GO WITH YOUR GUT.

When buying a car, it's best to use your head, right? Wrong. If you're looking for a unique experience, go with your gut. The MINI Clubman was designed to put your head in a spin, thanks to its distinctive looks, its sophisticated array of equipment, and the legendary go-kart feeling that is so typical of a MINI. That's not to say it isn't a logical choice: it's great for long-distance trips, with 6 doors including split doors at the rear, a spacious interior, the latest communications technologies and a top-quality look and feel throughout. It's time to overrule your head – your gut feeling is already in the driving seat with both hands on the wheel.

Welcome the MINI Clubman.

SPACIOUS.

The size of the MINI Clubman makes it the ideal car for short trips and longer journeys alike. This is largely due to its 360-litre luggage capacity and the versatility of the large rear seat bench. With the optional 40/20/40 split folding rear seats, the backrest folds forward: the middle section can be used either as a comfortable armrest (with cup holders) or as extra space to accommodate longer, bulkier items of luggage. With the optional Comfort Access System and smart-opener function, the split doors open automatically when you move your feet under the boot and back again, making it easy to load and unload the car.

COOPER.

The MINI Cooper Clubman is powered by a 1.5-litre MINI Twin Power Turbo 3-cylinder petrol engine delivering 136 hp/100 kW and 220 Nm (with overboost), so it has plenty of get-up-and-go. But if you prefer high-torque, efficient diesel engines, you can't look past the MINI Cooper D Clubman. It generates an incredibly satisfying 330 Nm and an output of 150 hp/110 kW – served up by a 2-litre MINI Twin Power Turbo 4-cylinder diesel engine.

COOPER S.

To really take things up a gear, climb aboard the MINI Cooper S Clubman. Under the bonnet it boasts a 2-litre MINI Twin Power Turbo 4-cylinder engine that generates 192 hp/141 kW and, thanks to the overboost function, up to 280 Nm of torque (ALL4 version also available). However, if you prefer high-torque, efficient diesel engines, go for the MINI Cooper SD Clubman (ALL4 version also available), which generates 400 Nm of torque and an output of 190 hp/140 kW.

THERE'S MORE THAN ONE WAY TO DRIVE A MINI.

There's also more than one MINI to drive away. Whether you go for the Cooper/D, Cooper S/SD or John Cooper Works, each one has a different engine and its own feel behind the wheel. But whichever model you choose, they all have one thing in common: the power and efficiency of MINI Twin Power Turbo technology.

All MINI Clubman models are fitted with a 6-speed manual gearbox as standard. 6-speed Steptronic transmission is available upon request for Cooper models, whilst an 8-speed Steptronic gearbox is optional for Cooper D, Cooper S/SD and John Cooper Works variants.

What's more, intelligent ALL4 all-wheel-drive system in Cooper S/SD models (available as optional) as well as John Cooper Works models (standard) ensures optimum traction on all road surfaces. For more information about the John Cooper Works model, please refer to the technical data section on page 38-39 or check the MINI John Cooper Works brochure.

With optional MINI Driving Modes, you can adapt the performance of your MINI to match your mood and the driving conditions. In the MID and GREEN modes, the optional Variable Damper Control adjusts the suspension to keep the drive enjoyably smooth. But if you want to feel like you're tearing up the tarmac in a go-kart, select the SPORT mode.

- ① Decorative trim in cockpit
- ② Wraparound cockpit trim
- ③ Decorative door trim
- ④ Centre console trims

Loving attention to detail.

Non-slip surfaces featuring a classic tartan pattern are included in the optional storage compartment pack and provide added grip for items stored in the glove compartment, door pockets, cup holders and in the centre console.

FALL IN LOVE. OVER AND OVER AGAIN.

Style is everything. Make the interior of the MINI Clubman your own with a selection of brand new interior and decorative finishes for the cockpit and doors.

PICK YOUR WHEELS.

VED RATES

Annual VED (second year onwards) is £450 for cars costing over £40,000 and is payable for five years.

VED rates for brand new cars are determined by their CO₂ emissions figure.

First year VED applies to the first year of ownership. Annual VED rates apply thereafter.

The MINI Clubman models fall into one of the categories listed below:

CO ₂ emissions (g/km)	101-110	111-130	131-150	151-170
First year VED	£140	£160	£200	£500
Annual VED (second year onwards)	£140	£140	£140	£140

CO ₂ emissions (g/km)	123	115	-	-	-	-	-

¹ All MINI models comply with the EU6 exhaust emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (as defined in directive 80/1268/EEC), made up of approximately one third urban and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured separately from fuel consumption. Figures relate to standard-specification vehicles, and may vary significantly where optional equipment (including larger tyres) is fitted. Figures for fuel consumption and CO₂ emissions may vary depending on the wheels and tyres fitted. Figures are obtained in a standardised test cycle. They are intended for comparisons between vehicles and may not be representative of what a user achieves under usual driving conditions.

MINI UK, a trading name of BMW (UK) Limited, is a credit broker and not a lender.

Finance example is for a MINI Select agreement for a MINI Cooper Clubman with optional extras of Pure Burgundy metallic paint, roof and mirror caps in Melting Silver, 18" Star Spoke light alloy wheels, Chili Pack and MINI tlc service cover (up to 36,000 miles or the length of your agreement, whichever comes first), with a contract mileage of 40,000 miles and excess mileage charge of 5.14p per mile. Applies for new vehicles ordered between 1 July and 30 September 2017 and registered by 31 December 2017, (subject to availability) at participating MINI Retailers. Retail customers only. *On the road cash price is based on manufacturer's recommended retail price and includes 3 year MINI Retailer Warranty, MINI Emergency Service, 12 months' road fund licence, vehicle first registration fee, delivery, number plates and VAT. [^]Optional final payment and option to purchase fee not payable if you opt to return the vehicle at the end of the agreement (vehicle condition, excess mileage and other charges may be payable). Finance available subject to credit acceptance to UK residents aged 18 or over. Guarantees and indemnities may be required. Terms and conditions apply. Offer may be varied, withdrawn or extended at any time. 'MINI Select' is a form of hire-purchase agreement provided by MINI Financial Services, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. You will have a 14 day statutory right to withdraw from the agreement. MINI UK introduces customers to MINI Financial Services only.

The MINI Cooper Clubman with optional extras of Pure Burgundy metallic paint, roof and mirror caps in Melting Silver, 18" Star Spoke light alloy wheels and Chili Pack.

SENSIBLE REASONS TO CHOOSE A MINI.

Exceptional drive, build quality and an array of striking interior design features – all great reasons to buy a MINI but that’s certainly not the whole story. Here are some other things you might find interesting:

Lower emissions and lower fuel consumption

Whichever paintwork you go for, your new MINI will always be green. The new TwinPower Turbo engines are incredibly responsive yet economical at the same time. MINIMALISM is our name for a range of engineering advances that ensure lower fuel consumption, and with it, lower CO₂ emissions. These include the Automatic Start/Stop function, which is now available as standard on the new MINI with either manual or optional automatic transmission.

Compare your favourite MINI model against other cars on mini.co.uk to see just how well we perform.

Servicing

But won't a MINI be expensive to service you ask? Nope. We've made sure of that by offering every new MINI owner comprehensive service cover for the first 3 years (or 36,000 miles whichever is sooner) for a one off payment. We call this MINI tlc. For further information including full pricing, terms and conditions visit mini.co.uk/aftersales or contact your retailer.

Finance that focuses on you

Has a MINI captured your eye? Then let's sit down and work out a tailored finance solution for you.

We offer three different types of finance agreement, as well as the guidance of a finance specialist at your local MINI Centre.

MINI Select

Having three options at the end of your agreement makes this our most popular finance product, for new or Approved Used MINIs.

MINI Hire Purchase

The attraction of MINI Hire Purchase is that there are no mileage restrictions. Better still, when you get to the end of your finance agreement, your MINI is all yours.

MINI Contract Hire

Available for both personal and business users, this is a truly effortless way to get the keys to a MINI.

To find out more visit offers.mini.co.uk or speak to your local MINI Centre. MINI UK, a trading name of BMW (UK) Limited is a credit broker not a lender.

Finance is subject to status and available to over 18s in the UK only. Guarantees and indemnities may be required. Terms and conditions apply. Finance provided by MINI Financial Services, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. MINI UK introduces customers to MINI Financial Services only.

Genuine MINI Accessories

Genuine MINI Accessories is the only range that is approved by the people that build the MINI. Every item is at one with the design, build and spirit of this uncompromising car. New or Approved Used, there are many ways to make your MINI unique with our innovative equipment and Accessories. Be it exterior styling accessories including decals, alloy wheels, roof rack systems and mirror covers or why not tailor the interior, where the range extends from the rear-view mirror cover and door lock caps to MINI Head-Up Screen and Travel and Comfort systems for rear seat entertainment and storage. Whichever you choose, Genuine MINI Accessories are sure to make your MINI as individual as you. For details of the full range available pick up an Accessory brochure from your local MINI Centre or visit: mini.co.uk/accessories

Our retailers

Last but certainly not least, our lovely MINI Centres. Our retailers take a lot of pride in making their showrooms nice places to visit and staffing them with friendly, knowledgeable staff. Our service areas are filled with MINI specialists who know them inside out and are ready to lavish them with care.

Prices shown are those in effect at the time of going to press and may alter periodically subject to product changes. All prices include VAT unless quoted separately.
