# PROFESSIONAL IN EVERY WAY

Your professional vehicle is the first thing people see. It introduces and represents you and your business — like a business card. So we're delighted that you've chosen a PEUGEOT van. Designed with business in mind the Bipper, Partner, Expert and Boxer have been built by professionals for professionals. And because we know that no two businesses are the same, we've designed our van range in a number of different ways, with attention to payloads, heights and engines.

Whatever the role your van has in your business, we've got a complete range of specifically designed accessories. So whether you decide to add roof bars, interior storage units or security grilles to protect your vehicle contents, our accessories give you the opportunity to make the van work for you perfectly.

You can also make sure you reach your destination quickly and easily with a TomTom sat nav system. Or a Bluetooth hands-free kit so it's easy to keep in touch with customers.

So take a look, decide what accessories you need and enjoy.

**For more information on our accessories range including retail fitted prices, contact your local PEUGEOT Dealer or visit us at [www.peugeot.co.uk/accessories/](http://www.peugeot.co.uk/accessories/)**

# TRANSPORT SOLUTIONS

When you've got work to get on with, you need a van you can rely on to make loading, unloading and delivering as easy as possible. Take a look at our range of carrying equipment, all rigorously tested to the highest standards.

## 1 Roof rack

Designed and engineered to fit securely to the roof structure enabling the carriage of bulky cargo without compromising on safety. Maximum permitted load is dependent on model and model variations.

## 2 Foot plate

An essential item which makes tying down loads on the roof rack both safe and easy.

## Boxer

Foot plate load roller and noise reduction deflector is included with the roof rack for Boxer.

**Bipper**

**Expert**

# TRANSPORT SOLUTIONS

## Roof bars

These roof bars are an excellent foundation for the safe transportation of large and bulky loads. Additional single unit roof bars are available separately for Boxer and Expert models only.

**Bipper**

**Partner**

**Boxer**

### Roof rack access ladder

This ladder provides easier access to items carried onto the vehicle roof rack. Available on Boxer and Expert models only.

**Boxer**

### Load roller

This load roller allows easier loading of ladders and other longer items onto the roof rack. Load rollers are included with the roof rack accessory, apart from the Partner steel roof rack where this is available separately.

**Partner**

Only for steel roof rack.

**Expert**

# TRANSPORT SOLUTIONS

Some jobs may be unpredictable so be prepared to carry multiple loads. Ensure that you retain the floor space in your van and safely transport longer loads and tools with a tow bar.

## **Tow bars**

Designed specifically for the Peugeot van range, our tow bars are engineered and tested to the highest standards. Choose from one of the various ball types available with fixed and swan neck configurations. Tow bar options are dependent on model.

Ball and pin tow bar fitting

Hook and ball tow bar fitting

### **Mudflaps**

Designed to complement the style of the Peugeot van range whilst protecting the vehicle's bodywork from damage caused by road debris.

### **Styled mudflaps**

Only available on Partner.

### **Standard mudflaps**

Only available for Bipper, Expert and Boxer.

### **Rear door storage nets**

This set of two storage nets provides a practical solution for smaller everyday items. Available on Bipper models only.

### **Door sill protectors**

Available in stainless steel and PVC; a great accessory to protect against scuffs and scratches when climbing in and out of the van. Available on Bipper and Partner models only.

# PROTECTION

Your van represents your business - an investment, quality and efficiency. So of course you'll want to protect it.

## **Floor mats**

These mats will provide lasting protection of the original flooring. And, to prevent interference with the vehicle's pedals, the driver's side mat clips onto the existing fittings.

### **Front standard carpet mats**

Available on Bipper and Partner models only.

### **Front rubber floor mats**

Available for all models.

# COMFORT

Add to your driving pleasure with our range of comfort and convenience accessories.

## **Wind deflectors**

Increase ventilation into the cabin area whilst minimising wind noise and buffeting.

## **Aluminium effect interior kit**

Add a personal touch to your interior with these quick-to-install aluminium trims. Kit includes two trims each for the front lateral air vents, the front speakers and tweeters. Available on Bipper models only.

#### **Ashtray & lighter**

The ashtray and lighter are both conveniently located for use.

#### **Air freshener diffuser**

Create an atmosphere with this portable diffuser that can be used with a range of delightful fragrance refills.

#### **Reading light**

With a 30 cm flexible multi directional arm that allows you to direct light where you need it.

#### **Non-slip support mat**

With a high level of grip, small objects remain in place and within easy reach..

#### **12 Volt hot/cool box**

Available in both the 16 and 21 litre capacities, this thermal storage unit will cool 15°C below ambient temperature. In heating mode contents are heated up to 55°C.

#### **16 Litre hot/cool box**

#### **21 Litre hot/cool box**

# SAFETY AND SECURITY

As a responsible driver, you'll want to be equipped to drive with complete peace of mind. So whether it's parking sensors to help you avoid hidden obstacles, or security grilles to protect the contents of your van, we have a range of accessories to help you with these safety and security measures.

## 1 Front or rear parking sensors

To help you to manoeuvre safely the system emits audible beeps when the van approaches an obstacle. Front parking sensors available for Partner and Expert models only. Rear parking sensors available for all models.

## 2 Anti-intrusion alarm

Protecting the bonnet and ultrasonic protection of the passenger compartment. Rear load area may require additional module dependent on specification.

## 3 Fog light kits

These fog lights increase visibility enabling you to see and be seen. At this low level they help penetrate the fog, illuminating the road ahead so you can drive safely. Available on Partner and Expert models only.

## Door Lock Plate

Door Lock Plates are designed to give additional protection to the door lock mechanism. Available for Boxer models only.

## Door Lock

These reinforced lock mechanisms offer additional protection for the rear load area of commercial vehicles.

## Range of Snow Chains

Essential for driving on fresh or compacted snow.

## Range of Snow Socks

## Range of CATLOCS

Our new 'CATLOC' product not only secures the catalytic converter to the vehicle, but it also comes with an identification marking kit and ISR (International Security Register) registration documentation which links the specific code to the VIN of the vehicle, so a strong deterrent for any would-be thief. Available for Expert and Boxer models only.

### Rear window security grilles

Protect the contents of your vehicle by installing tailored window security grilles (set of two). Available for Bipper, Partner and Boxer models only.

External view

Internal view

### Tinted window security film

This deep black tinted protective film looks completely opaque from the outside and transparent from the inside. Apply it to your van so that people can't see the equipment or goods inside your van, reducing the risk of theft. Available for Bipper, Partner and Boxer models only.

### High visibility vest, warning triangle and first aid kit

Be prepared for those unexpected emergencies with our range of road safety accessories.

# MULTIMEDIA

Equip your van with the latest technology, and stay in touch with your customers and the world outside.

## Range of TomTom Portable Navigation Systems

The very latest in portable navigation from TomTom. No set-up or subscription charges – simply plug in, switch on and GO. These smart, easy-to-use navigation units come pre-loaded with UK and Western European mapping\*, and include a screen mount and in-car power lead. Entering address details could not be easier thanks to the touchscreen operation and postcode navigation.

\* Dependent on model

## Multi Socket

Multisocket lighter + USB permitting the connection of: mobile telephones, GPS, games consoles and more. Fits in your vehicle's factory-fitted cup holder, thanks to its rounded shape.

## USB Box

Peugeot's iPod & MP3 connectivity kit enable music to be played back via the audio system. All iPod music is displayed on the multi-function display menu allowing you to browse through songs, playlists etc. Available on Partner model only.

## Phone Charger

This portable universal mobile telephone charger allows you to charge all smartphone models (Apple, Samsung, Nokia, etc.) while you are on the road or at home.

## Universal Supporter

This universal Smartphone support will add a touch of elegance in your vehicle thanks to its meticulous design.

#### **Tetrax Xway support**

A discrete fixing bracket that will securely hold an electronic mobile device. Compatible with most mobile phones, Smartphones, GPS systems and MP3 devices.

#### **12V Lead Extension**

Lighter extension allowing easy connection anywhere in the vehicle.

#### **Integrated Bluetooth® hands-free kit**

Designed to be used with 'Bluetooth' compatible phones, the hands-free kit offers full voice control for pick-up, hang-up and voice dialling where supported by the handset.

#### **Housing for hands-free kit**

This innovative kit is perfect for incorporating the screen with the MKi9200 hands-free kit (sold separately), while keeping all the functions (iPhone, USB, mini-jack) including the SD card reader. Available on Partner model only.
