

A close-up, black and white photograph of the 'JEEP' logo on a car's hood. The logo is embossed in a classic, blocky font. The surface of the car is covered in numerous small, glistening water droplets, creating a textured, reflective effect. The lighting is soft, highlighting the contours of the letters and the individual droplets. The background is a blurred, light gray, suggesting the rest of the car's body.

# All-New Jeep® Renegade

Since 1941, Jeep has always pushed the boundaries in both 4x4 capabilities and making driving fun and the All-New Jeep Renegade is no different. With its unmistakable styling and road presence the All-New Jeep Renegade is an SUV which is at home everywhere you go. With its unparalleled performance, cutting edge technology including the 7" TFT driver display instrument cluster (on Limited and Trailhawk versions) and clever storage solutions. It's quite unlike any small SUV you've ever driven. Get ready to redefine fun.

Vehicle Orders are currently from stock only. Versions/Options/Colours are subject to availability.

# New Jeep® Cherokee Trailhawk

2015 sees the UK market introduction of the first 'Trail-Rated' New Cherokee, the Trailhawk. This superlative off-road specialist vehicle is powered by a 3.2 V6 petrol engine delivering 268 bhp and includes a low range gear box and Selec-Terrain with Rock mode. Trailhawk has the off-road proficient Jeep Active Drive Lock 4x4 system, with a rear lock which keeps both tyres spinning at the same speed allowing for enhanced traction in any terrain. This vehicle is available within a special order programme only.

\* Special order implies a factory lead time which can vary.

## Graduated Vehicle Excise Duty

(Road Fund License) Valid from 1<sup>st</sup> April 2015

The Graduated VED Bands classify all new cars into one of the Vehicle Excise Duty Bands, depending on their type of fuel and CO<sub>2</sub> emission level, measured in g/km.

| Bands | CO <sub>2</sub> Emission (g/km) | First-year VED rate |
|-------|---------------------------------|---------------------|
| A     | Up to 100                       | £0.00               |
| B     | 101 - 110                       | £0.00               |
| C     | 111 - 120                       | £0.00               |
| D     | 121 - 130                       | £0.00               |
| E     | 131 - 140                       | £130.00             |
| F     | 141 - 150                       | £145.00             |
| G     | 151 - 165                       | £180.00             |
| H     | 166 - 175                       | £295.00             |
| I     | 176 - 185                       | £350.00             |
| J     | 186 - 200                       | £490.00             |
| K     | 201 - 225                       | £640.00             |
| L     | 226 - 255                       | £870.00             |
| M     | Over 255                        | £1100.00            |

# Benefit-in-Kind Taxation

The company car Benefit-in-Kind Taxation scale is linked to the CO<sub>2</sub> emissions level. The table shows the percentage of the car price to be taxed (P11D value).

| Vehicle CO <sub>2</sub> (g/km) | BIK Rate % (2015-16) |        |
|--------------------------------|----------------------|--------|
|                                | Petrol               | Diesel |
| 1 - 50                         | 5%                   |        |
| 51 - 75                        | 5%                   |        |
| 76 - 94                        | 11%                  | 14%    |
| 95 - 99                        | 12%                  | 15%    |
| 100 - 104                      | 13%                  | 16%    |
| 105 - 109                      | 14%                  | 17%    |
| 110 - 114                      | 15%                  | 18%    |
| 115 - 119                      | 16%                  | 19%    |
| 120 - 124                      | 17%                  | 20%    |
| 125 - 129                      | 18%                  | 21%    |
