

# PEUGEOT 508

Saloon, SW and RXH

Price & Specification Guide

April 2016 Version 2

Model Year 2015

PEUGEOT

# SPECIFICATION OVERVIEW

## GT 4 door saloon & 5 door SW

### Seating

- Nappa Full grain Tramontane black leather trim with red stitch detail
- Driver seat massage function
- Driver seat memory function

### In-Car Entertainment and Communication

- Colour head up display

### Exterior Features

- 19" 'Capella' alloy wheels

## GT LINE 4 door saloon & 5 door SW

### Seating

- Marston Tramontane black half leather trim with red stitch detail

### Comfort and Convenience

- Red stitched luxury carpet mats

### Exterior Features

- 18" 'GT Line' alloy wheels
- Twin exhaust effect trim

### Exterior Lighting and Visibility

- Full LED headlamps (including static cornering function)
- Peugeot Smartbeam Assistance

## ALLURE 4 door saloon & 5 door SW

### Seating

- Electrically adjustable front seats
- Electric driver and passenger lumbar adjustment
- Heated front seats
- Marston Tramontane black half leather trim

### Comfort and Convenience

- Front and rear parking aid
- Blind spot monitoring system
- Colour reversing camera
- Peugeot Open and Go system (keyless entry with push button start)

### Comfort and Convenience

- Automatic electric parking brake with hill assist

### Exterior Features

- 18" 'Naos' alloy wheels
- Panoramic glass roof (SW only)

### Exterior Lighting and Visibility

- LED front fog lamps (including static cornering function)

## ACTIVE 4 door saloon & 5 door SW

### Seating

- Manually adjustable front seats
- Electric Driver lumbar adjustment
- Cocher Tramontane black cloth trim

### Safety and Security

- Anti-Lock Braking (ABS)
- Electronic Brake Force Distribution (EBFD)
- Emergency Braking Assistance (EBA)
- Electronic Stability Programme and Traction Control (ESP and ASR)
- Dynamic Stability Control (CBC)
- Driver and front passenger front and side airbags
- Curtain airbags for front and rear windows
- Ultrasonic alarm
- Remote control central locking with deadlocks

### Comfort and Convenience

- Cruise control and speed limiter
- Electric, heated and power folding door mirrors

### Comfort and Convenience

- Full grain leather steering wheel
- Rear parking aid
- Electric windows (front and rear)
- Automatic dual-zone climate control

### In-Car Entertainment and Communication

- DAB digital radio (Non Hybrid versions only)
- Bluetooth
- USB connection
- CD player
- 7" multifunction colour touchscreen
- Satellite navigation (includes 5 years of free mapping updates)
- Peugeot Connect SOS and Assistance

### Exterior Features

- 17" 'Rana' Alloy Wheels
- Dark tinted rear and side windows (SW only)
- Satin chrome roof rails (SW only)

### Exterior Lighting and Visibility

- Automatic headlamps and wipers
- Electrochrome rearview mirror
- LED daytime running lights and front indicators
- LED rear lamps (saloon only)
- New Efficiency Optics (NEO) Halogen headlights

## SPECIFICATION OVERVIEW

**RXH 5 door SW**  
(2.0L BlueHDi 180 EAT6 S&S/ 2.0L BlueHDi HY4 ETG S&S)

### Seating

- Electrically adjustable front seats
- Heated front seats
- Electric driver and passenger lumbar adjustment
- Extendable front seat bases
- Tramontane black half leather/ cloth trim with copper stitch detail

### Safety and Security

- Anti-Lock Braking (ABS)
- Electronic Brake Force Distribution (EBFD)
- Emergency Braking Assistance (EBA)
- Electronic Stability Programme and Traction Control (ESP and ASR)
- Dynamic Stability Control (CBC)
- Driver and front passenger front and side airbags
- Curtain airbags for front and rear windows
- Ultrasonic alarm
- Remote control central locking with deadlocks
- Hybrid4 technology (Hybrid4 only)

### Comfort and Convenience

- Front and rear parking aid
- Cruise control and speed limiter
- Electric, heated and power folding door mirrors
- Dark tinted rear and side windows
- Electric windows (front and rear)
- Automatic dual-zone climate control
- Blind spot monitoring system
- Reversing camera
- Automatic electric parking brake with hill assist
- Motorised tailgate and load restraint net (HYbrid4 only)

### In-Car Entertainment and Communication

- DAB digital radio and CD Player
- Bluetooth and USB connection
- 7" multifunction colour touchscreen
- Satellite navigation (includes 5 years of free mapping updates)
- Peugeot Connect SOS and Assistance
- Colour head up display

### Interior Features

- Full grain leather multifunction steering wheel

### Exterior Features

- 18" 'Cian' alloy wheels
- 18" 'Attila' alloy wheels (Hybrid4 only)
- Satin chrome roof rails
- Panoramic glass roof
- RXH exterior styling pack (wheel arch and sill extensions, aluminium front and rear bumper scuff plates)
- Raised ride height (5cm)

### Exterior Lighting and Visibility

- Automatic headlamps and wipers
- Electrochrome rearview mirror
- Full LED headlamps
- Peugeot Smartbeam Assistance
- LED 'claw effect' daytime running lights

**RXH Hybrid4 Technology**  
(Exclusive to 2.0L BlueHDi HY4 ETG S&S version)

In Auto mode the entire system is automatically controlled, including operation of the HDi diesel engine and the electric motor.

Perfect for low speeds around town, the car can travel for about two miles in this 100% Electric mode before the engine takes over and recharges the battery, allowing continual use of the 100% Electric (ZEV) mode.

Sport mode favours quicker gear changes at higher engine speeds, coupling the diesel engine with the electric motor for dynamic performance.

In the Four-wheel drive setting the rear wheels are driven by the electric motor and the front wheels by the HDi diesel engine.

Model shown is Peugeot 508 RXH HYbrid4 with optional Pearlescent White paint.

## Peugeot BlueHDi : Pioneering on MPG and CO2

BlueHDi is the name given to Peugeot's latest generation of diesel engines. The result of a world-famous diesel heritage plus innovation and engineering excellence developed on the race track of Le Mans, BlueHDi complies with Euro 6\* emission standards, to deliver exceptional fuel economy and CO2 emissions alongside a driving experience rich in power and performance.

A three stage cleansing process specifically targets the pollutants of diesel combustion, removing hydrocarbons and carbon monoxide, reducing nitrogen oxides by up to 90% and eliminating 99.9%<sup>ii</sup> of particulates. BlueHDi delivers the cleanest diesel engine possible and exceptional fuel economy of up to 72.4mpg with CO2 as low as 102g/km<sup>iii</sup>.

(<sup>ii</sup>by number <sup>iii</sup>model and version dependent)

Model shown is Peugeot 508 SW GT Line with optional Pearlescent White paint.

## KEY FEATURES - PEUGEOT 508

### Satellite Navigation

**Satellite Navigation:** Linked to the 7.0" colour touch screen, the system includes European mapping and comes with 5 years of free software updates. The system also includes a point of interest function, full postcode lookup and European mapping. (Standard across the Peugeot 508 range)

### Peugeot Connect SOS & Assistance

**Peugeot Connect SOS & Assistance:** A vehicle locating communication unit, this feature can be used manually (dedicated SOS button on the console) or automatically (if pyrotechnic devices are deployed). It locates the vehicle precisely and triggers the sending of the appropriate emergency services for a rapid response. Peugeot are the pioneers of this technology, since launching in 2003 Peugeot Connect SOS & Assistance has assisted over 7,000 individuals. The system is subscription free with no additional charges and uses a GPS module and SIM card (built in to the system). (Standard across the Peugeot 508 range)

### Peugeot Open & Go

**Peugeot Open & Go:** Using sensors mounted in the front and rear door handles, 508 can be opened without removing the key from your pocket or bag, simply grab the handle and the vehicle will automatically unlock. Once inside a simple press of the stop start button is all that is required. (Optional on RXH models, standard on Allure, GT Line & GT models)

### Colour Reversing Camera

**Colour Reversing Camera:** A camera located on the rear of the vehicle is linked to the 7.0" colour touch screen. The system increases visibility and driver confidence when reversing, the camera also works in low light & features guidance lines to aid with parking. (Optional on Active, standard on all other models)

### Colour Head Up Display:

**Colour Head Up Display:** A driver information interface that displays key driving information via a clear retractable screen in the drivers line of sight. The screen can be adjusted for both angle and brightness, as well as folded away completely at any point during a journey. The system displays information relating to speed, cruise control speed settings and navigation directions (where applicable). (Optional on Allure and GT Line, standard on GT and RXH)

### Blind Spot Monitoring System

**Blind Spot Monitoring:** this technology provides information to the driver during a journey, on the presence of a vehicle or motorcycle in the blind spot by means of four sensors mounted in the front and rear bumpers, if a vehicle is detected the driver is informed through the illumination of the LED light located in the door mirrors. (Optional on Active, standard on Allure, GT Line, GT and RXH models)

## KEY FEATURES CONTINUED - PEUGEOT 508

### Panoramic Cielo Glass Roof:

**Panoramic Cielo Glass Roof:** Unique to SW models, this large fixed panel glass roof bathes the cabin in natural light. An electric roller blind is also included, this blind can be adjusted by use of a roof mounted rotary control and can stop the blind in any one of 5 pre-set positions. (Optional on Active models, standard on Allure, GT Line, GT and RXH models)

### Peugeot Smartbeam Assistance

**Peugeot Smartbeam Assistance:** through the use of an intelligent camera that continuously analyses driving conditions, for instance the proximity of other vehicles. Peugeot Smartbeam Assistance automatically switches headlamps to full beam when conditions allow. Only available with full LED headlamps. (Included with optional LED headlamps on Allure, standard on all other models)

### Full LED Headlamps

**Full LED Headlamps:** By producing a brighter, whiter light, LED headlamps offer excellent vision at night, the light is perceived as being close to daylight, with very uniform lighting that reduces eye fatigue and therefore increases driver comfort. LED's consume less energy to produce light and contribute to lower CO2 emissions (50% less energy consumption than halogen lights & 35% less than xenon headlamps). The life expectancy of LED technology is considerably longer than halogen lighting. LED headlamps are also 'tourist compliant', requiring no adjustment when travelling abroad. (Optional on Active and Allure models, standard on GT Line, GT and RXH)

### 1. Visibility with halogen technology.

### 2. Visibility with full LED technology.

### LED Daytime Running Lights/ Fog Lamps

**LED DRL's/ Fog Lights:** Using the same technology as can be found in the headlamps all 508 models benefit from bumper mounted LED daytime running lights. These lights provide an eye catching signature and increase the visibility of 508 during daylight hours. 508 RXH models benefit from the 'claw effect' three strip design as shown below, other 508 models feature a 'comma' design as shown above. In addition, 508 Allure, GT Line & GT models feature LED fog lights with 'cornering function'. Linked to the power steering each fog light will illuminate (when headlamps are on) dependent on the direction of travel, giving increased illumination when going into a bend.

### LED Rear Lamps

**LED Rear Lamps:** an exclusive visual marker for 508 saloon models. The rear lamps feature a Peugeot signature 'claw effect' side light design harking back to the 504 coupé and cabriolet. Each 'claw' contains 18 LED lights.

The brake lights in the light clusters also use LED technology, as LED bulbs require no warm up time the brake lights illuminate instantly, increasing safety, compared with a warm up time of 0.2 seconds for halogen technology.

(Standard on 508 saloon models)

## Front Seating

**Front Seating:** The front seats on Peugeot 508 have been developed following 4 specific criteria: style, comfort, support and durability. This brief has resulted in seating that will make every journey, no matter the distance, an absolute pleasure. Front seats benefit from the following features:

- **Electric 4 way adjustment:** (height, longitudinal, seat back angle and seat cushion angle). Standard on Allure models and above.
- **Heating function:** with 3 pre set temperatures, (includes heating elements in the seat base and back rest), Standard on Allure models and above.
- **Massage function:** for driver, each programme lasts one hour. Standard on GT models, optional on RXH (linked to trim upgrades).
- **Driver seat memory:** memorises driver seat, door mirrors and head up display positions for up to two people. Standard on GT, optional on RXH.
- **Electric lumbar adjustment:** for driver and passenger, for optimum comfort. Standard on Allure models and above including RXH).
- **'Folded' design head restraints:** allow for both height and longitudinal adjustment, with easy adjustment button. Standard on Peugeot 508.
- **Nappa Full grain Tramontane black leather trim:** high grade, soft leather trim with intricate red stitch detail. Standard on GT.

Quad Zone Climate Control

**Quad Zone Climate Control:** Allows for the independent temperature programming for four separate zones for optimised driver and passenger comfort. Also includes automatic function. Builds on the standard dual zone climate control on the Peugeot 508 range. Option also includes sun blinds for rear side windows on saloon and SW and a rear window sunblind for saloon models.  
(Optional on Allure models and above)

Motorised Tailgate

**Motorised Tailgate:** For increased convenience a motorised tailgate can be specified on SW models. This system can be operated from the key fob, from inside the vehicle using the dedicated button or from the tailgate. The system includes an obstacle detection system and an opening height can be pre-set (to suit a low garage roof for example). Option also includes a load restraining net to secure items in the boot.  
(Standard on RXH HYbrid4 models, optional on Allure models and above)

## Safety

**Airbags:** Peugeot 508 offers optimum protection for you and your family. All models features 6 airbags as standard. Airbag protection comprises:

**Driver & front passenger airbags:** providing frontal protection for front seat occupants. Front passenger airbag can be deactivated to allow for the fitment of a child seat.

**Front side airbags:** located in the seat frame on the outside edge of the front seats frames; they inflate between front seat occupants and the front doors, providing, chest, abdomen and pelvic protection in a side impact.

**Curtain airbags:** located in the cant rail on either side of 508, these deploy in a side impact and provide head protection for both front and rear occupants in a side impact. In addition, deployment of the airbags causes the fuel supply to be cut off, doors will automatically unlock, hazard warning lamps will activate and Peugeot Connect SOS will automatically trigger and automatically contact the emergency services if no response is received from occupants onboard.

### PEUGEOT 3 YEARS OF WARRANTY

All vehicles first registered in the UK and purchased from a UK Peugeot Dealer benefit from a Peugeot 2 year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the Peugeot Dealer Network in the UK.

### PEUGEOT ASSISTANCE

All new Peugeots come with Peugeot Assistance, our breakdown assistance service.

Provided by the AA, Peugeot Assistance is available every minute of the day and night; 365 days of the year, for you and anyone else driving your Peugeot with your permission.

Full details are available at [www.peugeot.co.uk](http://www.peugeot.co.uk)

### TERMS AND CONDITIONS

Every endeavour has been made to ensure that the information, details and descriptions set out in this literature are correct, at the time of going to print.

It is our policy to continually improve our vehicles in every way. We reserve the right to modify our vehicles price, specification (including colour), equipment, accessories and characteristics or to discontinue any model, without notice, at any time.

To avoid any misunderstandings you are advised to check with your Peugeot Dealer the specification (including colour), equipment accessories and equipment relating to any Peugeot vehicle and the exact cost and availability prior to ordering.

Where a feature is described as an option in this publication it should be assumed that it is at extra cost unless specifically stated otherwise.

Issued by Sales and Marketing, Peugeot Motor Company PLC, Pinley House, Sunbeam Way, Coventry CV3 1ND.

**For further information call Peugeot on 0800 083 3000 or visit our website at [www.peugeot.co.uk](http://www.peugeot.co.uk)**
