

RENAULT
Passion for life

Renault MEGANE Coupé and Renaultsport

The excitement moves up a gear

MEGANE

Expect more elegance and pleasure

LIMITED Nav

Panoramic sunroof, special upholstery, gloss black door mirrors, rear parking sensors – Limited Nav is all this, and a whole lot more. Very stylish features included in a very attractive offer. You have the opportunity to drive away in top-class style. Seize it.

It's impressive to see how quickly one gets used to the finishing touches on board. A leather steering wheel, exclusive upholstery, air-conditioning or a bluetooth music player... step into a car that offers more. Your enjoyment grows with Limited Nav. Just drive away.

The Mégane

GT Nav 220

Powered by the same engine as its Renaultsport counterparts, delivering 220 BHP, it is the perfect combination of a civilized GT Line Nav and a sportier Renaultsport Nav 275. Based on GT Line Nav, it also features as standard 18" SERDARD alloy wheels and a Renaultsport engineered chassis. GT Nav 220 embodies Renaultsport essence and technology for everyday life.

The Mégane with power and Elegance

1-2. **Coupé version.** Elegance takes a step further. With its new design, LED lights and expressive lines, the Mégane Coupé reinvents the very concept of 'sporty chic'. 3-4. **Renaultsport version.** Directly inspired by motor racing, exuding efficiency and with a thirst for performance, the Mégane Renaultsport is in pole position. 5. **GT Line Versions.** With a streamlined front end and sporty character, the Mégane sets your heart racing even before you take the wheel. These versions are available on the Mégane Hatch, Coupé and Sport Tourer versions.

Our absolute priority:

Your safety

Renault's vision is to provide its customers and their loved ones with the most advanced and efficient safety technology as standard. Mégane comes with safety as standard giving you complete peace of mind.

Safe and secure

Actions for the safety of all

**DECADE OF ACTION FOR
ROAD SAFETY 2011-2020
SUPPORTED BY RENAULT**

Renault places people at the heart of its business and is involved in many social initiatives relating to road risk prevention and raising awareness in schools and universities and other international organisations. The company is also committed to improving the effectiveness of emergency services when dealing with accidents.

Renault safety at a glance

- More than 600 company employees who are solely responsible for vehicle safety.
- 100 million Euros are invested every year in safety research and development.
- We conduct 400 real crash tests and 4,000 numerical simulations each year.

1.

2.

3.

4.

5.

FIX4SURE

6.

1. **ESC (Electronic Stability Control)**: With an ASR traction control system and CSV understeer control, your Mégane's stability is a priority in difficult road conditions. 2. **Front and Rear parking sensors**: To help with parking manoeuvres, these proximity sensors warn you of any obstacles behind you through a series of beeps that speed up the closer you get. 3. **Visio system**: With its high resolution camera, this system detects lane markings and alerts you visually and audibly whenever you cross a continuous line or broken line without indicating. The automatic headlights feature also adjusts between main and dipped beam, depending on the conditions. 4. **ABS**: Anti-lock braking system (ABS) with electronic brake force distribution (EBV) and emergency brake assistance (EBA) to keep you in a straight line under hard braking situations. 5. **Rear parking camera**: The reversing camera helps with manoeuvres. It complements the audio and visual sensor aids at the back. 6. **Protection of occupants**: The programmed safety system includes a full set of airbags and sensors for side impacts. The Fix4sure technology, a result of Renault's innovation, is designed to stop submarining (where, during a frontal impact, the passenger slides under the seatbelt). The Fix4sure system efficiently protects everybody and provides maximum safety thanks to a special boss in each seat base.

Driving pleasure: with Renault

Energy engines

Flexible, efficient, economical: the Mégane is equipped with the energy engine range. With no fewer than three engines derived from Formula 1® technology, the Mégane combines excitement, economy and a limited environmental impact. And, going even further in the quest to blend performance, comfort and economy, the Mégane also boasts a new TCe 130 auto engine.

Winning Duo

Rob White

Director of
Renaultsport F1®

Gaspar Gascon

Director
Renault Power Train Engineering

At Renault, technological innovation is driven by the passion of our employees. **Rob White**, Technical Director of Renault Sport F1®, works with his team to create the Renault engines that power multiple Formula 1® teams. Winning engines for over 35 years! World champions 12 times.

For production cars, **Renault Power Train Engineering Director Gaspar Gascon** and his staff develop the new range of Energy engines.

Think the two are unrelated? Think again. On a day-to-day basis, Rob and Gaspar keep in touch, discussing and working together to develop new ideas, each benefiting from the other's know-how with the enthusiasm of born pioneers. Their goal: to reduce fuel consumption and CO₂ emissions by 35%, test engine strength under extreme conditions and take the everyday pleasure of driving a Renault to ever greater heights.

When two teams of engineers obsessed with innovation combine their efforts and share their expertise, the drive for creating some of the world's best engines is doubled.

Energy engines: More technology, more pleasure and more fuel economy.

Energy engines offer a number of innovations designed to make driving an enjoyable experience while keeping fuel consumption in check. Dynamic, powerful, economical in terms of both fuel and CO₂, these engines – some of which are taken directly from the world of Formula 1® racing – are highly responsive. In terms of driving pleasure nothing is left to chance, whilst their fuel consumption and emissions are on a par with the very best. Downsizing (capacity reduction), Stop & Start and a new energy recovery system on braking and deceleration (Energy Smart Management): innovations that allow the three engines to combine a reduced environmental impact with driving pleasure!

A range of four widely-praised engines:

- TCe 115: fuel consumption of 53 mpg and 119 g / km of CO₂⁽¹⁾
- dCi 110: 78.5 mpg and 93 g / km of CO₂⁽¹⁾
- dCi 130: 70 mpg and 104 g / km of CO₂⁽¹⁾

(1) Official consumption according to applicable regulations for Mégane Coupé.

Different Body
Same Heart

Smart technology and equipment

Innovation for all

1. R-Link. With Renault R-Link you can travel while staying connected. **2. Hands-free keycard:** Simply carry the card with you for door opening and ignition without having to insert the card into the reader. The doors also lock automatically as soon as you move away. **3. Visio system:** With its high resolution camera, this system detects lane markings and alerts you visually and audibly whenever you cross a continuous line or broken line without indicating. The automatic headlights feature also adjusts between main and dipped beam, depending on the conditions. **4. Rear parking camera:** The reversing camera helps with manoeuvres. It complements the audio and visual sensor aids at the back. **5. New standard radio:** The new range of car stereos mean more connectivity for portable devices: a jack in the console and Bluetooth® functionality for hands-free telephony, and audio streaming. With the Plug & Music option, connect your player using the USB and audio jack, and command the whole system from the central controls.

Optional R-Link Integrated 7" touchscreen multimedia system (with navigation). In addition to its many built-in features shown below, there are also applications to download from the R-Link Store. You can control it from the screen, steering wheel controls or even voice control.

Main menu with 6 icons
Discover the six available menus: navigation, multimedia, telephone, vehicle information, services and applications, system settings.

Touchscreen navigation system
Provided by TomTom® (12 months subscription to LIVE services from delivery).

Multimedia
FM/AM/DAB tuner, connect devices via USB and AUX sockets or Bluetooth®.

Reverse parking camera system
Rear parking sensors with reverse parking camera, which displays the image on the navigation system screen alongside guidance aids.

Vehicle information
The fun "ECO Driving" coach gives you handy tips to improve your driving style and reduce your fuel consumption.

Voice control
Set your destination, call a contact or launch an application with voice control.

Renault

Quality

Thanks to the attention paid to comfort in every detail, the Renault Mégane demonstrates Renault's desire for quality. A seductive design, high quality materials and innovative technology combine for a unique driving experience. Through this approach, the Mégane embraces our vision of the future.

Quality is in Renault's genes. This quest for excellence can be found at every stage, from vehicle design through to after-sales service.

Renault is currently recognised by the press and specialist organisations for the performance and reliability of its passenger and commercial vehicle range.

And its sales network, thanks to an ongoing sense of duty towards its customers, is now amongst the best on the market in terms of service quality in both sales and after-sales.

"Quality continues to be a strategic priority for the Group and a value that benefits the image of our brands. Professionalism, competence, expertise and strictness: Renault applies these values at every stage in the life of a vehicle to offer customers the highest quality in terms of the vehicle and the service, and to ensure their complete satisfaction."

Jean-Pierre Vallau, Quality Director for the Renault Group.

Renault quality in figures

- 9 out of 10 customers recommend Renault for the quality of its service.
(New Vehicle Quality survey of 300,000 Renault customers worldwide in 2011.)
- 26,000 network employees trained in the Renault Excellence Plan.
This plan has structured the service quality approach in the Renault network since 2006.
- Getting our vehicles driven for months and millions of miles.
Tests performed by Renault on all continents.

Core features

Dynamique Nav

Technology

ABS with EBD (Electronic Brake Distribution) and brake assist

Airbags (x6) - driver and front passenger two stage auto-adaptive, front and rear curtain and front side impact

Interiors and upholstery

Dynamique Nav Chic and sporty.

With the steering wheel and gearshift knob in supple leather, chrome inserts, instrument surrounds in glinting chrome and door trims in satin chrome... the Mégane Dynamique Nav revels in its sporty character. It's available with 'Java' cloth in dark charcoal as standard, and with charcoal leather as an option.

LIMITED Nav

GT Line Nav Feel sportiness.

LIMITED cloth upholstery.

Sports seats, Renaultsport steering wheel, aluminium pedals, analogue dials... make the most of pure excitement. The GT Line Nav comes with two-tone dark charcoal Renaultsport seats as standard, optional dark carbon grey perforated leather upholstery.

Renaultsport Nav 275 Feel sportiness.

1. Mégane Renaultsport comes with Renaultsport sport seats, analogue dials, aluminium pedals and Renaultsport steering wheel. The image shows Renaultsport Recaro sport seats in carbon grey cloth and synthetic leather with red detailing and stitching (optional). 2. Carbon grey Renaultsport cloth upholstery with red stitching. 3. Renaultsport Recaro sport seats in carbon grey cloth and synthetic leather with red detailing and stitching (optional).

* Official Fuel consumption figures are produced for comparison purpose and are measured according to the European Directive 80/1268/EEC. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit In Kind go to www.renault.co.uk.

Renault Quality

Thanks to the attention paid to comfort in every detail, the Renault Mégane demonstrates Renault's desire for quality. A seductive design, high quality materials and innovative technology combine for a unique driving experience. Through this approach, the Mégane embraces our vision of the future.

Quality is in Renault's genes. This quest for excellence can be found at every stage, from vehicle design through to after-sales service.

Renault is currently recognised by the press and specialist organisations for the performance and reliability of its passenger and commercial vehicle range.

And its sales network, thanks to an ongoing sense of duty towards its customers, is now amongst the best on the market in terms of service quality in both sales and after-sales.

WITH 4 YEARS WARRANTY AND RENAULT ASSISTANCE AS STANDARD

4 YEARS WARRANTY

Your vehicle is covered by a warranty package for up to 4 years/100,000 miles (whichever comes first). The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. Your dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for a period of 3 years and the anti-corrosion warranty for a period of 12 years.

SERVICING

A Renault Service plan allows you to budget for the future cost of your routine servicing. It really is the hassle-free way to take care of your Renault. There are many benefits to a Renault Service plan.

- Inflation-proof servicing - You know exactly what you'll pay and there are no hidden costs
- Full peace of mind - No matter where life takes you, we'll be there
- Renault expertise - Our highly trained technicians know your Renault inside out

We have a range of service plans to meet the needs of practically all of our customers*; the two most popular being our 3 year/30,000 miles plan available at £469* and 4 year/40,000 miles available at £769*. Speak to your Renault dealer for more information on these plans or a price for an age and mileage profile that best meets your needs.

FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

4+ YEARS WARRANTY & RENAULT ASSISTANCE All vehicles are provided with 4 years' warranty and Renault Assistance as standard. For warranty exclusions refer to Terms & Conditions. For full Renault Warranty Terms and Conditions visit www.renault.co.uk/warranty. For Renault Assistance Terms and Conditions visit www.renault.co.uk/assistance. *The Service plan offer is available for vehicle ordered between 1st January 2016 and 31st March 2016 and registered in 2016. The Renault Service Plan covers the manufacturer's minimum maintenance programme requirements for the term of the plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. To qualify you must order and purchase the Service plan from a Renault Approved outlet before the first service or within the first 12 months (whichever comes first). Cannot be part exchanged, refunded or transferred. Finance provided by Renault Finance Ltd, P.O. Box 149, Watford, WD17 1FJ. Guarantees and indemnities may be required. You must be at least 18 and a UK resident (excludes Isle of Man and Channel Islands) to apply. Subject to status, terms and conditions apply. †Calls may be recorded. All quotes are based on individual circumstances and subject to insurers underwriting criteria. Renault Insurance is arranged and administered by iGO4 Partners Limited which is authorised and regulated by the Financial Conduct Authority. Financial Services Registration Number 490061. Registered Office: Sundance House, Staniland Way, Werrington, Peterborough, PE4 6JT. Registered in England and Wales No. 6710272.

RENAULT INSURANCE

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays and 10am - 3pm Sundays.
