GO EXPLOR3

To travel in the purpose of discovery is one of the most exciting pastimes we have. Whether you choose to do it by car, bike or surfboard, we have accessories that will allow you to discover and conquer.

◀ MG3 ROOF BARS

A pair of steel roof bars with anti-tamper security system included, compatible with most brands of roof boxes, cycle carriers and other roof bar accessories. Tools included.

Cross section dimensions: 32 x 22 mm

Load capacity: 75kg

Material: Steel

Colour: Black

◀ MG6 DETACHABLE SWAN NECK TOWBAR 12N ELECTRICS

The MG6 is ideally suited to towing trailers and caravans and has a towing weight limit un-braked of 750kg and 1450kg braked. The towbar has type approval to 94/20/EC. Specifically designed, manufactured and approved for the MG6, the swan neck detaches, leaving clean aesthetics on vehicles and is supplied with a seven pin 12N electrical socket.

◀ MG3 TOWBAR CYCLE CARRIER WITH ELECTRICS

Towbar mounted, transporting up to two bikes, which is tiltable with bikes mounted, providing you with access to the boot. The carrier locks to all types of tow ball, with a diameter of 50mm. Two keys are included, it is quick fitting and cycle spacers ensure there is no contact between bikes and rear lights. A number plate holder with seven pin electrics, and reflecting sticker for extra safety complete the package.

▲ MG3 TOWBAR CYCLE CARRIER WITHOUT ELECTRICS

Locks to towbar to transport up to two bikes and is fully assembled. It has individual frame holders for independent fitting of bikes and is easy to store.

▲ MG3 ROOF BOX 350 LTR ▶

360 litre roof box with three point locking system for additional security. Safety locking system ensures that the key can not be removed until the box is locked. Straps included for securing luggage inside the box. Quick attachment fits the box to the roof bars entirely from inside. Its UV resistant ABS plastic material helps maintain the colour of the roof box.

◀ MG3 TOWBAR AND ELECTRICS

The MG3 towbar comes with a seven pin 12N electrics set and has a towing weight of 200kg. Compatible with our range of cycle carriers.

▲ MG3 ROOF CYCLE CARRIER

Fitting to the MG3 roof bars and made of steel and aluminium, you can carry two bikes. Locks both bike and cycle rack with one lock. With a versatile clamping arm, it means that the carrier can be changed from left hand to right hand allowing it to be mounted on either side of the car.

◀ MG BRANDED FIRST AID KIT

This is a required item by legislation in some European countries and fits into your glove box or will fix to your boot space via its velcro patch. The kit contains dressings, soothing cream, safety pins, medical gloves, lint pad, alcohol wipers and plasters.

THE FUN NEVER ENDS WITH CAREFREE DRIVING

You've got your MG exactly how you want it. Now call the shots when it comes to service plans and warranty packages.

MG CARE

For a one-off payment, you can take advantage of MG CARE, which gives you three scheduled service checks for the first three years (subject to mileage), available on both MG3 and MG6.

MG PARTS AND ACCESSORIES

MG's authorised repairer network offers genuine parts, and accessories with a one-year warranty, fitted by factory trained staff. They also come with the peace of mind that your MG is in safe hands.

Speak to your dealer or visit
MG.CO.UK for more information.

UP TO 5 YEARS EXTENDED WARRANTY

Like everything else about MG, our warranty packages are a little bit special. Naturally, there's a 3-year/60,000 mile cover as standard. But where others also offer longer warranties, then add the cost onto the overall price of the car, our Flexible Warranty lets you choose how much you extend your cover by for an additional cost when you buy your car.
