A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.vca.gov.org. CO₂ is the main greenhouse gas responsible for global warming. * Fuel consumption figures shown are mpg/ltr per 100km for the Urban, Extra-urban and Combined fuel cycles in accordance with EU Directive 93/116/EEC. BMT refers to BlueMotion Technology.

VEHICLE EXCISE DUTY (VED)

On 1 May 2009, there was a change to the Vehicle Excise Duty (VED) tax bands. Cars are taxed according to their CO₂ emissions, in bands A to M.

All vehicles first registered on, or after, 1 March 2001 are subject to a new form of VED (Road Fund Licence). This new duty is based upon the type of fuel the vehicle uses and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). To help you identify the duty you will pay, the DVLA has created thirteen categories for petrol and diesel engines. Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO₂ emissions produced.

The CO₂ and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

VED band 'First year rate'

As of 1 April 2010, anyone buying a new car will pay a 'First year rate' of VED for the first Road Fund Licence. The chart below shows the VED bands and the charges which are levied:

VED band	CO ₂ emissions (g/km)	Petrol/Diesel VED £	Petrol/Diesel total 'On the road' costs £
A	Up to 100	0.00	625.00
B	101-110	0.00	625.00

K*	201-225	285.00
L	226-255	485.00
M	Over 255	500.00

* Band K includes cars that have a CO₂ figure over 225g/km, but were registered before 23 March 2006.

Six months' VED (Road Fund Licence)

As of 1 April 2010, six months' Road Fund Licence will not be available for some vehicles at first registration. VED rate for bands A-D is zero and will not be eligible for a six-month Road Fund Licence at first registration. VED rate for bands E-G will be eligible for a six-month Road Fund Licence at first registration. VED rate for bands H-M will not be eligible for a six-month Road Fund Licence at first registration.

Subsequent year's VED (Road Fund Licence)

Vehicles with a VED rate of £55 or above will be eligible for a six-month Road Fund Licence.

VED 'First year rate' refund

Refunds on a vehicle's Road Fund Licence in bands H-M will only be calculated on the basis of the 'First year rate' if the vehicle has been stolen, scrapped or moved into a tax class where no VED is payable (e.g. cars for the registered disabled).

If the refund is being applied for because the vehicle has been sold, exported or taken off the road, it will be calculated according to the 'Standard rate' of VED applicable to that vehicle.

THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

THE VOLKSWAGEN WARRANTY

THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels of the Jetta are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest warranty, pioneered by Volkswagen, really provides you with the widest possible cover on a new car.

There are no special conditions attached and paintwork manufacturing defects will be rectified without charge. Naturally, during the warranty period the car must be cared for in compliance with the operating instructions.

EXTENDED WARRANTY

If you order the Volkswagen Extended Warranty as an option when buying your new Jetta then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

SERVICE INTERVALS

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

SERVICE INTERVALS (CONTINUED)

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg and Phaeton which are registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTel regulations.

- 1 All warranty work must be completed by an authorised Volkswagen retailer or repairer.
- 2 The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 3 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 4 Volkswagen Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR.
