

**PRICE AND SPECIFICATION**

# **YOUR C30**

Factory production of bespoke Volvo C30s has now finished. But don't worry – you can still talk to your local dealer about finding the perfect C30 for you.

# C30

Volvo has always led the way in innovation, with products that continue to influence and shape the entire car industry. But that's never been our motivation. You are.

Every car, and every world first we introduce, is designed around you... to keep you safer on the road and more at ease behind the wheel. To bring extra excitement to every journey and improve your whole driving experience.

## YOUR OWN C30 IS IN REACH

The C30 is a car like no other. This is a car designed to make the driver feel special each time they experience it – from first glance to every thrilling drive. And, with exceptional road holding, you can be sure it's always ready to whisk you effortlessly away on any spontaneous adventure.

Over the next few pages is everything you'll need to make the decision about your next car even easier. And to make your C30 really... yours.

The agile handling and standout good looks of the C30 come as standard. So too does its natural ability to make each journey an extraordinary one. But finalising the styling and choosing the right engine is up to you. As is personalising the interior – selecting Swedish designs and the latest technology to make sure your C30 gives you the exhilarating driving experience you deserve every day.

So let's get started. The promise of a unique and enjoyable drive is only a few pages away. **And with this guide, you're already in the driving seat...**

# YOUR C30 RANGE AT A GLANCE

## SE LUX

The SE Lux offers a range of innovative features including an automatic rain sensor, autofolding power door mirrors with ground lights and LED day running lights. The exterior also benefits from 17" Spartacus alloy wheels and rear park assist whilst the inside includes an integrated satellite navigation system, leather-faced upholstery, high performance sound audio system and Bluetooth®

## R-DESIGN

The striking exterior lines are enhanced by a full bodykit and 17" Cratus alloy wheels, lowered sports chassis and R-DESIGN logo on the grille. The unique interior design is complemented with embossed leather/T-Tec upholstery, sports steering wheel and a unique aluminium inlay.

## R-DESIGN LUX

The R-DESIGN Lux is the ultimate Volvo C30 variant and includes an integrated satellite navigation system, autofolding power door mirrors with ground lights, rain sensor, height adjustable passenger seat and autodimming rear view mirror.

This is the first exciting step in the journey to driving and owning a Volvo C30. And getting started is easy – simply decide which model, engine and price are right for you.

Insurance ratings may vary depending on model line and specification. For details, please refer to <a href="http://www.thatcham.org/abigrouprating">http://www.thatcham.org/abigrouprating</a>	

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving
- (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car
- (iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg
- (v) All diesel models are fitted with a particulate filter

**Notes:** Notes: The weight of the vehicle will influence the level of CO<sub>2</sub> emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO<sub>2</sub>. However, vehicle tax is paid according to the weight and CO<sub>2</sub> emissions of the standard vehicle, as published in this price list. A weighbridge must be used to determine specific weights.
