PEUGEOT

270 hp
0 to 60 mph : 5.9s
44.8 mpg

The RCZ R is the fastest production car we've ever built and combines the high level performance of a sports coupé with exceptional efficiency.

1.6 THP 270: Urban drive cycle 33.6 mpg (8.4 l/100km) - Extra urban drive cycle 55.4 mpg (5.1 l/100km) - Combined drive cycle 44.8 mpg (6.3 l/100km) - CO₂ emissions 145 g/km.

R YOU READY?

RCZ R was developed by Peugeot Sport to be race track capable but it is equally accomplished and just as enjoyable to drive on the road.

Precision and performance is guaranteed with increased power, torque and acceleration. RCZ R benefits from stiffened suspension, Torsen® limited slip differential and improved traction, which contribute to its excellent stability and responsive steering.

STYLE AND
REFINEMENT

19" two-tone alloy wheels, red front brake callipers and Peugeot Sport branded door sills have been specially designed for the exclusive RCZ R.

RCZ R is also equipped with a large fixed rear spoiler, twin sports exhaust, titanium tinted headlights and matt black roof arches.

Its low profile and sports equipment are designed to improve RCZ R's efficiency and aerodynamics while establishing its sophisticated, refined style.

SENSATIONAL DESIGN

RCZ R represents all of Peugeot Sport's expertise with sports seats, small steering wheel and sports gear lever contributing to intense driving sensations. Meticulous care and attention has gone in to every detail with red overstitching continuing the racing theme.

The stunning interior of leather, alcantara and aluminium is crafted from materials of exceptional quality. Enjoy the elegant, sports ambience of RCZ R's elite cabin, which is dedicated to driving pleasure.
