Models shown are new Beetle Cabriolet Dune with optional Bi-xenon headlights, tonneau cover and metallic paint.

Serious style designed for fun.

The Beetle is back. Dynamic, sleek and eye-catching, but still with curves in all the right places. Choose from the new Beetle or new Beetle Cabriolet, two real characters delivering serious style that's designed for fun. Retro styling maintains their iconic look, while a host of refinements makes them sportier and more distinctive than ever. With plenty of options to individualise your Beetle to suit your character and driving style, this is your opportunity to create a real showstopper.

Front cover model shown is Beetle Cabriolet R-Line with optional 20" 'Monterrey' alloy wheels, 'Vienna' leather upholstery, Bi-xenon headlights, light and sight pack and metallic paint.

Model shown is new Beetle Design 1.4 TSI 150 PS with optional 18" 'Ashmie Adamantium' alloy wheels, Bi-xenon headlights, panoramic sunroof and non-metallic paint.

01

Model shown is new Beetle Design with optional 18" 'Ashmie Adamantium' alloy wheels, Bi-xenon headlights and non-metallic paint.

Iconic design. Irresistible appeal.

There's no mistaking the new Beetle and Beetle Cabriolet.

The flatter bonnet and sharper roofline create a contemporary look that delivers real sports appeal. The stylishly designed sport-styled bumpers provide charisma and character, ensuring a design that's as edgy and iconic as ever.

01 The new front design features a more sharply defined front bumper and fog lights with static cornering function, enhanced by range adjustable halogen clear headlights, creating a distinctive look for a new generation. Front fog lights, including static cornering function are standard on Design models and above.

01

Model shown is new Beetle Cabriolet with optional non-metallic paint.

Exterior.

02

01 The electric power hood of the new Beetle Cabriolet opens up in just 9.5 seconds and can be operated while on the move at speeds of up to 31mph. When closed, the taut fit of the multilayered fabric hood, along with the rear safety glass, ensures outside noise is kept to a minimum, while its fine quality materials and high standard of workmanship provides exceptional durability against the weather. Depending on your choice of vehicle colour, the electric power hood is available in Black or Nutria Beige. Please see page 41 for more details.

03

02 Tinted rear light clusters fit flush with the contoured curves, enhancing the sculpted lines of the rear design while creating a high quality look with real sports appeal. Model shown is new Beetle Cabriolet Design with optional non-metallic paint.

03 The optional electrically operated panoramic sunroof fills the interior with natural light and fresh air, as well as providing generous views of your surroundings. Easily operated and adjusted, it can be opened or raised by up to 39mm and includes an integrated wind deflector, allowing you to enjoy fresh air and sunshine even on faster journeys. Tinted glass and a manually operated sunblind ensure a pleasant interior temperature even in direct sunlight. Optional on Design, R-Line and Dune models. Model shown is new Beetle Design with optional non-metallic paint.

Interior.

The interior styling of the new Beetle and Beetle Cabriolet is stylish and contemporary, with the premium feel you would expect from a Volkswagen. Subtle design hints hark back to the Beetle's impressive heritage, yet this is a thoroughly modern model. Functionality and ergonomics go hand in hand in the new Beetle. The premium quality dashpad is angled towards the driver for optimum driving convenience, placing the impressive 6.5 inch colour touch-screen infotainment system easily within reach and every switch and control intuitively to hand. With controls optimally positioned and information clearly in view, driving the new Beetle and Beetle Cabriolet is so much fun.

Interior shown is new Beetle Cabriolet Design with optional 'Fender' premium soundpack, light and sight pack, climate control – 2Zone electronic air conditioning, 'Vienna' leather upholstery and metallic paint.

A modern-day classic.

The new Beetle and Beetle Cabriolet offer an impressive entry-level specification, with a wide range of features and refinements fitted as standard, ensuring total comfort and convenience for the driver and passengers alike. What's not to like?

01 The 'Gloss Black' dashpad, 'Web' cloth upholstery, frameless design rear-view mirror and white adjustable panel illumination create a stylish interior, with 'Climatic' air conditioning, front electric windows, heated rear windscreen and electrically heated and adjustable door mirrors adding to your comfort and convenience. Practical details include a unique 'Beetle' storage compartment in the dashpad, storage compartment in the front centre armrest, easy entry sliding front seats and split folding rear seat backrest, allowing you to transport large objects. The entry level Beetle and Beetle Cabriolet are nothing short of impressive. Interior shown features optional metallic paint.

Model shown is new Beetle with optional 16" 'Whirl' alloy wheels, Bi-xenon headlights and metallic paint.

01

Model shown is new Beetle Design 1.4 TSI 150 PS with optional 18" 'Ashmie Adamantium' alloy wheels, rear tinted glass and non-metallic paint.

Instant attraction.

Choose the new Beetle and Beetle Cabriolet Design and you are making a statement that you are your own person. Elegant, stylish and as individual as you are, it makes a real style statement, while its high level of specification ensures an exceptional driving experience.

01 Body-coloured door sill protectors with chrome inserts and a chrome strip on the base of the side windows create a stylish look, while the rear tailgate spoiler on the new Beetle and twin exhaust tailpipe add a touch of sportiness.

Please note, rear tailgate spoiler and twin exhaust tailpipe are only available on 1.4 TSI 150 PS engines on the Design model.

Spoilt for choice?

The new Beetle and Beetle Cabriolet Design features a 'Platinum Grey' centre console with the dashpad, interior door panels and steering wheel inserts perfectly complementing your chosen exterior paint colour, allowing you to express your personality to the full.

The interior of the Design looks stunning, with the dashpad, interior door panels and steering wheel inserts matching the exterior paint colour. Other features include chrome detailing on the air vent surrounds, instrument cluster and radio surround, front and rear carpet mats and vibrant 'Pepita' cloth upholstery. The unique Beetle storage compartment above the pays homage to the vehicle's unique heritage, while the Composition Media infotainment system, with its 6.5 inch colour touch-screen, MDI (Multi Device Interface) connection and SMS functionality, brings it right up-to-date. Please see page 40 for more details.

Interiors shown feature optional 'Fender' premium soundpack, light and sound pack and climate control – 2Zone electronic air conditioning.

Models shown are new Beetle R-Line with optional metallic paint and new Beetle Cabriolet R-Line with optional 19" 'Tornado' alloy wheels, Bi-xenon headlights, 'Vienna' leather upholstery, tonneau cover and premium signature paint.

Self-confident, sporty, refined.

With its distinctive looks and sporty finish, the new Beetle and Beetle Cabriolet R-Line cuts a dash in any setting: at home, on holiday, at work. The R-Line creates real road presence, demanding to be noticed wherever you are.

The distinctive 'R-Line' model features a sporty styling pack that includes unique 'R-Line' front and rear bumpers, radiator grille and side skirts, enhanced by 18 inch 'Twister' alloy wheels, 'Gloss Black' door mirrors with integrated indicators, 'Gloss Black' door protectors with chrome inserts and unique 'R-Line' badging. To the rear, tinted glass from the B-pillar back (not Cabriolet models), and a twin exhaust tailpipe complete the look, that just has to be noticed.

Sports style. Classically delivered.

If you're looking for an interior that exudes sportiness but still knows its heritage, the new Beetle and Beetle Cabriolet R-Line more than deliver, with a whole host of advanced features and design details close at hand.

01 Door sill protectors in aluminium feature the unique 'R-Line' logo. Whilst looking good, they also protect the door sill area from scuffs and scratches.

02 Front sports seats are finished in contemporary 'Kyalami' cloth upholstery, with an embroidered 'R-Line' logo on the head restraints. The Crystal Grey 'Microfibre' side bolsters not only look good, but provide excellent lateral support when cornering, while manual seat height and lumbar adjustment allows you to find your perfect driving position.

03 Interior features include a leather trimmed multifunction steering wheel with 'Gloss Black' inserts, 'R-Line' logo and contrast stitching, aluminium-look pedals and 'Gloss Black' dashpad, interior door panels and steering wheel inserts complete with 'R-Line' logo. Ambient lighting and climate control – 2Zone electronic air conditioning create a relaxed interior, and sports instrument dials provide vehicle information such as the turbocharger boost pressure and engine oil temperature, with a stopwatch to measure journey times.

Interior shown is new Beetle R-Line with optional 'Fender' premium soundpack, light and sight pack and metallic paint.

Model shown is new Beetle Dune with optional metallic paint.

Are you ready for adventure?

Stylish, rugged and distinctive, there's no mistaking the new off-road Beetle and Beetle Cabriolet Dune. Paying tribute to the original Beetle off-road conversions, including the famous Baja Beetle, the new Beetle Dune is engineered and styled for adventure, adding an exciting new dimension to the Beetle line-up.

01 Stylish 18 inch 'Mythos' alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts are exclusive to the Beetle and Beetle Cabriolet Dune. Their rugged and stylish design provides the perfect accompaniment for the Dune's exclusive interior. Image shown features optional Dark Bronze metallic paint.

Styled on the past, built for the future.

The Dune is a real free spirit, body evocative of exploration, adventures and distant lands, adding a fresh new look to the Beetle family. It's sporty, fun and full of character, just waiting to take you in a new direction.

01 Inside is just as exciting as outside. The doors and dash continue the dynamic colour scheme, highlighting the sports instrument dials, while **front sports seats, with height and lumbar adjustment are finished in 'Turmeric' cloth upholstery.** The leather trimmed three-spoke multifunction steering wheel bears the 'Dune' logo and features 'Dark Ceramic Turmeric' stitching, echoed on the gear knob gaiter and front and rear carpet mats. On automatic DSG models, the steering wheel also features paddle shift. Additional refinements include automatic coming/leaving home lighting function, rain sensor and automatic dimming interior rear-view mirror, front and rear parking sensors and dusk sensor, enhancing the driving experience still further. Image shown is new Beetle Dune with optional 'Fender' premium soundpack, Discover Navigation touch-screen navigation/infotainment system, climate control – 2Zone electronic air conditioning and metallic paint.

02 The ride height is raised 10mm above the standard car's and features include a wider track, extended rear wheel arches with matt black grained protection, **18 inch 'Mythos' alloy wheels and bold new off-road bumpers.** Its adventurous character is emphasised by eye-catching paint colours, a large silver-framed front air intake with black honeycomb grille, Dune door decals and 'Reflex Silver' door mirrors, underbody trims and side sill protectors with matt black grained inserts underscoring its dynamic image. To the rear, an extended spoiler, diffuser in 'Reflex Silver', twin exhaust tailpipe (2.0 TDI 150 PS only) and new LED lights create a futuristic yet rugged and capable look.

01

02

Multimedia

01 The **Composition Media infotainment system** is equipped with an impressive 6.5 inch colour touch-screen with proximity sensor that recognises in advance your intention to touch the screen and automatically magnifies the display mode. Features also include DAB digital radio receiver, dash-mounted single CD player, MDI (Multi Device Interface) via USB connection – compatible products only, an AUX-in socket for connection to an external multimedia source, such as an iPod or MP3 player and SD card reader. The media system also includes Bluetooth telephone and audio connection for compatible devices¹, simultaneous pairing of 2 compatible mobile devices, SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display to a compatible Android smartphone (while the vehicle is stationary), title and cover art display and facilitates music playback from MP3, WMA and AAC files through eight speakers, front and rear. Standard on all models.

02 The **Discover Navigation touch-screen navigation/infotainment system with Car-Net 'Guide and Inform'**² builds upon the impressive Composition Media system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers preloaded European navigation data, 2D/3D map view which can be easily followed on the 6.5 inch colour touch-screen, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display³. 3-year's Car-Net 'Guide and Inform' access makes it possible to integrate 'traffic information online' into route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel station location and pricing, car parks, weather and news feeds. Optional on all models.

03 The **'Fender' premium soundpack** delivers a unique audio experience thanks to the 400 watt output from the eight speakers and Panasonic/Fender subwoofer. The visual experience is created with ambient illumination around the speakers, door panels, lighting strip under the door trim and the LEDs on the loudspeaker ring. Optional on Design, R-Line and Dune models. Model shown features optional non-metallic paint.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
² Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.
³ Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

Interior shown is new Beetle Cabriolet R-Line with optional Discover Navigation touch-screen navigation/DVD infotainment system, Car-Net 'App-Connect' and 'Fender' premium soundpack.

Volkswagen Connect®.

All your car's information. All in one place.

Volkswagen Connect is the easy way to connect your new Beetle and Beetle Cabriolet to your smartphone. It relays everything you need to know, from service information and fuel consumption, parking location and helpful tips on driving more economically.

Welcome on board.

Getting started is easy. Follow these simple steps to find out how Volkswagen Connect® can provide you with help and information on every journey.

Step 1

Download the free Volkswagen Connect® App to your smartphone from the App Store for iOS, or Google Play Store for Android.

Step 2

Follow the instructions in the App.

Step 3

Put the DataPlug onto the diagnostic port that you'll find below the steering wheel.

Step 4

Connect via Bluetooth.

Step 5

That's it.

For a list of all compatible models and for more information visit www.vwconnect.com

My Volkswagen.

The overview of key information about your car such as service and maintenance intervals, warning message displays, fuel level and mileage.

Trips.

This feature shows detailed map views, trip details, statistics, and the cost of each trip. You can categorise all trips into either business or private, and all of this can be downloaded to your desktop if required.

Driving style.

This feature can help save you money, analysing and evaluating all the elements of the engine and braking performance, combined with your driving style to give you tips on how to be even more efficient when driving.

Parking space.

The app automatically remembers where you've parked. And while you're away from your car, it'll show you how long you've been parked for.

Fuel monitor.

Everything you need to know about your vehicle's fuel consumption and costs. It even tracks your fuel stops, especially useful if you use your car for business purposes.

Service partner.

Wherever you are, you can see exactly where your nearby retailers are and be navigated to the nearest one. And if you need to call them, the app will put you straight through.

Assistance call.

Just press and call Volkswagen's 24-hour helpline where you'll be put straight through to Customer Service. And if you're not sure where you are, don't worry, it transmits your location directly to them.

Challenges.

This feature helps you meet efficiency and driving style targets. Collect points and trophies as you move through the tasks and discover hidden bonus challenges to help keep you improving your scores.

A little assistance, for when you need it.

A whole range of innovative driver assistance systems are available to make driving and parking easier than ever, helping to keep you safer, more relaxed and in control.

Model shown is new Beetle R-Line with optional 20" 'Monterrey' alloy wheels, 'Vienna' leather upholstery, Bi-xenon headlights, panoramic sunroof, light and sight pack and metallic paint.

01

01 The **comprehensive airbag system** includes driver's and front passenger's airbags with passenger's airbag deactivation switch and a driver's and front passenger's combined head and side airbag system. Standard on all Beetle models. Front side airbag system with curtain airbags are optional on Beetle models. Image shown is for illustration purposes only and may not necessarily reflect UK specification.

02 Front and rear **parking sensors** assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's audio system. Standard on R-Line and Dune and optional on Beetle, Beetle Cabriolet and Design models. Image shown features **Discover Navigation touch-screen navigation/infotainment system** which is optional on all models.

03 **Climate control – 2Zone electronic air conditioning** with automatic air recirculation and allergy filter features dual zone temperature control for the driver and front seat passenger, allowing each to select their individual preferred temperature. A sensor monitors the outside air quality and if necessary automatically activates the air recirculation function. Standard on R-Line and optional on Design and Dune models.

04

04 **Side Scan** provides assistance if you want to change lanes from speeds of 37mph upwards. Sensors in the rear of the vehicle monitor the traffic and should they detect any road users in your blind spot or vehicles approaching quickly from behind, the system will alert you via a warning light within the door mirror housing and an audible warning within the vehicle. Optional on all models.

05

05 The **Keyless entry system** enables you to enter and exit your vehicle without taking the key out of your pocket. Once inside, as long as you have the key on you, the engine can be started without inserting the key in the ignition by simply pressing a button in the centre console. On convertible models, you also have the facility to remotely operate the convertible roof. Optional on Design, R-Line and Dune models.

06

06 The stylish **sports instrument dials** sit on the dashboard, with gauges for the turbo boost pressure, oil temperature and a stopwatch to measure journey times. Standard on R-Line and Dune and optional on Design models.

07

07 The **Electronic Stability Control (ESC)** utilises sensors to detect critical situations at an early stage, reacting within milliseconds by controlling the speed of individual wheels, helping to bring the vehicle under control. A careful driving style is essential, however, as even Electronic Stability Control cannot extend beyond the laws of physics. Standard on all models.

Personalise.

Black is understated and refined, adding a touch of luxury and sophistication. Transform your new Beetle or Beetle Cabriolet with the optional Black style pack or exterior decal stripes. Specify the style pack and the exterior is transformed with black styling hints to the alloy wheels, roof or hood front air intake, door protectors and door mirrors, all which combine to make this very special addition turn heads.

01 Available as an option for Design models is the **Black style pack**. Consisting of stylish 17 inch 'Rotor Black' alloy wheels with 215/55 R17 tyres, they match perfectly with the black roof and tailgate spoiler, or hood and upper tailgate spoiler on convertible models. Also finished in black is the front air intake, door mirrors with integrated indicators and the lower door protectors with chrome inserts. Optional on Design models.

02-03 The **decal stripes** are available in black or silver, adorning the roof, bonnet and rear tailgate on the Beetle, and the bonnet and rear spoiler on the Beetle Cabriolet, giving your new Beetle or Beetle Cabriolet an even more striking and expressive appearance. Optional on Design 1.4 litre TSI 150 PS and R-Line models. Image shown is new Beetle Design 1.4 litre TSI 150 PS with optional rear tinted glass, Light and sight pack, Bi-xenon headlights and non-metallic paint.

Wheels.

01 6½J x 16" **steel wheels** with 215/60 R16 tyres and full size wheel trims. Standard on Beetle and Beetle Cabriolet models.

02 **'Orbit' with chrome effect rims** 7J x 17" alloy wheels with 215/55 R17 tyres and anti-theft wheel bolts. Standard on Design models.

03 **'Twister'** 8J x 18" alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts. Standard on R-Line and optional on Design models.

04 **'Mythos'** 8J x 18" alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts. Standard on Dune models.

05 **'Whirl'** 6½J x 16" alloy wheels with 215/60 R16 tyres and anti-theft wheel bolts. Optional on Beetle and Beetle Cabriolet models.

06 **'Orbit Black'** 7J x 17" alloy wheels with 215/55 R17 tyres and anti-theft wheel bolts. Optional on Design models.

07 **'Rotor'** 7J x 17" alloy wheels with 215/55 R17 tyres and anti-theft wheel bolts. Optional on Design models as a no cost option.

08 **'Discus'** 8J x 18" alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts. Optional on Design models. Optional on R-Line models as a no cost option.

09 **'Ashmie Adamantium'** 8J x 18" alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts. Optional on Design models. Optional on R-Line models as a no cost option.

10 **'Mythos Sandstorm'** 8J x 18" alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts. Optional on Dune models as a no cost option.

11 **'Tornado'** 8J x 19" alloy wheels with 235/40 R19 tyres, anti-theft wheel bolts and sports suspension. Optional on R-Line models.

12 **'Monterrey'** 8J x 20" alloy wheels with 235/35 R20 tyres, anti-theft wheel bolts and sports suspension. Optional on R-Line models.

There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there's bound to be at least one that catches your eye.

To see these models and configure your ideal Volkswagen, visit: www.volkswagen.co.uk

Spacious family cars

Sharan: The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Tiguan Allspace, Golf SV, Golf Estate, Touran and Passat Estate.

City run around

up!: The ideal city car. Fun, easy to manoeuvre and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around practicality with more versatility and even more space can be found on the iconic Golf.

Style

Beetle: The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider the Beetle Cabriolet.

Sporty

Golf: As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD, Golf GTI and Golf R.

4x4

Touareg: The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it, with four wheel drive technology, '4MOTION' as standard.

Go everywhere, do anything in our four wheel drive alternatives: Golf Alltrack, Tiguan, Tiguan Allspace and Passat and Passat Estate 4MOTION models.

Executive

Volkswagen Passat: Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative Saloon.

All the luxury you need can also be found in the Jetta, as well as the spacious, stylish and practical Passat Estate.

Technical specification – Beetle.

Technology.

Technical specification notes

- (01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- (02) Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48.
- (03) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- (04) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- (05) Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

Transmission

- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch mechanism. Five or six speed manual, six or seven speed automatic DSG gearbox with double joint half axles
- Electronic differential lock, combined with a hydraulically operated single-plate dry clutch with asbestos-free lining
- Five speed manual: 2.0 litre TDI 110 PS
- Six speed manual: 1.2 litre TSI 105 PS, 1.4 litre TSI 150 PS, 2.0 litre TDI 150 PS
- Six speed auto DSG: 2.0 litre TDI 150 PS
- Seven speed auto DSG: 1.2 litre TSI 105 PS, 2.0 litre TDI 110 PS

Running gear

- Electronic Stability Control (ESC) including Electronic Differential Lock (EDL), Traction Control (ASR)
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Front and rear anti-roll bar

Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

Brakes

- ABS (Electronically controlled Anti-lock Braking System) with EBD (Electronic Brake-pressure Distribution)
- Asbestos-free brake pads
- Diagonal twin-circuit brake system with inner-ventilated front disc brakes and rear disc brakes
- Battery regeneration (recuperation – energy recovery during braking))

Engines

- 1.2 litre/105 PS⁽⁰¹⁾ (77 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection engine, two valves per cylinder and turbocharger module with electric boost pressure regulation. Available with a six speed manual or a seven speed automatic DSG transmission
- 1.4 litre/150 PS⁽⁰¹⁾ (110 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection twin-charged engine with four valves per cylinder, a supercharger and a turbocharger. Available with a six speed manual transmission
- 2.0 litre/110 PS⁽⁰¹⁾ (81 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (Diesel Particulate Filter). Available with a five speed manual or a seven speed automatic DSG transmission
- 2.0 litre/150 PS⁽⁰¹⁾ (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (Diesel Particulate Filter). Available with a six speed manual or a six speed automatic DSG transmission

Volkswagen service.

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

The Volkswagen Warranty

Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer’s warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer’s two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty

The internal body sections and panels of the Beetle are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer’s operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer’s operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Extended Warranty

If you order the Volkswagen Extended Warranty as an option when buying your new Beetle then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year’s warranty up to a maximum of five years or 90,000 miles.

Service Intervals

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

Volkswagen Insurance⁴

We want you to start enjoying your new car from day one and thanks to Volkswagen free 5 day insurance, you can. Call free on 0330 303 6930 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

Volkswagen Ensurance⁵

Get three years’ Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn’t you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen’s accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you’re involved in an accident or your car is stolen, just one call to us and we’ll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired in a Volkswagen approved repairer, by Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don’t have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit volkswagen-ensurance.co.uk

Volkswagen Finance⁶

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

Fuel consumption and CO₂ Emissions

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC).

This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended ‘On the road’ retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer. Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

Tax Free Sales

For full details, please contact your authorised Volkswagen retailer.

Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available.

In particular, controls and some items of equipment are positioned differently for the UK.

The specifications contained in this brochure are for information purposes only and are subject to change.

If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering.

Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTel regulations.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.
² The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
³ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
