V40

V40

Volvo has always led the way in innovation, with products that continue to influence and shape the entire car industry. But that's never been our motivation. You are.

Every car, and every world first we introduce, is designed around you... to keep you safer on the road and more at ease behind the wheel. To bring extra excitement to every journey and improve your whole driving experience.

Your All-New V40 is in reach

The Volvo V40 is a premium hatchback packed with personality. Meaning no day, or drive, ever has to be ordinary. Showcasing the best of modern Swedish design – with a touch of extra flair borrowed from our iconic P1800 sports car – the V40 is a real driver's car that looks great and performs beautifully. Helped, of course, by dynamic steering and responsive engines that make sure it's always ready to go and have fun.

What follows in the next few pages is everything you'll need to make the All-New V40... your All-New V40. And to give yourself the completely connected and pleasurable driving experience you deserve.

The sheer drivability of this practical 5-door hatch comes as standard. So too does a level of luxury refinement many larger cars can only aspire to, including interior lighting you can change to match your mood. Finalising the detail though is up to you – selecting the sporty V40 R-DESIGN or the rugged V40 Cross Country variant for example, and choosing from the many unique features designed to make your life easier and happier, like a panoramic roof, an interactive digital instrument display and a flexible load floor you'll wonder how you've ever managed without.

So let's get started. The promise of a driving experience that's perfectly you is only a few pages away. **And with this guide, you're already in the driving seat...**

Your V40 Range at a glance

ES

The comprehensive standard specification includes City Safety, Pedestrian Airbag, Passenger Airbag Cut Off Switch, Bluetooth®, high performance audio with 5" colour display screen, DAB (Digital Audio Broadcasting) Radio, steering wheel remote controls, ECC (Electronic Climate Control), 16" Matres alloy wheels, DSTC (Dynamic Stability and Traction Control), power windows, a leather steering wheel and gear knob and textile floor mats.

SE

The SE model adds Textile/T-Tec upholstery, shimmer graphite inlays, cruise control and front door tread plates on the inside, and is complemented by the autofolding power door mirrors with ground lights and chrome exterior trim on the outside.

SE LUX

The most luxurious version of the Volvo V40 offers leather-faced upholstery, 17" Mannan alloy wheels and LED day running lights as well as active bending xenon headlights with a headlight cleaning system.

R-DESIGN

The striking exterior lines are enhanced with a unique soft nose and grille with R-DESIGN logo, 17" Ixion alloy wheels and silver matt door mirrors. The unique interior design is complemented with embossed Nubuck textile/leather upholstery, sports steering wheel and pedals, an 8" TFT crystal display and R-DESIGN aluminium inlay.

R-DESIGN LUX

The Lux variant includes active bending xenon headlights with headlight cleaning system and rain sensor. Added features on the inside include embossed leather-faced sports upholstery, cruise control and rear theatre lighting.

CROSS COUNTRY SE

The V40 Cross Country's rugged exterior design includes glossy black window trim and autofolding door mirrors with ground lights, 16" Geminus alloy wheels, rain sensor with automatic wiper function and silver roof rails. On the inside the SE comes with textile/T-Tec upholstery, Copper Dawn interior trim, front door tread plates, Bluetooth®, DAB and a high performance audio with 5" colour display screen.

CROSS COUNTRY LUX

Above and beyond the Cross Country SE specification, the Lux variant has leather-faced upholstery, active bending xenon headlights with headlight cleaning system, 17" Larenta alloy wheels, rear reading and theatre lights and vertical LED day running lights.

NAV

All Volvo V40 Nav models include a fully integrated satellite navigation system with voice activated control, a 7" colour display screen and DVD player. As well as full European mapping, two complimentary annual map updates are included (register online at navigation.com/volvomapcare).

In your V40 you'll be in safe hands. Because as well as being stunning to look at, your new car comes with the option to add an incredible array of advanced features to give both driver and passengers all the support and protection they need. Which is not surprising, because no other carmaker in history can match Volvo's record of industry-leading safety innovations.

Protecting the fun of driving. And you.

Included as standard on the All-New V40 is City Safety, which senses potential collisions (active from 2 to 31 mph) and can activate the brakes should you not react in time. Also fitted as standard is a world-first Pedestrian Airbag. If a pedestrian collision is detected, this amazing new technology releases the bonnet hinges and inflates an exterior airbag to help shield the pedestrian from the engine compartment, lower windscreen and A-pillars. That's why it's no surprise the Volvo V40 has received the highest ever Euro NCAP score of any collision test.

SOME OF THE INNOVATIVE NEW FEATURES AVAILABLE ON YOUR V40:

- **Park Assist Pilot**
With ultrasonic sensors placed on all sides of the car, your V40 can take the pain out of parallel parking, detecting suitable parking spaces and steering itself precisely into the available space.
- **Cross Traffic Alert**
Backing out onto a busy road can be stressful. So your V40 has been designed to help, letting you know when anything is coming from either side.
- **Lane-keeping Aid**
Forward-facing cameras on the V40 can help keep your car in the intended lane, gently steering the car back on course or alerting you through the steering wheel.
- **Adaptive Cruise Control with Full Auto Brake**
When engaged, adaptive cruise control makes driving the V40 even more relaxing, using radar to maintain a set distance to the car in front. As soon as a slower vehicle is detected, the car's speed will automatically adapt to match it, keeping you at a safe distance. The useful Queue Assist function (available on vehicles with automatic transmission) can keep the gap even in queues with repeated starting and stopping.
- **Road Sign Information**
Your V40 can also help you stay informed by displaying road sign information within your instrument display, including speed limit signs and 'no overtaking' warnings.
- **Active High Beam**
In addition to Active Bending Xenon Lights, which swivel the headlamps to follow the road, you can also specify Active High Beam – enabling the car itself to switch between high and low beam when on-coming traffic approaches.
- **Volvo On Call**
This groundbreaking GPS communication system helps you stay connected to your car, helping you locate your vehicle, lock and unlock it, and even see all your dashboard readings (fuel levels, trip meter etc) – all from your smartphone or mobile device. Plus, it means emergency assistance is available at the touch of a button.

The finer details of your V40 and V40 R-DESIGN

Here are the nuts and bolts. The facts and figures. The little details that are so important in choosing the car that's right for you. Whatever you want to know about the All-New V40 - whether that's performance figures, running costs, emission levels or the amount of bootspace you'll be able to fill - you'll find it here.

Vehicle Ground Clearance, mm	145
With 2 Persons, mm	134
Wading Depth, mm	300

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving
- (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car
- (iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg
- (v) All diesel models are fitted with a particulate filter

Notes: The weight of the vehicle will influence the level of CO₂ emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO₂. However, vehicle tax is paid according to the weight and CO₂ emissions of the standard vehicle, as published in this price list. A weighbridge must be used to determine specific weights.

Our range of finance, service and insurance options will allow you to budget for your new Volvo around one key factor – your lifestyle.

FLEXIBLE FINANCE

You might be surprised how easy and flexible financing the purchase of your new car can be. As part of Volvo, Volvo Car Financial Services has developed a series of funding plans that will provide you with maximum choice and flexibility when acquiring a Volvo.

SERVICE PROGRAMME

When you have your car serviced at a Volvo dealer, we make a pledge to you. It's called Volvo Service Promise and it guarantees an unbeatable combination of quality, reassurance and expertise. First, your personal service advisor will deal with any of your questions and make sure you can get to where you need to go. Our expert technicians will then give your car a full health check including a free software upgrade. Finally, we'll provide you with 12 months' complimentary Volvo Roadside Assistance and a car wash. For full details please go to volvocars.co.uk/servicepromise

INSURANCE

Volvo Car Insurance* has been designed with you in mind, from the moment you get behind the wheel of your new car. It offers excellent value and a range of exclusive benefits, including a UK-based 24-hour claims team.

Call now for your insurance quote on 0800 238 239, quoting reference ZZ07.

VOLVO ON CALL

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. Comes complete with a mobile app that provides a car locator, remote dashboard and lock-your-car functionality. For full details visit volvocars.co.uk

ROADSIDE ASSISTANCE

Every new car comes with 3 years' Volvo Assistance cover. You'll enjoy free breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can extend cover for 12 months for £99 or it is automatically extended if you have your car serviced at a Volvo dealer. For full details please go to volvocars.co.uk/volvoassistance

WARRANTY

Every new Volvo comes with comprehensive protection. Our warranty covers the first 3 years or 60,000 miles, whichever comes first. There's a 3 year unlimited mileage warranty on the paintwork, and either 8 or 12 years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.
