## The hard facts to melt your heart

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the comprehensive services and benefits that are available to every Mercedes-Benz driver.

See Mercedes-Benz in a new light. Now is the time to get yourself behind the wheel of a GLS. Choose from a number of attractive finance offers. Please see pages 15-18 for further details, or visit [www.mercedes-benz.co.uk/offers](http://www.mercedes-benz.co.uk/offers)

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart. Which is why we'd like to invite you for a test drive at your local Mercedes-Benz Retailer. Alternatively, you can make arrangements by visiting [www.mercedes-benz.co.uk/testdrive](http://www.mercedes-benz.co.uk/testdrive)

For more information visit [www.mercedes-benz.co.uk](http://www.mercedes-benz.co.uk) or call 0333 222 0500.

## Make the most of every street. Even if there are none.

On the highway, in fast corners or in the field - the AMG Performance 4MATIC makes every terrain the best. The permanent all-wheel drive distributes drive power 40:60 to front and rear axles, and the ACTIVE CURVE SYSTEM with active suspension stabilises body roll. This guarantees assured, predictable handling with more traction, directional stability and greater agility around the vehicle's vertical axis. But what you make of it is, of course, entirely up to you.

-  AMG Exclusive Nappa leather - porcelain/black
- 

## Exclusive driver training for Mercedes-AMG GLS 63 4MATIC owners

All Mercedes-AMG GLS 63 4MATIC customers are invited to a complimentary AMG Driving Academy Training experience at Mercedes-Benz World.

With friendly one-to-one tuition from a professional Mercedes-AMG driver, your training will be personalised to you. You'll push Mercedes-AMG driving performance and your driving skills to the limits on our track and purpose-built low friction dynamic handling facilities.

Through high-speed and adrenaline-fuelled exercises you'll experience oversteer, understeer, slaloms and many more performance driving skills. Designed as part of your ownership experience, this will lay the foundations to master a high-performance vehicle, develop driving skills with maximum enjoyment and prepare you to take full command of your own Mercedes-AMG.

### TERMS AND CONDITIONS

The following only are eligible: the first purchaser/registered keeper of a newly-registered Mercedes-AMG GLS 63 4MATIC; the second owner/registered keeper of a Mercedes-AMG purchased from a Mercedes-Benz Retailer, where the vehicle is less than 90 days from registration. The AMG Driving Academy Training experience is the AMG BASIC-Training as detailed in the further information above and must be booked and taken within six months of delivery of your Mercedes-AMG GLS 63 4MATIC; it cannot be exchanged and cannot be transferred for any other driving experience. The Training experience is available Monday to Friday only and is subject to availability. Mercedes-Benz UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable.

USB ports (2) in centre console	●	●	●

Item	AMG Line	designo Line	Mercedes-AMG
<b>Safety and Assistance Systems</b>			
Lane Tracking package Blind Spot Assist – when a vehicle is detected in the blind spot, a red triangle lights up in the exterior mirror. If the driver overlooks this warning and operates the direction indicators, an acoustic warning is additionally sounded. Lane Keeping Assist – the system is able to recognise when the vehicle is unintentionally drifting out of lane, warning the driver by means of pulsed vibrations on the steering wheel	●	●	●
Active bonnet – pedestrian safety measure	●	●	–
Active Brake Assist The driver is given a visual warning if the distance from a vehicle in front is inadequate. On detecting the danger of a collision there is an acoustic warning, driver braking can be assisted and, if the driver fails to react, the speed can be reduced autonomously. Autonomous partial braking only occurs if the driver fails to react and is travelling at a speed range between 4–65 mph speeds for moving objects and 4–31 mph for stationary objects	●	●	●
Airbags – driver and front passenger	●	●	●

## Seating – seat comfort

The multi-contour seats<sup>1</sup> with massage function offer optimum seating comfort for driver and front passenger. Various air chambers allow seats to be individually adjusted to an occupant's stature – from the seat cushion depth on the side bolsters to the position and form of the backrest curvature. Lumbar support additionally cushions the spine. A massage function, with seven zones and two selectable intensities, will help to reduce tension on longer journeys. A final touch of comfort: the fittings are completed by luxury head restraints.

---

At the press of a button, the EASY-ENTRY system electrically facilitates getting into the third row of seats from both sides. The second row of seats can separately be folded forward in a ratio 40% right:60% left

---

The Memory package can accommodate up to three separate occupants: different positions of the electrically adjustable front seats, steering column and exterior mirrors can each be stored and recalled at your fingertips

---

On hot days, active ventilation in the comfort-ventilated front seats quickly cools the cushion surface to a pleasant temperature creating a well-balanced seat climate. In the cold season, switchable seat heating provides warmth as desired

---

<sup>1</sup>Standard for designo Line and Mercedes-AMG GLS 63 4MATIC

## Seating - versatility

The GLS provides a carrying capacity up to 2,300 litres – the largest cargo space in its segment. Behind the second seat row 680l stands ready for loading. The standard EASY-PACK tailgate, 60:40 folding rear seats and the standing height of 1.95 m under the open tailgate provides a load space that can be used flexibly and allows convenient loading and unloading.

---

The EASY-PACK tailgate can be opened or closed at the press of a button, allowing convenient loading and unloading of the cargo space

---

The EASY-PACK load compartment cover shields luggage from the sun or from prying eyes. It consists of a blind mounted behind the rear seats, and can always be removed

---

To facilitate the transportation of long objects, a practical through-loading feature is available above the armrest in the rear. A flap for loading is opened from the luggage compartment

---

Six lashing eyes are available on the luggage compartment floor and on the legs of the third seat row. Foldable bag hooks are offered in the cargo area

---

# Night package

## GLS 350 d 4MATIC

The Night package underscores the sporty, expressive character of the GLS with striking design elements in black. The radiator louvres and simulated underguard front and rear are finished in high-gloss black with tailpipe trim elements in black. Further highlights include 21" AMG alloy wheels and exterior mirrors, beltline trim strips, roof rails and weatherstrip in high-gloss black.

**Night package** – designed and priced as a package, including items as listed below.

### GLS 350 d 4MATIC

**Total incl. VAT £595.00**

### Mercedes-AMG GLS 63 4MATIC

**£995.00**

## Mercedes-AMG GLS 63 4MATIC

Optional multi-spoke wheels (code 90R) shown

A-wing and insert in front apron in high-gloss black	-	■
Twin tailpipe trim elements in black	-	■

■ Included - Not included

# Driving Assistance package

This comprehensive package includes many advanced features to help keep you safe on the road: Active Blind Spot Assist monitors the obscure area to the side and rear. The innovative driver assistance system DISTRONIC PLUS cruise control helps to automatically maintain a safe distance from the vehicle ahead. Active Lane Keeping Assist is able to recognise when the vehicle is unintentionally drifting out of its lane, and duly warns the driver with pulsed vibrations on the steering wheel. Plus the renowned PRE-SAFE® safety system can detect critical road situations and initiate preventive safety measures.

**Driving Assistance Plus package** (code 23P) – designed and priced as a package, including items as listed below.

**All models**

**Total incl. VAT £1,695.00**

Item	Notes
Active Blind Spot Assist	Displays a red triangle in the exterior mirrors: when a road user is detected in the blind spot, the red triangle flashes and an audible warning sounds if the driver operates the indicators. Includes course-correcting braking intervention
Active Brake Assistant with cross-traffic function	Active Brake Assistant can lower the risk of rear-end collisions and support the driver during emergency braking by providing additional brake pressure
Active Lane Keeping Assist	Detects signs of inadvertent drifting out of lane and warns the driver by vibrating the steering wheel and, if necessary, will trigger one-sided braking intervention
Distance Pilot DISTRONIC with Steering Pilot	Helps the driver maintain the desired distance to the vehicle in front, and helps with lane guidance
PRE-SAFE® PLUS	If a rear impact is imminent, this addition to the PRE-SAFE® system can initiate preventive occupant protection measures. These include warning the traffic following behind and locking the vehicle brakes when at a standstill if the driver indicates that he wishes to remain stationary

## Entertainment package

Films on DVD, music or television, the Entertainment package provides passengers in the rear with their very own programme of entertainment. Two 8-inch displays and two sets of headphones ensure brilliant picture and sound quality, and a TV tuner allows for digital TV reception.

**Entertainment package** – designed and priced as a package, including items as listed below.

**All models**

**Total incl. VAT £2,495.00**

**Entertainment package** (code DP7)

---

Rear seat entertainment, including two 8-inch displays integrated into the front seat head restraints, a DVD player, two set of headphones and one remote control

---

TV tuner for digital TV reception

---

## Off-Road package

The Off-Road package combines a host of features that come in handy when taking your GLS off the beaten track. For off-road operation there are the options 'Off-road' for sand and light terrain and also 'Off-road+' for difficult terrain. The low-range gearbox aids slow and careful driving in off-road terrain where a high level of tractive power is required, and supports controlled downhill driving, particularly on low-traction surfaces.

The driver can adjust the gear ratio even more precisely to the requirements of driving in extreme off-road terrain by using the manual mode of the 9G-TRONIC automatic transmission. A 100% differential lock on the centre differential improves traction in difficult terrain even further.

An underguard for the engine, together with reinforced underfloor panelling the full length of

the vehicle, helps to reduce damage caused, for example, by driving over obstacles. The three additional selectable off-road ride heights allow the ground clearance to be increased by 30, 60 or 90 mm, corresponding to a maximum wading depth of 600 mm.

Off-Road package – designed and priced as a package, including items as listed below.

### AMG Line and designo Line

**Total incl. VAT £1,985.00**

#### Off-Road package (code 430)

---

100% differential lock on centre differential

---

DYNAMIC SELECT with 'Off-road+' driving mode

---

Front and rear axles with adapted 4ETS

---

Guard under engine with reinforced underbody panelling

---

Low-range gearbox

---

Manual mode for automatic transmission

---

Special off-road algorithm for ABS, 4ETS and ESP®

---

Three additional selectable off-road ride heights

---

## Genuine Accessories

We've developed a range of Accessories you can add to help personalise and enhance your GLS. Your local Mercedes-Benz Retailer can advise on fitting costs of Accessories, where applicable. Further information on our full range of Genuine Accessories can be found on the Mercedes-Benz UK website.

### 01 | LED Mercedes star projector

The legendary three-pointed star logo is discreetly projected onto the ground alongside your vehicle every time you open the front driver or passenger door. The star automatically disappears once the doors are closed.

RRP £118.80 (incl. VAT), excluding fitting

### 02 | Illuminated Mercedes star

Every time you remotely unlock your vehicle or open the door or tailgate, the outline of the chrome-plated star emblem on the front of your vehicle is illuminated by cutting-edge LED technology. Illumination only functions when engine is switched off.

RRP £313.02 (incl. VAT), excluding fitting

> View offers

Book a > test drive > AMG test drive

> Find a Retailer

> View the Range Guide

### 03 | Illuminated running boards

The aluminium-look illuminated running boards are a real eye-catcher. They are mounted at the height of the side skirts and make it easier to get into the vehicle, front and rear. Rubber studs increase safety by helping to prevent slipping.

RRP £1,368.00 (incl. VAT), excluding fitting

### 04 | Garmin® MAP PILOT

Transforms your Audio 20 radio into a high-performance navigation system with 3D map views. Garmin® MAP PILOT uses the standard-fit 17.8 cm colour TFT display and can be conveniently operated via the vehicle's Controller and the Audio 20 keypad.

RRP £495.00 (incl. VAT), excluding fitting

> View offers

Book a > test drive > AMG test drive

> View the Range Guide

**05 | DUO plus child seat, with ISOFIX**

'DUO plus' child seat. Optimum safety for children between the ages of around 9 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable harness, ventilation channels and ISOFIX attachment points. Adjustable tilt.

Additional seats available for ages 0+ (1 to 13 kg) and 3.5 to 12 years (15 to 36 kg).

**RRP £434.83 (incl. VAT)**

**06 | Head restraint modular system**

Carefree travel with Mercedes-Benz Style & Travel Equipment. The head restraint elements are simple to fit and remove. The modular system centres around a base support which can be combined with a coat hanger, universal hook, folding table and tablet mount.

Base support: **RRP £22.32 (incl. VAT)**

Coat hanger: **RRP £67.60 (incl. VAT)**

Folding table: **RRP £102.60 (incl. VAT)**

### 07 | Basic carrier bars

Aluminium carrier bars, precision-tailored to the body of your GLS – the perfect basis for a range of Mercedes-Benz transport solutions: ski and snowboard rack, bicycle rack or roof boxes.

RRP £219.00 (incl. VAT)

### 08 | Mercedes-Benz roof boxes

An aerodynamic design, tailored to your Mercedes-Benz. In extremely durable material. Designed for quick, optimised attachment to the basic carrier bars. Particularly convenient loading and unloading thanks to the option of double-sided opening. Lockable from both sides. Available in various sizes.

RRP from £361.64 (incl. VAT)

### 09 | Alustyle Bicycle rack

Extremely lightweight bicycle rack, designed to allow you to attach a bicycle to the basic carrier bars for roof rails. Bicycles can either be attached to the rack once it has been fitted to the roof or, conveniently, before it is fitted. The support frame can also be folded down when not in use to reduce drag when travelling without cycles.

RRP £121.00 (incl. VAT)

**10 | Shallow boot tub**

Made from impact-resistant, non-slip polypropylene. Suitable for transporting shopping. Structured surface holds separately available stowage crate in place.

RRP £99.50 (incl. VAT)

**11 | Stowage crate**

A secure hold for items which are liable to tip over or slide around. Optimum functionality only in conjunction with shallow boot tub.

RRP £87.50 (incl. VAT)

**12 | Concertina load sill protector**

Protects the rear of the vehicle from scratches when you're loading up – and prevents dirt from the vehicle from getting onto your clothes. Practical design – can be secured to shallow boot tub or reversible mat.

RRP £41.53 (incl. VAT)

# Load space dimensions

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles

## Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO<sub>2</sub> emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO<sub>2</sub> emissions are listed in the technical data on page 56, and the relevant Excise Duty is reflected in the on-the-road prices on page 14.

Band	CO <sub>2</sub> emissions	First year rate (£)	Standard rate (£)	Premium rate (£) <sup>1</sup>
A	0 g/km	0.00	0.00	310.00
B	1 to 50 g/km	10.00	140.00	450.00

# Services and insurance

## Mercedes-Benz Service Care

We believe that servicing costs should be as flexible and affordable as possible for your GLS, which is why we offer Service Care, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With Service Care we guarantee the price of parts and labour for up to three services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised Service Care plan recommendation visit the Service Care Calculator at [servicecarerates.mercedes-benz.co.uk](http://servicecarerates.mercedes-benz.co.uk)

## Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects<sup>1</sup> and up to 30 years warranty against perforation due to corrosion from the inside out.<sup>2</sup> What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.<sup>2</sup>

## Insurance

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call **0345 600 2180**.\*

<sup>1</sup>Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers <sup>2</sup>Subject to full Terms and Conditions, dependent on date of registration, available upon request Mercedes-Benz Motor Insurance is underwritten by Aviva Insurance UK Limited. Credit provided, subject to status, by Mercedes-Benz Financial Services UK Ltd, MK15 8BA \*For joint protection, calls may be recorded and/or monitored. All calls charged at local rate. We may decline to quote in some circumstances

# Mercedes me connect

Mercedes me connect enables you to connect to your car via desktop, tablet or smartphone via an app. It provides access to services that enhance your Mercedes-Benz experience and fit effortlessly into your daily digital routine.

## Standard Services.

Available on all models, except G-Class.

- **Emergency Call** – if there’s an accident, this feature automatically shares your vehicle location and status for a fast response from the emergency services
- **Accident & Breakdown Management** – contact our Customer Assistance Centre with a single button for fast breakdown recovery
- **Telediagnosics** – automatically detects and shares details of any vehicle wear and tear with you, and shares the data with your Retailer
- **Maintenance Management** – reminds you when your service is due and automatically shares maintenance data with your Retailer
- **Parking Time Assist** – track the time on your parking meter and receive an alert when it’s due to expire

## Vehicle Setup.

These services come as standard if you have COMAND Online. Available as an optional £69 upgrade for all other customers.

- **Personal Profile** – store your preferences, such as your favourite radio stations and apps, to create your personal driver profile
- **Maintenance (Vehicle Status)** – check safety information, such as coolant level and brake pad condition, so you can be sure your car is safe and ready to drive
- **Remote Door Unlock** – lock and unlock your car remotely, wherever you are in the world
- **Send to Car Function** – search for destinations on your smartphone, tablet or desktop, then send the routes direct to your car for navigation

## Remote Online Services.

Standard on all models with COMAND Online, except for new E-Class. Available to purchase for an additional £150.00 (incl. VAT) for all models without COMAND Online.

- **Trip information and vehicle status** – access the vehicle's trip data such as fuel level, mileage, condition of brake pads and tyre pressure
- **Remote door locking and unlocking** – lock and unlock your car remotely, wherever you are in the world
- **Geofencing** – set up a geographical boundary and receive alerts whenever your car enters or leaves this area
- **Parked Vehicle Locator** – locate your parked vehicle within a range of one mile and plot a route back to it
- **Vehicle Tracker** – track the location of your car anywhere in the world

**Additional services for Plug-In Hybrid and electric models only, as part of Remote Online services:**

- **Pre-entry climate control** – activate the pre-entry climate control system of your parked vehicle and set the temperature to your liking before boarding
- **Route planning** – displays the electric operating range on a map and enables you to plan a route while stopping at public charging stations
- **Charging points** – displays a list of the nearest public charging stations
- **Charging profile** – control the charging settings from a distance so your vehicle can be ready charged when you need it

## Vehicle Monitoring.

Standard with COMAND Online for all models, except the new E-Class. Available to purchase for new E-Class and all other customers as an additional £69 upgrade.

- **Geo-fencing** – set up a geographical boundary and receive alerts whenever your car enters or leaves this area
- **Parked Vehicle Locator** – locate your parked car when within 1 mile and plot a route back to it
- **Vehicle Tracker** – track the location of your car anywhere in the world

# Mercedes-Benz Finance

## Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

## Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit [www.mercedes-benz.co.uk/fandi](http://www.mercedes-benz.co.uk/fandi).

## Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

### Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

### At the end of your agreement you have three options to choose from.

#### Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.<sup>1</sup> This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

#### Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,\* as vehicle condition, excess mileage and other charges may be payable.

#### Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.<sup>1</sup> This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

<sup>1</sup>Please note the 'Purchase Activation Fee' of £10 will be debited from your account \*To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
