MINIKIT

JOHN COOPER WORKS PRO MINI KIT.

Nothing can compete with a MINI and John Cooper Works Pro Tuning. With our range of racetrack-inspired accessories you can take your MINI's sporty credentials to the next level.

The John Cooper Works Pro AeroKit makes the already sporty MINI Convertible, 3-door & 5-door Hatch and JCW models even more thrilling. Features such as the front splitters and rear diffuser visibly amplify the model's power, not only enhancing appearance, but optimising its aerodynamics for an awe-inspiring racing experience.

Want to take things to the next level? Our range of JCW Pro alloys are guaranteed to turn heads. The John Cooper Works Pro rear-view and exterior mirror covers will catch the eye too. Looking for even more? Then look no further than the bonnet stripes, JCW Pro Side Stripe in Jet Black or Chili Red, or the sporty JCW Pro Flag Side Stripe. And if that's still not enough, add the John Cooper Works Carbon Fibre Air Intake, and Mirror Covers, and you've got a drive worthy of the racetrack. Ladies and gentlemen, start your engines.

**JOHN COOPER WORKS PRO
TUNING KIT AND EXHAUST.**

The JCW Pro Tuning Kit and Exhaust for the new MINI Cooper S Convertible, 3-door and 5-door Hatch and the JCW Pro Exhaust for the JCW 3-door Hatch model bring the John Cooper Works racing heritage to life. The new, performance-optimised engine update, coupled with the perfectly-tuned valve silencer (Bluetooth 4.0 controlled) intensifies the MINI's sporty sound characteristics, while improving responsiveness and upgrading the standard engine's performance to an eye-watering 210hp, delivering an unbeatable driving experience.

AT THE FLICK OF A SWITCH.

The Bluetooth 4.0 controlled valve silencer allows you to select from two modes: Track mode* – designed for use on the race track only, it delivers no holds barred responsiveness and sports acoustics; and Sport mode – delivering a sportier than normal sound and drive, but with some residual comfort, aimed for more understated sports use on the road.

See it in action on the MINI UK YouTube Channel.

GOPRO HOLDER.

For the first time, MINI is offering the opportunity to make high-quality video recordings inside and outside the car. You can choose from two versions.

In the first, the GoPro holder can be secured inside the car using the Travel & Comfort base carrier. This is ideal for recording a family trip, for example.

In the second, you can mount the Track Fix GoPro holder outside the car on the front or rear towing eyelet. This enables you to experience your driving in a racetrack environment.

GET AROUND.

KEEP ON ROLLING: RUNFLAT TYRES.

Price available on request from your local retailer

How can you keep driving after a puncture without changing the wheel? Easy. With runflat technology. The sidewalls of the tyres are specially reinforced and made of an extremely heat-resistant rubber compound. Together with humps on the rim, this prevents the tyre from detaching after a complete loss of pressure, even when cornering. As a result, there is no need to change the wheel. Depending on the load you are carrying, you can keep going at speeds of up to 50 mph for a further 50 miles.

Unless stated, prices do not include fitting and you may be required to purchase additional items due to the specification of your MINI.

A STAR PERFORMER.

Whenever you purchase new tyres, look out for the five-pointed star of the Genuine MINI range. Positioned on the sidewall, this indicates the product has been put through its paces by MINI in conjunction with leading tyre manufacturers. These tests guarantee that the tyre meets all key safety, responsiveness and comfort requirements, and have been put together with your MINI in mind. For more information on wheel/tyre combinations and winter complete wheels, please see the product overview at the back of this catalogue, or the Accessories area of the MINI website.

LED ADDITIONAL HEADLIGHTS.*

Switched on or off: the completely revamped LED additional headlights light the way with their design. They combine the classic MINI additional headlights familiar from rally sports with modern LED lighting technology, delivering impressive performance with their innovative ability. When switched off, the light source is initially invisible, and instead the most striking feature is a delicate spar sporting the striking MINI lettering. These additional headlights therefore match the sophisticated design of the MINI perfectly.

Chrome: 63 12 2 287 147 Black: 63 12 2 287 148

Fitted price from £499*

HALOGEN ADDITIONAL HEADLIGHTS.*

Available in chrome or black, the halogen additional headlights integrate perfectly with the design of the MINI Hatch.

The additional headlights cast twice as much light onto the road, whilst the embossed MINI logo on the lenses allow the headlights to be recognised immediately as a Genuine MINI accessory.

Chrome: 63 12 0 417 669 Black: 63 12 0 420 291

Fitted price from £349*

POWER AND BLUE HALOGEN BULBS.

The new MINI H4 Power halogen lamps offer up to 110% more light performance compared to normal H4 lamps. This gives significantly improved illumination when the low-beam headlight is used and an extremely bright, white high-beam headlight with a colour temperature of 4300 Kelvin.

The new MINI Blue H4 halogen lamps produce an extremely bright, white light on the road (up to 60% more light performance) and an unusual blue light effect in the headlight.

MINI MULTIFUNCTIONAL COVER*

The MINI multifunctional cover can be used in a variety of ways, both inside and outside the car. The universal protective cover has two different sides, a fleece and water-repellent side. The softer fleece is soft to touch making it ideal as a picnic blanket or leisure blanket. The water-repellent side protects the interior from moisture and dirt, making it perfect for pets, seaside trips, and all other adventures in your MINI. Simple fastening loops ensure the multifunctional blanket stays in place whatever its use and slits allow seat belts to be used while the cover is in place. Dimensions: 111 x 176 cm

PLUGGED IN – COMMUNICATION AND TECHNOLOGY.

MINI HEAD-UP SCREEN.

The Head-Up Screen is a new and innovative product that displays various car and navigation information on a transparent screen.

The screen is installed on the dashboard and is positioned at the height of the steering wheel. All of the information is therefore in the driver's direct line of vision.

The Head-Up Screen has an integrated smartphone interface.

As a result, information from smartphone apps can also be displayed. Garmin, as a navigation specialist, offers a matching navigation application.

As a result, next to the relevant vehicle data, the Head-Up Screen also displays navigation information. All of the settings can also be carried out via the free-of-charge Head-Up Screen app.

The Head-Up Screen can be retrofitted to virtually all MINI cars. The innovative Head-Up Screen offers the driver two core functions: display of current vehicle information and navigation.

The information on the Head-Up Screen is very easy to read even in direct sunlight. During the hours of darkness, the display adjusts the brightness automatically downwards in the same way as for the dashboard instruments.

The frame of the Head-Up Screen in sophisticated black does not reflect sunlight, preventing the driver from being dazzled. With the Head-Up Screen, MINI is offering a product that delivers innovative OLED technology and high-quality material, which is also perfectly coordinated with the design of MINI cars.

MINI CLICK & DRIVE SYSTEM AND PORTABLE NAVIGATION XL.

The MINI Click & Drive System comprises a base carrier for navigation devices that combines functionality and design in a unique way. The cradle is optimally positioned so that the driver always has the navigation device in his field of vision while driving.

The Click & Drive add-on builds on the tried-and-tested MINI Click & Drive System, however it follows a new design.

- Perfect view: The new attachment point behind the speedometer ensures a completely clear field of vision
- Swiveling cradle, ergonomically operated and visible from all positions
- Exchangeable spars boasting MINI lettering in high-gloss black
- Base carrier becomes virtually invisible when folded away

Portable Navigation XL features include active lane guidance to help you find the correct lane at all times, automatic voice recognition to enter destinations and an innovative splitscreen function to show the map and actual driving direction with route and traffic signs.

At a fitted price of £359, the Click & Drive System, coupled with the portable navigation XL, is the perfect co-driver.

MINI ADVANCED CAR EYE.

The MINI Advanced Car Eye is a highly sensitive, full-HD camera that allows critical driving situations to be captured and detailed video to be recorded accurately from the car's perspective.

If anything hits the car, the camera starts to record, documenting any accidents or (attempted) break-ins. Light sensitive sensors ensure excellent recording quality both during the day and at night.

CHILD SEATS.

MINI baby and junior seats are soft and comfortable in everyday use, the integrated airpads provide additional protection in the event of side impact. ISOFIX technology makes the seat exceptionally safe because it eliminates the risk of the seat being incorrectly fitted in the vehicle. The covers are removable and washable at 30°C.

CHILD RESTRAINT SYSTEM WITH ISOFIX BASE

The MINI Baby Seat Group 0+ and MINI Junior Seat Group 1 with ISOFIX are child seats with a systematic approach for babies and small children up to the age of around 4 years. The Baby Seat 0+ can be used with or without the ISOFIX base, whilst the Junior Seat 1 requires the base. Both seats have integrated airpads (patented), which provide additional head protection in the event of a side-on collision. In everyday use, the airpads are soft and comfortable.

You can choose between the powerful fashion shade Vivid Green or the traditional Union Jack in a modern look. The MINI logo is printed on the outside of this high quality seat. Its position has been set so that it is clearly visible outside the car too.

ISOFIX base Part number 82 22 2 348 233 **£157.50**

CHILD RESTRAINT SYSTEM

The MINI Junior Seat 2/3, with its inclination matching the car seat, has been designed especially for children weighing between 15 and 36 kg and measuring 95 – 150 cm tall, making it ideal for children between the ages of around 3 and 12 years. The seat is secured using the car's three-point seat belt. The seat can also be secured using the integrated connectors to the ISOFIX anchor points in the car to ensure greater stability. Both seats have integrated airpads (patented), which provide additional protection for the head in the event of a side-on collision. In everyday use, the airpads are soft and comfortable.

You can choose between the powerful fashion shade Vivid Green or the traditional Union Jack in a modern look. The MINI logo is printed on the outside of this high quality seat. Its position has been set so that it is clearly visible outside the car too.

MINI TRACKSTAR AND TRACKSTAR ADVANCE. AROUND THE CLOCK SURVEILLANCE FOR YOUR MINI.

KEEP IT SAFE WITH MINI TRACKSTAR.

Keep your MINI safe and sound from even the most tech-savvy car thieves with MINI Trackstar.

The only MINI-approved stolen vehicle recovery product that utilises GPS (Global Positioning Satellite), GSM (Global Systems for Mobile Communications) and an integrated motion detector, MINI Trackstar can reunite you with your MINI in as little as eight minutes.

If your MINI goes missing, the Trackstar Control Centre will be able to locate it 24 hours a day, 365 days a year so you can have complete peace of mind.

MINI TRACKSTAR CAT 6.

As soon as you switch the engine off, MINI Trackstar switches itself on, so if your MINI is stolen the Trackstar Control Centre can immediately pinpoint its position. Using state-of-the-art satellite technology, the Trackstar unit in your MINI will send an 'I'm here!' signal to the control centre every 20 seconds. The Trackstar Control Centre will work with the Police to get your MINI back any time of the day or night.

MINI TRACKSTAR CAT 6 ADVANCE.

The latest product in the range is Trackstar Advance which uses a clever electronic keytag to provide an advanced level of theft prevention. With MINI Trackstar Advance a key tag is needed as well as your usual car key. This connects to the in-car system and recognises you as the owner of the car, otherwise your MINI will refuse to start.

JUST LIKE NEW.

PROTECT YOUR PAINTWORK AND INTERIOR FOR LIFE.

THE PROBLEM.

Spending time out and about in your MINI is one of life's pleasures, but every journey increases your car's exposure to a number of harsh environmental factors.

Thanks to the likes of airborne pollution, tree sap, UV rays, detergent and acid rain, regular erosion means that your MINI needs extra protection if you want it to keep its show-stopping shine.

But it's not just your paintwork that's under threat. Airborne dirt transferred by you, your family and pets into your car, means that your interior is at risk from staining too.

THE SOLUTION.

The products in the MINI Protect X range shield your paintwork from environmental nasties, and give your MINI that eye-catching glossy finish it deserves.

They also keep seat fabrics and carpets stain-free, and make sure leather stays soft and supple – but the benefits don't stop there. You will also be given a take-home car care kit containing a selection of cleaning items that will help keep your MINI in perfect condition.

So you can rest assured that your MINI, and its future resale value, stays protected.

GUARANTEED FOR LIFE.

MINI Protect X keeps your car looking like new, inside and out. Applied by experts, our new vehicle protection system does the following:

- Maintains that high-gloss showroom finish, wash after wash
- Guards your paintwork and interior
- Protects the future resale value of your MINI
- Enhances safety and visibility in wet driving conditions
- Includes a transferable Lifetime Guarantee for paint, leather and fabrics*

*There is an administration fee to pay to transfer the Lifetime Guarantee.

THE PERFECT FINISH.

CUSTOMER TAKE-HOME CAR CARE KIT.

But the benefits don't stop there. You will also be given a MINI branded take-home car care kit which contain a host of items including shampoo, wheel cleaner, interior care cloths and glass cleaner – everything you will need to keep your MINI in perfect condition.

PRICE.

MINI Protect X is now available for £299 RRP, and can only be bought from and applied by an authorised MINI Centre.

Contact a member of our staff for more information.

MINI CAR CARE PRODUCTS.

New MINI Care Products are offered in a stylish racing look. A well known design agency was involved in developing the new products. The containers in rally look feature start numbers as a stylistic element, and are a real eye-catcher. The 1960s and nostalgic racing chic were an important inspiration in the development of new MINI Care Products, and underline the emotional value of the MINI brand.

A matching MINI Car Care Display is available for presenting MINI Car Care Products in an optimum way.

ACCESSORISE YOUR MINI, WITH MINI FINANCE.

Why not add those MINI accessories you would really like, with a MINI accessory loan that covers whatever MINI KIT takes your fancy. You could be looking at alloy wheels, styling kits or graphics. You'll be surprised at how affordable they can be with low monthly payments from MINI Financial Services.

You can spread the cost of your accessories over 12 to 60 months, borrow anything from £750 to £10,000, and have fixed monthly payments from start to finish, making it easy to budget for those added extras. Why not make a big statement on the road and get a quote from your MINI Centre today.

Representative Example for a MINI John Cooper Works Pro AeroKit (without PDC).
