Peugeot HYbrid4 Technology

In Auto mode the entire system is automatically controlled, including operation of the HDi diesel engine and the electric motor.

Perfect for low speeds around town, the car can travel for about two miles in this 100% Electric mode before the engine takes over and recharges the battery, allowing continual use of the 100% Electric (ZEV) mode.

Sport mode favours quicker gear changes at higher engine speeds, coupling the diesel engine with the electric motor for dynamic performance.

In the Four-wheel drive setting the rear wheels are driven by the electric motor and the front wheels by the HDi diesel engine.

3. EQUIPMENT

● = Standard ○ = Option at extra cost

508 RXH

	Automatic headlamps and wipers	●
	Daytime running lights	●
	Electrochrome rear view mirror	●

NOTES:

1. Peugeot Parking Assist uses sensors at the ends of the front bumper to measure the size of a parking space. The system will then indicate the degree of parking difficulty.
2. Motorised tailgate on SW allows opening/closing of the tailgate from key, drivers seat or from control on tailgate
3. Peugeot Open and Go system replaces a mechanical key with a vehicle identifier. Electronic recognition of the identifier gives hands free access to 508 and starting and stopping is simply activated by pressing the Start/Stop button.
4. Peugeot Connect SOS and Assistance pinpoints the location of the vehicle in the event of accident or breakdown and enables the dispatch of emergency or assistant services.
5. Independent Programmable Heating System permits a faster increase in temperature of the passenger compartment decreasing the time needed to reach desired comfort level.
6. Peugeot Smartbeam Assistance monitors driving conditions and surroundings of 508 and automatically switches headlamps to full beam when conditions allow.

PEUGEOT WARRANTY

All vehicles first registered in the UK and purchased from a UK Peugeot Dealer benefit from a Peugeot 2 year unlimited mileage manufacturer's mechanical warranty and a free optional additional 1 year of warranty provided by the Peugeot Dealer Network in the UK. All electrical drive train components (the hybrid control unit, electric drive machine, high voltage cables and connectors and the traction battery) benefit from a 5 year or 60,000 miles manufacturer warranty.

PEUGEOT ASSISTANCE

All new Peugeots come with Peugeot Assistance, our breakdown assistance service.

Provided by the AA, Peugeot Assistance is available every minute of the day and night; 365 days of the year, for you and anyone else driving your Peugeot with your permission.

Full details are available at www.peugeot.co.uk

TERMS AND CONDITIONS

Every endeavour has been made to ensure that the information, details and descriptions set out in this literature are correct, at the time of going to print.

It is our policy to continually improve our vehicles in every way. We reserve the right to modify our vehicles price, specification (including colour), equipment, accessories and characteristics or to discontinue any model, without notice, at any time.

To avoid any misunderstandings you are advised to check with your Peugeot Dealer the specification (including colour), equipment accessories and equipment relating to any Peugeot vehicle and the exact cost and availability prior to ordering.

Where a feature is described as an option in this publication it should be assumed that it is at extra cost unless specifically stated otherwise.

Issued by Sales and Marketing, Peugeot Motor Company PLC, Pinley House, Sunbeam Way, Coventry CV3 1ND.
