# BREATHTAKING STYLE, DYNAMIC DESIGN.

## EXTERIOR

01 STANDARD | GT

Model shown is Golf Cabriolet GT with optional metallic paint.

- 01 'Charleston'** 7½J x 18" alloy wheels with 225/40 R18 tyres give an individual and sporty look to the exterior of the Golf Cabriolet GT.
- 02 Optional Bi-xenon headlights**, for dipped and main beam, include daytime running lights, automatic range adjustment and dynamic curve lighting which compensates for any change in the incline of the body, due to loading, braking or accelerating, ensuring optimum illumination of the road ahead. Headlight washers keep them free from dirt and grime, while a low washer fluid warning light reminds you when you need to add washer fluid. Image shown is Golf Cabriolet GT.
- 03 Rear light clusters** incorporating LED technology, complement its striking rear design. LEDs not only provide a clear, bright light, but also give a more stylish look to the rear lights.
- 04 The twin exhaust tailpipe** add charisma and presence, hinting at the sporting prowess and power beneath the bonnet.

Images shown feature optional metallic paint.

## ENJOY THE MOST STUNNING PLACES IN THE WORLD...

In the **luxurious interior of the GT**, front sports seats with Alcantara seat centre sections and 'Microfibre' side bolsters with height and lumbar adjustment provide maximum support for the driver and front passenger, while aluminium-look pedals, 'Edge' decorative inserts in the dash and door panels, and chrome-plated detailing create a sumptuous interior. Easy entry sliding seats provide access to the rear, while climate control – 2Zone electronic air conditioning with automatic air recirculation ensures a pleasant interior temperature. Thoughtful details such as storage pockets on the rear of front seats, front and rear parking sensors, a rain sensor, automatic dimming interior rear-view mirror and a coat hook enhance comfort and convenience.

Interior shown is Golf Cabriolet GT DSG with optional leather upholstery and metallic paint.

...IN TOTAL LUXURY AND STYLE.

01 STANDARD | S | SE | GT | GTI

## INTERIOR

**01** The **50:50 split folding rear seat backrest** adds flexibility, creating space if you need to transport bulky items.

**02** The **front centre armrest** has an integrated storage compartment ensuring important items are easily to hand and also features a useful 12V socket.

**03** Practical **drawers under the front seats** offer additional useful storage space.

**04** Heated front sports seats upholstered in **'Vienna' leather\***, with heated side bolsters and height and lumbar adjustment, create a luxurious interior, with improved sun reflective qualities preventing the seats from heating up in high temperatures.

Images shown feature optional 'Vienna' leather upholstery and metallic paint.  
\* Some parts of leather interior will contain artificial leather.

THE SKY AT YOUR FINGERTIPS.

# FROM BEAUTIFUL TO BREATHTAKING IN JUST 9.5 SECONDS.

STANDARD | S | SE | GT | GTI

Model shown is Golf Cabriolet GT with optional leather upholstery and metallic paint.

The **fully automatic electric power hood** with integrated heated glass rear windscreen is easily operated using a button conveniently positioned on the centre console. The roof can be completely opened in just 9.5 seconds when stationary, or even at speeds of up to 18mph whilst moving for added convenience. Closing the roof takes only 11.8 seconds and it automatically locks via an electromechanical locking system.

The hood itself is made from three separate layers that combine to produce outstanding visual and acoustic properties: the outer skin, an acoustic insulation layer and the headlining. Constructed in three sections, the two side sections connect to the centre section with longitudinal seams that also assume additional functions as rain gutters, with the roof retracting to an open position using a Z-fold action. The omission of a hood compartment lid results in faster opening and closing of the roof, as well as a larger luggage compartment as the roof does not have to intrude so far into the vehicle.

Images shown feature optional 'Vienna' leather upholstery and metallic paint.

The **wind deflector** allows you to enjoy the convertible driving experience, when the electric power hood is down, by reducing wind noise and protecting you against air turbulence. This smart stylish wind deflector is stored in the boot in its own protective case and can be unfolded and fitted easily in seconds adding a little sophistication and calm to open top driving.

STANDARD | SE | GT | GTI | OPTIONAL | S

## ICONIC GTI, WITH AIR TO BREATHE.

Model shown is Golf Cabriolet GTI.

Interior shown is Golf Cabriolet GTI DSG.

The **Golf Cabriolet GTI** features the iconic black honeycomb grille with red louvres and gleaming chrome-look 'GTI' badge. Uniquely shaped front and rear bumpers with integrated front fog lights and honeycomb front air intake complete the 'GTI' styling pack. This sporting pedigree continues with **18 inch 'Monza Shadow' alloy wheels** with a distinctive five spoke design revealing red brake calipers beneath, sports suspension lowered by approximately 22mm front and 15mm at the rear and chrome exhaust tailpipes either side of the black rear diffuser. Safe open-air motoring is paramount in the Golf Cabriolet GTI with the inclusion of XDS electronic differential lock for improved traction and handling. Classic design in combination with dynamic performance are here in the Golf Cabriolet GTI.

Inside, the Golf Cabriolet GTI builds over the well equipped GT, but with the styling that marks it out as an iconic GTI. Beneath the fully automatic electric power hood are sport seats upholstered in classic tartan 'Jacara' cloth, contrast red stitching on the distinctive leather trimmed three-spoke multifunction steering wheel with 'GTI' logo, handbrake and gear knob gaiter. Stylish chrome detailing, 'Edge' decorative inserts and carpet mats, front and rear confirms the GTI credentials.

## EQUIPMENT.

01 STANDARD | SE | GT | GTI

02 STANDARD | S | SE | GT | GTI

03 OPTIONAL | SE | GT | GTI

04 OPTIONAL | S | SE | GT | GTI

**01** The **climate control – 2Zone electronic air conditioning system** with automatic air recirculation features separate temperature controls for both the driver and front passenger, enabling both to adjust the temperature setting according to their individual preference.

**02** The **RCD 310 DAB radio/MP3 compatible CD player** features eight speakers with an output of 4 x 20 watt. It also features an AUX-in socket for connection to an external multimedia source (e.g. iPod or MP3 player).

**03** A **rear-view camera**, integrated behind the Volkswagen badge on the rear boot lid of the Golf Cabriolet, provides a clear view to the rear of your vehicle, transmitting an undistorted live image to your radio or navigation system's display, enabling you to manoeuvre quickly and easily into the most difficult parking space. Available in conjunction with the optional RNS 315 touch-screen navigation/DAB radio system or RNS 510 touch-screen DVD navigation/DAB radio system. Also available as a no cost option when ordered in conjunction with the optional RCD 510 touch-screen DAB radio system\*.

**04** **Park Assist with front and rear parking sensors** helps you with bay parking and also parallel parking, into spaces only 1.1m longer than the vehicle, using ultrasonic and audible sensors and an optical display via the vehicle's audio system. All the driver has to do is operate the clutch, accelerator and brake pedals and keep a lookout, while the Golf Cabriolet steers itself into its chosen space.

**05** The stylish **multifunction leather trimmed three-spoke steering wheel** is fitted with ergonomically designed buttons, making it easy to use your vehicle's audio system and your mobile phone. When paddle shift is specified in conjunction with the DSG gearbox, it allows quick and easy gear changes without taking your hands off the steering wheel. Paddle shift is optional on GT models and standard on GTI models. Interior shown is Golf Cabriolet GT.

**06** **Bluetooth telephone connection for HFP (Hands Free Profile)** enabled telephones†, allows you to make and receive phone calls via the audio system or multifunction steering wheel. The phone book and call information is displayed on the audio system's display and on the multifunction computer. Standard on all models.

\* Rear-view camera will be fitted in lieu of DAB digital radio receiver on RCD 510 touch-screen DAB radio system.

† Phones must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

05 – 06 STANDARD | SE | GT | GTI

## ALLOY WHEELS

01 STANDARD | S

02 STANDARD | SE

03 STANDARD | GT

04 STANDARD | GTI

- 01 'Atlanta'** 6½" x 16" alloy wheels with 205/55 R16 tyres add a contemporary look to the exterior of the Golf Cabriolet S. Please note, S BlueMotion Technology models feature 205/55 R16 low rolling resistance tyres as standard.
- 02 'Porto'** 7" x 17" alloy wheels with 225/45 R17 tyres emphasise the already stylish Golf Cabriolet SE models even further.
- 03 'Charleston'** 7½" x 18" alloy wheels with 225/40 R18 tyres give an individual and sporty look to the exterior of Golf Cabriolet GT models.
- 04 'Monza Shadow'** 7½" x 18" alloy wheels with 225/40 R18 tyres enhances the appearance of the sure-footed Golf Cabriolet GTI.

## ENGINES AND GEARBOXES

01 STANDARD | S | SE | GT

02 STANDARD | S | SE | GT

- 01** A combination of direct fuel injection and intelligent turbocharging technology ensures **TSI petrol engines** offer high performance, high torque and reduced fuel consumption.
- 02 TDI diesel engines**, equipped with common rail technology, combine the advantages of high torque and pulling power with low consumption, minimal emissions and quiet performance, thanks to direct diesel injection.

03 STANDARD | GTI

- 03** A combination of direct fuel injection and intelligent turbocharging technology ensures the **2.0 litre TSI 210 PS petrol engine**, standard on GTI, delivers high performance and torque, alongside impressive fuel consumption.

04 STANDARD | S | SE | GT | GTI

05 STANDARD | S | SE | GT | GTI

- 04** The five or six speed **manual gearbox** transmits engine power smoothly, with short shift distances enabling you to change gear easily and remain comfortably within the correct rev range.
- 05** The six or seven speed **dual-clutch direct shift gearbox (DSG)** shifts smoothly and imperceptibly into the next pre-selected gear within a few hundredths of a second, without disrupting traction. This enables you to change gear faster than a manual and more smoothly than a conventional automatic – making dynamic acceleration twice as much fun.

SOAKING UP THE SUN IS EASY.

# Think Blue.

## Sustainability + Ingenuity.

'Think Blue' is Volkswagen's promise to create progressive, environmentally friendly products and processes. So, from our concepts to our designs, from our fabrics to our machines, from our buildings to our water supply and from our engines to the open road, we can help shape a more sustainable future. We have already started by creating electric vehicles, BlueMotion models and efficient BlueMotion Technologies that save you money and reduce emissions.

**Think Blue.**  
Smart ideas for sustainable driving.

**Start/Stop technology** saves fuel and therefore cuts emissions by automatically switching off the engine when the car isn't in motion.

**Brake energy recuperation system** saves fuel by making the most of energy that's usually lost when you brake.

**Turbocharged engines** deliver more power when you need it and use less fuel when you don't.

**Low rolling resistance tyres** save you fuel by reducing the friction between the tyre and the road, meaning it takes less energy – and less fuel – to go further.

**Purpose-built BlueMotion cars** include the full range of BlueMotion Technologies as well as an aerodynamically optimised design to reduce wind resistance and increase efficiency.

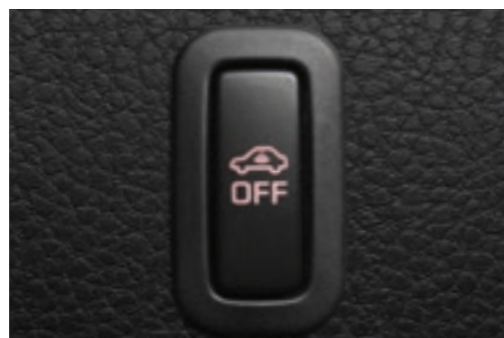

**Electric vehicles** comprise both hybrid and fully electric vehicles, offering all the features of their regular counterparts combined with the ultimate in driving efficiency and low operating costs. The ultimate way to Think Blue.

\*BlueMotion Technologies are available on all Volkswagens, excluding Phaeton, and vary between models.

## SAFETY

02 STANDARD | S | SE | GT | GTI

03 STANDARD | S | SE | GT | GTI

04 STANDARD | SE | GT | GTI

05 STANDARD | S | SE | GT | GTI

06 STANDARD | S | SE | GT | GTI

**01 Front and rear parking sensors** help you park with the greatest of ease. For added convenience the process is aided by an audible warning, visual display via the radio system's screen and reverse activated kerb-view adjustment on the passenger's door mirror.

**02 An alarm with interior protection** uses sensors to respond to tampering on the bonnet, doors and boot lid whether the soft top is open or closed.

**03 The ESC (Electronic Stability Control)** recognises critical driving situations and reacts in milliseconds by targeting brake and management systems, controlling the speed of individual wheels and helping to bring the vehicle under control.

**04 High Beam Assist** ingeniously senses the lights from oncoming vehicles and switches between main and dipped beam accordingly. It also senses vehicles you are approaching from the rear and ensures dipped beam is selected in order not to dazzle vehicles in front.

**05 The fully integrated rollover protection system** is active whether the soft top roof is open or closed and operates at the slightest hint of a roll or impact. The supporting profiles extend automatically within 0.25 seconds, giving additional protection to occupants.

**06 The tyre pressure loss indicator** will alert you to any change in tyre pressure via a warning in the multifunction display, advising you to rectify the situation.

**07 A comprehensive airbag system** comprising driver's and front passenger's airbags, with a front passenger's airbag deactivation switch, front seat side impact airbags and also a driver's knee airbag for added protection particularly in the event of a head-on collision.

# There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the up! and fuel-efficient BlueMotion Golf, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, take a look at the selection below to see what else we have. There are 21 models in our range, so there's bound to be at least one that catches your eye.

To see these models and configure your ideal Volkswagen, visit: [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

## Efficient

Our BlueMotion models benefit from innovative energy-saving technology that helps you optimise fuel consumption and reduce harmful emissions. This includes low rolling resistance tyres and improved aerodynamics, accompanied with advanced engines and gearboxes. Choose from the BlueMotion Polo, Golf, Golf Estate and Golf SV.

However, BlueMotion Technology can be found across our range where automatic Start/Stop technology and brake energy recuperation is standard on the majority of our engines, helping you to save more money by being more efficient.

## Spacious family cars

**Sharan:** The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Golf SV, Golf Estate, Touran and new Passat Estate.

## Style

**Beetle:** The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet, Golf Cabriolet or Eos.

## Executive

**Volkswagen CC:** Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the top of the range Phaeton, and executive comfort in the new Passat, new Passat Estate and Jetta.

## 4x4

**New Touareg:** The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it. Features four wheel drive technology, '4MOTION', as standard for optimum road grip, stability and control.

Go anywhere, do anything in our four wheel drive alternatives: Tiguan and new Passat and Estate 4MOTION models.

## Sporty

**Golf:** As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD and R. Or for something more refined and elegant, there's the Eos too.

## City run around

**up!:** The ideal city car. Efficient, fun and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around efficiency with more versatility and even more space can be found on the iconic Golf – winner of 'World Car of the Year 2013'.

# TECHNOLOGY

## Technical specification notes

- 01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 02) Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48.
- 03) With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 04) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- 05) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 06) Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) and at [www.vca.gov.org](http://www.vca.gov.org).
- 07) The weight of a vehicle will influence the level of CO<sub>2</sub> emission it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO<sub>2</sub>.

On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

## Engines

Front transverse-installed engine

1.2 litre/105 PS <sup>(01)</sup> (77 kW) petrol engine: EU5 emissions standard, four cylinder in-line direct injection engine, two valves per cylinder and turbocharger module with electric boost pressure regulation. Available with a six speed manual transmission

1.4 litre/122 PS <sup>(01)</sup> (90 kW) petrol engine: EU5 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission

1.4 litre/160 PS <sup>(01)</sup> (118 kW) petrol engine: EU5 emissions standard, four cylinder in-line direct injection twin-charged engine with four valves per cylinder, a supercharger and a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission

2.0 litre/210 PS <sup>(01)</sup> (155 kW) petrol engine: EU5 emissions standard, four cylinder in-line direct injection turbocharged engine. Fitted with four valves per cylinder and a turbocharger. Available with a six speed manual or a six speed automatic DSG transmission

1.6 litre/105 PS <sup>(01)</sup> (77 kW) common rail diesel engine: EU5 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a five speed manual transmission

2.0 litre/140 PS <sup>(01)</sup> (103 kW) common rail diesel engine: EU5 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a six speed manual or a six speed automatic DSG transmission

## Transmission

- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Five or six speed manual, six or seven speed automatic DSG gearbox with double joint half axles
- Five speed manual: 1.6 litre TDI 105 PS
- Six speed manual: 1.2 litre TSI 105 PS, 1.4 litre TSI 122 PS, 1.4 litre TSI 160 PS, 2.0 litre TSI 210 PS, 2.0 litre TDI 140 PS
- Six speed automatic DSG: 2.0 litre TSI 210 PS, 2.0 litre TDI 140 PS
- Seven speed automatic DSG: 1.4 litre TSI 122 PS, 1.4 litre TSI 160 PS

## Running gear

- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock), ASR (Traction Control) and Countersteer Support
- Front and rear anti-roll bar
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- XDS electronic differential lock (GTI models)

## Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

## Brakes

- ABS (Electronically controlled Anti-lock Braking System) with EBD (Electronic Brake-pressure Distribution)
- Diagonal twin-circuit brake system with front disc brakes (ventilated) and rear disc brakes
- Asbestos-free brake pads
- HBA (Hydraulic Brake Assist)

# VOLKSWAGEN SERVICE

## The Volkswagen Warranty.

### Three-year Warranty.

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty<sup>1</sup>. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

### Body Protection Warranty.

The internal body sections and panels of the Golf Cabriolet are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

### Three-year Paintwork Warranty.

This latest warranty, pioneered by Volkswagen, really provides you with the widest possible cover on a new car. There are no special conditions attached and paintwork manufacturing defects will be rectified without charge. Naturally, during the warranty period the car must be cared for in compliance with the operating instructions.

### Approved Accessories.

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

### Extended warranty.

If you order the Volkswagen Extended Warranty as an option when buying your new Golf Cabriolet then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

## Service Intervals.

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service<sup>2</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000<sup>3</sup> and a maximum of 20,000<sup>3</sup> miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service<sup>2</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

## Volkswagen Insurance<sup>4</sup>.

We want you to start enjoying your new car from day one and thanks to Volkswagen Insurance complimentary seven day cover, you can. Call free on 0800 316 7892 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

## Volkswagen Ensurance<sup>5</sup>.

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired in a Volkswagen Insurance approved repairer, by Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit [volkswagen-ensurance.co.uk](http://volkswagen-ensurance.co.uk)

## Volkswagen Finance<sup>6</sup>.

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a personal contract plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

## CO<sub>2</sub> Emissions.

Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO<sub>2</sub> emissions produced.

The CO<sub>2</sub> and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

## Volkswagen Roadside Assistance.

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg and Phaeton which are registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

## Tax Free Sales.

For full details, please contact your authorised Volkswagen retailer.

## Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available.

In particular, controls and some items of equipment are positioned differently for the UK.

The specifications contained in this brochure are for information purposes only and are subject to change.

If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering.

Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTel regulations.

<sup>1</sup> All warranty work must be completed by an authorised Volkswagen retailer or repairer.

<sup>2</sup> The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

<sup>3</sup> The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

<sup>4</sup> Volkswagen Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Volkswagen Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638.
