## Ready for life's everyday challenges.

Effortlessly adaptable, the new Golf SV takes life in its stride, whatever you throw at it. Versatile, ergonomic and refined, it has the flexibility and spaciousness to provide simple, practical solutions to literally any everyday challenge.

Model shown is new Golf SV GT with optional Bi-xenon headlights, 18" 'Serron' alloy wheels and metallic paint.

## The full package. Good looking, smart and refined.

You don't get a second chance to make a good first impression, which is why those initial few seconds are so important. But that's all you need with the new Golf SV. Once you've seen its all-new design you'll be smitten. And if you think the exterior is sporty and refined, wait until you see the interior.

## The Exterior.

**01 Electrically adjustable door mirrors**, concave on the driver's side, give you the best possible view and are also heated, ensuring perfect visibility even in winter. Standard on all models.

**02 Front fog lights** give better visibility and ensure you can be seen, whether you're driving through fog, heavy rain or snow, while the static cornering function gives greater illumination on bends, helping to keep you safe especially in adverse conditions. Standard on GT and optional on other models.

**03 Two-piece rear lights** form an aerodynamic trailing edge and take up the contour of the character line, flowing into the sporty rear shoulder and ensuring you are clearly visible to those behind.

**04 Bi-xenon headlights with static cornering function** provide excellent illumination of the road ahead ensuring greater visibility when driving at night. Automatic range adjustment alters the light field according to the course of the road, vehicle tilt and speed, while headlight washers help keep your headlights free from dirt. Optional on SE and GT models. You can also specify this option with additional dynamic curve lighting and LED daytime running lights on GT models.

Image shown features optional Bi-Xenon headlights including dynamic curve lighting and LED daytime running lights.

Model shown is new Golf SV GT with optional Bi-xenon headlights, 18" 'Serron' alloy wheels and metallic paint.

## Why worry about taking too much luggage? There's room for everything in the new Golf SV.

Thankfully, the question of where to put all your luggage will never occur in the new Golf SV. With a maximum boot volume in excess of 1,500 litres, there's plenty of room for everything, and with various different interior layout options, you can easily transport extra or bulky items safely and securely. All of which means one thing: there's no need to leave anything behind. In fact, you can take even more with you.

Model shown is new Golf SV GT with optional 'Vienna' leather upholstery, panoramic sunroof and metallic paint.

The generous boot space in the new Golf SV provides you with total flexibility. The boot floor is height adjustable and can be removed if you need extra space. Likewise, by folding down the rear seats, you can increase the volume of the boot space from 500 litres (590 litres with the rear seats moved forward), to a massive 1,520 litres. Or by folding down the optional folding front seat backrest, even more space is created, allowing you to transport objects as long as 2.48 metres. And if you want to remove the luggage cover (not shown), you can easily store it beneath the double boot floor.

Images shown feature optional 'Vienna' leather upholstery, Discover Navigation Pro touch-screen navigation/DVD radio system and folding front seat backrest.

## The Interior.

**01** The new Golf SV provides all the space you could need. The split folding 40:20:40 rear seat backrest can be moved forwards and backwards by 18cm, providing plenty of space for the longest legs or allowing you to store bulky objects in the boot. Image shown features optional 'Vienna' leather\* upholstery.

**02** No more objects flying about in the front. Thanks to a useful **storage compartment in the centre console**, items such as sunglasses and wallets can be quickly and easily stowed away.

Please note, when the optional 'Dynaudio' soundpack is specified, a speaker is fitted in lieu of the storage compartment in the centre console.

**03** Robust and easily accessible **storage compartments in the front and rear doors** provide a home for drinks, sweets, street maps and other items, ensuring you keep the interior clean and tidy. Image shown features optional 'Vienna' leather\* upholstery.

**04** **Folding tables on the rear of the front seats** are a handy addition, helping to make the journey even more comfortable for rear seat passengers with their practicality. Standard on SE and GT models. Image shown features optional 'Vienna' leather\* upholstery.

\* Some parts of leather interior will contain artificial leather

## Room for the tallest person.

It's a fact that people are getting taller. But thanks to the new Golf SV's exceptionally spacious passenger compartment, there's room for the longest legs. And not only does the extra space provide greater mobility, enabling you to sit comfortably, the increased seat height means it's easy to get in and out, and you have an elevated view of the road. With so much space, no one need ever feel restricted in the new Golf SV.

Interior shown is new Golf SV GT with optional Discover Navigation Pro touch-screen navigation/DVD radio system, climate control – 2Zone electronic air conditioning and metallic paint.

Interior shown is new Golf SV GT with optional Discover Navigation Pro touch-screen navigation/DVD radio system, climate control – 2Zone electronic air conditioning and metallic paint.

02

03

## The Comfort.

01

**Ambient lighting** in the front door armrests and below the trim provides pleasant, low-level light in the front passenger compartment, creating a cosy atmosphere. Standard on GT models.

02

**Storage compartments** can be found in the centre console and also integrated within the front centre armrest, with a further useful storage space located between the armrest and gear knob for small items such as coins.

03

The **'Dynaudio' soundpack** ensures exceptional acoustics, with a total output of 400 watts delivered through a 10 channel digital amplifier and nine speakers. Optional on SE and GT models.

04

The **Discover Navigation touch-screen navigation/radio system** includes a 5.8 inch colour touch-screen for navigation, CD and radio functions, and has preloaded European navigation data, 2D/3D map view, three calculated routes (Fast, Short, Eco), dynamic navigation based on TMC+, branded points of interest and Traffic Sign Display. It also includes online navigation software updates, enabling you to download the latest map data for a period of three years. Standard on GT and optional on all other models.

05

The **Discover Navigation Pro touch-screen navigation/DVD radio system with integrated voice activation** responds to spoken voice commands for navigation functions, and has an 8.0 inch colour touch-screen control system for navigation, DVD, CD and radio functions. Features include a 64 GB SSD hard drive, preloaded European navigation data, 3D map view, three calculated routes (Fast, Short, Eco), dynamic navigation based on TMC+, branded points of interest, Traffic Sign Display, photo display from JPEG and PNG files and two SD card readers. Also includes online navigation software updates, enabling you to download the latest map data for a period of three years. Optional on SE and GT models.

06

**Dynamic Chassis Control (DCC)** offers you a choice of suspension settings: Sport, Comfort and Normal, depending on the type of ride you prefer. Optional on SE (not with 110 PS and 125 PS engines) and GT models. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD radio system.

06

## Blue sky thinking.

Calm and relaxing, it's no wonder so many people like the colour blue. And there's no better way to enjoy a brilliant blue sky when you're driving than with a panoramic sunroof. Not only does it give you an uninterrupted view of the sky above, but also adds an extra dimension of light and space, creating a wonderfully relaxing interior ambience. Optional on SE and GT models.

Interior shown is new Golf SV GT with optional panoramic sunroof and metallic paint.

## The new Golf SV S and BlueMotion.

The entry level S model offers an exceptional level of standard equipment, including Bluetooth telephone connectivity\*, a multifunction computer and the Composition Media system with 5.8 inch colour touch-screen, DAB digital radio receiver, SD card reader, CD player and MDI (Multi Device Interface) with iPod cable. Other features include electric windows front and rear, electrically heated and adjustable door mirrors, and a useful front centre armrest with storage compartment, while externally the body-coloured bumpers, door handles and door mirrors provide the characteristic look, feel and sportiness of a Golf. Specify the BlueMotion and you get even greater fuel efficiency and enhanced exterior aesthetics, thanks to the addition of 15 inch 'Lyon' alloy wheels with low rolling resistance tyres, aerodynamic black front air intake and lowered sports suspension.

\* Phones must be Bluetooth compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

Interior shown is new Golf SV S with optional metallic paint.

Interior shown is new Golf SV SE with optional climate control – 2Zone electronic air conditioning and metallic paint.

## The new Golf SV SE.

The SE adds a host of additional features to the already impressive S specification, including Adaptive Cruise Control (ACC) with Front Assist, City emergency braking system, Driver Alert system, driver profile selection and the PreCrash preventative occupant protection. The interior trim includes front comfort seats with lumbar adjustment, a leather trimmed three-spoke multifunction steering wheel and gear knob, and reading lights front and rear, along with drawers under the front seats, folding tables on the rear of the front seats and a 12V socket in the front centre armrest, while the exterior adds 16 inch 'Toronto' alloy wheels and a black radiator grille with chrome trimmed inserts.

Interior shown is new Golf SV GT with optional Discover Navigation Pro touch-screen navigation/DVD radio system, climate control – 2Zone electronic air conditioning, multifunction colour display, Dynamic Chassis Control (DCC) and metallic paint.

## The new Golf SV GT.

The average person sits for 5 hours every day, there's nothing more important than sitting comfortably, especially when you're driving. Which is why the top-of-the-range new Golf SV GT is equipped with front sports seats upholstered in Alcantara upholstery with 'Global' cloth side bolsters, featuring height and lumbar adjustment enabling you to select the optimum driving position for your spine while you drive. And not only will your back be comfortable, the leather trimmed three-spoke multifunction steering wheel means you can carry out several functions without taking your hands off the wheel. Other excellent features to help with your journey, and make it stress free as possible include the Discover Navigation system with 2D/3D map view, ambient lighting with front footwell illumination, remote electrically foldable door mirrors, front and rear parking sensors, and carpet mats front and rear. Externally, the GT is equipped with eye-catching 17 inch 'Dijon' alloy wheels, black radiator grille with chrome trimmed inserts and roundel surround, and chrome-plated side window surrounds, along with front fog lights, lowered sports suspension, 65% tinted rear windows and 'cherry red' rear light clusters complete the sports styling.

Model shown is new Golf SV GT with optional Bi-xenon headlights, 18" 'Serron' alloy wheels and metallic paint.

## The average person observes no more than 5 objects per second.

With today's roads so busy, you need to keep your full concentration at all times. Which is why the new Golf SV is available with a whole raft of driver assistance systems to give you a helping hand and help keep you safe. Such as Front Assist, a radar sensor controlled distance monitoring system, City emergency braking and cruise control with speed limiter, which gives you intelligent control of your driving speed by automatically adjusting acceleration and braking, allowing you to concentrate on the road ahead and enjoy the drive, knowing you're in the safest possible hands.

## The Driver's assistance.

01

**Lane Assist with Side scan** is a camera controlled system that warns you if your vehicle drifts out of its lane. The Side scan radar sensor controlled warning system monitors your blind spot when you change lanes. This system also features a rear traffic alert which detects oncoming vehicles when reversing out of parking spaces, and brakes automatically if the driver does not apply the brakes. Also included in this option is **High Beam Assist** which ingeniously senses the lights from oncoming vehicles and automatically switches between dipped and main beam accordingly. It also senses vehicles you are approaching from the rear and ensures your main beam is dipped in order to avoid dazzling the vehicle in front. Optional on SE and GT models. High Beam Assist is also available as a stand alone option on SE and GT models.

02

Also available with the Lane Assist with Side scan option is **Dynamic Light Assist**. Automatic sensors detect other road users and cover part of the headlights appropriately. If dazzling other road users cannot be prevented, the light distribution is automatically set to dipped beam headlights. Optional on SE and GT models in conjunction with optional Bi-xenon headlights.

03

The **Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic parking sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Golf SV steers itself into its chosen space. Optional on GT models. Park Assist including parking sensors is optional on S, BlueMotion and SE models.

04

**Adaptive Cruise Control (ACC)** including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter automatically adjusts your vehicle to the speed of the vehicle in front, preventing you from getting too close, and braking to a stop if necessary. When approaching another vehicle at excessive speed, it can generate enough braking force to reduce the severity of a collision or even prevent the collision entirely. Standard on SE and GT models.

05

**Dynamic Chassis Control (DCC)** offers you a choice of three suspension settings: Sport, Comfort or Normal. At the touch of a button, depending on your choice, the system adjusts the damping, enabling you to adapt your Golf SV to suit the road and your driving style. Optional on SE (not with 110 PS and 125 PS engines) and GT models. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD radio system.

## The Wheels.

01

6J x 15" **steel wheels** with 195/65 R15 tyres and wheel trims. Standard on S models.

02

'**Lyon**' 6J x 15" alloy wheels with 195/65 R15 tyres and anti-theft wheel bolts. Standard on BlueMotion and optional on S models. Please note, BlueMotion models feature low rolling resistance tyres as standard.

03

'**Toronto**' 6½J x 16" alloy wheels with 205/55 R16 tyres and anti-theft wheel bolts. Standard on SE models.

04

'**Dijon**' 7J x 17" alloy wheels with 225/45 R17 tyres and anti-theft wheel bolts. Standard on GT models.

05

'**Perth**' 6½J x 16" alloy wheels with 205/55 R16 tyres and anti-theft wheel bolts. Optional on S and BlueMotion models and also available on SE models as a no cost option.

06

'**Madrid**' 7J x 17" alloy wheels with 225/45 R17 tyres, anti-theft wheel bolts and lowered sports suspension. Optional on SE models.

07

'**Geneva**' 7J x 17" alloy wheels with 225/45 R17 tyres and anti-theft wheel bolts. Optional on GT models.

08

'**Singapore**' 7J x 17" alloy wheels with 225/45 R17 tyres and anti-theft wheel bolts. Optional on SE and GT models. SE models also include lowered sports suspension.

09

'**Serron**' 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Optional on GT models.

10

'**Durban**' 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Optional on GT models.

# Think Blue.

## Sustainability + Ingenuity.

'Think Blue' is Volkswagen's promise to create progressive, environmentally friendly products and processes. So, from our concepts to our designs, from our fabrics to our machines, from our buildings to our water supply and from our engines to the open road, we can help shape a more sustainable future. We have already started by creating electric vehicles, BlueMotion models and efficient BlueMotion Technologies that save you money and reduce emissions.

**Think Blue.**  
Smart ideas for sustainable driving.

**Start/Stop technology** saves fuel and therefore cuts emissions by automatically switching off the engine when the car isn't in motion.

**Brake energy recuperation system** saves fuel by making the most of energy that's usually lost when you brake.

**Turbocharged engines** deliver more power when you need it and use less fuel when you don't.

**Low rolling resistance tyres** save you fuel by reducing the friction between the tyre and the road, meaning it takes less energy – and less fuel – to go further.

**Purpose-built BlueMotion cars** include the full range of BlueMotion Technologies as well as an aerodynamically optimised design to reduce wind resistance and increase efficiency.

**Electric vehicles** comprise both hybrid and fully electric vehicles, offering all the features of their regular counterparts combined with the ultimate in driving efficiency and low operating costs. The ultimate way to Think Blue.

\*BlueMotion Technologies are available on all Volkswagens, excluding Phaeton, and vary between models.

# There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the up! and fuel-efficient BlueMotion Golf, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, take a look at the selection below to see what else we have. There are 21 models in our range, so there's bound to be at least one that catches your eye.

## Efficient

Our BlueMotion models benefit from innovative energy-saving technology that helps you optimise fuel consumption and reduce harmful emissions. This includes low rolling resistance tyres and improved aerodynamics, accompanied with advanced engines and gearboxes. Choose from the BlueMotion Polo, Golf, Golf Estate and Golf SV.

However, BlueMotion Technology can be found across our range where automatic Start/Stop technology and brake energy recuperation is standard on the majority of our engines, helping you to save more money by being more efficient.

## Spacious family cars

**Sharan:** The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Golf SV, Golf Estate, Touran and new Passat Estate.

## Style

**Beetle:** The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet, Golf Cabriolet or Eos.

## City run around

**up!:** The ideal city car. Efficient, fun and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around efficiency with more versatility and even more space can be found on the iconic Golf – winner of 'World Car of the Year 2013'.

## Executive

**Volkswagen CC:** Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the top of the range Phaeton, and executive comfort in the new Passat, new Passat Estate and Jetta.

## 4x4

**New Touareg:** The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it. Features four wheel drive technology, '4MOTION', as standard for optimum road grip, stability and control.

Go anywhere, do anything in our four wheel drive alternatives: Tiguan and new Passat and Estate 4MOTION models.

## Sporty

**Golf:** As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD and R. Or for something more refined and elegant, there's the Eos too.

# Technology and dimensions.

## Technical specification notes

- 01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 02) Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48. Unladen weight shown refers to 3-door models. The unladen weight of 5-door models will increase by 30kg.
- 03) With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 04) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- 05) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 06) Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen web site at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) and at [www.vca.gov.org](http://www.vca.gov.org).
- 07) The weight of a vehicle will influence the level of CO<sub>2</sub> emission it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO<sub>2</sub>.

## Transmission

- Electronic differential lock, combined with a hydraulically operated single-plate dry clutch with asbestos-free lining via a six or seven speed automatic DSG gearbox
- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Five or six speed manual, six or seven speed automatic DSG gearbox with double joint half axles (wet clutch on six speed DSG models)

## Running gear

- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock) and ASR (Traction Control)
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Twist beam rear axle (1.2 litre TSI 85 PS, 1.2 litre TSI 110 PS, 1.6 litre TDI 90 PS, 1.6 litre TDI 110 PS)
- Multilink rear axle (1.4 litre TSI 125 PS, 1.4 litre TSI 150 PS, 2.0 litre TDI 150 PS)
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- Front and rear anti-roll bar
- XDS electronic differential lock

## Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

## Brakes

- Electronically controlled Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD)
- Diagonal twin-circuit brake system with ventilated front disc brakes and rear disc brakes
- Asbestos-free brake pad
- HBA (Hydraulic Brake Assist)
- Automatic Post-Collision Braking System

## Engines

- Front transverse-installed engine
- 1.2 litre/85 PS <sup>(01)</sup> (63 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection engine, with two valves per cylinder. Fitted with a turbocharger module with electric boost pressure regulation. Available with a five speed manual transmission
- 1.2 litre/110 PS <sup>(01)</sup> (81 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection engine, two valves per cylinder and turbocharger module with electric boost pressure regulation. Available with a six speed manual or a seven speed automatic DSG transmission
- 1.4 litre/125 PS <sup>(01)</sup> (92 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission
- 1.4 litre/150 PS <sup>(01)</sup> (110 kW) petrol engine: Available with a six speed manual or a seven speed automatic DSG transmission
- 1.6 litre/90 PS <sup>(01)</sup> (66 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line turbocharged engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a five speed manual transmission
- 1.6 litre/110 PS <sup>(01)</sup> (81 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a five speed manual or a seven speed automatic DSG transmission
- 1.6 litre/110 PS <sup>(01)</sup> (81 kW) common rail diesel engine: EU5 Plus emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a six speed manual
- 2.0 litre/150 PS <sup>(01)</sup> (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a six speed manual or a six speed automatic DSG transmission

Legroom rear, mm	928

## Maximum luggage capacity, litres VDA measuring method using

### 200 x 100 x 50mm blocks

With rear seats upright	500-590
With rear seats folded	1520

On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

Model shown is new Golf SV GT with optional metallic paint.

# Volkswagen service.

## Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty<sup>1</sup>. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

## Body Protection Warranty

The internal body sections and panels of the Golf SV are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

## Three-year Paintwork Warranty

This latest warranty, pioneered by Volkswagen, really provides you with the widest possible cover on a new car. There are no special conditions attached and paintwork manufacturing defects will be rectified without charge. Naturally, during the warranty period the car must be cared for in compliance with the operating instructions.

## Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

## Extended warranty

If you order the Volkswagen Extended Warranty as an option when buying your new Golf SV then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

## Service Intervals

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service<sup>2</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000<sup>3</sup> and a maximum of 20,000<sup>3</sup> miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service<sup>2</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

## Volkswagen Insurance<sup>4</sup>

We want you to start enjoying your new car from day one and thanks to Volkswagen Insurance complimentary seven day cover, you can. Call free on 0800 316 7892 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

## Volkswagen Ensurance<sup>5</sup>

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired in a Volkswagen Insurance approved repairer, by Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit [volkswagen-ensurance.co.uk](http://volkswagen-ensurance.co.uk)

## Volkswagen Finance<sup>6</sup>

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a personal contract plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

## CO<sub>2</sub> Emissions

Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO<sub>2</sub> emissions produced.

The CO<sub>2</sub> and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

## Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg and Phaeton which are registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

## Tax Free Sales

For full details, please contact your authorised Volkswagen retailer.

## Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available.

In particular, controls and some items of equipment are positioned differently for the UK.

The specifications contained in this brochure are for information purposes only and are subject to change.

If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering.

Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofel regulations.

<sup>1</sup> All warranty work must be completed by an authorised Volkswagen retailer or repairer.

<sup>2</sup> The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

<sup>3</sup> The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

<sup>4</sup> Volkswagen Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Volkswagen Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Services Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.

<sup>5</sup> Ensurance from Volkswagen Insurance is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire SO53 3YA).

<sup>6</sup> Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
