## Peugeot PureTech: Compact engine – huge spirit

Peugeot PureTech is advanced 3-cylinder petrol engine technology that offers a drive and performance normally associated with much bigger engines but with significantly improved fuel consumption and CO<sub>2</sub> emissions<sup>1</sup>. It's a product of Peugeot's 100 years of intelligent, innovative engineering and combines reduced weight materials with the efficiency of applying direct fuel injection to three cylinders. On some versions we've even added Turbo power, optimising torque at all revs and delivering an engine with a unique personality and one which is ultimately designed to give you maximum driving pleasure and responsiveness, at any speed, for less.

(\* comparison based on New 308 1.2L PureTech110 S&S vs New 308 1.6 THP 125)

## Peugeot BlueHDi : Pioneering on MPG and CO<sub>2</sub>

BlueHDi is the name given to Peugeot's latest generation of diesel engines. The result of a world-famous diesel heritage plus innovation and engineering excellence developed on the race track of Le Mans, BlueHDi complies with Euro 6\* emission standards, to deliver exceptional fuel economy and CO<sub>2</sub> emissions alongside a driving experience rich in power and performance.

A three stage cleansing process specifically targets the pollutants of diesel combustion, removing hydrocarbons and carbon monoxide, reducing nitrogen oxides by up to 90% and eliminating 99.9%<sup>ii</sup> of particulates. BlueHDi delivers the cleanest diesel engine possible and exceptional fuel economy of up to 91mpg with CO<sub>2</sub> as low as 82 g/km<sup>iii</sup>.

(<sup>ii</sup>by number <sup>iii</sup>model and version dependent)

## EAT6 (Efficient Automatic Transmission):

### New generation of AISIN 6-speed automatic gearboxes

Peugeot's new generation of automatic gearboxes have been developed in collaboration with Aisin AW. EAT6 uses Quickshift technology, for faster gear changes and smooth operation, delivering superb driving pleasure and exceptional fuel and CO<sub>2</sub> efficiency.

<sup>1</sup> Driver Assistance Pack: Advanced safety pack controlled by a radar mounted within the front bumper. Pack comprises of dynamic cruise control ('intelligent' cruise control that can use engine braking to maintain a set distance between 308 and the car in front), emergency collision alert system (an audible & visual alert to the driver to take action to avoid a collision) & emergency collision braking system (if a collision is imminent 308 makes an automatic brake application to reduce speed by a maximum of 12mph to reduce the severity of impact).

<sup>2</sup> Driver Sport Pack: Increases responsiveness of power steering and engine and gearbox to accelerator pedal, changes instrument panel colour to red (from white) and displays vehicle dynamic parameters - acceleration, power delivery, turbo.

Driver Sport pack

City Park

<sup>3</sup> City Park: This system provides Active assistance for parking by detecting a parking space and then operating the steering system to park in this space. The system works with both parallel and bay parking. Blind spot monitoring also comes with the City park pack, this technology provides information to the driver during a journey, on the presence of a vehicle or motorcycle in the blind spot by means of four sensors mounted in the front and rear bumpers.

<sup>4</sup> Peugeot Connect SOS & Assistance: A vehicle locating communication unit, this feature can be used manually (dedicated SOS button in the roof) or automatically (if pyrotechnic devices are deployed). It locates the vehicle precisely and triggers the sending of the appropriate emergency services for a rapid response.

<sup>5</sup> Peugeot Connect Apps: An apps service that is designed to respond to all of your requirements during a journey, services include: fuel station locations and the pricing of their fuel, Trip Advisor to provide reviews of nearby attractions, restaurants, pubs, cafes & hotels. Users can also use the Michelin restaurant guide to search for quality eateries, along a journey the Michelin Traffic guide provides real time information on traffic around the vehicle allowing you to avoid delays.

<sup>1</sup> Sequential LED front indicators: an exclusive visual marker for 308 GT Line & GT models, when signalling the front bumper mounted LED indicators scroll in an outwards formation.

Sequential LED front indicators

<sup>2</sup> LED Headlamps offer excellent vision at night, the light is perceived as being close to daylight, with very uniform lighting that reduces eye fatigue and therefore increases driver comfort. LED's consume less energy to produce light and contribute to lower CO2 emissions (50% less energy consumption than halogen lights & 35% less than xenon headlamps)

Full LED headlamp with integrated LED daytime running lights

VAT is not applicable to cars sold in the Channel Islands

## PEUGEOT 3 YEARS OF WARRANTY

All vehicles first registered in the UK and purchased from a UK Peugeot Dealer benefit from a Peugeot 2 year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the Peugeot Dealer Network in the UK.

## PEUGEOT ASSISTANCE

All new Peugeots come with Peugeot Assistance, our breakdown assistance service.

Provided by the AA, Peugeot Assistance is available every minute of the day and night; 365 days of the year, for you and anyone else driving your Peugeot with your permission.

Full details are available at [www.peugeot.co.uk](http://www.peugeot.co.uk)

## TERMS AND CONDITIONS

Every endeavour has been made to ensure that the information, details and descriptions set out in this literature.

It is our policy to continually improve our vehicles in every way. We reserve the right to modify our vehicles price, specification (including colour), equipment, accessories and characteristics or to discontinue any model, without notice, at any time.

To avoid any misunderstandings you are advised to check with your Peugeot Dealer the specification (including colour), equipment accessories and equipment relating to any Peugeot vehicle and the exact

Where a feature is described as an option in this publication it should be assumed that it is at extra cost unless specifically stated otherwise.

Issued by Sales and Marketing, Peugeot Motor Company PLC, Pinley House, Sunbeam Way, Coventry CV3 1ND.
