

PEUGEOT 308

SW

1-litre to 1.4-litre PSA Peugeot Citroën 1.2-litre three-cylinder turbo

Exterior features

- Front bumper mounted air intakes (in lieu of fog lights) in black lacquered surround
- Lowered ride height (7mm at front, 10mm at rear)

Interior features

- Mistral Nappa GT style leather steering wheel with red stitching and GT badge
- **Driver Sport Pack**

Comfort and convenience

- Peugeot Open & Go system (keyless entry & push button start)
- start)
 Driver Assistance Pack:
 Dynamic Cruise Control,
 Emergency Collision Alert &
 Emergency Collision Braking
 System

GT Line

Exterior features

- 18" Diamant alloy wheels
- Twin exhaust effect trim with piano black detail surround
- Dark Tinted rear side & tailgate windows
- Front LED sequential indicators
- Front LED foglights

Comfort and convenience

- Reversing camera
- Aluminium boot rails

Interior features

- Mistral Nappa GT style leather steering wheel with red stitching
- GT style carpet mats
 Aluminium style pedals and door sills

ALLURE

Exterior features

- 17" Rubis alloy wheels (Note: 16" Alloy wheels std on Allure 1.6 BlueHDi 120)
 Aluminium roof rails
 Front fog lights
 Full LED headlamps with fully integrated

- LED daytime running lights

Comfort and convenience

- Front & rear parking sensors
- Power folding door mirrors with courtesy approach lighting
- Automatic electric parking brake

ACTIVE

Exterior features

16" Quartz alloy wheels

- Comfort and convenience

 Dual zone climate control

 Rear parking sensors

 Mistral Nappa Leather trimmed steering wheel

 Gearknob

 Visibility pack: Automatic headlights &
 windscreen wipers, electrochrome auto
 dimming rear view mirror

In-car entertainment

- 9.7" multifunction colour touchscreen
- Satellite navigation (includes 5 years of mapping updates)

Interior features

Manual adjustable driver lumbar support

ACCESS

Exterior features
- LED dautime running lights and rear lights
- 15" steel wheels with Ambre wheel trims

- Comfort and convenience
 Manual mono-zone air conditioning
 Electric 'one touch' front windows
 Remote controlled central locking
 Cruise control with speed limiter

In-car entertainment

- DAB digital radio
- USB connection
- Bluetooth

Safety Features

Here at Peugeot, safety is of paramount importance, with this in mind every part of Peugeot 308 has been designed to protect you and those dearest to you.

In recognition of this Peugeot 308 SW's counterpart, Peugeot 308 Hatchback was awarded a five star rating – the highest rating possible – from Euro NCAP, the most widely recognised independent vehicle safety assessor in Europe, following extensive and rigorous crash testing.

Airbags: Peugeot 308 offers optimum protection for you and your family. All models features 6 airbags as standard. Airbag protection comprises:

Driver & front passenger airbags: providing frontal protection for front seat occupants. Front passenger airbag can be deactivated to allow for the fitment of a child seat.

Front side airbags: located in the seat frame on the outside edge of the front seats; they inflate between front seat occupants and the front doors, providing thorax, abdomen and pelvis protection in a side impact.

Curtain airbags: located either side of 308, these deploy in a side impact and provide head protection for both front and rear occupants in a side impact.

Isofix: Peugeot 308 SW features two Isofix mounting points located on the outer rear seats, allowing for the safe and secure fitment of two child seats.

In addition, deployment of the airbags causes the fuel supply to be cut off, doors will automatically unlock, hazard warning lamps will activate and Peugeot Connect SOS (if specified) will automatically trigger and contact the emergency services if no response is received from occupants onboard.

Practicalitu

Practicality: Peugeot 308 SW features the largest load space in its class. The boot area level with the retractable parcel shelf in place boasts up to 660 litres, this extends up to an impressive 1775 litres with the rear seats folded flat, loaded to the roof.

"Magic Flat" Rear Seats: Offer 2/3 1/3 split fold functionality, when lowered the rear seats lie flat to optimise loading. Lowering the seats couldn't be easier, simply pull the handles located in the boot area, a particularly useful feature when loading items in tighter spaces as there is no need to open the rear doors to lower the seats.

Retractable Boot Cover: A cover that can be pulled across to conceal items in the boot, retracted to allow for greater access, or removed all together for optimised load space with the seats folded. The boot cover can be stored with ease under the boot floor in a designated space.

Boot Sill Height: The design of Peugeot 308 SW incorporates one of the lowest boot sills in the class. The unladen height is just 61cm, this allows easier loading and unloading of bulky or heavy items whilst also providing easier access for pets.

Aluminium Boot Rails: For additional security on the move, boot rails, complete with adjustable tethering hooks can be used to prevent items moving. (Optional on Allure models, standard on GT Line & GT models)

Rear seats in place with boot cover retracted,

Low Boot Sill for easier loading.

"Magic Flat" rear seats 2/3 1/3.

"Magic Flat" rear seats boot release switch.

"Magic Flat" rear seats folded, up to 1775 litres of space (loaded to roof).

Aluminium Boot Rails with accessory boot retainer (available at extra cost).

PureTech Petrol Engine Technology

PURE TECH

Peugeot PureTech: Compact engine - huge spirit

Peugeot PureTech is advanced 3-cylinder petrol engine technology that offers a drive and performance normally associated with much bigger engines but with significantly improved fuel consumption and CO, emissions. It's a product of Peugeot's 100 years of intelligent, innovative engineering and combines reduced weight materials with the efficiency of applying direct fuel injection to three cylinders. On some versions we've even added Turbo power, optimising torque at all revs and delivering an engine with a unique personality and one which is ultimately designed to give you maximum driving pleasure and responsiveness, at any speed, for less.

ison based on New 308 1.2L PureTech110 S&S vs New 308 1.6 THP 125)

Peugeot PureTech: The Record Breaker.....

The award winning Peugeot 308 fitted with the award winning 1.2l PureTech 130 S&S set a new record for production car fuel economy & distance.

- 1.2I PureTech 130 S&S managed 99.1mpg & covered 1,125 miles on one tank of fuel.
 Officially witnessed by the authority UTAC (Union Technique de l'Automobile, Motocycle et Cycle).
 Driven for over 32 hours to consume the 51.4-litre contents of its fuel tank.

1-litre to 1.4-litre PSA Peugeot Citroën 1.2-litre three-cylinder turbo

Peugeot PureTech: The Award Winner......

PureTech technology was awarded the hugely impressive accolade of 'International Engine of the Year 2015' award for the 1.0I -1.4I category with a panel of 65 industry experts from 31 countries coming to the unanimous decision, forcing Volkswagen's 1.4-litre TSI Twincharger unit into second place.

- "The new PureTech engine from PSA is a revelation in terms of refinement, performance and efficiency," stated German journalist Thomas Imhof.
- "Without turbo lag, this three-cylinder gives a lot of power and perfect torque at very low revs, with a harmonious noise throughout the whole range. And the consumption is very low," agreed L'Automobile Magazine's Christophe Congrega,

BlueHDi Diesel Engine Technology

BLUE

Peugeot BlueHDi: Pioneering on MPG and CO₃

BlueHDi is the name given to Peugeot's latest generation of diesel engines. The result of a world-famous diesel heritage plus innovation and engineering excellence developed on the race track of Le Mans, BlueHDi complies with Euro 6* emission standards, to deliver exceptional fuel economy and CO₂ emissions alongside a driving experience rich in power and

A three stage cleansing process specifically targets the pollutants of diesel combustion, removing hydrocarbons and carbon monoxide, reducing nitrogen oxides by up to 90% and eliminating 99.9% of particulates. BlueHDi delivers the cleanest diesel engine possible and exceptional fuel economy of up to 91mpg with CO₂ as low as 82g/kmiii.

("by number "model and version dependent)

 Peugeot 308 Active 1.6L BlueHDi 120 S&S awarded 'Best SME Company Car To Buy 2015' by Business Car Manager magazine, in recognition of its 'ultra clean 1.6l diesel engine'.

Efficient Automatic Transmisson (EAT6) Technology

EAT6 (Efficient Automatic Transmission):

New generation of AISIN 6-speed automatic gearboxes

Peugeot's new generation of automatic gearboxes have been developed in collaboration with Aisin AW. EAT6 uses Quickshift technology, for faster gear changes and smooth operation, delivering superb driving pleasure and exceptional fuel and CO₂ efficiency.

Driver Assistance Pack

Driver Assistance Pack: Advanced safety pack controlled by a radar mounted within the front bumper. Pack comprises:

Dynamic Cruise Control: ('intelligent' cruise control that can use engine braking to maintain a set distance between 308 and the car in front). **Emergency Collision Alert System:** (an audible & visual alert to the driver to take action to avoid a collision).

Emergency Collision Braking System: (if a collision is imminent 308 makes an automatic brake application to reduce speed by a maximum of 12mph to reduce the severity of impact).

(Optional on Allure & GT Line, standard on GT models).

Peugeot Connect SOS & Assistance

Peugeot Connect SOS & Assistance: A vehicle locating communication unit, this feature can be used manually (dedicated SOS button in the roof) or automatically (if pyrotechnic devices are deployed). It locates the vehicle precisely and triggers the sending of the appropriate emergency services for a rapid response. Peugeot are the pioneers of this technology, since launching in 2003 Peugeot Connect SOS & Assistance has come to the aid of over 7,000 individuals.

(Optional across the Peugeot 308 range).

Peugeot Open & Go

Peugeot Open & Go: Using sensors mounted in the front door handles, 308 can be opened without removing the key from your pocket or bag, simply grab the handle and the vehicle will automatically unlock. Once inside a simple press of the stop start button is all that is required. (Optional on Allure & GT Line, standard on GT models).

City Park

City Park: This system provides Active assistance for parking by detecting a parking space and then operating the steering system to park in this space. The system works with both parallel and bay parking.

Blind Spot Monitoring: also comes with the City park pack, this technology provides information to the driver during a journey, on the presence of a vehicle or motorcycle in the blind spot by means of four sensors mounted in the front and rear bumpers, if a vehicle is detected the driver is informed through the illumination of the LED light located in the door mirrors.

(Optional on Allure, GT Line & GT models).

Driver Sport Pack

Driver Sport Pack: Increase the sporting temperament of your Peugeot 308 with this exciting pack.

By pressing the 'Sport' button this increases responsiveness of power steering and engine and gearbox to accelerator pedal. Other changes include instrument panel colour change to red (from white) and a change to display vehicle dynamic parameters - acceleration, power delivery, turbo.

(Optional on Allure & GT Line, standard on GT models).

Peugeot Connect Apps

Peugeot Connect Apps: An apps service that is designed to respond to all of your requirements during a journey, services include: fuel station locations and the pricing of their fuel, Trip Advisor to provide reviews of nearby attractions, restaurants, pubs, cafes & hotels. Along a journey the Michelin Traffic guide provides real time information on traffic dealys around 308.

(Optional across the Peugeot 308 range).

KEY FEATURES CONTINUED - PEUGEOT 308 SW

Satellite Navigation

Satellite Navigation: Linked to the 9.7" colour touch screen, the system includes European mapping and comes with 5 years of free software updates.

The system also includes a point of interest function, full postcode lookup and various route planning options.
(Standard on 308 Active models and above)

Colour Reversing Camera

Colour Reversing Camera: A camera located on the rear of the vehicle is linked to the 9.7" colour touch screen. The system increases visibility and driver confidence when reversing.

The camera also works in low light & features guidance lines to aid with parking.

(Optional on Allure, standard on GT Line and GT models)

Full LED Headlamps

Full LED Headlamps: Light Emitting Diode (LED) technology remains a rare feature in the car industry with Peugeot 308 however this is not the case. Full LED headlamps feature from Allure level and above providing the following customer benefits:

- LED technology consumes considerably less energy to produce light, 50% less than halogen and 35% less than xenon technologies.
- LED technology offers a whiter light for improved visibility at night, the light is also more similar to daylight, leading to reduced driver eye fatigue, improving safety.
- LED technology requires no warm up time with instantaneous lighting response when compared to conventional halogen technologies.
- LED technology will last for the life of the car, compared to halogen technology with much shorter life expectancy.
- LED technology offers a very striking visual signature that perfectly complements the sharp exterior design of Peugeot308. (Standard on 308 Allure models and above)

In addition all PEUGEOT 308 models feature LED daytime running lights to increase the visibility of the vehicle during daylight hours aswell as LED lighting for the rear side and brake lights.

Panoramic Cielo Glass Roof

Panoramic Cielo Glass Roof: Measuring 1.44m² this large fixed panel glass roof bathes the cabin in natural light. An electric roller blind is also included, this blind is able to filter out of 95% of exterior light. (Optional on 308 Active models and above)

Sequential LED Front Indicators

Sequential LED Front Indicators: an exclusive visual marker for sport models, when signalling the front bumper mounted LED indicators scroll in an outwards formation.

(Standard on 308 GT Line and GT)
