\* Fuel consumption and CO<sub>2</sub> emissions are standard EU test figures for comparative purposes, and may not reflect 'real world' driving results. For full details, please see Environmental Information on page 28. CO<sub>2</sub> emissions shown refer to standard specification only. Adding larger optional alloy wheels can increase CO<sub>2</sub> emissions which may affect VED band and recommended 'On the road' retail price. Please see page 32 for further details.

† For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 30. SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 36 or visit [www.volkswagen.co.uk/technology/adblue](http://www.volkswagen.co.uk/technology/adblue) for more details.

PETROL/ELECTRIC HYBRID 4-DOOR SALOON RANGE.	Engine	Fuel	Transmission	Combined output, PS	CO <sub>2</sub> emission, g/km*	Basic Recommended Retail £	VAT £	Additional 'On the road' Costs £†	Manufacturer's Recommended 'On the road' Retail £† excl. P1CG‡	'On the road' Retail £† with P1CG‡ deducted
GTE	1.4 ltr TSI PHEV	Petrol	6 speed auto DSG	218	40*	30,645.83	6,129.17	655.00	37,430.00	34,930.00
GTE ADVANCE	1.4 ltr TSI PHEV	Petrol	6 speed auto DSG	218	40*	33,691.67	6,738.33	655.00	41,085.00	38,585.00

\* The 'combined/weighted' fuel consumption/CO<sub>2</sub> figures are calculated from two test results: one when the battery is fully charged and another when the battery is discharged. The two results are a weighted average, taking into account mileage range on battery power only, providing a figure in a variety of charge conditions. Battery charged using mains-sourced electricity via plug-in. Extended range achieved by 1.4 litre TSI petrol engine generating electricity. Fuel consumption and CO<sub>2</sub> emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Emissions are while driving. More information is available at [www.dft.gov.uk/vca](http://www.dft.gov.uk/vca). For full details, please see Environmental Information on page 28. CO<sub>2</sub> emissions shown refer to standard specification only. Adding larger optional alloy wheels can increase CO<sub>2</sub> emissions which may affect VED band and recommended 'On the road' retail price. Please see page 32 for further details. † For full details of VED (Vehicle Excise Duty) bands, delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 30. ‡ The GTE and GTE Advance are hybrid vehicles (PHEV) which makes them eligible for the Government 'P1CG' (Plug-in Car Grant) towards the cost of the car. The 'cost' is the full purchase price you pay for the basic vehicle - including number plates, Vehicle Excise Duty and VAT, but does not include delivery charge or first registration fee. The amount of your grant will be automatically deducted from the price of your GTE or GTE Advance when the vehicle is registered. The P1CG will be applied to the recommended 'On the road' retail price. The receipt of this grant is subject to the eligibility of the vehicle at the point of registration and is subject to change. Please refer to the [GOV.UK OLEV](http://GOV.UK/OLEV) Grant website for more details. Your authorised Volkswagen retailer will complete the paperwork, but you may be asked to complete a customer survey. For more information, please contact your authorised Volkswagen retailer or visit: [www.gov.uk/plug-in-car-van-grants/overview](http://www.gov.uk/plug-in-car-van-grants/overview)

Model shown is Passat GTE with optional LED premium headlights, panoramic sunroof and premium signature paint.

# MODEL PRICES (STOCK MODELS PRODUCED PRIOR TO 20 DECEMBER 2017)

Please note these models are only available from stock and are not available to factory order. As such, they will not have the standard equipment as specified in this price list effective 20.12.17. Please contact your authorised Volkswagen retailer for full details of the specification for these models.

THE PASSAT - 07

# MAIN ITEMS OF STANDARD SPECIFICATION

## STANDARD ITEMS OF EQUIPMENT: S

### VOLKSWAGEN SERVICE

3-year/60,000 miles warranty (whichever is soonest)

3-year paintwork warranty

12-year body protection warranty

Volkswagen Roadside Assistance

Exclusions and terms apply, please see page 38 for more details

### WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Aragon' with 215/60 R16 low rolling resistance tyres and anti-theft wheel bolts

Steel space saver spare wheel

### EXTERIOR

Black radiator grille with chrome louvers

Body-coloured bumpers

Body-coloured door handles

Body-coloured door mirrors with integrated indicators

Daytime running lights

Exterior temperature gauge and frost warning function

Galvanised body

Halogen clear headlights, range adjustable via infotainment system

Rear lights incorporating LED technology

Rear number plate lights incorporating LED technology

Windscreen wipers with intermittent operation

### INTERIOR

Analogue clock in the dashboard

'Brushed chrome' decorative inserts in dash, centre console and door panels

Chrome-plated instrument and air vent surrounds

Cup holders, front x 2

Front centre armrest with storage compartment and two rear air vents

Glovebox, cooled, illuminated and lockable

Height and reach adjustable steering wheel

Interior lighting: front and rear with interior delay and dimming function

Leather trimmed three-spoke multifunction steering wheel and gear knob

Load lashing points x 4, in luggage compartment

Luggage compartment light

Reading lights, front x 2

Seating

– Upholstery – 'Hampshire' cloth

– Driver's and front passenger's seat height adjustment

– Front seats with lumbar adjustment

Split folding rear seat backrests 60:40

Storage compartment in driver's door for 1.0 litre bottle

Storage compartment in roof console with cover

Storage compartments in front passenger's door for 1.5 litre bottle

Storage compartment in rear doors

### INTERIOR (CONTINUED)

Vanity mirrors

White instrument lighting

12V socket in front centre console

### IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Aerial for radio integrated into rear windscreen

Composition Media infotainment system

– 8.0" colour touch-screen

– Bluetooth telephone and audio connection for compatible devices<sup>1</sup>

– Car information display

– DAB digital radio receiver

– MDI (Multi Device Interface), via USB connection – compatible products only

– Music playback from MP3, WMA and AAC files

– SD card reader

– Simultaneous pairing of 2 compatible mobile devices

– Single CD player

– SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)

– Tilt and cover art display

– 'Think Blue. Trainer.' Driver tips and journey analysis

– 4 x 20 watt output

– 8 speakers, front and rear

Premium USB cable (choice of either Apple or Android smartphone compatibility)

### CAR-NET

Car-Net 'App-Connect'<sup>2</sup>

– Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'<sup>™</sup> allowing 'mirroring' of smartphone display on the infotainment touch-screen via USB connection

### SAFETY AND SECURITY

ABS (Anti-lock Braking System) – includes BAS (Brake Assist System) and EBD (Electronic Brake-pressure Distribution)

Airbags

– Curtain airbag system, for front and rear passengers, including front side impact airbag

– Driver's and front passenger's airbags with front passenger's airbag deactivation switch

– Driver's knee airbag

– Rear seat side impact airbags, outer

Alarm with interior protection, with deactivation via infotainment system

Automatic Post-Collision Braking System

Disc brakes, front and rear

Driver's and front passenger's safety-optimised head restraints, longitudinal and height adjustable

Electronic engine immobiliser

ESC (Electronic Stability Control) – includes EDL (Electronic Differential Lock) and ASR (Traction Control), EDTC (Engine Drag Torque Control) and trailer stabilisation function

First aid kit

## STANDARD ITEMS OF EQUIPMENT: S (CONTINUED)

### SAFETY AND SECURITY (CONTINUED)

Height-adjustable front three-point seat belts with tensioners

High level 3rd brake light

Isofix child seat preparation, outer rear seats

Misfuel prevention device

Press and drive (Keyless start)

Remote central locking with 2 remote keys

Rigid safety cell with front and rear crumple zones

Tyre pressure loss indicator

Warning buzzer and light for front seat belts if unfastened

Warning light for rear seat belts if unfastened

Warning lights for open boot lid and doors

Warning reflector in all doors

3 rear head restraints, height adjustable

3 rear three-point seat belts

- 1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
- 2 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) to check smartphone compatibility.

### COMFORT AND CONVENIENCE

Air conditioning, manual

Electric windows, front and rear

Electrically heated and adjustable door mirrors

Heated rear window

One-touch indicator turn signal

### DRIVER'S ASSISTANCE

Battery regeneration (recuperation - energy recovery during braking)

Driver Alert system

Electronic parking brake - with auto hold function

Hill hold function

Multifunction computer, includes visual gear change recommendation for improved fuel consumption

Power-assisted steering, speed-sensitive

Remote boot unlocking

Speedo and rev counter, electronic odometer, trip, service interval display and fuel gauge

Start/Stop function

Warning light for low washer fluid

## STANDARD ITEMS OF EQUIPMENT: BLUEMOTION (OVER S)

### WHEELS AND SUSPENSION

Alloy wheels, four 7J x 17" 'Soho' with 215/55 R17 tyres and anti-theft wheel bolts

Sports suspension, lowered by approx. 15mm

### EXTERIOR

'BlueMotion' styling pack - uniquely shaped front and rear bumpers

Chrome trimmed front air intake and radiator grille with blue strip

Unique 'BlueMotion' badging

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice. Model shown features optional metallic paint.

## ADDITIONAL ITEMS OF STANDARD EQUIPMENT: SE BUSINESS (OVER S)

### WHEELS AND SUSPENSION

Alloy wheels, four 7J x 17" 'London' with 215/55 R17 self-sealing tyres and anti-theft wheel bolts

### EXTERIOR

Chrome-plated side window surrounds

Front fog lights with static cornering function and chrome trimmed surround

'Gloss Black' B-pillar trim

LED headlights range adjustable with reflector technology. Including 12 separate LED daytime running lights which also perform the indicator function

Rear tinted glass from B-pillar backwards, approx. 65% tinted

### INTERIOR

'Diamond Silver' decorative inserts in dash, centre console and door panels

Carpet mats, front and rear

Cup holders with covers, front x 2

LED entrance/warning lights in front doors

Load-through provision

Reading lights, front and rear x 2 incorporating LED technology

Rear seat centre armrest with storage compartment

### INTERIOR (CONTINUED)

Seating

- Upholstery - 'Kensington' cloth
- ergoComfort seat with seat cushion tilt adjustment, thigh support and electric backrest adjustment on the driver's side
- Heated front seats

Vanity mirrors, illuminated

12V socket in luggage compartment

### IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation infotainment system (in addition to Composition Media infotainment system)

- 8.0" colour touch-screen
- Branded points of interest
- Dynamic navigation based on TMC+
- Preloaded European navigation data
- Speed Limit Display<sup>1</sup>
- Three route options (Fast, Short, Eco)
- Volkswagen Media Control<sup>2</sup> - allows remote control of the infotainment system via smartphone or tablet
- 2D/3D map view

### CAR-NET

Car-Net 'Guide and Inform'<sup>3</sup> - 3-year subscription

- Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds

### SAFETY AND SECURITY

Automatic leaving home and manual coming home lighting functions

Front head restraints with longitudinal and height adjustment

PreCrash preventive occupant protection

### COMFORT AND CONVENIENCE

Automatic dimming interior rear-view mirror

Climate control - 3Zone electronic air conditioning with automatic air recirculation

Heated windscreen washer jets

Rain sensor

Remote electrically heated, adjustable and foldable door mirrors, including automatic dimming function on driver's side, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's side

### DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter

Driver profile selection, personalisation for

- Wing mirrors
- Map and route settings
- Radio stations
- Air conditioning
- Central locking and windows
- Interior lighting

Dusk sensor, automatic driving lights

Multifunction colour display (not GT, R-Line and GTE Advance models)

Parking sensors, front and rear - ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system

1 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

2 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) to check compatibility.

3 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

## ADDITIONAL ITEMS OF STANDARD EQUIPMENT: GT (OVER SE BUSINESS)

### WHEELS AND SUSPENSION

Alloy wheels, four 8J x 18" 'Oxford Anthracite' with 235/45 R18 self-sealing tyres and anti-theft wheel bolts

'Piano Black' decorative inserts in centre console

Seating

- Upholstery - Alcantara seat centre section and 'Vienna' leather<sup>1</sup> side bolsters

Steering wheel including paddle shift (auto DSG only)

### COMFORT AND CONVENIENCE

Ambient lighting and lights in front door

Panoramic sunroof (not GTE model)

### DRIVER'S ASSISTANCE

Active Info Display<sup>2</sup> (not GTE)

## ADDITIONAL ITEMS OF STANDARD EQUIPMENT: GT 2.0 TSI 220 PS AND GT 2.0 BiTDI 240 PS 4MOTION (OVER GT)

### WHEELS AND SUSPENSION

Dynamic Chassis Control (DCC), variable suspension settings - choice of three settings: Sport, Comfort and Normal

### SAFETY AND SECURITY

XDS electronic differential lock for improved traction and handling

### EXTERIOR

LED premium headlights with projection technology. Including dual 'U-shaped' LED daytime running lights. 12 separate LED lights which perform the indicator function. With dynamic curve lighting and headlight washers

Trapezoid exhaust tailpipes, left and right

1 Some parts of leather interior will contain artificial leather.

2 Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation infotainment system, the navigation map cannot be displayed on the Discover Navigation's 8.0" touch-screen.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice. Model shown features optional metallic paint.

## ADDITIONAL ITEMS OF STANDARD EQUIPMENT: R-LINE (OVER GT)

### WHEELS AND SUSPENSION

Alloy wheels, four 8J x 18" 'Monterrey' with 235/45 R18 self-sealing tyres and anti-theft wheel bolts

Steel space saver spare wheel

### EXTERIOR

LED premium headlights with projection technology. Including dual 'U-shaped' LED daytime running lights. 12 separate LED lights which perform the indicator function. With dynamic curve lighting and headlight washers

'R-Line' styling pack – 'R-Line' design front and rear bumpers, radiator grille and side skirts

Trapezoid exhaust tailpipes, left and right

### INTERIOR

Black rooflining

Leather trimmed three-spoke multifunction steering wheel with aluminium inserts and 'R-Line' logo

Seating

- Upholstery – 'Race' seat centre section and 'Vienna' leather<sup>1</sup> side bolsters
- Front seats with embroidered 'R-Line' logo on backrest

Stainless steel pedals – clutch, brake and accelerator

Unique 'R-Line' carpet mats, front and rear

Unique 'R-Line' decorative inserts for dash and door panels

Unique 'R-Line' door sill protectors

## ADDITIONAL ITEMS OF STANDARD EQUIPMENT: R-LINE 2.0 TSI 220 PS AND R-LINE 2.0 BiTDI 240 PS 4MOTION (OVER R-LINE)

### WHEELS AND SUSPENSION

Dynamic Chassis Control (DCC), variable suspension settings – choice of three settings: Sport, Comfort and Normal

### SAFETY AND SECURITY

XDS electronic differential lock for improved traction and handling

<sup>1</sup> Some parts of leather interior will contain artificial leather.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice. Model shown features optional metallic paint.

## ADDITIONAL ITEMS OF STANDARD EQUIPMENT: GTE (OVER GT)

### CAR-NET

Car-Net 'Security & Service'

- Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
- Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response incl. Automatic accident notification, Car breakdown, Vehicle health report and Service schedule – 10-year subscription
- Driver and vehicle integration via Car-Net Portal or Car-Net app for: Driving data, Doors and lights, Area alert, Speed alert, Horn and hazard lights, Parking position and Online anti-theft alarm – 3-year subscription
- Car-Net e-remote mobile services via Car-Net Portal or Car-Net app for: Remote battery charging management, Departure times and Remote pre-trip interior climatization – 3-year subscription

### WHEELS AND SUSPENSION

Tyre mobility kit (in lieu of steel space saver spare wheel)

### ELECTRIC

Two charging cables – 16amp AC cable for wallbox/chargepoints (mode 3) and 10amp mains charge cable (mode 2)

Socket AC type 2

2 Some parts of leather interior will contain artificial leather.

# FACTORY-FITTED OPTIONS

At Volkswagen, we work towards making sure that our cars are as close to how you want them as possible, and we understand that every detail needs to be right for you and your needs.

Introducing our exceptional range of factory-fitted options which allow you to express your individuality, help with the practical things in life, and add a touch of luxury at the same time. Whether you're looking for things to help you relax and help take the stress out of driving, feel protected, or simply look fantastic, just take your pick.

From keyless entry to adaptive cruise control, from a swivelling towbar to concert hall acoustics, you'll find everything you need on the following pages to make your Passat **your** Passat, and perfect in every detail.

Factory-fitted option prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of 20% VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. Models shown feature optional metallic paint.

1 Standard with 2.0 litre TSI 220 PS and 2.0 litre BitDI SCR 240 PS engines. 2 Not available with 2.0 litre TSI 220 PS and 2.0 litre BitDI SCR 240 PS engines.

*Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 32 for full details.*

● Standard equipment ○ Optional equipment - Not available. Factory-fitted options are subject to availability and extended delivery.

**Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.**

Choosing larger alloy wheels than standard, may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers may increase. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 32 for full details. In addition, larger alloy wheels than standard size will require the purchase of tyres. Prices shown do not include the transfer of tyres. <sup>1</sup> Price per wheel excludes tyre.

# VOLKSWAGEN WARRANTY AND SERVICE PLAN

## ADDITIONAL WAYS TO KEEP YOUR PERFECT CAR, PERFECT... FOR LONGER

Exclusions and terms apply, please see page 38 for more details. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

### THE VOLKSWAGEN EXTENDED WARRANTY

If you order the Volkswagen Extended Warranty as an option when buying your new Passat, then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

### CHOOSE ONE OF THE FOLLOWING TWO OPTIONS:

	Basic Recommended Retail £	VAT £	Total Recommended Retail £
<b>Four years</b>	341.67	68.33	410.00
This covers up to four years or 75,000 miles, whichever comes soonest. The cover includes a two-year unlimited mileage warranty and up to 75,000 miles in the third and fourth years.			
<b>Five years</b>	808.33	161.67	970.00
This covers up to five years or 90,000 miles, whichever comes soonest. The cover includes a two-year unlimited mileage warranty and up to 90,000 miles in the third, fourth and fifth years.			

For further details please visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk) or speak to your authorised Volkswagen retailer.

### VOLKSWAGEN SERVICE PLAN

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

### Volkswagen Service Plan – for cars under 1 year old/10,000 miles comprising:

Recommended 12 months/10,000 miles:	Oil service including oil filter change
Recommended 24 months/20,000 miles:	Inspection service and oil service including oil filter change plus a dust and pollen filter replacement (if required)

Excludes electric vehicles. Plan is available for vehicles under 10,000 miles that have not had a first service. The Volkswagen Service Plan is subject to terms and conditions. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

Solutions PCP

# THE MAGIC OF MORE CAR FOR YOUR MONEY

## So what's the big deal?

Solutions from Volkswagen Financial Services offers you flexible competitive rates and a finance plan that's completely built around you. Because it allows you to leave paying for some of the car's value to the very end, you can lower your monthly repayments... allowing you to get more car for your money. At the end of the agreement you also get three options to suit you. Solutions. Not smoke and mirrors, just brilliant, flexible finance. (There, the secret's out!)

## The nitty-gritty

1. Choose a repayment period and annual mileage.
2. Pay your deposit, which can be made up of cash or a part-exchange.
3. Defer an agreed amount until the end of your agreement.

**Setting the deposit and repayment term helps create the right combination for a monthly payment budget.**

## In the end... the choice is yours

1. Part-exchange your existing car for a new Volkswagen on a Solutions (PCP) contract (subject to status).
2. Pay the option to purchase fee and the optional final payment and keep your Volkswagen.
3. Hand the car back (subject to terms and conditions).

### Cost of your vehicle

Deposit	Monthly payments	Optional final payment
As little as one monthly payment	Spread across 18 to 48 months	You have three choices at the end of your agreement

Test drive some numbers with our finance calculator by scanning this QR code with your mobile device.

**For more information and things to consider when taking out finance, please visit [vwfinance.co.uk](http://vwfinance.co.uk)**

Model shown is Passat R-Line with optional Pure White non-metallic paint.

An offer of finance depends on certain conditions. Finance subject to status. 18s and over. Terms and conditions apply. Volkswagen Financial Services.

\* Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) and at [www.dft.gov.uk/vca](http://www.dft.gov.uk/vca). CO<sub>2</sub> is the main greenhouse gas responsible for global warming. This information should be used for illustration purposes only. Choosing larger alloy wheels than standard may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers will increase. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The specifications contained in this price list are for information purposes only and are subject to change. SCR (Selective Catalytic Reduction) requires AdBlue®, please see [page 36](#) or visit [www.volkswagen.co.uk/technology/adblue](http://www.volkswagen.co.uk/technology/adblue) for more details. † Please note these models are only available from stock and are not available to factory order. **BM refers to BlueMotion.**

PETROL/ELECTRIC HYBRID MOTOR	Combined output, PS	CO <sub>2</sub> emission, g/km <sup>1</sup>	Trim level	Fuel Consumption B (Petrol)*	Fuel Consumption A (Electric)*	Combined* mpg/ltr per 100km	Consumption, kWh/100 km <sup>1</sup> (62 miles), Combined	Range, miles (NEDC) <sup>2</sup>	Efficiency class <sup>3</sup>
1.4 ltr TSI DSG PHEV	218	40	GTE	52.3/5.4*	N/A*	156.9/1.8*	13.7	606	A+
1.4 ltr TSI DSG PHEV	218	40	GTE Advance	52.3/5.4*	N/A*	156.9/1.8*	13.7	606	A+

1 Range is not only dependent on the efficient use of the battery by the vehicle but also on driver behaviour and other non-technical factors (e.g. environmental conditions). Extra equipment and accessories (add-on parts, tyres etc.) can change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics, and with weather and traffic conditions, can affect range and performance values. This information should be used for illustration purposes only. The 'combined/weighted' fuel consumption/CO<sub>2</sub> figures are calculated from two test results: one when the battery is fully charged and another when the battery is discharged. The two results are a weighted average, taking into account mileage range on battery power only, providing a figure in a variety of charge conditions. Battery charged using mains-sourced electricity via plug-in. Extended range achieved by 1.4 litre TSI petrol engine generating electricity. Fuel consumption and CO<sub>2</sub> emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Emissions are while driving. More information is available at [www.dft.gov.uk/vca](http://www.dft.gov.uk/vca). Choosing larger alloy wheels than standard may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid for company car drivers will increase. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The specifications contained in this price list are for information purposes only and are subject to change. 2 The specified NEDC range can vary because of driving style, speed, use of additional electrical consuming equipment, outside temperature, number of people in car/maximum load, driving style selection (e-mode, hybrid, battery charge, battery hold or 'GTE' mode) and terrain. 3 Efficiency classes assess vehicles according to CO<sub>2</sub> emissions, taking into account the vehicle's unladen weight. Vehicles conforming to that are graded D. Vehicles that are better than today's average are graded A+, A, B or C. Vehicles that are worse than the average are graded E, F or G.

Model shown is Passat BlueMotion with optional 17" 'Istanbul' alloy wheels, LED premium headlights, Convenience pack and metallic paint.

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with DVLA on, or after, 1 April 2017.

If a new vehicle is registered on or after 1 April 2017, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £140 a year.

The 'First year rate' will be based on the CO<sub>2</sub> emissions and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £140 a year, and alternative fuel vehicles will pay a standard rate of £130 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £450 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £140 'Standard rate' and £310 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £140 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £440 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £130 'Standard rate' and £310 additional rate which reverts to £130 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £310 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

There is no provision for 6 month's 'First year rate' VED.

# VEHICLE EXCISE DUTY (VED) AND ADDITIONAL 'ON THE ROAD' COSTS

For vehicles first registered on or after 1 April 2017, the amount you pay for the 'First year rate' of VED is based on CO<sub>2</sub> emissions. For subsequent year's VED, you then pay the 'Standard rate' of VED, depending on the type of fuel the vehicle uses, as shown in the tables below. VED rates for vehicles registered before 1 April 2017 will not be affected by the new VED rate changes.

## 'FIRST YEAR RATE' – BASED ON CO<sub>2</sub> EMISSIONS

### Petrol/Diesel – 'First year rate' VED

CO <sub>2</sub> emissions (g/km)	Petrol/Diesel VED £	Petrol/Diesel total 'On the road' costs £
0	0.00	655.00
1-50	10.00	665.00
51-75	25.00	680.00
76-90	100.00	755.00
91-100	120.00	775.00
101-110	140.00	795.00
111-130	160.00	815.00
131-150	200.00	855.00
151-170	500.00	1,155.00
171-190	800.00	1,455.00
191-225	1,200.00	1,855.00
226-255	1,700.00	2,355.00
Over 255	2,000.00	2,655.00

### Alternative fuel – 'First year rate' VED

CO <sub>2</sub> emissions (g/km)	Alternative fuel VED £	Alternative fuel total 'On the road' costs £
0	0.00	655.00
1-50	0.00	655.00
51-75	15.00	670.00
76-90	90.00	745.00
91-100	110.00	765.00
101-110	130.00	785.00
111-130	150.00	805.00
131-150	190.00	845.00
151-170	490.00	1,145.00
171-190	790.00	1,445.00
191-225	1,190.00	1,845.00
226-255	1,690.00	2,345.00
Over 255	1,990.00	2,645.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed below:

### Additional 'On the road' costs

	Costs £
Delivery to retailer	480.00
Number plates	20.00
VAT	100.00
Vehicle first registration fee	55.00
Total	655.00

## 'STANDARD RATE' – BASED ON FUEL TYPE

### 'Standard rate' VED

Fuel type	CO <sub>2</sub> emissions (g/km)	'Standard rate' VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	140.00
Alternative	1 - Over 255	130.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £140 a year, and alternative fuel vehicles will pay a standard rate of £130 a year.

## 'STANDARD RATE' – VEHICLES OVER £40,000 RRP

### 'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' VED £	Additional rate £	Total annual payment £
Electric	0.00	310.00	310.00
Petrol/Diesel	140.00	310.00	450.00
Alternative	130.00	310.00	440.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £450 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £440 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £310 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

# CO<sub>2</sub> EMISSIONS AND VED BANDS WITH OPTIONAL WHEELS

## EFFECT OF WHEEL SIZE ON CO<sub>2</sub> EMISSIONS AND VED BANDS

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO<sub>2</sub> emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

			Output, PS	Standard wheel size	CO <sub>2</sub> emission, g/km*, standard wheels	First year VED £, standard wheels	Optional alloy wheel and size	CO <sub>2</sub> emission, g/km*, optional alloy wheels	First year VED £, optional wheels

SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 36 or visit [www.volkswagen.co.uk/technology/adblue](http://www.volkswagen.co.uk/technology/adblue) for more details.

† Please note these models are only available from stock and are not available to factory order.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet the latest EURO 6 exhaust gas regulations.

## How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Passat	13 litres	Next to fuel filler nozzle	4,000 to 6,500 miles or sooner*

\* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

## How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

## Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

## Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

AdBlue® warning lights.

# THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

## THE VOLKSWAGEN WARRANTY

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

### THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty<sup>1</sup>. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

### BODY PROTECTION WARRANTY

The internal body sections and panels of the Passat are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

### THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

### VOLKSWAGEN GTE EIGHT-YEAR BATTERY WARRANTY

1. A guarantee for eight years or 99,360 miles/160,000km (whichever is soonest), on all material or manufacturing defects.
2. Gradual reduction in battery capacity over times is integral to the nature of the component, and does not represent a defect under the terms of this guarantee, as long as the reduction in capacity is not in excess of the value specified for this vehicle in the owner's manual.
3. With the exception of the warranty term, all warranty conditions stipulated by the Volkswagen retailer selling the vehicle (prerequisites, criteria for freedom from defects, exclusions, settlement of claims, entry into force and start of extended warranty term, scope of application etc.) also apply to the high voltage battery.

### EXTENDED WARRANTY

If you order the Volkswagen Extended Warranty as an option when buying your new Passat then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

### SERVICE INTERVALS

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service<sup>2</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

### SERVICE INTERVALS (CONTINUED)

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000<sup>3</sup> and a maximum of 20,000<sup>3</sup> miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service<sup>2</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

### VOLKSWAGEN INSURANCE<sup>4</sup>

We want you to start enjoying your new car from day one and thanks to Volkswagen free 5 day insurance, you can. Call free on 0330 303 6930 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

## VOLKSWAGEN ENSURANCE<sup>5</sup>

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit [volkswagen-ensurance.co.uk](http://volkswagen-ensurance.co.uk)

## VOLKSWAGEN FINANCE<sup>6</sup>

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

## VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

**Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)**

## PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

*Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTel regulations.*

## ADBLUE<sup>®</sup>

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue<sup>®</sup> which must be kept topped up. Please see [www.volkswagen.co.uk/technology/adblue](http://www.volkswagen.co.uk/technology/adblue) for more details.

- 1 All warranty work must be completed by an authorised Volkswagen retailer or repairer.
- 2 The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 3 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 4 Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Annual insurance credit is provided by Ageas Retail Limited. Volkswagen Motor Insurance from VWFS UK is sold and administered by Ageas Retail Limited, registered in England and Wales number: 1324965. Registered Office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. VWFS UK and Ageas Retail Limited are not part of the same corporate group.
- 5 Ensurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ.
- 6 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
