SPECIFICATION OVERVIEW

ALLURE

Safety and Security

- Alarm (Thatcham 1 Category approved)

Comfort and Convenience

- Reversing Camera
- Colour Head Up Display (without Distance Alert Function)
- Dual Zone Climate Control

In-Car Entertainment

- Peugeot Connect Navigation (RT6) with Colour Satellite Navigation and Bluetooth (Includes 5 Years of Mapping Updates)

Exterior Features

- 18" 'Ixon' Alloy Wheels
- Dark Tinted Side and Tailgate Windows
- Cielo Panoramic Glass Roof with Electric Shutter Blind

ACTIVE +

ACTIVE

Seating

- Mistral Black Strada Cloth Trim
- Row 2 and 3 Independent Seating
- 7 Independent Seats

Safety and security

- Electronic Stability Programme (ESP)
- 6 Airbags (Including Curtain Airbags)
- Tyre Pressure Sensors

Comfort and Convenience

- Automatic Electric Parking Brake with Hill Assist
- Electric Front and Rear Windows
- Air Conditioning
- Front and Rear Parking Aid
- Parking Space Measurement System
- Cruise Control with Speed Limiter
- Leather Steering Wheel
- Family Pack (Additional Underfloor Storage)
- Row 2 and 3 Window Blinds

In-Car Entertainment

- RD45 Radio / CD Player with MP3 Playback
- Peugeot Connect USB with Bluetooth

Exterior Features

- 17" 'Quark' Alloy Wheels
- Chrome Exterior Pack
- Roof rails

Exterior Lighting and Visibility

- Front Fog Lights
- LED Daytime Running Lights
- Visibility Pack: Automatic Headlamps & Automatic Rain Sensing Front Wipers
- Retrovision Pack: Electrochrom e Interior Mirror, Exterior Courtesy Lighting and Power Folding Door Mirrors

PureTech Petrol Engine Technology

Peugeot PureTech: Compact engine – huge spirit

Peugeot PureTech is advanced 3-cylinder petrol engine technology that offers a drive and performance normally associated with much bigger engines but with significantly improved fuel consumption and CO₂ emissions¹. It's a product of Peugeot's 100 years of intelligent, innovative engineering and combines reduced weight materials with the efficiency of applying direct fuel injection to three cylinders. On some versions we've even added Turbo power, optimising torque at all revs and delivering an engine with a unique personality and one which is ultimately designed to give you maximum driving pleasure and responsiveness, at any speed, for less.

(i comparison based on 5008 1.2L PureTech130 S&S vs 5008 1.6 VTI 120)

1-litre to 1.4-litre
PSA Peugeot Citroën
1.2-litre three-cylinder turbo

Peugeot PureTech: The Award Winner.....

PureTech technology was awarded the hugely impressive accolade of 'International Engine of the Year 2015' award for the 1.0l -1.4l category with a panel of 65 industry experts from 31 countries coming to the unanimous decision, forcing Volkswagen's 1.4-litre TSI Twincharger unit into second place.

- "The new PureTech engine from PSA is a **revelation** in terms of refinement, performance and efficiency," stated German journalist Thomas Imhof.
- "Without turbo lag, this three-cylinder gives a lot of power and perfect torque at very low revs, with a harmonious noise throughout the whole range. And the consumption is very low," agreed L'Automobile Magazine's Christophe Congrega.

BlueHDi Diesel Engine Technology

Peugeot BlueHDi : Pioneering on MPG and CO₂

BlueHDi is the name given to Peugeot's latest generation of diesel engines. The result of a world-famous diesel heritage plus innovation and engineering excellence developed on the race track of Le Mans, BlueHDi complies with Euro 6 emission standards, to deliver exceptional fuel economy and CO₂ emissions alongside a driving experience rich in power and performance.

A three stage cleansing process specifically targets the pollutants of diesel combustion, removing hydrocarbons and carbon monoxide, reducing nitrogen oxides by up to 90% and eliminating 99.9%ⁱⁱ of particulates. BlueHDi delivers the cleanest diesel engine possible and exceptional fuel economy of up to 67.3mpg with CO₂ as low as 110g/kmⁱⁱⁱ.

(ⁱⁱby number ⁱⁱⁱmodel and version dependent)

Efficient Automatic Transmission (EAT6)

EAT6 (Efficient Automatic Transmission):

New generation of AISIN 6-speed automatic gearboxes

Peugeot's new generation of full automatic gearboxes have been developed in collaboration with Aisin AW . EAT6 uses Quickshift technology, for faster gear changes and smooth operation, delivering superb driving pleasure and exceptional fuel and CO₂ efficiency.

Model shown is Peugeot 5008 Allure with optional Cumulus Grey metallic paint and Vision Pack.

INTELLIGENT STORAGE SOLUTIONS - PEUGEOT 5008

Seating

Seating: Featuring 7 independent seats covered by 3 point seatbelts, Peugeot 5008 can be configured to meet all the demands of family life.

Row 1: In row 1, occupants benefit from a commanding view of the road ahead with height adjustable seating and adjustable inside armrest for optimal comfort.

Row 2: In row 2, occupants benefit from individual seating with each seat housing Isofix mounting points. Occupants also benefit from longitudinal seat adjustment, back rest recline functionality and for optimum comfort, tray tables and window blinds are fitted as standard.

Row 3: In row 3, occupants benefit from individual seating with outer fixed armrest, in addition the standard window blinds offer further comfort. Row 3 seats can be raised and lowered in a very simple operation and fold away flat under the boot floor when not required.

Practicality

Practicality: With its multiflex interior, Peugeot 5008 offers optimum practicality. The storage capacity ranges from 823 litres in the boot with row 3 folded to a cavernous 2506 litres with row 2 and 3 folded, loaded to the roof.

Loading items couldn't be easier, with rows 2 and 3 folded, Peugeot 5008 offers a flat load area, this coupled with the practical shape, with minimal wheel arch intrusion makes like that bit easier.

Flat Folding Front Passenger Seat

Flat Folding Front Passenger Seat: At the single pull of a handle (located at the seat base) the front passenger seat folds completely flat, this increases the loading length even further, perfect for transporting lengthy items like a Christmas tree. When folded flat the front passenger seat back also serves as a useful picnic table. (Standard across the Peugeot 5008 range).

Intelligent Storage Solutions

Front Centre Storage Console: This large storage area measuring 10.5 litres in total is deep enough to accommodate 500ml bottles in an upright position. The area also features ventilation to keep items cool as well as a USB to allow for MP3 connection. (Standard across the Peugeot 5008 range).

Underfloor Storage: Part of the family pack, underfloor storage hidden under the rear mats provides a safe place to store valuable items. The two underfloor storage compartments located in the outer rear footwells measure 3.3 and 3.8 litres respectively. (Standard across the Peugeot 5008 range).

KEY FEATURES - PEUGEOT 5008

Peugeot Connect Navigation

Peugeot Connect Navigation: Linked to the 7.0" colour screen, the system includes European mapping and comes with 5 years of free software updates. The system also includes vocal guidance, full postcode lookup and various route planning options. (Optional on Active, standard on Allure models)

Peugeot Connect Video Pack

Peugeot Connect Video Pack: Designed to keep the kids entertained on long journeys, Peugeot Connect Video Pack can be specified across the 5008 range. The pack comprises of two 7" screens built into the headrests, two pairs of Bluetooth wireless headphones and a multimedia system to allow the connection of external devices such as a DVD player or a games console. Both screens work independently allowing different programming to be displayed and the 7" screens also include protective covers. (Optional across the Peugeot 5008 range).

Panoramic Cielo Glass Roof

Panoramic Cielo Glass Roof: Every journey is a unique experience when you have a panoramic view of the colours and landscapes outside. Designed to increase serenity and wellbeing of those onboard, this large fixed panel glass roof bathes the cabin in natural light. An electric roller blind is also included, this blind is able to filter out all exterior light. (Optional on Active, standard on Allure models)

Colour Reversing Camera

Colour Reversing Camera: A camera located on the rear of the vehicle is linked to the 7.0" colour screen. The system increases visibility and driver confidence when reversing, the camera also features guidance lines to aid with parking. (Standard on Allure models)

Colour Head Up Display

Colour Head Up Display: A driver information interface that displays key driving information via a clear retractable screen in the drivers line of sight. The screen can be adjusted for both angle and brightness, as well as folded away completely at any point during a journey. The system displays information relating to speed, cruise control speed settings and navigation directions (where applicable). (Standard on Allure models)

Parking Space Measurement System

Parking Space Measurement System: Working in conjunction with the front and rear parking aid, this system measures whether a space will suitably accommodate Peugeot 5008 in a parallel parking scenario. While driving past a space (at speeds of up to 12mph) the car will accurately measure and inform the driver if parking is 'possible', 'difficult' or 'not advised'. (Standard across the 5008 range)

EXTERIOR LIGHTING AND VISIBILITY						
Vision Pack (includes Xenon headlamps, full description below)	ZE13	-	<input type="radio"/>	625.00	125.00	750.00

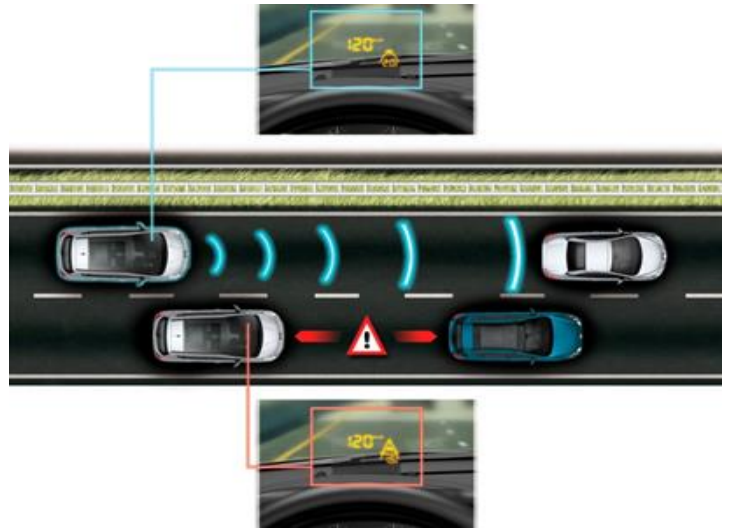

Vision Pack

Vision Pack: Includes xenon headlamps that offer a brighter and whiter light, emitting double the amount of light as halogen and offering four times the life expectancy. When cornering, the xenon bulbs swivel at up to 15° per second to provide better illumination. Headlamp washer jets, LED daytime running lights and Peugeot Smartbeam Assistance, a system that automatically switches between high and low beam also feature as part of the pack.

Distance Alert

Distance Alert: a driver alert system to inform on the distance between 5008 and traffic in front. Linked to the standard head up display on Allure models, the driver can set a desired following distance of between one and two seconds. Distance Alert is operated via a radar mounted in the front bumper of 5008. In the event of getting too close to the car in front you are alerted visually via the head up display, allowing action to be taken.

Tramontane Black Claudia Leather Trim

Leather Trim: For that added feeling of luxury, Peugeot 5008 Allure models can be specified with Claudia full grain black leather, in addition, the front seats include a heating function for additional comfort on cold days.

Airbags

Airbags: Peugeot 5008 offers optimum protection for you and your family. All models feature 6 airbags as standard. Airbag protection comprises:

Driver & front passenger airbags: providing frontal protection for front seat occupants. Front passenger airbag can be deactivated to allow for the fitment of a child seat.

Front side airbags: located in the seat frame on the outside edge of the front seats; they inflate between front seat occupants and the front doors, providing thorax protection in a side impact.

Curtain airbags: located in the cant rail on either side of 5008, these deploy in a side impact and provide head protection for both front and rear occupants in a side impact.

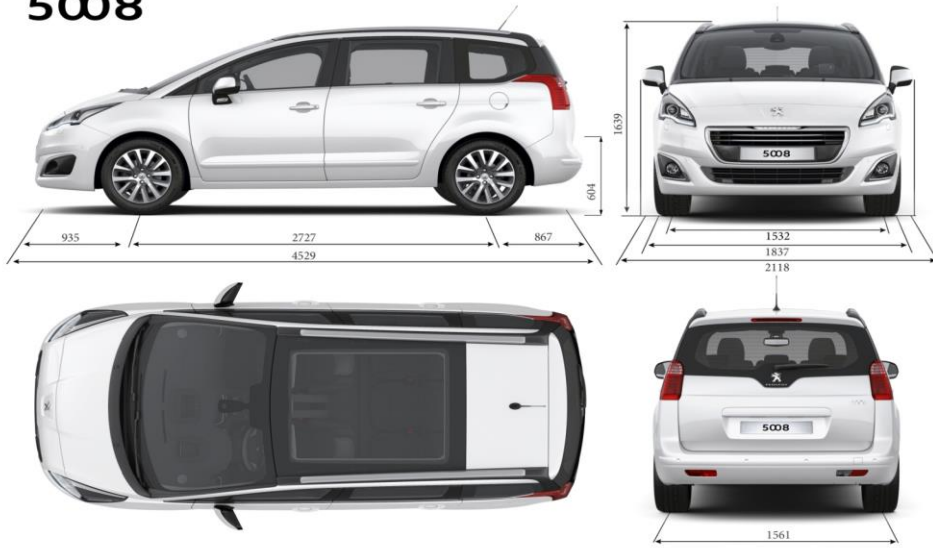

Isofix

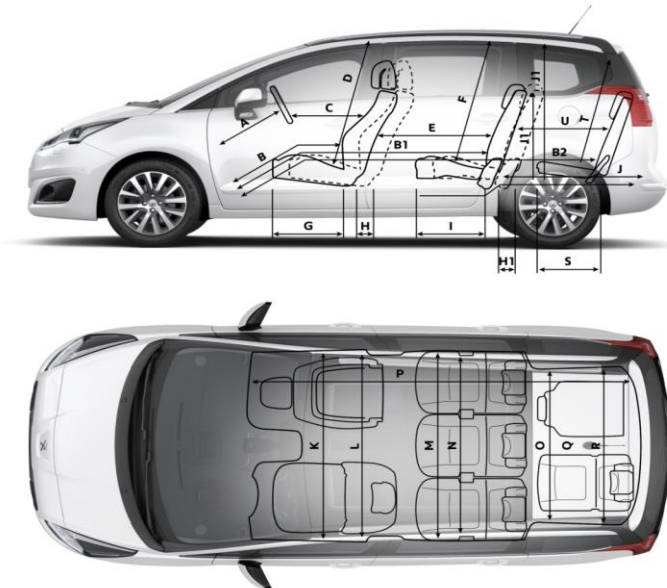

Isofix: Peugeot 5008 features three Isofix mounting points located on all row 2 seats allowing for the fitment of three child seats. Top tethering points are located on the rear seat backs. (Standard across the Peugeot 5008 range)

PEUGEOT 3 YEARS OF WARRANTY

All vehicles first registered in the UK and purchased from a UK Peugeot Dealer benefit from a Peugeot 2 year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the Peugeot Dealer Network in the UK.

PEUGEOT ASSISTANCE

All new Peugeots come with Peugeot Assistance, our breakdown assistance service.

Provided by the AA, Peugeot Assistance is available every minute of the day and night; 365 days of the year, for you and anyone else driving your Peugeot with your permission.

Full details are available at www.peugeot.co.uk

TERMS AND CONDITIONS

Every endeavour has been made to ensure that the information, details and descriptions set out in this literature are correct, at the time of going to print.

It is our policy to continually improve our vehicles in every way. We reserve the right to modify our vehicles price, specification (including colour), equipment, accessories and characteristics or to discontinue any model, without notice, at any time.

To avoid any misunderstandings you are advised to check with your Peugeot Dealer the specification (including colour), equipment accessories and equipment relating to any Peugeot vehicle and the exact cost and availability prior to ordering.

Where a feature is described as an option in this publication it should be assumed that it is at extra cost unless specifically stated otherwise.

Issued by Sales and Marketing, Peugeot Motor Company PLC, Pinley House, Sunbeam Way, Coventry CV3 1ND.
