

ALL-NEW RENAULT TWINGO

THE CITY IS YOUR PLAYGROUND

DRIVE THE CHANGE

DESIGN

THE BRIEF

“DESIGN A CAR THAT SMILES AND MAKES YOU FEEL HAPPY, WITH A CHEERFUL, FRIENDLY FACE THAT BRINGS BACK MEMORIES.”

BACK TO THE ROOTS

A pinch of R5 Turbo, a hint of First Generation Twingo, a touch of the Renault DNA. The All-New Renault Twingo resembles its predecessors and is the stuff of dreams. It is a car of its time: current, smart, modular and connected.

LIKE THE RENAULT FAMILY

Drawing on the marque's emotional and sporting heritage, the designers re-interpreted selected iconic Renault features. The tailgate angle, sculpted sides, small round lights or rectangular headlights are all hints to past Renault cars.

TECHNOLOGY AND INNOVATION

R&Go

R&Go is an application that turns your smartphone into a touchscreen for your dashboard! The fitted universal smartphone cradle mounts your phone to the dashboard and the app presents the features in an intuitive menu with large buttons. The key features of the app are:

Phone: Digital keypad, call history and contacts; phone calendar; SMS* (messages read out)

Media: Can select the input source for the stereo and control the AM/FM/DAB radio, play music from the phone, access internet radio (uses phone's data)

Navigation: 3D vehicle navigation provided by CoPilot - one country map included for All-New Renault Twingo customers, other countries / Europe available for in-app purchase. Maps are downloaded onto the phone, so no data required for navigation. Find my car feature: phone automatically saves the location of your car and gives pedestrian navigation back to it!

Vehicle: Eco driving score, fuel consumption info, trip computer and rev counter.

The R&Go application is free to download and is compatible with any Android or iOS smartphone. Every standard radio on All-New Renault Twingo is compatible with the app.

* SMS feature only available on Android devices

R-Link Evolution

Renault R-Link is a 7" touchscreen integrated into the dashboard. You can control it from the screen, steering wheel controls or even voice command (except for multimedia content). In addition to its many built-in features (TomTom® LIVE navigation, multimedia - including DAB radio, vehicle information and Phone), there are also applications to download from the R-Link Store. Available apps include: Email, News, Weather, Facebook, Twitter and Fuel Prices which displays the latest prices for nearby petrol stations.

Included with Renault R-Link on All-New Renault Twingo is a reverse parking camera, which displays the view behind the car on the 7" screen.

1. Touch screen with customisable homepage: Choose your shortcuts to access your favourite features with a single click. **2. Main menu with 6 icons:** Discover the six available menus: navigation, multimedia, telephony, vehicle, services and applications, system settings. **3. Music on the go:** Log in via Bluetooth® or the Renault R-Link USB port to listen to your music. **4. Vehicle information:** Reduce your fuel consumption with the fun "Eco Driving" coach. View summaries of your journeys with handy tips to improve your driving style.

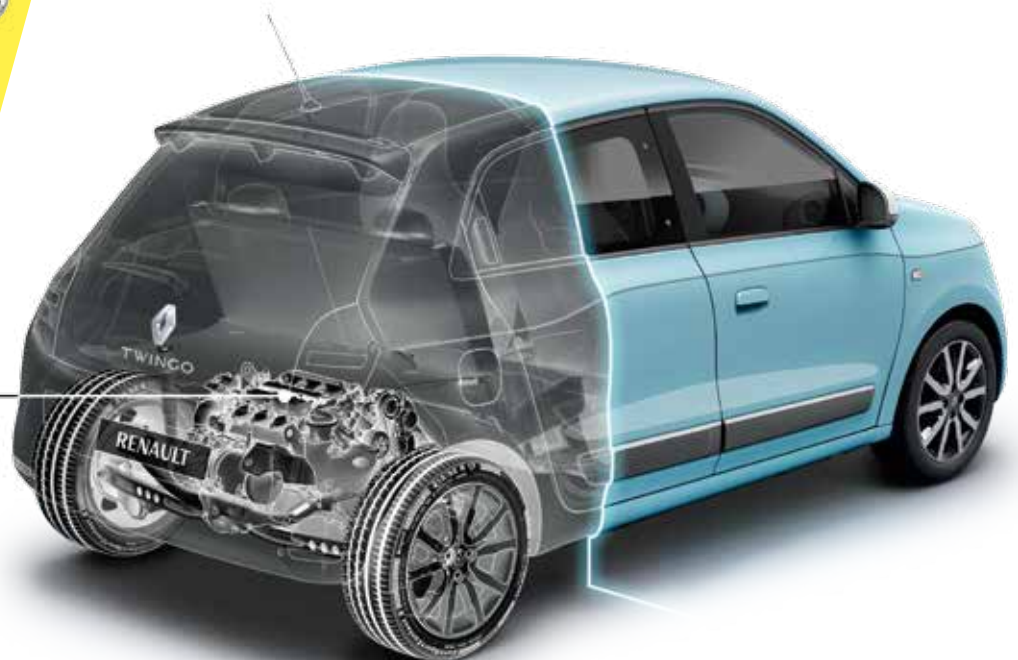

ENGINES

THE ENGINES ON
ALL-NEW RENAULT TWINGO
ARE EFFICIENT AND QUIET WITHOUT
COMPROMISING DRIVING PLEASURE.

SCe 70: Made for the city, this 70 hp petrol engine's torque is very responsive, for a drive which is simultaneously lively, flexible and comfortable. There is also a variant which includes Stop & Start for improved fuel economy and reduced CO₂ emissions.

ENERGY TCe 90: For those out of town, the ENERGY TCe 90 turbo petrol engine is most at home. With more power (90 hp) and torque (135 Nm) it is very comfortable with brisk starts and nippy acceleration. With standard Stop & Start, your driving is fun and economical.

SPACE STORAGE AND MANOEUVRE

NO ONE HAD DARED. NOW TWINGO

PUTTING THE ENGINE IN THE REAR IS SOMETHING YOU NORMALLY ASSOCIATE WITH TWO-SEATER SPORTS CARS, NOT PRACTICAL CITY SUPERMINIS! HOWEVER, DOING THIS HAS GIVEN ALL-NEW RENAULT TWINGO FEATURES THAT MAKE IT STAND OUT FROM THE COMPETITION.

I'VE LOST

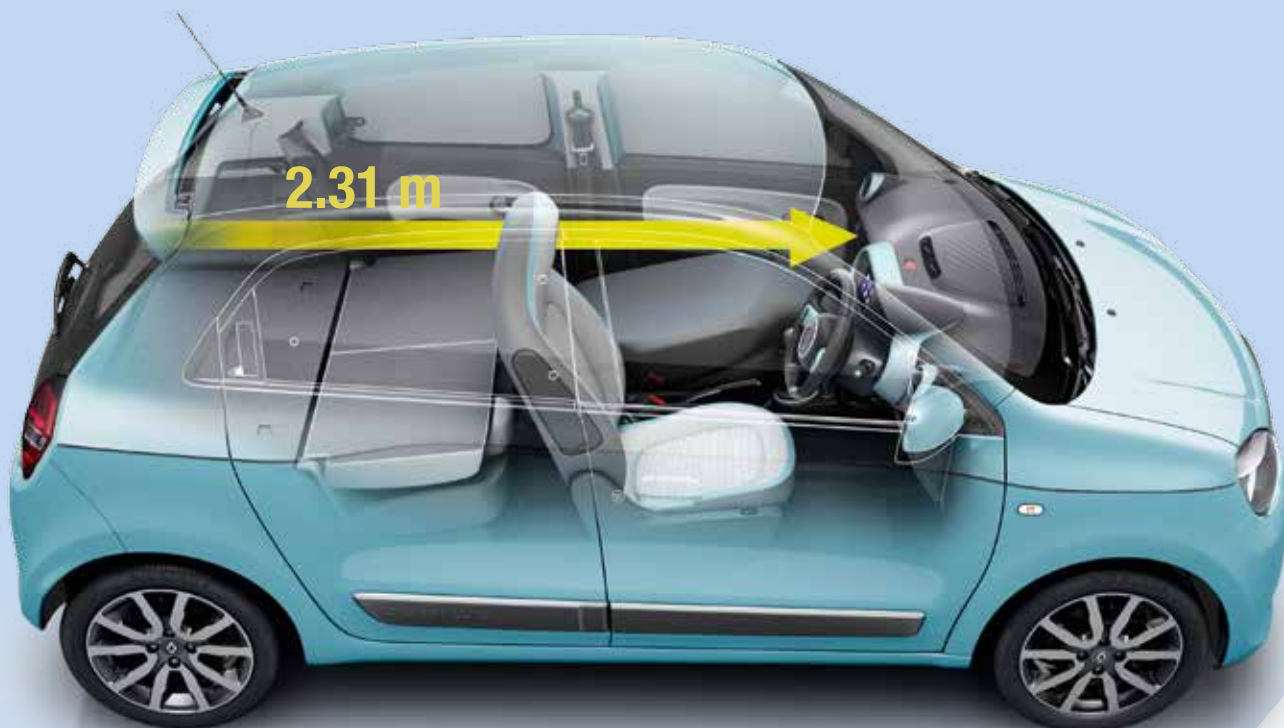

10 CM EXTERIOR LENGTH

I'VE GAINED

33 CM INTERIOR LENGTH

I HAVE A RECORD TURNING CIRCLE OF

8.59 METRES

VRABILITY

HAS!

The Twingo paradox:

Since the last generation of Twingo, All-New Renault Twingo has lost 10cm in length. However, at the same time the cabin is 33cm longer. This gives class leading knee room for rear passengers.

Tight turns shouldn't be trouble:

All-New Renault Twingo has a class-leading turning circle of 8.59m, which is at least 1m better than its competitors. This makes parallel parking in tight spaces a lot easier.

What a view!:

By having a shorter bonnet and a raised driving position, All-New Renault Twingo has excellent driver visibility which makes you feel more confident and enjoy the drive more.

Quiet, please!:

The engine at the back means it is further away from the driver, and therefore quieter: great for listening to your music (or your passenger!)

Plenty of room:

Although you might think that putting the engine at the back would compromise space, you'd be surprised! There is no loading lip to the boot floor - so it's easy to lift items in and out of the boot - and the split folding rear seats fold flat with the boot, making the space practical. What's more, the front passenger seat folds down, giving 2.3m of load length! This means you could carry some flat pack furniture and still have a passenger in the back!

In addition to the impressive boot space, there are also little stowage spaces around the car for smaller items, such as rear door pockets, space under the rear seats and a storage space in front of the gear stick.

*Official Fuel consumption figures are produced for comparison purpose and are measured according to the European Directive 80/1268/EEC. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk.

4+ FOUR YEARS WARRANTY ROADSIDE COVER SERVICING FINANCE PACKAGE

THE RENAULT 4+ PACKAGE, WORTH UP TO £1,000, COMES AS STANDARD WITH RENAULT SELECTIONS FINANCE, FOR YOUR NEW RENAULT CAR.

4 - WARRANTY

Your vehicle is covered by a warranty package for up to 4 years/100,000 miles (whichever comes first). The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. Your dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Renault.

4 - ROADSIDE COVER

Any problems and we'll provide emergency roadside repairs or tow you to the nearest Renault dealer. This service is available 24 hours a day, every day of the year. We'll provide roadside assistance, home start, recovery and onward travel for 48 months with European cover for the first 36 months.

4 - SERVICING

Your car is covered for servicing (at no extra cost) for the first 4 years of ownership, or your first 48,000 miles (whichever comes first) when you purchase on Renault Selections finance. That covers everything required in the manufacturer's minimum maintenance programme including parts, labour and VAT, but excluding normal wear and tear items, such as brake pads, windscreen wipers or tyres.

Even without Renault Selections Finance, add the service option to your 4 year warranty and roadside cover for just £299*.

4 - FINANCE PACKAGE

The Renault 4+ package comes as standard with Renault Selections finance allowing you to enjoy fixed monthly payments (cars only).

6.9% APR
REPRESENTATIVE

4+ New 4+ package applicable to new retail cars when ordered from 1 January 2014. All vehicles covered with 4 years' warranty and roadside assistance as standard. The value of the package (with the exception of Twizy) is based on £80 for 4th year to 100,000 miles. Please see warranty terms and conditions (www.renault.co.uk/warranty) for further details. Renault Assistance Roadside cover is provided by our approved roadside assistance partners (for ZE vehicles roadside cover is linked to the battery agreement). Renault Assistance Roadside Cover provided from months 0 to 48 include assistance at the roadside and home, national recovery, onward travel with European cover from months 0 to 36 only. Visit www.renault.co.uk/4plus. Servicing offer covers cars for 4 years or 48,000 miles, whichever comes first. Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals and can only be carried out at a Renault Approved UK outlet. *Service package available as standard to Renault Selections finance customers. Alternatively can be purchased for just £299 up to 12 months after vehicle registration, unless a service has already been carried out. Cannot be part exchanged, refunded or transferred. Standard servicing rates also vary between £452 to £835 (with the exception of the Z.E. range) depending on vehicle and servicing in line with manufacturer's minimum maintenance programme based on an average national hourly labour rate of £70. Finance provided by RCI Financial Services Limited, P.O. Box 149, Watford, WD17 1FJ. Guarantees and indemnities may be required. You must be at least 18 and a UK resident (excludes Isle of Man and Channel Islands) to apply. Subject to status, terms and conditions apply. All Figures are for illustration purposes only.
