

# PRICE AND SPECIFICATION

Model Year 2017  
Edition 4

NEW  
**VOLVO S90**

# YOUR OWN S90 IS IN REACH

The new Volvo S90 puts you at the heart of a luxury experience. An experience where intelligent, beautiful design works in harmony with cutting edge innovation. A combination of exquisite, natural materials with sophisticated, intuitive technology that continues the journey we started with the XC90.

Swedish luxury is about the beauty of simplicity, using natural and simple details to express the Scandinavian heritage enjoyed and celebrated at Volvo Cars since its creation in 1927. The exterior design defines the cars character, communicating solidity and confidence. The cabin creates a sanctuary, offering an uncluttered and spacious interior with Volvo's world famous sculpted seats.

By using intuitive technology, Volvo's in-car infotainment control system, Sensus, the majority of functions inside the vehicle are controlled via a 9" center touch screen, removing the need for physical buttons which allows for a cleaner and simpler user interface.

<sup>1)</sup> P11D value for BIK purposes is the retail price plus delivery charge. BIK % shown for the 2016/17 tax year.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £550 and vehicle tax as of 1st April 2016 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

# NEW VOLVO S90 STANDARD FEATURES

---

## TRANSMISSION / STEERING / SUSPENSION

---

8-Speed Automatic Transmission with Start/Stop, Sport Mode and Manual Change Functions

---

Height and Reach Adjustable Steering Column

---

Speed Sensitive Steering

---

3 Spoke Leather Steering Wheel and Illuminated Gear Knob with Chrome Trim

---

Steering Wheel Remote Infotainment Controls

---

Adaptive Cruise Control

---

Pilot Assist (up to 80mph)

---

Hill Start Assist

---

Power Parking Brake with Auto Hold Function

---

Drive Mode Settings

---

Adjustable Steering Force

---

Keyless Start

---

Dynamic Chassis

---

## EXTERIOR

---

LED Headlights with Active High Beam incorporating Day Running Lights

---

Colour Coordinated Autofolding Heated Power Door Mirrors

---

Adaptive Brake Lights including High Level LED Brake Light

---

Rain Sensor - Automatic Windscreen Wiper Activation

---

Power Operated Bootlid

---

Roof Antenna

---

Piano Black Front Grille with Chrome Surround

---

Chrome Window Surround

---

Twin Exhaust Pipes with Chrome Sleeves

---

Rear Park Assist

---

## ALLOY WHEELS

---

17" 7 Spoke Alloy Wheels with 225/55 Tyres (D4)

---

18" 10 Spoke Turbine Alloy Wheels with 245/45 Tyres (D5 PowerPulse AWD)

---

Locking Wheel Nuts

---

Tyre Pressure Monitoring System

---

Tempa Spare Wheel and Jack

---

## INTERIOR

---

2-Zone Electronic Climate Control with 'CleanZone' Air Quality System and Pollen Filter

---

Lockable Glovebox Compartment with Illumination

---

B-Pillar Ventilation

---

Front and Rear Power Windows

---

8" Active TFT Crystal Driver's Information Display

---

Illuminated Vanity Mirrors with Ticket Holder

---

A-Pillar Parking Ticket Holder

---

Front and Rear Aluminium Tread Plates

---

Front Footwell and Side Step Illumination

---

Front and Rear Reading Lights, Theatre Lighting and Centre Armrest Storage Illumination

---

Luggage Compartment Illumination

---

12v Socket (Front and Rear Tunnel Console)

---

# NEW VOLVO S90 FEATURE EXPLANATION

---

## **CITY SAFETY WITH FRONT COLLISION WARNING AND AUTOBRAKE**

Included as standard in your new S90 is City Safety, which senses potential collisions, even when it is dark, and can activate the brakes automatically should you not react in time. City Safety provides three levels of intervention; warning, brake support and autonomous braking and uses a complex array of instruments and sensors to constantly monitor surrounding conditions.

---

## **PEDESTRIAN, CYCLIST AND LARGE ANIMAL DETECTION**

The groundbreaking Pedestrian, Cyclist and Large Animal Detection technology detects and automatically brakes the vehicle in the event of a pedestrian, cyclist or large animal (such as a deer) stepping/swerving out in front of the car. The advance sensor system scans the area ahead and will prompt you to act with a flashing warning light on the windscreen, along with an audible alarm. If you do not react to the warning, and a collision is imminent, the car immediately brakes with full braking force.

---

## **REAR COLLISION MITIGATION**

Rearward facing radar detects if a rear impact is imminent, and safety belts are tightened in advance in order to protect the occupants. Lights also start flashing to warn the driver behind and brakes are activated to help reduce the impact.

---

## **DRIVER ALERT CONTROL WITH LANE KEEPING AID**

Cameras constantly monitor the S90's position on the carriageway, warning the driver by audible sound and/or taking action by automatically correcting the steering - if roadside markings are crossed without obvious reason such as the use of the turn indicator. And if the Driver Alert Control determines a deterioration in driving behaviour, a warning sound and display message encourages the driver to take a break.

---

## **ROAD SIGN INFORMATION**

The new S90 can also help you stay informed by displaying road sign information within your instrument display. This function also has the ability to warn the driver should the vehicle exceed the current road speed limit.

---

## **ACTIVE HIGH BEAM**

This feature enables the car itself to switch between low and high beam when oncoming traffic approaches.

---

## **PILOT ASSIST**

Fitted as standard is Volvo's next generation of autonomous driving. The Adaptive Cruise Control feature maintains the desired set vehicle speed but utilises radar to monitor the vehicle in front and automatically slows down or speeds up as necessary. In an evolution of this, Pilot Assist also takes care of the steering (up to 80mph) by continually monitoring the area in front of the vehicle, making the necessary steering, accelerator and brake inputs as required to keep to the desired speed, distance and within the lane markings.

---

## **BLIND SPOT INFORMATION SYSTEM WITH CROSS TRAFFIC ALERT**

The Blind Spot Information System uses sensors to alert the driver to vehicles within the mirror blind spots, either side of the vehicle. Cross Traffic Alert uses radar to provide information to the driver about vehicles approaching from the side - useful for when traffic approaches from the sides and rear, for example when reversing out of a parking space.

---

## **PARK ASSIST PILOT**

This function takes over the steering of the car leaving the driver to follow the instructions provided in the instrument cluster with regards to acceleration, braking and selection of gears. In addition to automatic parallel parking, parking at 90° to road is also supported.

---

## **VISUAL PARK ASSIST 360°**

During low speed manoeuvres, the Visual Park Assist 360° provides the driver with additional information relating to the car's surroundings. A birds-eye view of the car is provided via four hidden cameras, digitally stitched together to create a seamless image in the centre screen.

---

## **ACTIVE FOUR-C CHASSIS**

Features different modes that can be selected by the driver according their personal preference, air suspension also ensures that the vehicle remains level irrespective of passenger and load configuration.

---

## **ROAD EDGE DETECTION AND RUN-OFF ROAD PROTECTION**

Road Edge Detection uses a camera to monitor the position of the vehicle in relation to the road markings and applies steering input as necessary if it detects that the vehicle is about to leave the road. Should the vehicle inadvertently leave the road, the front seat belts are automatically tightened whilst the front seat frames contain a collapsible section designed to reduce vertical forces by up to one third - thus reducing the likelihood of spinal injuries.

---

## **AUTOBRAKE AT JUNCTIONS**

Should the S90 detect that you have turned in front of an oncoming vehicle (at a junction or intersection for example) the brakes will be automatically applied in order to mitigate the risk of a collision. In addition, at speeds above 18mph, and if a collision is unavoidable, the front seat belts are automatically tightened.

---

# NEW VOLVO S90 TAKE THE WHEEL

Our range of finance, service and insurance options will allow you to budget for your new Volvo around one key factor – your lifestyle.

## **FLEXIBLE FINANCE**

You might be surprised how easy and flexible financing the purchase of your new car can be. As part of Volvo, Volvo Car Financial Services has developed a series of funding plans that will provide you with maximum choice and flexibility when acquiring a Volvo.

## **SERVICE PROGRAMME**

When you have your car serviced at a Volvo dealer, we make a pledge to you. It's called Volvo Service Promise and it guarantees an unbeatable combination of quality, reassurance and expertise. First, your personal service advisor will deal with any of your questions and make sure you can get to where you need to go. Our expert technicians will then give your car a full health check including a free software upgrade. Finally, we'll provide you with 12 months' complimentary Volvo Roadside Assistance and a car wash. For full details please go to [volvocars.co.uk/servicepromise](http://volvocars.co.uk/servicepromise)

## **INSURANCE**

Volvo Car Insurance is rated 5 stars by Defaqto<sup>1</sup> and designed with you in mind, from the moment you get behind the wheel of your new car. It offers excellent value, a range of exclusive benefits and a UK-based 24-hour claims team. **Call now for your insurance quote<sup>2</sup> on 0330 102 7960.**

## **VOLVO ON CALL**

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. Comes complete with a mobile app that provides a car locator, remote dashboard and lock-your-car functionality. For full details visit [volvocars.co.uk](http://volvocars.co.uk)

## **ROADSIDE ASSISTANCE**

Every new car comes with 3 years' Volvo Assistance cover. You'll enjoy free breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can extend cover for 12 months for £99 or it is automatically extended if you have your car serviced at a Volvo dealer. For full details please go to [volvocars.co.uk/volvoassistance](http://volvocars.co.uk/volvoassistance)

## **WARRANTY**

Every new Volvo comes with comprehensive protection. Our warranty covers the first 3 years or 60,000 miles, whichever comes first. There's a 3-year unlimited mileage warranty on the paintwork, and either 8 or 12 years against rust perforation. The battery in the T8 Twin Engine is covered by a warranty for 8 years or 100,000 miles - whichever comes first. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.
