Caddy Black Edition

Put your business in the Black.

Designed to make a statement, the stunning **Caddy Black Edition** includes a specification that's usually reserved for the most exceptional passenger cars. It offers value and premium quality without compromising on its virtues of being a reliable and economical workhorse. And with a 1.6 litre 102PS TDI engine that includes BlueMotion Technology and perfectly balances power, torque and economy, you can be sure the Caddy Black Edition will have a positive impact on both the environment and your clients.

Hill Hold Assist.
Regenerative braking.
Start/Stop.

Engine/transmission	Urban mpg (ltr/100km) ²	Extra-urban mpg (ltr/100km) ²	Combined mpg (ltr/100km) ²	Acceleration 0-62 mph seconds	Top speed (where law permits) mph	CO ₂ emissions g/km ²
1.6TDI 102PS BMT Manual	47.9 (5.9)	60.1 (4.7)	55.4 (5.1)	12.2	106	134

Gross vehicle weight kg	Engine/transmission	Axle load limit front/rear kg	Trailer weight braked 12%/unbraked kg	Gross train weight kg	Unladen weight ³ kg	Payload ⁴ kg
2,159	1.6TDI 102PS BMT Manual	1,075 / 1,230	1,500 / 700	3,650	1,528	631

¹ Please note: Vehicle drawings are not to scale. All dimensions in millimeters (mm), unless otherwise stated. The height measurements listed may vary by ± 50mm depending on model and equipment fitted.

² The fuel consumption and emission values listed here have been ascertained in accordance with the legally stipulated measuring method. These figures do not refer to a particular specific vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. In addition to the fuel efficiency of a vehicle, driving behaviour as well as other non-technical factors (such as environmental conditions) play a role in determining a vehicle's fuel consumption and CO₂ emissions. In addition to weather and traffic conditions, extra equipment and accessories (attachment parts, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption and driving performance values.

³ Unladen weight includes approximately 90% fuel load and 75kg for driver.

⁴ Payload = gross vehicle weight – unladen weight. Weights are for vehicles with standard specification. Roof load limit: 100kg. Trailer nose weight: 80kg. The addition of factory options or Volkswagen Van Centre fitted accessories may affect unladen weight and payload.

Add Ons

Accessories to help keep your vehicle 100% Volkswagen.

Add more to your Caddy Black Edition.

Add extra style, protection and practicality to your Caddy Black Edition, while still keeping it 100% Volkswagen. Our accessories not only allow you to customise your van, but they're rugged, reliable and a perfect fit. And with most accessories including a two-year warranty, you'll have the peace-of-mind that they'll be as long-lasting as your van.

Take a look at an Accessories brochure for the full range of Caddy products available.

Reverse parking camera.

This sophisticated rear-mounted parking camera provides a visual warning of obstacles directly behind your vehicle. It compliments the audible rear parking sensors and is activated by selecting reverse gear. For maximum convenience, the image from the camera is displayed on the interior rear-view mirror and features guidance lines to reflect vehicle positioning when reversing.

Fitted price exc. VAT £362.50
Fitted price inc. VAT £435.00

Polished stainless steel side rails.

These heavy-duty side rails are designed to stand-out and look great. They also offer added protection for your Caddy Black Edition's side sills.

Fitted price exc. VAT £386.67
Fitted price inc. VAT £464.00

Tinted rear lights.

Perfectly complementing the Caddy Black Edition's Deep Black pearlescent paint, these tinted rear lights really make a statement and are an eye-catching addition to the rear your vehicle.

RRP exc. VAT £53.84
RRP inc. VAT £64.61

Front carpet mats.

Designed to perfectly fit the floor of your Caddy Black Edition. Made from tightly woven velour with a practical non-slip backing, the mats are held firmly in place by making use of the attachment points provided on the floor of your vehicle.
