern models.

Reliability that endures

Today, Volkswagen's commercial vehicles are more popular than ever, with a diverse range of panel vans, kombis, chassis cabs, passenger carriers, camper vans and even pick-ups. Each is as versatile, spacious and reliable as Volkswagens have always been, but now they're more comfortable, easier to drive and more fuel-efficient than ever before. They're all backed up by a Van Centre network that's ready to solve any problem you may have, too.

Getting the job done efficiently and reliably has been at Volkswagen's heart for the last 60 years, and that's why you can trust us to deliver a van that works for you.

Transporter

The Transporter has been the mainstay of our van range since 1950. It still embodies the original's attributes of space, versatility and reliability, but is now more efficient than ever.

California

The definitive Volkswagen camper van is a true home from home, with four sleeping berths, a fully fitted kitchen and an electric pop-up roof.

Caddy

The compact Caddy has city-friendly dimensions and a car-like feel, but it can still carry big loads or plenty of passengers. Wide rear doors make loading simple, too.

Crafter

The Crafter is the van to have for seriously big tasks. It's available as a van, a chassis cab that you can customise in lots of ways or a window van, and has a payload of up to three tonnes.

Amarok

The Amarok joined the range in 2011. Its off-road and load-shifting credentials earned it the 'International Pick-up of the Year' award, and press praised its comfort and ease of driving.

Caravelle

For the ultimate level of executive comfort, only a Caravelle will fit the bill. It's an outstanding, flexible passenger carrier that can carry people and their luggage efficiently and easily.

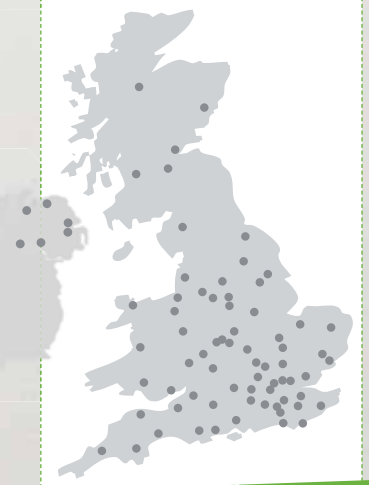

Trust your Van Centre network

OWNING A VAN is about more than just the vehicle – it's about support, too. That means helpful advice, affordable finance, and maintenance and servicing to keep your van running more efficiently for longer.

That's where our network of over 100 Van Centres and Authorised Repairers comes in. All our staff are fully trained to solve any problem you may have.

• Find out how your local Van Centre can help right now – see pages 26-27.

Volkswagen round-up

Accolades and awards ● BlueMotion Technology across the range ● New trims for Caddy and Transporter

Volkswagen vans shine under awards spotlight

Volkswagen Commercial Vehicles has won a host of awards in recent months, including the title of 'Manufacturer of the Year' for 2012 from *Van Fleet World*.

The magazine also awarded the Transporter its 'Best Medium Van' prize, while the Caddy was 'Best Small Van'.

The Transporter was named 'Medium Panel Van' and 'Fleet Van of the Year' for 2012 by *Fleet Van*, while the top-of-the-range Transporter Sportline was *What Van?* magazine's 'Editor's Choice'.

The Caddy 4MOTION® was *What Van?*'s '4x4 of the Year', while the Amarok won 'Pick-up of the Year' from *What Van?* and 'Best Pick-up' at the British Insurance Vehicle Security Awards. The Amarok is also *4x4 Magazine's* 'Pick-up of the Year'.

To cap it all, Volkswagen Commercial Vehicles topped the *Fleet News* FN50 Reliability Survey as the 'Most Reliable Van Manufacturer', with the Caddy, Transporter and Crafter all in the top six.

These awards recognise and prove that our promise to you is truly alive and well. That promise is to bring you products that are more versatile, reliable, efficient and better value for money than ever.

Caravelle Edition 25 is a hit

The limited-edition Caravelle Edition 25 – packed with a wealth of the most exclusive options – was hugely popular when orders opened in January. Make sure you don't miss the next special edition – follow our Twitter feed at [Volkswagen_CV](#)

BlueMotion Technology is here

BlueMotion Technology offers increased fuel efficiency and reduced carbon emissions, and it's available on most models in our range. To find out how BlueMotion Technology can help cut your fuel bills, ask your Van Centre for details.

Finance that makes buying your vehicle easy

Getting your hands on a new van or passenger carrier from Volkswagen Commercial Vehicles could be even more affordable – and easier – than you think.

We've got a great range of finance deals that allow us to tailor a solution to the needs of your business and your pocket. That might be a lower initial deposit, or regular, fixed monthly payments that include pre-planned costs

for servicing and maintenance. It all helps you know exactly how much your vehicle will cost now and over the long term.

We have special finance offers, too, which offer you even more value for money, and they're regularly updated. You can find all the latest deals at [www.volkswagen-vans.co.uk](#), or pop into your local Van Centre to find out how we can help you.

Get connected with us online

We've got lots of ways to stay up to date with all that's going on in the world of Volkswagen Commercial Vehicles.

Sign up to Van Mail for the latest news and finance offers, or follow us on Twitter and like us on Facebook for a great mix of news, tips and exclusive competitions.

Our YouTube channel is packed with useful and fun videos, too. To stay connected, just add the links below to your browser's favourites.

New trims offer outstanding value

Now there's even more choice for Caddy and Transporter buyers, thanks to the introduction of new trims that offer a great pack of features at one easy price.

That makes buying a van with a high level of specification really simple and delivers you great value for money.

On Transporter panel vans and kombis, and Caddy panel vans,

Trendline and Highline trims bring extra features to the already well-appointed standard model. On the Transporter, you can also go for the ultra-high-level Sportline trim to really mark out your van and your business from the pack.

If you need to add even more features, there's an extensive list of factory-fit options and Add On accessories.

Get even more with Add Ons

Add Ons is Volkswagen Commercial Vehicles' range of accessories, with lots of work, technology and leisure products that can be fitted by your Van Centre at any time. See page 45 for more details.

"For an executive chauffeur, space and comfort are crucial. The Caravelle carries seven people and their luggage without compromising the quality of our passengers' travel experience."
 Stephen Darler

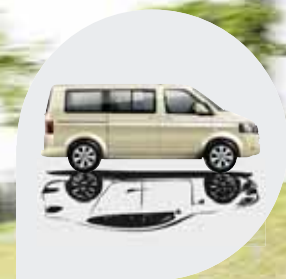

"The Caravelle provides our clients with the best possible levels of comfort and space, as well as being stylish and reliable."
 Dan Whitehouse, Titan Travel

Driving

Get from A to B easily and in comfort

"The convenience and smooth changes of the Direct Shift Gearbox make it a must for any driver in our profession."
Stephen Darler

Parking is easy

The Volkswagen Caravelle is about the same length as a family saloon, making it easy to park. If you add front and rear sensors, squeezing into tight spots will become even easier.

Effortless, refined driving wherever you're going

No matter how long your journey will be, or where it's likely to take you, the Caravelle will get you there in style and comfort

Whether it's a shuttle-run around town or a long-distance trip, the Caravelle's car-like manoeuvrability and comfort ensure that you'll enjoy the journey as much as your passengers do. Thanks to a choice of refined 2.0-litre TDI engines, and an easy-to-shift manual gearbox or automatic Direct Shift Gearbox, the Caravelle will take you where you want to go in true comfort.

Geared up for easy shifts

The Caravelle comes with a six-speed manual gearbox, with an easy-to-reach dash-mounted gearlever. You can also opt for the convenience of our seven-speed, Direct Shift Gearbox (DSG) – its slick automatic gear changes make it great for city driving but you can always take control and change gear yourself by simply nudging the gear lever up or down.

Comfort and safety as one

Volkswagen's advanced ESP (Electronic Stabilisation Programme) works with ABS (Anti-lock Braking System), EBD (Electronic Brakeforce Distribution) and TCS (Traction Control System) to keep you safe on the road, while Hill Hold Assist makes hill starts a doddle. In the cab, driver and passenger front and side/head

airbags are fitted as standard. Optional side/head airbags provide protection for passengers in the rear.

Choose your own path

If you ever need to take your Caravelle to locations off paved roads, or just want to stay safer on slippery surfaces, Volkswagen's optional 4MOTION® system could be the answer. This intelligent all-wheel-drive system monitors the grip levels of all wheels and automatically sends power to those that need traction the most when conditions become slippery. In normal driving, it reverts to sending more power to the front wheels to ensure maximum fuel economy.

The Caravelle's car-like cabin will help ease you into your journey. A six-speed manual gearbox comes as standard

Driving tech explained

Direct Shift Gearbox (DSG)

Our seven-speed, Direct Shift Gearbox (DSG) is great for city driving. It can be used as a fully automatic gearbox or as a quick-shift manual – just nudge the gear lever forwards or backwards to change gear up or down.

4MOTION

4MOTION® is an all-wheel-drive system that helps maintain optimum grip in all conditions. If one wheel loses traction, 4MOTION® reacts in milliseconds and sends power to the wheels with the most grip.

A new level of driving comfort

Beautifully designed and jam-packed with innovative features, the Caravelle's cab is a great place to spend time, no matter where your journey might take you

Whether you're counting down the motorway miles or taking on some twisty country lanes, the Caravelle really is the vehicle to suit all occasions, thanks to its combination of car-like manoeuvrability and premium practicality.

The perfect fit for you

Behind the wheel, you'll notice that the feature-packed dashboard feels truly intuitive to use. The ergonomically designed front seats are adjustable for height, lumbar, reach and rake, meaning you'll always be able to find the perfect driving position. And don't worry if you need to stay in touch: Bluetooth connectivity is just one of many options available – and it's fitted to Business models as standard – to help your journey pass without hitch.

Comfort and safety as one

Inside the cab, you'll find the high level of comfort and safety that you'd expect from Volkswagen. Front airbags come as standard, and air-conditioning will keep you cool. And in the winter, heated seats (optional on SE) mean you'll stay warm during early-morning starts.

Electric windows and mirrors are fitted as standard

Optional Bluetooth connectivity allows you to use a phone without taking your hands off the wheel. It works with the Caravelle's multi-function display

"Our Caravelle seats a lot of people comfortably, with room for their bags and plenty of space. It's also nice and easy to drive."

David Winter, Parker Cars

Ultra-clear dashboard

All the controls are easy to use, so you stay focused on the road. A gearshift indicator helps you change gear at the most economical moments.

Comfy seats

Our comfortable seats offer terrific support. **Want more?** Seat options allow you to choose a passenger layout that's perfect for you (see page 42). For even more style, pick a leather upholstery

Cool and comfortable

Heat-reflective glass keeps things cool, even in the summer.

Want more?

Choose air-conditioning – this gives you even more temperature control. See page 40.

Entertainment and sat-nav to suit you

Want to play MP3s, listen to DAB radio or add Europe-wide sat-nav? We've got just the kit for you. See page 34.

Three-spoke steering wheel

The three-spoke steering wheel is comfortable and easy to use at all times.

Want more?

Go for a multi-function steering wheel – this lets you control the audio system and a Bluetooth phone. See page 39.

Built with experience and comfort in mind

WITH 60 YEARS of building Transporters and Vans to its name, Volkswagen knows how to produce the very best people-movers. In addition to the flexible rail-mounted seating, the Caravelle boasts ample luggage and storage compartments, air-conditioning, electric windows with blinds, twin sliding doors and a neat multi-function table as standard.

Your local Van Centre can help you choose the right options for you. Find your nearest one on www.volkswagen-vans.co.uk, or call 0800 717131

Engines

Technology that helps to cut fuel bills and lower emissions

TDI TECHNOLOGY

Intelligent power, efficient delivery

A choice of two advanced 2.0-litre diesel engines enables you to pick the performance and economy that best suits your needs

Volkswagen's range of 2.0-litre turbo-diesel engines offers the perfect balance of performance and economy for your Caravelle. What's more, thanks to our years of experience spent honing advanced turbo-diesel technology, our new TDI engines are quieter, more powerful and more fuel efficient than ever before.

Travel business class

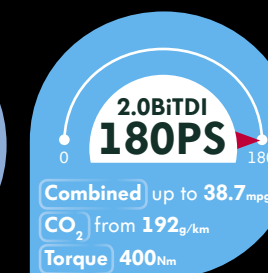

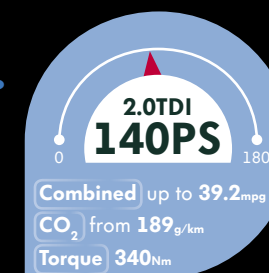

The Caravelle SE and Caravelle Executive come with the option of a 2.0TDI 140PS engine with

340Nm of torque and fuel economy of up to 39.2mpg (combined). A 2.0-litre 180PS BiTDI engine is also available. The twin-turbo unit provides an impressive 400Nm of torque, but still offers fuel economy of 38.7mpg (combined) and CO₂ emissions of 192g/km. That makes it the ideal choice for powering the luxurious, top-of-the-range Caravelle Business.

Add in the smooth delivery of an optional Direct Shift Gearbox (DSG) and 4MOTION® four-wheel-drive on all models, and it makes the Caravelle the best way to get executive passengers to their location.

Engine specifications

See page 46 for full engine data

Add a sat-nav

A sat-nav system can plot shorter routes and prevent you making wrong turns – some can even navigate around traffic jams. It all helps cut fuel consumption.

Driver training

Driver training can teach you to drive more safely and more economically. Ask the Freight Transport Association (www.fta.co.uk) for details on a course to suit you.

Top tips to help you save fuel

Cutting fuel use isn't just about engine technology – it's also about being clever. Follow our four tips to make your van as economical as possible.

Use your gearshift indicator

A gearshift indicator is fitted to all Caravelles. It helps you change gear at the most efficient times, which cuts fuel use and lowers emissions.

Check your tyres

Up to 20% of a vehicle's fuel consumption is used in overcoming the tyres' rolling resistance. It's even more if your tyres are underinflated, so check them regularly.

Why torque matters

Torque is often more important than power when it comes to an engine's performance. If you carry heavy cargo often, pick an engine with lots of torque. It will move a heavy load from a standing start better than one with less torque, and keep it moving more easily. A torquey engine may even use less fuel, because you won't need to rev it as much to get the best out of it.

Trims

A great range of trims that offer value and choice

Tailor-made for you

After designing and producing passenger carriers for more than 60 years, Volkswagen knows exactly how to create generous space and exceptional comfort. Not only that, but ingenious touches such as the rail-mounted collapsible table help make the most of the interior space. Twin sliding doors allow easy access for passengers at the beginning or end of the journey.

Caravelle SE

Style and luxury as standard

The Caravelle SE comes with a high level of features that ensure your passengers have a journey to remember

The Caravelle SE is supremely equipped to help your business stand out from the crowd. Body-coloured bumpers and door handles, as well as body-coloured electric mirrors, set the tone for the chrome trim detailing and alloy wheels. Side-sliding doors with power-latching on both sides of the vehicle allow access easy for passengers, while the tailgate opens into a spacious luggage compartment.

Flexibility for any occasion

The Caravelle's innovative rail-mounted seating system lets you create the layout your passengers need. Arrange the swivelling single seats and the sliding three-seater bench for a meeting around the central table, or fold and slide the seating to create more space for luggage or equipment.

Comfort as standard

Driver comfort comes high on the list, with driver and front passenger seats that include height-, reach- and rake-adjustment, as well as armrests. Electrically adjustable door mirrors and electric windows, as well as manually controlled Climatic air-conditioning, allow the driver to keep things cool while focusing on the task at hand.

Stylish body-coloured bumpers and alloys both come fitted as standard to the Caravelle SE

Leather seats

Upgrade to the Nappa leather seating option – available in a choice of two colours – for hard-wearing, luxury upholstery.

Safety guaranteed

The Caravelle SE has a comprehensive list of driver aids and safety features as standard. Top of these is the Electronic Stabilisation Programme (ESP), with Anti-lock Braking (ABS) with Electronic Brakeforce Distribution (EBD), Engine Braking Control (EBC) and Traction Control (TCS) all included as standard. Hill Hold Control helps you to make safe hill starts. Halogen headlights with daytime running lights, added to fog lights with a cornering function, keep the view ahead clear. At the rear, the hazard-warning lights come on automatically under emergency braking to alert other drivers to a potential danger.

SE features

- ✓ Body-coloured bumpers and electrically adjustable mirrors
- ✓ 16" Colmar/17" Thunder alloys
- ✓ Nearside and offside sliding doors with power-latching
- ✓ Rear tailgate with heated window and wash/wipe system
- ✓ Power steering
- ✓ Leather-covered steering wheel, handbrake and gear knob
- ✓ RCD 310 Radio/CD player
- ✓ Electric windows
- ✓ Climatic air-conditioning
- ✓ Driver-side and front curtain, and passenger airbags
- ✓ Two removable, adjustable, foldable swivelling seats
- ✓ Removable three-seater bench
- ✓ Multi-function table
- ✓ Rear heater

Caravelle Executive

Travel in the Executive suite

The Caravelle Executive adds a great selection of options to your vehicle, providing even more luxury in one easy, affordable move

The Caravelle Executive takes everything that's great about the Caravelle SE, and adds a whole host of extras to ensure that your vehicle is even more luxurious. On the outside, 17" Neva alloy wheels give an added edge to the Caravelle's stylish

Choose the optional headlight washers with heated washer jets to help you keep your headlights bright

looks, while privacy glass in the rear passenger compartment helps increase the Caravelle Executive's truly VIP feel.

Extras that make life easy

Electric side-sliding doors that can be controlled from the centre console, as well as power-latching on the tailgate, make passenger and luggage loading even easier. Meanwhile, smart Alcantara® leather upholstery adds extra luxury to the interior.

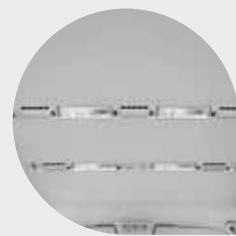

Premium features

Up front, the driver has a range of premium features such as heated windscreen-washer jets, rain sensors and Servotronic speed-dependent power-steering. And with cruise control fitted as standard, journeys can be smoother and more fuel-efficient – particularly over long distances. For the finishing touch, heated front seats and electronically controlled Climatronic three-zone air-conditioning at the front and rear ensure that the interior environment is the perfect temperature for everyone.

Cruise control

Cruise control is fitted as standard on the Caravelle Executive. By keeping your vehicle at a constant speed, it reduces driver stress and helps keep fuel bills low – especially on long journeys.

Stay cool

The Climatronic air-con system with three-zone temperature adjustment automatically sets and regulates the interior temperature, so you're comfortable – whatever the conditions outside.

Executive features

(In addition to Caravelle SE)

- ✓ 17" Neva alloy wheels
- ✓ Automatic rain sensors
- ✓ Electric side-sliding doors
- ✓ Power-latching tailgate
- ✓ Alloy spare wheel
- ✓ Climatronic three-zone automatic air-conditioning
- ✓ Alcantara®/leather upholstery
- ✓ Cruise control
- ✓ Heated driver and front passenger seats
- ✓ Privacy glass
- ✓ Servotronic speed-dependent power-steering

The California Executive, fitted with optional 18" Canberra alloy wheels

Caravelle Business

Born for business

The spacious, stylish Caravelle Business is a truly first-class passenger experience

When you're ferrying your most important clients from one meeting to another, you want to be sure that they get there in style and comfort. The new Caravelle Business edition takes all the great features of the Caravelle SE and Executive to a prestigious new level.

1

STYLE THAT STANDS OUT

The Caravelle Business has real road presence, thanks to Xenon headlights with LED daytime running lights and fog lights with cornering function, as well as chrome detailing and 17" Neva alloy wheels. Darkened rear light clusters complete the look.

2

SMOOTH POWER AND DELIVERY

Both Caravelle Business models use the range-topping 180PS 2.0-litre BiTDI engine, delivering plenty of power and torque from the twin-turbo diesel engine without compromising the smoothness of the ride, or fuel economy. The refined driving experience is made even more impressive for the occupants with the addition of a laminated windscreen for improved noise damping.

3

EASY-SHIFTING AND SECURE DRIVING

Our automatic seven-speed Direct Shift Gearbox (DSG) is fitted as standard to the Caravelle Business to make city driving even easier. You can also choose the sophisticated 4MOTION® four-wheel-drive system, to keep a sure footing on slippery terrain or in bad weather.

4

CLEVER TECH

Getting your passengers where they need to go is made even easier with the addition of the RNS 510 sat-nav system, which can be controlled by voice or via the 6.5" colour touch-screen. Front and rear parking sensors are also fitted, along with a reversing camera that guides you into tight spaces. To make life even easier for the driver, the leather steering wheel includes multi-function controls for the radio, sat-nav and phone.

Caravelle Business (cont.)

5

KEEPING COOL AND RELAXED

The Caravelle Business features electronically controlled Climatronic three-zone front and rear air-conditioning, perfect for maintaining a pleasant interior. In winter, or for chilly early-morning starts, passengers can enjoy a warm interior from the off, thanks to the programmable rear heater. The auxiliary heating works independently of the ventilation systems, and is available with remote control.

6

STAY CONNECTED

Voice-controlled Bluetooth ensures that everyone in the Caravelle Business can stay in touch with the people who matter. The addition of Wi-Fi wireless internet access takes the phrase 'working on the road' to a new level. This way, you can connect your smartphone, tablet or laptop from any seat.

7

TRAVEL IN FIRST CLASS

For a truly executive experience, a smart and luxurious two-person rear seating console replaces the standard three-seat bench. Both the console and the two swivelling single passenger seats are heated for extra comfort, while burr walnut trim, Nappa leather upholstery and an integrated refrigerator complete the premium look.

9

WELL ORGANISED

The ingenious multi-function table provides a work surface, and there's a useful storage unit with drawers. When not in use, the table top can be turned by 90°, folded and lowered into its base. It can also be slid along the centre rail mountings between the middle single seats.

10

AN EVEN SAFER DRIVE

The Caravelle is packed with features that make driving safer. These are enhanced in the Caravelle Business with the addition of Lane-Change Assist. Here, sensors monitor vehicles in your blind spot, and notify you of any overtaking traffic with a visual signal in the right or left wing mirror. This makes the ride even more trouble-free for you and your passengers. The Business Edition also adds curtain airbags for the rear passenger compartment.

Business features

Exterior

- ✓ Darkened rear light clusters
- ✓ Xenon headlights with LED daytime-running lights and fog lights with cornering function
- ✓ Body-coloured bumpers and electrically folding door mirrors
- ✓ Laminated windscreen for improved noise damping and passenger comfort

Safety and driving

- ✓ Lane-Change Assist (with cruise control)
- ✓ Parking sensors - front and rear, with reversing camera
- ✓ Automatic headlight activation (with 'coming home' and 'leaving home' function)
- ✓ Rear-compartment curtain airbags

Full support right from the start

We want to make sure that using your van is as hassle-free and cost-efficient as possible, so every vehicle comes with a three-year warranty and a choice of finance, servicing and insurance options. It all helps to keep the big issues covered

A three-year warranty that lasts up to 100,000 miles

All Caravelles get a three-year, 100,000-mile warranty – and so do any factory-fit options that you buy. The vehicle warranty is made up of:

- A two-year manufacturer's warranty with unlimited mileage
- A third-year Van Centre warranty, up to a maximum of 100,000 miles

Even if you exceed 100,000 miles during your first two years, the manufacturer's two-year warranty will still be valid.

Want cover for longer?

You can extend your vehicle warranty online or by phone. You can choose Comprehensive or Major Component cover and either one-off or monthly payments. Call **0845 641 9712** or visit www.volkswagencvwarranty.co.uk for details.

Service options designed to fit your business perfectly

It's only natural that you want to keep your vehicle running at its best. Getting it serviced at a Volkswagen Van Centre is a great way to ensure that's exactly what happens. However, when it comes to servicing, we know every business has different needs. That's why we've developed three different service options for you to choose from:

- Pay Monthly
- Pay Upfront
- Pay On-Demand

Whichever suits your business best, you can rest assured that when you book in your vehicle, it'll be looked at by Volkswagen-trained technicians and they'll use only Volkswagen quality parts. What's more, there's a two-year warranty on the parts and one on labour.

For more details

visit www.volkswagen-vans.co.uk, or call **0800 717131** to learn more.

Volkswagen Insurance keeps you covered*

Volkswagen Commercial Vehicle Insurance can provide you with cost-effective, comprehensive motor insurance. Look at some of the benefits:

- Seven-day free cover to allow you to drive your vehicle away knowing it's insured
- All repairs performed by approved repairers
- Volkswagen quality parts on all repairs
- Courtesy vehicle provided during repair following an accident
- Cover for breakage and damage to glass
- Tools-in-transit cover (up to £1,000)
- In-vehicle personal belongings cover (up to £500)
- Vehicle recovery
- 60-day European Union cover
- Legal expenses cover up to £100,000

We also offer a range of gap insurance products. These help you replace your vehicle or protect you from any financial shortfall if it is written off.

For more details

visit www.insurewithvwcv.co.uk, call **0800 316 7896** or pop into your Van Centre and ask for a Flexible Finance brochure.

* Terms and conditions apply

"If your van's not working, you're not working. That's why we're here to help"

Flexible Finance that makes things affordable

We can also make buying a new van more affordable in the first place. Speak to us about our selection of finance options, which include:

- Contract hire
- Finance lease
- Lease purchase
- Hire purchase

For more details

visit www.volkswagen-vans.co.uk/finance or pick up our Flexible Finance brochure at your nearest Van Centre.

Three years' Roadside Assistance

Sometimes, the unexpected happens. If it does, your new Caravelle comes with an unlimited-mileage recovery and assistance package. It lasts the same three years as your warranty and operates 24 hours a day, 365 days a year.

Cover is available across the UK and most of Europe. Our fully trained technicians can diagnose most problems at the roadside and they use Volkswagen quality parts.

Learn more

Visit your Van Centre to get a Volkswagen Roadside Assistance handbook, visit www.volkswagen-vans.co.uk/aftersales/roadside-assistance or call **0800 77 71 72**

Van Centres – always there for you

Our dedicated Van Centre network is the backbone of everything we do, with more than 100 Van Centres and Authorised Repairers throughout the UK

Our Van Centre network offers a wide range of services, from MOTs to accessories, servicing to fully fitted parts. Not only that, but we use Volkswagen quality parts and you get dedicated staff who understand your vans intimately. So pop in for a coffee and a chat, and find out what your Van Centre can do for you.

Turn the page to learn more about our Van Centre network

7 ways your Van Centre can help you right now

Make full use of your nearest Van Centre – it's full of Volkswagen experts who know your vehicle better than anyone and who can help you to get the best out of it

Quality servicing you'd expect at a price you wouldn't

Unpredictability and moving goalposts are part of life for a modern business, making it difficult to predict how many miles your vehicle will do in a year, or how long you'll need to keep it. Our National Service Pricing is designed for customers who need the flexibility of being able to book their vehicle in for a service whenever it needs it. When you do, our technicians will do everything necessary to ensure that your vehicle is back on the road, working hard for your business, as soon as possible.

Always on hand to help

Picking a van that's perfect for your needs

We know that choosing your next van or passenger carrier is a big decision. You want a vehicle that works as hard as you do, both now and for the long-term – one that's versatile, cost-effective and reliable. We're here to help make your choice easier.

Our Van Centre experts can offer advice on every model in the range and help you pick the right vehicle and factory-fit options for your business. They can also advise you on the best finance packages to ensure that your payments make financial sense.

Express Visual Checks – peace of mind for free

Your Van Centre or Authorised Repairer can give your vehicle a free, 29-point Express Visual Check for complete peace of mind. You'll be given a comprehensive report, with the results clearly explained, and your technician will talk you through what work may need to be done in the future, so you can plan ahead and budget for it. If something needs urgent attention, you can get a precise quote before any work is done – and all the Volkswagen parts are covered by a two-year warranty.

Accessories designed to help you get more from your van

Perhaps you've bought a van and your needs have changed – maybe you need a towbar or a roof rack, or perhaps you want to give your van some extra style. That's where Add Ons comes in. Add Ons is an extensive range of Volkswagen-approved accessories, available to buy and be fitted at your local Van Centre. We've got everything from towbars to tailgate spoilers, load nets to leather seats and sat-nav systems to stunning alloy wheels.

Fast, hassle-free van rental for one-off jobs

Need another van for just a short while? We can hire you any vehicle from our fleet – Caddy, Transporter or Crafter – or passenger-carrier versions of the Transporter and Crafter if you need to move people.

For more information, call the Van Rental team on 01908 467450

Fully fitted parts for a fixed price – and not a penny more

The pricing of all our Volkswagen quality parts is straightforward and clear, so you know exactly how much you're paying. Even better, when they're fitted by trained technicians at a Van Centre or Authorised Repairer they come with two years' warranty and 12 months warranty on labour. If your van is over five years old, ask us about our Economy Parts range. This is a great-value way to help keep your vehicle 100% Volkswagen – it uses high-quality parts that come with a two-year warranty.

Taking the worry out of tyres

Why run around looking for a fitter who has your tyres in stock? Let us fit new tyres when your van is in for its service and it'll keep your van off the road for less time. We have a huge range of tyres for all Volkswagen vans, from economy to premium brands, including winter tyres.

What else can we do?

Loads! Just pop into any Van Centre and ask us. For example, we may be able to point you to a local signwriter, recharge your air-conditioning, or answer any queries about your vehicle. Whatever it may be, we're here for you.

To find your nearest Van Centre, visit www.volkswagen-vans.co.uk or call 0800 717131

Options

Get the best from your Caravelle with our quality options

ways to get even more from your Caravelle

Body and chassis

Getting in and out of your Caravelle is easier than ever, thanks to the option of twin electrically assisted sliding doors. Also available is a power-latching rear tailgate, which pulls the door shut once it's on the first click of the latch.

p36

Seats and upholstery

Seating seven people in comfort is what the Caravelle does best, and we've got a range of seat options to add even more customisation to its passenger area, as well as upholsteries – including Alcantara and Nappa leather – to add even more style.

p42

Audio, phone and sat-nav

Finding your way has never been easier, thanks to the latest generation of Volkswagen's radio navigation system. Not only does the RNS 510 offer the very latest in multimedia entertainment via a 6.5" touch-screen and 30GB hard drive, but it's also voice controlled, so you can keep your hands safely on the wheel.

p34

Alloy wheels

After you've fitted out your Caravelle to exactly suit your needs, give it the ultimate finishing touch with one of the six stylish alloy wheel options available; from the 16" Colmar, through to the range-topping 18" Canberra multi-spoke design.

p31

Heating and ventilation

The Climatronic air-conditioning system will help keep your concentration sharp and passengers comfortable by providing a fresh and cool atmosphere inside your Caravelle. The system monitors factors such as the outside temperature, and the intensity of the sun's rays to adjust the cooling or heating in the cabin.

p40

Options: Paint

You want your Caravelle to make an impression. The quickest way to do that is to opt for an alternative paint finish

		SE		Executive		Business

Keep your alloys in perfect condition

Brake dust is full of abrasive and corrosive metal and carbon particles, so clean your alloys every couple of weeks with a specialist brush and cleaning fluid, then coat them with a wax protector. You can buy these at your Van Centre.

Add Ons

Accessories to help keep your vehicle 100% Volkswagen

If you want an even greater selection of alloy wheels to choose from, check out our Add Ons accessories range. Ask your local Van Centre for a brochure, call 0800 717131 or download a copy at www.volkswagen-vans.co.uk

Useful security tips

- 1. Get an alarm**
Alarm noise may be enough to scare a thief and prevent a costly break-in.
- 2. Lock your doors**
Even if you're only away from your van for a minute, locked doors deter thieves looking for an easy target.
- 3. Keep it tidy**
Seemingly trivial items can still be bait to thieves. Stow gadgets out of sight or take them with you. Thieves know to look in the glove box, too.
- 4. Load out of sight**
Try to load luggage into your van in a secure location. Thieves can linger in public areas for a swipe-and-run.
- 5. Park for visibility**
Use well-lit areas. Avoid parking near vehicles or foliage that a thief could use for cover. Parking right up against walls can stop a thief getting in through your van's doors, too.

Options: Seating, trim and upholstery

Improve the comfort and practicality of your Caravelle with heated seats and a selection of upholstery finishes

Want more? Pick an Add On...

The Caravelle comes with a wide range of factory-fit options, but you may want something extra. That's where Add Ons come in

Add Ons is the new name for our extensive range of Volkswagen-approved accessories, available to buy and be fitted at your Van Centre. Whether you want to add extra style to your van, get more out of your cargo bay, convert a work van into a weekend leisure vehicle or add extra audio, phone and sat-nav to your cab, we've got lots of accessories for you.

Help keep it 100% Volkswagen

There are big advantages to purchasing your accessories from Volkswagen. Add Ons have all been designed with Volkswagen in mind, so they're a perfect match for fit and style, and they've been designed and developed to be just as rugged, reliable and long-lasting as your vehicle.

Keep your Add Ons covered

Most Add Ons include a two-year warranty. However, if you order and fit them at the time of purchasing a new van, we may be able to extend that to three years to match your vehicle's warranty. Pop into your Van Centre and ask our staff about how much Add Ons can add to your life.

Top five Caravelle Add Ons

- 

18" Dakar Bi-Colour alloy wheel
These striking, bi-colour 8J x 18 alloy wheels add a dash of style to your Caravelle.
- 

Kenwood Multimedia system*
This clever piece of kit combines sat-nav, telephone and audio technology; it also allows you to watch a DVD.
* Some features only work when the vehicle is stationary
- 

Full-leather seats
Our smart, durable leather seats come in a choice of two colours; leather Sport seats are also available.
- 

Reversing-aid kit
Four sensors fitted across the rear of your Caravelle, and painted to match its body colour, aid reversing manoeuvres.
- 

Carpet mats
Protect the floor of your Caravelle from mud and wet with these carpet mats; they're available for the front and rear of the vehicle.
