* Fuel consumption and CO₂ emissions are standard EU test figures for comparative purposes, and may not reflect 'real world' driving results. For full details, please see Environmental Information on page 22. CO₂ emissions shown refer to standard specification only. Adding larger optional alloy wheels can increase CO₂ emissions which may affect VED band and recommended 'On the road' retail price. Please see page 24 for further details.

† For full details of VED (Vehicle Excise Duty) bands, delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 22. SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 26 or visit www.volkswagen.co.uk/technology/adblue for more details. **BMT** refers to BlueMotion Technology. **BM** refers to BlueMotion.

MAIN ITEMS OF STANDARD SPECIFICATION

STANDARD ITEMS OF EQUIPMENT: S

VOLKSWAGEN SERVICE

3-year/60,000 miles warranty (whichever is soonest)

3-year paintwork warranty

12-year body protection warranty

Volkswagen Roadside Assistance

Exclusions and terms apply, please see page 28 for more details

WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Aragon' with 215/60 R16 low rolling resistance tyres and anti-theft wheel bolts

Steel space saver spare wheel

EXTERIOR

Black radiator grille with chrome louvres

Body-coloured bumpers

Body-coloured door handles

Body-coloured door mirrors with integrated indicators

Daytime running lights

Exterior temperature gauge and frost warning function

Galvanised body

Halogen clear headlights, range adjustable

Rear lights incorporating LED technology

Rear number plate lights incorporating LED technology

Windscreen wipers with intermittent operation

INTERIOR

Analogue clock in the dashboard

'Brushed chrome' decorative inserts in dash, centre console and door panels

Chrome-plated instrument and air vent surrounds

Cup holders, front x 2

Front centre armrest with storage compartment and two rear air vents

Glovebox, cooled, illuminated and lockable

Height and reach adjustable steering wheel

Interior lighting: front and rear with interior delay and dimming function

Leather trimmed three-spoke multifunction steering wheel and gear knob

Load lashing points x 4, in luggage compartment

Luggage compartment light

Reading lights, front x 2

Seating

– Upholstery – 'Hampshire' cloth

– Driver's and front passenger's seat height adjustment

– Front seats with lumbar adjustment

Split folding rear seat backrests 60:40

Storage compartment in driver's door for 1.0 litre bottle

Storage compartment in roof console with cover

Storage compartments in front passenger's door for 1.5 litre bottle

Storage compartment in rear doors

INTERIOR (CONTINUED)

Vanity mirrors

White instrument lighting

12V socket in front centre console

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Aerial for radio integrated into rear windscreen

Composition Media system

– 6.5" colour touch-screen

– Bluetooth telephone and audio connection for compatible devices¹

– Car information display

– DAB digital radio receiver

– MDI (Multi Device Interface), via USB connection – compatible products only

– Music playback from MP3, WMA and AAC files

– SD card reader

– Simultaneous pairing of 2 compatible mobile devices

– Single CD player

– SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)

– Title and cover art display

– Think Blue. Trainer. – driver tips and journey analysis

– 4 x 20 watt output

– 8 speakers, front and rear

SAFETY AND SECURITY

ABS (Anti-lock Braking System) – includes BAS (Brake Assist System) and EBD (Electronic Brake-pressure Distribution)

Airbags

– Curtain airbag system, for front and rear passengers, including front side impact airbag

– Driver's and front passenger's airbags with front passenger's airbag deactivation switch

– Driver's knee airbag

– Rear seat side impact airbags, outer

Alarm with interior protection

Automatic Post-Collision Braking System

Disc brakes, front and rear

Driver's and front passenger's safety-optimised head restraints, longitudinal and height adjustable

Electronic engine immobiliser

ESC (Electronic Stability Control) – includes EDL (Electronic Differential Lock) and ASR (Traction Control), EDTC (Engine Drag Torque Control) and trailer stabilisation function

First aid kit

Height-adjustable front three-point seat belts with tensioners

High level 3rd brake light

Isofix child seat preparation, outer rear seats

Misfuel prevention device

Press and drive (Keyless start)

Remote central locking with 2 remote keys

Rigid safety cell with front and rear crumple zones

STANDARD ITEMS OF EQUIPMENT: S (CONTINUED)

SAFETY AND SECURITY (CONTINUED)

Tyre pressure loss indicator

Warning buzzer and light for front seat belts if unfastened

Warning light for rear seat belts if unfastened

Warning lights for open boot lid and doors

Warning reflector in all doors

3 rear head restraints, height adjustable

3 rear three-point seat belts

COMFORT AND CONVENIENCE

Air conditioning, manual

Electric windows, front and rear

Electrically heated and adjustable door mirrors

Heated rear window

One-touch indicator turn signal

DRIVER'S ASSISTANCE

Battery regeneration (recuperation – energy recovery during braking)

Driver Alert system

Electronic parking brake – with auto hold function

Hill hold function

Multifunction computer, includes visual gear change recommendation for improved fuel consumption

Power-assisted steering, speed-sensitive

Remote boot unlocking

Speedo and rev counter, electronic odometer, trip, service interval display and fuel gauge

Start/Stop function

Warning light for low washer fluid

STANDARD ITEMS OF EQUIPMENT: BLUEMOTION (OVER S)

WHEELS AND SUSPENSION

Alloy wheels, four 7J x 17" 'Soho' with 215/55 R17 tyres and anti-theft wheel bolts

Sports suspension, lowered by approx. 15mm

EXTERIOR

'BlueMotion' styling pack – uniquely shaped front and rear bumpers

Chrome trimmed front air intake and radiator grille with blue stripe

Unique 'BlueMotion' badging

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice. Model shown features optional metallic paint.

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: SE BUSINESS (OVER S)

WHEELS AND SUSPENSION

Alloy wheels, four 7J x 17" 'London' with 215/55 R17 self-sealing tyres and anti-theft wheel bolts

EXTERIOR

Chrome-plated side window surrounds

Front fog lights with static cornering function and chrome trimmed surround

'Gloss Black' B Pillar trim

Rear tinted glass from B pillar backwards, approx. 65% tinted

INTERIOR

'Diamond Silver' decorative inserts in dash, centre console and door panels

Carpet mats, front and rear

Cup holders with covers, front x 2

LED entrance/warning lights in front doors

Load-through provision

Reading lights, front and rear x 2 incorporating LED technology

Rear seat centre armrest with storage compartment

Seating

– Upholstery – 'Kensington' cloth

– ergoComfort seat with seat cushion tilt adjustment, thigh support and electric backrest adjustment on the driver's side

Vanity mirrors, illuminated

12V socket in luggage compartment

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation system (in addition to Composition Media system)

– Branded points of interest

– Dynamic navigation based on TMC+

– Preloaded European navigation data

– Speed Limit Display¹

– Three route options (Fast, Short, Eco)

– 2D/3D map view

CAR-NET

Car-Net 'Guide and Inform' – 3-year subscription

– Providing online access to a range of useful information such as traffic, fuel pricing, parking space availability, weather and news feeds²

SAFETY AND SECURITY

Automatic leaving home and manual coming home lighting functions

Front head restraints with longitudinal and height adjustment

PreCrash preventive occupant protection

COMFORT AND CONVENIENCE

Automatic dimming interior rear-view mirror

Rain sensor

Remote electrically heated, adjustable and foldable door mirrors, including automatic dimming function on driver's side, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's side

DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter

Driver profile selection, personalisation for

– Wing mirrors

– Map and route settings

– Radio stations

– Air conditioning

– Central locking and windows

– Interior lighting

Dusk sensor, automatic driving lights

Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's audio system

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: GT (OVER SE BUSINESS)

WHEELS AND SUSPENSION

Alloy wheels, four 8J x 18" 'Oxford Anthracite' with 235/45 R18 self-sealing tyres and anti-theft wheel bolts

Full size alloy spare wheel

EXTERIOR

Decorative trim, front side and rear sills in chrome

Rear lights incorporating LED technology with dynamic lighting effect (GT models only)

INTERIOR

Brushed aluminium decorative inserts in dash and door panels

'Piano Black' decorative inserts in centre console

Seating

– Upholstery – Alcantara seat centre section and 'Vienna' leather¹ side bolsters

– Heated front seats (not R-Line)

Steering wheel including paddle shift (auto DSG only)

COMFORT AND CONVENIENCE

Ambient lighting and lights in front door

Climate control – 3Zone electronic air conditioning with automatic air recirculation

Heated windscreen washer jets

Panoramic sunroof

DRIVER'S ASSISTANCE

Active Info Display (in lieu of multifunction colour display)

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: GT 2.0 BiTDI 240 PS 4MOTION (OVER GT)

WHEELS AND SUSPENSION

Dynamic Chassis Control (DCC), variable suspension settings – choice of three settings: Sport, Comfort and Normal

SAFETY AND SECURITY

XDS electronic differential lock for improved traction and handling

EXTERIOR

LED premium headlights with projection technology. Including dual 'U-shaped' LED daytime running lights. 12 separate LED lights which perform the indicator function. With dynamic curve lighting and headlight washers

Trapezoid exhaust tailpipes, left and right

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice. Model shown features optional metallic paint.

¹ Some parts of leather interior will contain artificial leather.

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: R-LINE (OVER GT)

WHEELS AND SUSPENSION

Alloy wheels, four 8J x 18" 'Monterrey' with 235/45 R18 self-sealing tyres and anti-theft wheel bolts

Steel space saver spare wheel

EXTERIOR

'R-Line' styling pack - 'R-Line' design front and rear bumpers, radiator grille and side skirts

Trapezoid exhaust tailpipes, left and right

INTERIOR

Leather trimmed three-spoke multifunction steering wheel with aluminium inserts and 'R-Line' logo

Seating

- Upholstery - 'Race' seat centre section and 'Vienna' leather¹ side bolsters

- Front seats with embroidered 'R-Line' logo on backrest

Stainless steel pedals - clutch, brake and accelerator

Unique 'R-Line' carpet mats, front and rear

Unique 'R-Line' decorative inserts for dash and door panels

Unique 'R-Line' door sill protectors

¹ Some parts of leather interior will contain artificial leather. The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice. ADDITIONAL ITEMS OF STANDARD EQUIPMENT: R-LINE 2.0 BiTDI 240 PS 4MOTION (OVER R-LINE)

WHEELS AND SUSPENSION

Dynamic Chassis Control (DCC), variable suspension settings - choice of three settings: Sport, Comfort and Normal

SAFETY AND SECURITY

XDS electronic differential lock for improved traction and handling

EXTERIOR

LED premium headlights with projection technology. Including dual 'U-shaped' LED daytime running lights. 12 separate LED lights which perform the indicator function. With dynamic curve lighting and headlight washers

FACTORY-FITTED OPTIONS

At Volkswagen, we work towards making sure that our cars are as close to how you want them as possible, and we understand that every detail needs to be right for you and your needs.

Introducing our exceptional range of factory-fitted options which allow you to express your individuality, help with the practical things in life, and add a touch of luxury at the same time. Whether you're looking for things to help you relax and help take the stress out of driving, feel protected, or simply look fantastic, just take your pick.

From keyless entry to adaptive cruise control, from a swivelling towbar to concert hall acoustics, you'll find everything you need on the following pages to make your Passat **your** Passat, and perfect in every detail.

Factory-fitted option prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of 20% VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. Models shown feature optional metallic paint.

1 Standard with 2.0 litre BiTDI 240 PS engines. 2 Not available with 2.0 litre BiTDI 240 PS engines.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 24 for full details.

● Standard equipment ○ Optional equipment – Not available. Factory-fitted options are subject to availability and extended delivery.

The listed items above are only a selection of the accessories available. For information on our complete range of accessories, please refer to the Volkswagen accessories brochures or visit www.volkswagen.co.uk/accessories

Accessory prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of fitting where applicable and appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. All prices exclude customer and retailer installation unless otherwise stated – for full details, please contact your authorised Volkswagen retailer.

Choosing larger alloy wheels than standard, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers may increase. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. 1 Price per wheel excludes tyre. 2 Suitable for wheels up to 18".

VOLKSWAGEN WARRANTY AND SERVICE PLANS

ADDITIONAL WAYS TO KEEP YOUR PERFECT CAR, PERFECT... FOR LONGER

Exclusions and terms apply, please see page 28 for more details. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

THE VOLKSWAGEN EXTENDED WARRANTY

If you order the Volkswagen Extended Warranty as an option when buying your new Passat, then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

CHOOSE ONE OF THE FOLLOWING TWO OPTIONS:

	Basic Recommended Retail £	VAT £	Total Recommended Retail £
Four years	337.50	67.50	405.00
This covers up to four years or 75,000 miles, whichever comes soonest. The cover includes a two-year unlimited mileage warranty and up to 75,000 miles in the third and fourth years.			
Five years	800.00	160.00	960.00
This covers up to five years or 90,000 miles, whichever comes soonest. The cover includes a two-year unlimited mileage warranty and up to 90,000 miles in the third, fourth and fifth years.			

For further details please visit www.volkswagen.co.uk or speak to your authorised Volkswagen retailer.

FIXED PRICE SERVICE PLAN

We offer Fixed Price Service Plans to cover all new models for up to three years or 30,000 miles. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, if you decide to sell your car, it'll take the plan with it to its new owner who will know, from Volkswagen stamps in the service book, that it was valued for more than its looks alone.

3-year/30,000 miles (whichever is soonest) service plan comprising:	
12 months/10,000 miles:	Oil change service
24 months/20,000 miles:	Interval service (including oil change)
36 months/30,000 miles:	Inspection service (including oil change) Brake fluid change

For pricing and further details, please consult your authorised Volkswagen retailer.

Solutions PCP

THE MAGIC OF MORE CAR FOR YOUR MONEY

So what's the big deal?

Solutions from Volkswagen Financial Services offers you flexible competitive rates and a finance plan that's completely built around you. Because it allows you to leave paying for some of the car's value to the very end, you can lower your monthly repayments... allowing you to get more car for your money. At the end of the agreement you also get three options to suit you. Solutions. Not smoke and mirrors, just brilliant, flexible finance. (There, the secret's out!)

Volkswagen Financial Services

Finance. Insurance. Fleet. Mobility.

The nitty-gritty

1. Choose a repayment period and annual mileage.
2. Pay your deposit, which can be made up of cash or a part-exchange.
3. Defer an agreed amount until the end of your agreement.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

In the end... the choice is yours

1. Part-exchange your existing car for a new Volkswagen on a Solutions (PCP) contract (subject to status).
2. Pay the option to purchase fee and the optional final payment and keep your Volkswagen.
3. Hand the car back (subject to terms and conditions).

Cost of your vehicle

Deposit
As little as one monthly payment

Monthly payments
Spread across 18 to 48 months

Optional final payment
You have three choices at the end of your agreement

Test drive some numbers with our finance calculator by scanning this QR code with your mobile device.

For more information and things to consider when taking out finance, please visit vwfinance.co.uk

Model shown is Passat R-Line with optional Pure White non-metallic paint.

An offer of finance depends on certain conditions. Finance subject to status. 18s and over. Terms and conditions apply. Volkswagen Financial Services.

* Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. CO₂ is the main greenhouse gas responsible for global warming. This information should be used for illustration purposes only. Choosing larger alloy wheels than standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers will increase. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The specifications contained in this price list are for information purposes only and are subject to change. SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 26 or visit www.volkswagen.co.uk/technology/adblue for more details. **BMT** refers to BlueMotion Technology. **BM** refers to BlueMotion.

VEHICLE EXCISE DUTY (VED) AND ADDITIONAL 'ON THE ROAD' COSTS

On 1 May 2009, there was a change to the Vehicle Excise Duty (VED) tax bands. Cars are taxed according to their CO₂ emissions, in bands A to M.

All vehicles first registered on, or after, 1 March 2001 are subject to a new form of VED (Road Fund Licence). This new duty is based upon the type of fuel the vehicle uses and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). To help you identify the duty you will pay, the DVLA has created thirteen categories for petrol and diesel engines. Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO₂ emissions produced.

The CO₂ and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

VED band 'First year rate'

As of 1 April 2010, anyone buying a new car will pay a 'First year rate' of VED for the first Road Fund Licence. The chart below shows the VED bands and the charges which are levied:

VED band	CO ₂ emissions (g/km)	Petrol/Diesel VED £	Petrol/Diesel total 'On the road' costs £
A	Up to 100	0.00	655.00
B	101-110	0.00	655.00
C	111-120	0.00	655.00
D	121-130	0.00	655.00
E	131-140	130.00	785.00
F	141-150	145.00	800.00
G	151-165	185.00	840.00
H	166-175	300.00	955.00
I	176-185	355.00	1,010.00
J	186-200	500.00	1,155.00
K	201-225	650.00	1,305.00
L	226-255	885.00	1,540.00
M	Over 255	1,120.00	1,775.00

The total 'On the road' costs above include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed below:

Additional 'On the road' costs

	Costs £
Delivery to retailer	480.00
Number plates	20.00
VAT	100.00
Vehicle first registration fee	55.00
Total	655.00

VED band 'Standard rate'

For the subsequent year's VED (Road Fund Licence), vehicle owners will then pay the 'Standard rate' of VED as shown in the table below:

VED band	CO ₂ emissions (g/km)	Petrol/Diesel VED £
A	Up to 100	0.00
B	101-110	20.00
C	111-120	30.00
D	121-130	110.00
E	131-140	130.00
F	141-150	145.00
G	151-165	185.00
H	166-175	210.00
I	176-185	230.00
J	186-200	270.00
K*	201-225	295.00
L	226-255	500.00
M	Over 255	515.00

* Band K includes cars that have a CO₂ figure over 225g/km, but were registered between 1 March 2001 and 23 March 2006.

Six months' VED (Road Fund Licence)

As of 1 April 2010, six months' Road Fund Licence will not be available for some vehicles at first registration. VED rate for bands A-D is zero and will not be eligible for a six-month Road Fund Licence at first registration. VED rate for bands E-G will be eligible for a six-month Road Fund Licence at first registration. VED rate for bands H-M will not be eligible for a six-month Road Fund Licence at first registration.

Subsequent year's VED (Road Fund Licence)

Vehicles with a VED rate of £55 or above will be eligible for a six-month Road Fund Licence.

VED 'First year rate' refund

Refunds on a vehicle's Road Fund Licence in bands H-M will only be calculated on the basis of the 'First year rate' if the vehicle has been stolen, scrapped or moved into a tax class where no VED is payable (e.g. cars for the registered disabled).

If the refund is being applied for because the vehicle has been sold, exported or taken off the road, it will be calculated according to the 'Standard rate' of VED applicable to that vehicle.

CO₂ EMISSIONS AND VED BANDS WITH OPTIONAL WHEELS

EFFECT OF WHEEL SIZE ON CO₂ EMISSIONS AND VED BANDS

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

			Output, PS	Standard wheel size	CO ₂ emission, g/km*, standard wheels	VED Band, standard wheels	Optional alloy wheel and size	CO ₂ emission, g/km*, optional alloy wheels	VED Band, optional wheels

* Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. Please note: the increase in VED rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details. SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 26 or visit www.volkswagen.co.uk/technology/adblue for more details. **BMT** refers to BlueMotion Technology. **BM** refers to BlueMotion.

Model shown is Passat GT 2.0 BiTDI 240 PS 4MOTION with optional 19" 'Verona' alloy wheels and metallic paint.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet the latest EURO 6 exhaust gas regulations.

How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Passat	13 litres	Next to fuel filler nozzle	4,000 to 6,500 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

AdBlue® warning lights.

THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

THE VOLKSWAGEN WARRANTY

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels of the Passat are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

EXTENDED WARRANTY

If you order the Volkswagen Extended Warranty as an option when buying your new Passat then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

SERVICE INTERVALS

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

SERVICE INTERVALS (CONTINUED)

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

VOLKSWAGEN INSURANCE⁴

We want you to start enjoying your new car from day one and thanks to Volkswagen free 5 day insurance, you can. Call free on 0330 303 6930 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

VOLKSWAGEN ENSURANCE⁵

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit volkswagen-ensurance.co.uk

VOLKSWAGEN FINANCE⁶

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

ADBLUE[®]

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue[®] which must be kept topped up. Please see www.volkswagen.co.uk/technology/adblue for more details.

- 1 All warranty work must be completed by an authorised Volkswagen retailer or repairer.
- 2 The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 3 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 4 Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Annual insurance credit is provided by Ageas Retail Limited. Volkswagen Motor Insurance from VWFS UK is sold and administered by Ageas Retail Limited, registered in England and Wales number: 1324965. Registered Office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. VWFS UK and Ageas Retail Limited are not part of the same corporate group.
- 5 Ensurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire SO53 3YA).
- 6 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
