»» The new smart.

edition black & edition white

Rarely is a decision so black and white. But when it comes to the newest smart edition it is time to paint the city monochrome.

Pick your favourite body style: the iconic fortwo or the contemporary and practical forfour - fully loaded with additional features, effortlessly enhancing your driving experience.

- > **Add attitude** with the urban style package (lowered sports suspension, sports steering wheel, stainless steel pedals and chrome exhaust)
- > **Black is back** with the 16" 8-Y-spoke alloy wheels
- > **Never fear the road less travelled** with the 3D map navigation
- > **Embrace technology and connectivity** with the smart Media-System
- > **Diffuse the city** with automatic climate control

You can never have too much of a good thing, and with smart edition black and edition white you won't be disappointed. In fact, packed with 14 exclusive extra features* the smart forfour edition, for instance, offers a combined value of over £1,600 yet is only £895 above a standard prime forfour. Ask yourself the question: do you embrace your dark side or stand firmly in the light?

This high specification edition is a force to be reckoned with. See it for yourself at your local smart Retailer now.

*Certain features included in the edition black and edition white models are currently not available in the UK market.

» edition black » edition white

Designed to stop you in your tracks: sporty styling, leather seats, 7" smart Media-System full of functions and excellent connectivity, plus top-notch technical features. Read for yourself:

- » 10 mm lowered sports suspension
- » 16" 8-Y-spoke alloy wheels painted in black
