VOLVO
V40

YOUR OWN V40 IS IN REACH

Volvo has always led the way in innovation, with products that continue to influence and shape the entire car industry. But that's never been our motivation. You are. Every car, and every world first we introduce, is designed around you... to keep you safer on the road and more at ease behind the wheel. To bring extra excitement to every journey and improve your whole driving experience.

With the Volvo V40, you've found your perfect match. With its clean lines and striking silhouette, here's a five door premium hatchback that stands out without needing to shout. In a segment that is dominated by me-too lookalikes, the V40 is a fresh breeze of Scandinavian flair. The V40 is designed to delight you every single day, whether you go about your daily business around town, or decide to have a spur-of-the-moment weekend away. Not only do you get the fine materials and craftsmanship you've come to expect from us, the V40 is also packed with innovative technologies and a superb chassis with a range of high-performing engines. Looks, driving fun and innovative technologies - the V40 really has it all.

¹⁾ P11D value for BIK purposes is the retail price plus delivery charge. BIK % shown for the 2014/15 tax year

²⁾ Available August 2014

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £550 and vehicle tax as of 1st April 2014 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

In addition to the R-Design, the Lux model benefits from the following;

R-Design Leather Sports Upholstery	Cruise Control
Rear Reading, Theatre and Front Door Side Step Illumination	Front Door Tread Plates
Height Adjustable Tilttable Driver Seat with Lumbar Support	Active Bending Xenon Headlights
Forward Folding/Height Adjustable Front Passenger Seat with Lumbar Support	Headlight Cleaning System
Rain Sensor - Automatic Windscreen Wiper Activation	

¹⁾ A mobile data plan is required to enable online access and connectivity

VOLVO V40 FEATURE EXPLANATION

CITY SAFETY

Included as standard on your Volvo V40 is City Safety, which senses potential collisions (active from 2 to 31mph) and can activate the brakes automatically should you not react in time.

PARK ASSIST PILOT

With ultrasonic sensors placed on all sides of the car, the V40 can take the pain out of parallel parking, detecting suitable parking spaces and steering itself precisely into the available space.

LANE KEEPING AID

Forward-facing cameras on the V40 can help keep your car in the intended lane, gently steering the car back on course or alerting you through the steering wheel.

ADAPTIVE CRUISE CONTROL WITH FULL AUTO BRAKE

When engaged, adaptive cruise control makes driving the V40 even more relaxing, using radar to maintain a set distance to the car in front. As soon as a slower vehicle is detected, the car's speed will automatically adapt to match it, keeping you at a safe distance. The useful Queue Assist function (available on vehicles with automatic transmission) can keep the gap even in queues with repeated starting and stopping.

ROAD SIGN INFORMATION

The V40 can also help you stay informed by displaying road sign information within your instrument display, including speed limit signs and "no overtaking" warnings.

ACTIVE HIGH BEAM

In addition to Active Bending Xenon Lights, which swivel the headlamps to follow the road, you can also specify Active High Beam - enabling the car itself to switch between high and low beam when on-coming traffic approaches.

VOLVO ON CALL

This GPS communication system helps you stay connected to your car, helping you locate your vehicle, lock and unlock it, and even see all your dashboard readings (fuel levels, trip meter, etc.) - all from your smartphone or mobile device. Plus, it means emergency assistance is available at the touch of a button.

PEDESTRIAN AND CYCLIST DETECTION

The groundbreaking Pedestrian and Cyclist Detection technology with full auto brake, detects and automatically brakes for cyclists swerving out in front of the car. The advanced sensor system scans the area ahead. If a cyclist heading in the same direction as the car suddenly swerves out in front of the car, as it approaches from behind, it will prompt you to act with a flashing warning light on the windscreen, along with an audible alarm. If you do not react to the warning, and a collision is imminent, the car immediately brakes with full braking force.

BLIS (BLIND SPOT INFORMATION SYSTEM) WITH CTA (CROSS TRAFFIC ALERT)

The radar based BLIS technology informs the driver about other vehicles in the blind spots on both sides of the car and also monitors and alerts drivers to rapidly approaching vehicles up to 70 metres behind the car. Cross Traffic Alert uses the radar sensors at the rear end of the vehicle to alert the driver to crossing traffic from the sides when reversing out of a parking space.

VOLVO V40 TAKE THE WHEEL

Our range of finance, service and insurance options will allow you to budget for your new Volvo around one key factor – your lifestyle.

FLEXIBLE FINANCE

You might be surprised how easy and flexible financing the purchase of your new car can be. As part of Volvo, Volvo Car Financial Services has developed a series of funding plans that will provide you with maximum choice and flexibility when acquiring a Volvo.

SERVICE PROGRAMME

When you have your car serviced at a Volvo dealer, we make a pledge to you. It's called Volvo Service Promise and it guarantees an unbeatable combination of quality, reassurance and expertise. First, your personal service advisor will deal with any of your questions and make sure you can get to where you need to go. Our expert technicians will then give your car a full health check including a free software upgrade. Finally, we'll provide you with 12 months' complimentary Volvo Roadside Assistance and a car wash. For full details please go to volvocars.co.uk/servicepromise

INSURANCE

Volvo Car Insurance* has been designed with you in mind, from the moment you get behind the wheel of your new car. It offers excellent value and a range of exclusive benefits, including a UK-based 24-hour claims team. **Call now for your insurance quote on 0800 238 239, quoting reference ZZ07.**

VOLVO ON CALL

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. Comes complete with a mobile app that provides a car locator, remote dashboard and lock-your-car functionality. For full details visit volvocars.co.uk

ROADSIDE ASSISTANCE

Every new car comes with 3 years' Volvo Assistance cover. You'll enjoy free breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can extend cover for 12 months for £99 or it is automatically extended if you have your car serviced at a Volvo dealer. For full details please go to volvocars.co.uk/volvoassistance

WARRANTY

Every new Volvo comes with comprehensive protection. Our warranty covers the first 3 years or 60,000 miles, whichever comes first. There's a 3-year unlimited mileage warranty on the paintwork, and either 8 or 12 years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

*Volvo Car Insurance is underwritten by Royal & Sun Alliance Insurance plc (no. 93792). Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex, RH12 1XL. Authorised and regulated by the Financial Services Authority. Calls may be recorded and monitored. All benefits are subject to qualifying status, terms and conditions, cover level and underwriting criteria.

INSURANCE RATINGS					
Insurance ratings may vary depending on model line and specification. For details, please refer to thatcham.org/myvehicle					

¹⁾ All diesel models are fitted with a particulate filter.

²⁾ For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.

³⁾ The results do not express or imply any guarantee of the fuel consumption of a particular car.

⁴⁾ Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.

⁵⁾ Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750kg.
